(b) On any public holiday not prescribed as a holiday under this Award the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted but if work be done ordinary rate of pay shall apply.

18.—Annual Leave.

(a) Except as hereinafter provided a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(b) Each worker shall where practicable be given three months' notice of the commencing date of annual leave, and such leave shall where practicable, having regard to the exigencies of the employer's business, be arranged to suit the convenience of the worker.

(c) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one (1) day being an ordinary working day for each such holiday observed as aforesaid: Provided that at the option of the employer any of the Award holidays so falling within the period of annual leave shall be given in one of the following ways:—

(i) Added to the Easter holidays, in which case the employer may, at his option, add one (1) further day in lieu of Australia Day (26th January). Where it is the intention of the employer to adopt this method he shall notify the worker of such intention.

(ii) By agreement between the employer and the worker, but not otherwise, another day shall be given in lieu of each of such Award holidays.

(d) If after one (1) month's continuous service in any qualifying twelve (12) monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(e) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to holidays.

(f) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled (subject to subclause (d) of this clause) to such holidays on full pay as are proportionate to his length of service during that period with such employer, and if such holidays are not equal to the holidays given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on holidays on full pay.

(g) (i) A worker who is justifiably dismissed for misconduct shall not be entitled to the benefits of the provisions of this clause.

(ii) In special circumstances and by mutual consent of the employer, the worker, and the Union, annual leave may be taken in not more than two periods.

19.—Contract of Service.

The contract of hiring of every worker, other than a casual worker, shall be deemed to be a contract of hiring by the week. If such notice is not given one week's wages shall be paid or forfeited. Provided that no notice of dismissal or resignation shall be given which will terminate the employment on the last working day immediately preceding a holiday. This clause shall not apply to apprentices.

20.—Under-rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

21.—Interviewing Workers and Inspection of Premises.

The secretary or any duly authorised representative of the Union shall not be prevented from visiting or conversing with the members of the Union on any job or in any shop during meal hours. The secretary or any duly authorised representative, shall have the right to visit and inspect any factory or works, or any part thereof, during the time that work is being carried on outside the ordinary working hours, and to interview workers therein. The employer shall provide all necessary facilities to assist the secretary or representative in carrying this power into effect.

22.—Posting of Union Notices.

The accredited Union representative shall not be prevented from posting a copy of this Award, or any notice of the Union not exceeding fourteen (14) inches by nine (9) inches, in a suitable place agreed upon between the employer and the Union. Failing agreement in this connection the Board of Reference shall decide where the copy of the Award, or the said notices, shall be posted. Any such notice shall be submitted to the employer for approval before being posted.

23.—Junior Workers' Certificate.

(a) When requested, junior workers shall furnish the employer with a certificate showing the following particulars:—

- (i) Name in full.
- (ii) Age and date of birth.

(b) The certificate shall be signed by the worker.

(c) No worker shall have any claim upon the employer for additional pay in the event of his age being wrongly stated on this certificate. If any worker shall wilfully mis-state his age in the above certificate, he alone shall be guilty of a breach of this Award.

24.—Record.

(a) Each employer shall keep a time and wages record, wherein shall be entered—

- (i) the name of each worker;
- (ii) the nature of his employment;
- (iii) the time he commences and finishes work each day;
- (iv) the total hours worked each day and each week;
- (v) the wages (and overtime, if any) received therefor;
- (vi) the ages of junior workers.

(b) Any system of automatic recording by means of machines shall be deemed a compliance with this clause, to the extent of the information recorded.

(c) Such record shall be entered up each day in legible English characters, and shall be signed weekly only if correct by each worker.

(d) The record shall be open for inspection by a duly accredited official of the Union during the ordinary office hours, at the employer's office or other convenient place and he shall be allowed to take extracts therefrom.

25.—Clock.

One reliable clock shall be installed in each factory, and the starting and finishing time of workers shall be taken from that clock.

26.—Breakdowns.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union, or the Unions affiliated with it or because of any stoppage of work by any cause which the employer cannot reasonably prevent.

27.—Board of Reference.

