if after receiving one (1) week's notice he does not carry out his duties in the same manner as he had prior to such notice.

(2) The employer shall be under no obligation to pay for any day not worked on which the worker is required to present himself for work except when such absence from work is due to illness and comes within the provisions of the sick leave clause or such absence is on account of holidays to which a worker is entitled under the provisions of this Award. Provided further that the employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union.

- (a) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (b) deciding any other matter that the Court may refer to the Board from time to time.

(2) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1961, which for this purpose are embodied in this Award.

29.—Learning Round.

(1) During the first working week that an adult worker is employed by the employer as a driver, the employer shall be permitted to reduce the prescribed wage to the basic wage whilst the worker is learning the round.

(2) During the first working week that a junior worker is employed by an employer as a driver the employer shall be permitted to reduce the prescribed wage by fifty per cent. (50 per cent.), whilst the worker is learning the round.

(3) The foregoing shall apply only where the worker learning the round is accompanied by some other person for the purpose of teaching such worker the round.

30.—Preference.

(1) In this clause the term "Unionist" means a worker who is a financial member of the industrial union of workers party to this Award.

(2) Any worker whose application for membership of the Union has been refused shall have the right of appeal to the Industrial Registrar whose decision on such matters shall be final. Such worker who has exercised his right of appeal shall pending the decision of the Industrial Registrar have the same rights under this clause as a "Unionist."

(3) Subject to subclause (4) hereof workers who are not "Unionists" shall, within seven days of being supplied with the necessary application form for membership and a copy of this clause by an accredited representative of the applicant Union, apply in the prescribed manner for membership and if accepted as a member maintain financial membership whilst employed by a respondent to this Award. Workers who are unfinancial members of the industrial union of workers party to this Award shall become and maintain financial membership whilst employed by any respondent to the Award.

(4) Exemptions:—

(a) Any worker may apply in writing to the Industrial Registrar, Court of Arbitration, Perth (whose decision shall be final) for exemption from this clause.

(b) An applicant for exemption shall detail in the application to the Industrial Registrar his reasons for desiring exemption and such application shall only be valid and considered by the Industrial Registrar if it is forwarded by registered post within seven days of the applicant's receipt of the application for membership as prescribed in subclause (3).

(c) The Industrial Registrar in the exercise of his discretion may grant exemption with such conditions as he deems desirable—

- (i) if the applicant is a financial member of any other registered industrial union;
- (ii) if the employee objects on the grounds of conscientious religious belief to becoming a member of any industrial union; and
- (iii) for any other reason which the Industrial Registrar deems sufficient.

(5) A worker refused exemption by the Industrial Registrar shall within seven days of the decision make application for membership of the applicant Union and if accepted as a member maintain financial membership whilst employed by a respondent to this Award.

(6) Parties to this Award are hereby granted leave to apply at any time to amend, add to, or delete any or all of the provisions of this clause.

31.—Long Service Leave.

(a) Right to Leave.

A worker shall as herein provided be entitled to leave with pay in respect of long service.

(b) Long Service.

(1) The long service which shall entitle a worker to such leave shall, subject as herein provided, be continuous service with one and the same employer.

(2) Such service shall include service prior to the 1st April, 1958, if it continued until such time but only to the extent of the last twenty (20) completed years of continuous service.

(3) (i) Where a business has, whether before or after the coming into operation hereof, been transmitted from an employer (herein called "the transmittor") to another employer (herein called "the transmittee") and a worker who at the time of such transmission was an employee of the transmittor in that business becomes an employee of the transmittee—the period of the continuous service which the worker has had with the transmittor (including any such service with any prior transmittor) shall be deemed to be service of the worker with the transmittee.

(ii) In this subclause "transmission" includes transfer, conveyance, assignment or succession whether voluntary or by agreement or by operation of law and "transmitted" has a corresponding meaning.

(4) Such service shall include—

- (a) any period of absence from duty on any annual leave or long service leave;
- (b) any period of absence from duty necessitated by sickness or injury to the worker but only to the extent of fifteen (15) working days in any year of his employment;
- (c) any period following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations hereunder in respect of long service leave or obligations under any award in respect of annual leave;
- (d) any period during which the service of the worker was or is interrupted by service—
 - (i) as a member of the Naval, Military or Air Forces of the Commonwealth of Australia other than as a member of the British Commonwealth Occupation Forces in Japan and other than as a member of the Permanent Forces of the Commonwealth of Australia except in the circumstances referred to in section 31 (2) of the Defence Act, 1903-1956, and except in Korea or Malaya after 26th June, 1950;
 - (ii) as a member of the Civil Construction Corps established under the National Security Act, 1939-1946;
 - (iii) In any of the Armed Forces under the National Service Act, 1951 (as amended).

Provided that the worker as soon as reasonably practicable on the completion of any such service resumed or resumes employment with the employer by whom he was employed immediately before the commencement of such service.

(5) Service shall be deemed to be continuous notwithstanding—

- (a) the transmission of a business as referred to in paragraph (3) hereof;
- (b) any interruption of a class referred to in paragraph (4) hereof irrespective of the duration thereof;
- (c) any absence from duty authorised by the employer;
- (d) any standing-down of a worker in accordance with the provisions of an Award, Industrial Agreement, Order or Determination under either Commonwealth or State law;
- (e) any absence from duty arising directly or indirectly from an industrial dispute if the worker returns to work in accordance with the terms of settlement of the dispute;

- (f) any termination of the employment by the employer on any ground other than slackness of trade if the worker be re-employed by the same employer within a period not exceeding two months from the date of such termination;
- (g) any termination of the employment by the employer on the ground of slackness of trade if the worker is re-employed by the same employer within a period not exceeding six (6) months from the date of such termination;
- (h) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave;
- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen (14) days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(c) Period of Leave.

(1) The leave to which a worker shall be entitled or deemed to be entitled shall be as provided in this subclause.

(2) Where a worker has completed at least twenty (20) years' service the amount of leave shall be—

- (a) in respect of twenty (20) years' service so completed—thirteen (13) weeks' leave;
- (b) in respect of each ten (10) years' service completed after such twenty (20) years—six and a half (6½) weeks' leave.

(3) Where a worker has completed at least fifteen (15) years' service since its commencement and his employment is terminated—

- (a) by his death;
- (b) in any circumstances otherwise than by the employer for serious misconduct;

the amount of leave shall be—

- (i) if such determination takes place before the worker has become entitled to leave under placitum (a) of paragraph (2) hereof such proportion of thirteen (13) weeks' leave as the number of completed years of such service bears to twenty (20) years;
- (ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of thirteen (13) weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to twenty (20) years.

(4) Where a worker has completed at least ten (10) years' service but less than fifteen (15) years' service since its commencement and his employment is terminated—

- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a

dispute is in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of leave shall be such proportion of thirteen (13) weeks' leave as the number of completed years of such service bears to twenty (20) years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled, the ordinary time rate of pay applicable to him at the date he commences such leave;

(2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this award, but in the case of casuals and part-time workers shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard;

(3) Whereby agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave;

(4) The ordinary time rate of pay—

- (a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;
- (b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

(5) In the case of workers employed on piece or bonus work or any other system of payment by results payment shall be at ordinary time rates.

(e) Taking Leave.

(1) In a case to which paragraph (2) of subclause (c) applies:—

- (a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.
- (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference, the employer shall give to a worker at least one (1) month's notice of the date from which his leave is to be taken.
- (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three (3) separate periods in respect of the first thirteen (13) weeks' entitlement and in not more than two (2) separate periods in respect of any subsequent period of entitlement.
- (d) Any leave shall be inclusive of any public holidays specified in this award occurring during the period when the leave is taken but shall not be inclusive of any annual leave.
- (e) Payment shall be made in one of the following ways:—
 - (i) In full before the worker goes on leave;

(ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or

(iii) in any other way agreed between the employer and the worker.