(1) For the purpose of this Award a Board of Reference is hereby appointed, which shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. The said Board shall have assigned to it in the event of no agreement being arrived at between the parties to the dispute the functions of:—

- (a) adjusting any matters of difference which may arise from time to time, except such as involve interpretation of the provisions of the Award or any of them;
- (b) dealing with any other matter which the Court may refer to the Board from time to time.

(2) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1961, which for this purpose are embodied in this Award.

28.—Absence Through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill health at the rate of one-twelfth (1/12th) of a week's pay for each completed month of service: Provided that, subject to subclause (g) hereof, payment for absence through such ill-health shall be limited to one (1) week's pay in each calendar year.

(b) Payment hereunder shall be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, whichever date occurs first, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(c) This clause shall not apply when the worker is entitled to compensation under the Workers' Compensation Act.

(d) A worker shall not be entitled to receive any wages from his employer for any time lost through any accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default or for sickness arising out of his own wilful default.

(e) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(f) Notwithstanding the provisions of subclause (e) hereof, a worker, who in any calendar year, has already been allowed paid sick leave on one occasion for one day only, or less, shall not be entitled to payment for any further absence of one day only or less, unless he produces to the employer a medical certificate stating that he was unable to attend for duty on account of personal ill-health.

(g) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

29.—Rest Period.

In any establishment where a rest period is prescribed by this Court for factory workers other than those covered by this Award, a similar rest period shall apply to this Award.

30.—Preference to Unionists.

(a) In this clause the term "unionists" means a worker who is a financial member of the Industrial Union of Workers party to this Award.

(b) In engaging or dismissing labour (other than apprentices) preference of employment shall be given to unionists, provided that such unionists are adequately experienced in the class of work to be performed and are otherwise competent to perform the work; provided that it shall be a defence on the part of an employer charged with engaging a worker other than a "unionist" when a "unionist" was available for such engagement that the employer having made inquiries from the appropriate Union or if in the country areas other reasonable inquiries did not know that any "unionist" competent to perform the class of work involved was available.

(c) Any worker whose application for membership of the Union has been refused shall have the right of appeal to the Industrial Registrar whose decision on such matter shall be final. Such worker who has exercised his right of appeal shall pending the decision of the Industrial Registrar have the same rights under this clause as a "unionist".

(d) Subject to subclause (e) hereof workers (other than apprentices) who are not "unionists" shall within seven days of being supplied with the necessary application form for membership, and a copy of this clause by an accredited representative of the applicant Union, apply in the prescribed manner for membership and if accepted as a member maintain financial membership whilst employed by a respondent to this Award.

(e) Exemptions:

(i) Any worker may apply in writing to the Industrial Registrar, Court of Arbitration, Perth (whose decision shall be final), for exemption from this clause.

(ii) An applicant for exemption shall detail in the application to the Industrial Registrar his reasons for desiring exemption, and such application shall only be valid and considered by the Industrial Registrar if it is forwarded by registered post within seven days of the applicant's receipt of the application for membership as prescribed in subclause (d).

(iii) The Industrial Registrar in the exercise of his discretion may grant exemption with such conditions as he deems desirable—

(a) if the applicant is a financial member of any other registered Industrial Union;

(b) if the employee objects on the grounds of conscientious religious belief to becoming a member of any industrial union;

(c) for any other reason which the Industrial Registrar deems sufficient.

(iv) A worker refused exemption by the Industrial Registrar shall within seven days of the decision make application for membership of the applicant Union and if accepted as a member maintain financial membership whilst employed by a respondent to this Award.

(f) No employer shall, while to his knowledge adequately experienced unionists competent to perform the class of work required are available, retain in his employment any worker for a period of more than seven days after being advised by the Union concerned that such worker has not complied with either subclause (d) or paragraph (iv) of subclause (c) of this clause or for a period of more than seven days after a conviction for a breach of this clause in reference to the employment of such worker.

31.—Long Service Leave.

(a) Right to Leave.

A worker shall as herein provided be entitled to leave with pay in respect of long service.

(b) Long Service.

(1) The long service which shall entitle a worker to such leave shall, subject as herein provided, be continuous service with one and the same employer.

(2) Such service shall include service prior to the 1st April, 1958, if it continued until such time but only to the extent of the last 20 completed years of continuous service.