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment, a proportionate amount on the basis of thirteen (13) weeks for twenty (20) years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State Law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent hereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of twelve (12) months thereafter, or in the case of termination by death of the worker, a period of three (3) years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and

his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of—

(a) the settlement of disputes on any matters arising hereunder;

(b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State Law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of twenty (20) or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State Law with regard to long service leave is exempted from the provisions of that law as at the 1st day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to any party to this award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

In witness whereof this Award has been signed by the Conciliation Commissioner this 11th day of February, 1963.

(Sgd.) S. F. SCHNAARS,
Conciliation Commissioner.

3.—Scope.

This Award shall apply to all workers referred to in Clause 8 hereof (and also pieceworkers) employed by the respondents.

4.—Term.

The term of this Award shall be for a period of three (3) years as from 1st October, 1962.

5.—Area.

This Award shall operate over the area comprised within a radius of fifteen (15) miles from the General Post Office, Perth.

6.—Hours of Time Workers.

(a) The maximum number of hours to be worked each week shall be:—

(i) Linotype operators, thirty-six (36) hours day, thirty-four (34) hours night.

(ii) All other workers, thirty-eight (38) hours day, thirty-six (36) hours night.

(b) There shall be a two (2) hour reduction in the weekly working hours for all workers working an abnormal shift. An abnormal shift is a shift exceeding eight and a quarter (8½) hours' work (excluding meal breaks), which does not carry overtime rates.

(c) The week's work shall be accomplished in a maximum of five (5) shifts, the sixth shift (non-working day) to be rotated throughout the week in all sections. Provided that the day staff of West Australian Newspapers Limited employed in the letterpress machine section and other sections or division of sections, following agreement between the employer, the chapel and the Union, may work five (5) shifts each week with Saturday and Sunday off. And further provided that for the staff of Western Press Limited, the week's work shall be accomplished in five (5) shifts each week with Monday off, unless otherwise arranged by agreement between the employer, the chapel and the Union.

(d) A worker's day or night off shall rotate in rostered sequence. Provided, however, that where necessary to maintain balance of staff a worker is required to work on his day or night off he shall receive a day or night off in lieu the following week, or as soon as possible up to within one month of his having worked on his day or night off. Should the employer be unable to adhere to this proposal, one (1) day or night shall be added to the worker's annual leave. Provided that in no circumstances is any payment to be made to the worker who is required to work on his day or night off. Should the rostered day or night off for a time worker fall on a shift where more or less hours are worked on the average shift, no overtime shall be charged and there shall be no reduction in pay. For this purpose it is agreed that a six (6) weeks' cycle shall be observed wherein ordinary working hours are levelled up.

(e) Apprentices shall be allocated in roster on the same basis as journeymen, but when their day or night off falls on a school day they must attend the Technical College for the period set down in the Award and shall be reimbursed with the corresponding time off, such reimbursement to take place within the current six-week cycle. Provided that where an apprentice works or is rostered for work, Monday to Friday, the provisions of this clause shall not apply.

(f) In cases where any worker is absent through sickness or other causes (such as bereavement) on his rostered day or night off, his day or night off for that week will automatically lapse.

(g) The hours of all workers shall be as laid down in this Award. Provided that on a Saturday where the normal hours of day work carry into night work, night rates shall be paid for all work

performed after 6.30 p.m. On Saturday a shift of ten (10) hours (excluding meal breaks) may be worked and may extend into Sunday without incurring overtime rates.

Except in cases of emergency or on special occasions to be agreed to by the chapel and the "House," the spread of hours shall not exceed twelve (12) hours, including meal breaks.

(h) On any working day or night a section of workers may be divided into two or more parts with a different starting or finishing time; provided there is not a break (other than meal breaks) in the continuity of the shift. And further provided that there shall be a rotation of such division of sections. The composition of the division of sections shall be at the discretion of the employer. The provisions of this subclause shall not apply to West Australian Newspapers Ltd. in which case the terms of Order No. 161 of 1962 shall apply.

(i) In offices where a regular shift is worked between the hours set down in this Award for day work and night work, the wages shall be at a rate proportionate to the number of hours day work and night work. Should the aggregate hours on any mixed shift be three-quarters or more of the hours applying to night work, night rates shall apply.

(j) In the event of a permanent worker not being provided with work for the maximum number of hours in each week, he shall receive not less than the minimum wage provided for his grade in Clause 3 of this Award.

(k) The roster of daily hours of each section shall be prominently displayed in each section's workroom and posted on the last working day of each week for the following week. The roster will remain as such until altered by a week's notice or by agreement between the chapel or the Union and the "House," except in cases of sickness, holidays or special circumstances arising which cannot reasonably be foreseen, when the roster may be varied by notification to the worker on or before the day prior to such alteration taking place.

(l) Leading Hands.—Western Press Limited may classify two compositors, one mechanic or machine compositor, one stereotyper and one member of the machine room, as leading hands. Leading hands shall be permitted to work one hour longer on the abnormal shift than the other members of each section without incurring overtime rates, after which they shall receive overtime at ordinary rates. Provided always that such leading hands shall receive a minimum of one pound (£1) per week above the minimum wage provided in each section.

Provided that where a machine is used only for setting headings or display lines for advertisements, such machine shall be worked on time. Provided further that machine compositors may set lines for display advertisements, and for blocks, etc., that cannot reasonably be given out to pieceworkers; the Printer and the pieceworkers' representative or the Father of the Chapel being in agreement as to the class of matter covered by this clause before it shall become operative; and that the "House" shall have the right to set on time "takes" of less than twelve (12) lines.

(ii) The rate specified above has been fixed on a basic wage of fourteen pounds eighteen shillings and ninepence (£14 18s. 9d.) and consequent upon any fluctuation of the basic wage the amount of the increase or decrease shall be added to or deducted from the earnings of a pieceworker.

(o) All first proofs and revise correction marks left undone by the pieceworker in the first proof shall be done by the pieceworker. All fresh errors imported into corrected matter by the pieceworker shall, if not corrected by him, be charged against him at the rate of housemarks.

(p) If a machine is changed by order to a different type, the pieceworker shall not be required to change back again to make corrections, which shall be done by the house machine corrector, and all such corrections, mechanical and circled errors excepted, shall be charged against the pieceworker at the rate of housemarks.

(q) All machine errors—to be countersigned by the mechanic—shall be charged as housemarks. Provided that when a pieceworker has obviously continued setting without drawing the attention of the mechanic to the faulty working of the machine, the charges shall be disallowed.

(r) Standing time shall be charged at the time operator's rate; every minute to count. Standing time for machine delays shall be countersigned by the mechanic.

When a pieceworker is being paid standing time he may be called upon to perform other work.

(s) Not less than twelve (12) lines shall constitute a "take" of copy. Provided that the copy given out at any time, whether referring to different articles or not, shall constitute one "take."

(t) The following charges for machine changes shall apply:—Change of liners, twelve (12) lines each way; change of gauge, four (4) lines each way, to be calculated on the basis of measure next to be set.

(u) No pieceworker shall be required to set reprint copy of a type size smaller than seven (7) point where practicable. This subclause does not apply to reprint advertisements.

(v) The total charge for setting consecutive articles or "take" in the middle of a "take" shall be twenty-four (24) lines; stop press items are excluded from this subclause and do not carry a penalty charge.

(w) Tabular Matter Cast on One Bar.—Two columns justification, one-third extra; three columns, one-half extra; four or more columns, double, in accordance with the sample sheet set out in the schedule to this Award. These charges are to be made whether the matter is with or without headings or rules. Introductory lines or footnotes not exceeding four (4) lines shall be charged with the table.

(x) Liberty is reserved to either party to apply to amend this clause in the event of any major change in style.

15.—Overtime.

(a) Overtime shall be charged at the rate of time and one-half for the first three (3) hours and double time thereafter. Where a worker employed on a rostered shift exceeds his spread of hours and is called upon to work overtime into Sunday he shall be paid ordinary overtime rates. Special Sunday work shall be paid for at double rates.