(3) (i) Where a business has, whether before or after the 1st April, 1958, been transmitted from an employer (herein called "the transmittor") to another employer (herein called "the transmittee") and a worker who at the time of such transmission was an employee of the transmittor in that business becomes an employee of the transmittee—the period of the continuous service which the worker has had with the transmittor (including any such service with any prior transmittor) shall be deemed to be service of the worker with the transmittee.

(ii) In this subclause "transmission" includes transfer, conveyance, assignment or succession whether voluntary or by agreement or by operation of law and "transmitted" has a corresponding meaning.

(4) Such service shall include—

(a) any period of absence from duty on any annual leave or long service leave;

(b) any period of absence from duty necessitated by sickness of or injury to the worker but only to the extent of fifteen working days in any year of his employment;

(c) any period following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations hereunder in respect of long service leave or obligations under any Award in respect of annual leave;

- (d) any period during which the service of the worker was or is interrupted by service—
- (i) as a member of the Naval, Military or Air Forces of the Commonwealth of Australia other than as a member of the British Commonwealth Occupation Forces in Japan and other than as a member of the Permanent Forces of the Commonwealth of Australia except in the circumstances referred to in Section 31 (2) of the Defence Act, 1903-1956, and except in Korea or Malaya after 26th June, 1950;
 - (ii) as a member of the Civil Construction Corps established under the National Security Act, 1939-1946;
 - (iii) in any of the Armed Forces under the National Service Act, 1951 (as amended).

Provided that the worker as soon as reasonably practicable on the completion of any such service resumed or resumes employment with the employer by whom he was employed immediately before the commencement of such leave.

(5) Service shall be deemed to be continuous notwithstanding—

- (a) the transmission of a business as referred to in paragraph (3) hereof;
- (b) any interruption of a class referred to in paragraph (4) hereof irrespective of the duration thereof;
- (c) any absence from duty authorised by the employer;
- (d) any standing-down of a worker in accordance with the provisions of an Award, Industrial Agreement, Order or Determination under either Commonwealth or State law;
- (e) any absence from duty arising directly or indirectly from an industrial dispute if the worker returns to work in accordance with the terms of settlement of the dispute;
- (f) any termination of the employment by the employer on any ground other than slackness of trade if the worker be re-employed by the same employer within a period not exceeding two months from the date of such termination;
- (g) any termination of the employment by the employer on the ground of slackness of trade if the worker is re-employed by the same employer within a period not exceeding six months from the date of such termination;
- (h) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave;
- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(c) Period of Leave.

(1) The leave to which a worker shall be entitled or deemed to be entitled shall be as provided in this subclause.

(2) Where a worker has completed at least 20 years' service the amount of leave shall be—

- (a) in respect of 20 years' service so completed—13 weeks' leave;
- (b) in respect of each 10 years' service completed after such 20 years—six and a half weeks' leave.

(3) Where a worker has completed at least 15 years' service since its commencement and his employment is terminated—

- (a) by his death;
- (b) in any circumstances otherwise than by the employer for serious misconduct; the amount of leave shall be—
 - (i) if such determination takes place before the worker has become entitled to leave under placitum (a) of paragraph (2) hereof such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years;
 - (ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of 13 weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to 20 years.

(4) Where a worker has completed at least 10 years' service but less than 15 years' service since its commencement and his employment is terminated—

- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled the ordinary time rate of pay applicable to him at the date he commences such leave.

(2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this Award, but in the case of casuals and part-time workers shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard.

(3) Where by agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave;

(4) The ordinary time rate of pay—

- (a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;
- (b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

(5) In the case of workers employed on piece or bonus work or any other system of payment by results payment shall be at ordinary time rates.

(e) Taking Leave.

(1) In a case to which paragraph (2) of subclause (c) applies:—

- (a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.
- (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.
- (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three separate periods in respect of the first 13 weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.
- (d) Any leave shall be inclusive of any public holidays specified in this Award occurring during the period when the leave is taken but shall not be inclusive of any annual leave.
- (e) Payment shall be made in one of the following ways:—
 - (i) in full before the worker goes on leave;
 - (ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or
 - (iii) in any other way agreed between the employer and the worker.
- (f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State Law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent hereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this Award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of—

- (a) the settlement of disputes on any matters arising hereunder;
- (b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trades Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of 20 or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provision hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.