(b) For the purpose of computing time or overtime the following periods shall operate: Eight (8) minutes or over to be charged one-quarter of an hour; twenty-three (23) minutes or over, one-half hour; thirty-eight (38) minutes or over, three-quarters of an hour; fifty-three (53) minutes or over, one hour.

(c) Overtime for pieceworkers shall be assessed at the machine compositor's rate and shall be paid the penalty only of one-half for the first three (3) hours, and the hourly rate thereafter, plus piecework rates for all matter set.

(d) Day workers shall be paid at day overtime rates and night workers at night overtime rates. In offices where a regular shift is worked between the hours set down in this Award as day work and night work, overtime worked by such intermediate shift workers between 8 a.m. and 6.30 p.m. shall be paid at day rates and that worked between 6.30 p.m. and 8 a.m. shall be paid at night rates.

(e) An employer shall not insist upon a worker working overtime where the worker declares he is not free to work and discloses a good reason to the employer to support his declaration. No worker shall be dismissed or in any way whatsoever prejudiced in his employment by reason of his refusal to work overtime where he has satisfactorily disclosed he is not free to work. Any dispute arising under this subclause shall be heard and decided by the Board of Reference.

(f) Where overtime in excess of one (1) hour extends beyond a normal meal hour and notice of overtime has not been given to a worker during the previous shift, five shillings (5s.) shall be paid as an allowance for tea money.

(g) It shall not be necessary for all sections to commence work at the same time, but where any individual worker is called in before his usual starting time or retained after his usual finishing time he shall be paid overtime.

16.—Meal Break.

(a) The time allowance for meals shall be such as may be mutually arranged between each employer and the workers and, in default or agreement, as fixed by the Board of Reference.

17.—Holidays.

(a) Every worker (including pieceworkers) shall receive four (4) weeks' holiday in each year on full pay, at times convenient to the employer; provided always that should the services of a worker be brought to a termination after the expiration of three (3) calendar months, but before the expiration of twelve (12) calendar months, the said four (4) weeks' holiday shall be commuted to a holiday of two (2) days for each calendar month's service. Provided further that where a worker is dismissed for serious and wilful misconduct the provisions of this clause shall not apply.

(b) It is further agreed that holiday rights for workers will accrue on the 31st December of each year. The holiday leave for workers joining the employer's service during the year will be adjusted to this date each year. Holiday leave will be given at the convenience of the employer, who has the right and may require to give it at any time.

(c) A casual worker who has been regularly employed for one or more shifts a week shall be granted four (4) weeks' annual leave at his average weekly earnings exclusive of overtime and penalty rates calculated over the period in respect of which the leave has accrued; provided that this subclause shall not apply to any worker with less than three (3) months' continuous regular employment as aforesaid; and provided further that should the employment come to an end after the expiration of three (3) calendar months but before the expiration of twelve (12) calendar months from the date of the commencement of the employment, a worker shall be granted such a proportion of four (4) weeks' leave as the period of his employment bears to twelve (12) calendar months; and provided further that should the

worker be dismissed for serious and wilful misconduct, the provisions of this subclause shall not apply.

(f) Where a worker's rostered day or night off falls on a paid holiday he shall be granted a day or night off in lieu, either immediately preceding or immediately subsequent to the day or night taken as the holiday. Should the employer be unable to maintain a working balance of staff, the provisions of Clause 6 (d) shall apply.

(g) Pieceworkers shall be paid at the machine compositor's night rate plus fifteen per cent. (15%) for annual holidays.

18.—Termination of Employment.

The employment of a weekly worker may be terminated by a week's notice on either side and such notice may be given at any time during the week, to take effect one week after the day on which it is given. This shall not affect the right of the employer to dismiss any worker without notice for malingering, neglect of duty, or misconduct, and in such cases wages shall be paid up to the time of dismissal only. In the case of casuals, no notice is necessary.

19.—Lower Rate.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) Pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

(d) The wages of under-rate workers shall rise or fall on a *pro rata* basis, in conformity with the rise or fall in the basic wage.

20.—Long Service Leave.

(a) Right to Leave.

A worker shall as herein provided be entitled to leave with pay in respect of long service.

(b) Long Service.

(1) The long service which shall entitle a worker to such leave shall, subject as herein provided, be continuous service with one and the same employer.

(2) Such service shall include service prior to 1st April, 1958, if it continued until such time but only to the extent of the last twenty (20) completed years of continuous service.

(3) (i) Where a business has, whether before or after the 1st April, 1958, been transmitted from an employer (herein called "the transmitter") to another employer (herein called "the transmittee") and a worker who at the time of such transmission was an employee of the transmitter in that business becomes an employee of the transmittee—the period of the continuous service which the worker

has had with the transmitter (including any such service with any prior transmitter) shall be deemed to be service of the worker with the transmittee.

(ii) In this subclause "transmission" includes transfer, conveyance, assignment or succession whether voluntary or by agreement or by operation of law, and "transmitted" has a corresponding meaning.

(4) Such service shall include—

- (a) any period of absence from duty on any annual leave or long service leave;
- (b) any period of absence from duty necessitated by sickness of or injury to the worker but only to the extent of fifteen (15) working days in any year of his employment;
- (c) any period following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations hereunder in respect of long service leave or obligations under this Award in respect of annual leave;
- (d) any period during which the service of the worker was or is interrupted by service—
 - (i) as a member of the Naval, Military or Air Forces of the Commonwealth of Australia, other than as a member of the British Commonwealth Occupation Forces in Japan and other than as a member of the Permanent Forces of the Commonwealth of Australia except in the circumstances referred to in section 31 (2) of the Defence Act, 1903-1956, and except in Korea or Malaya after 26th June, 1950;
 - (ii) as a member of the Civil Construction Corps established under the National Security Act, 1939-1946;
 - (iii) in any of the Armed Forces under the National Service Act, 1951 (as amended).

Provided that the worker as soon as reasonably practicable on the completion of any such service resumed or resumes employment with the employer by whom he was employed immediately before the commencement of such service.

(5) Service shall be deemed to be continuous notwithstanding—

- (a) the transmission of a business as referred to in paragraph (3) hereof;
- (b) any interruption of a class referred to in paragraph (4) hereof irrespective of the duration thereof;
- (c) any absence from duty authorised by the employer;
- (d) any standing-down of a worker in accordance with the provisions of an Award, Industrial Agreement, Order or Determination under either Commonwealth or State law;
- (e) any absence from duty arising directly or indirectly from an industrial dispute if the worker returns to work in accordance with the terms of settlement of the dispute;
- (f) any termination of the employment by the employer on any ground other than slackness of trade if the worker be re-employed by the same employer within a period not exceeding two (2) months from the date of such termination;
- (g) any termination of the employment by the employer on the ground of slackness of trade if the worker is re-employed by the same employer within a period not exceeding six (6) months from the date of such termination;
- (h) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave;

- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen (14) days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(c) Period of Leave.

(1) The leave to which a worker shall be entitled or deemed to be entitled shall be as provided in this subclause.

(2) Where a worker has completed at least twenty (20) years' service the amount of leave shall be—

- (a) in respect of twenty (20) years' service so completed—thirteen (13) weeks' leave;
 (b) in respect of each ten (10) years' service completed after such twenty (20) years—six and a half (6½) weeks' leave.

(3) Where a worker has completed at least fifteen (15) years' service since its commencement and his employment is terminated—

- (a) by his death;
 (b) in any circumstances otherwise than by the employer for serious misconduct;

the amount of leave shall be—

- (i) if such termination takes place before the worker has become entitled to leave under placitum (a) of paragraph (2) hereof such proportion of thirteen (13) weeks' leave as the number of completed years of such service bears to twenty (20) years;
 (ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of thirteen (13) weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to twenty (20) years.

(4) Where a worker has completed at least ten (10) years' service but less than fifteen (15) years' service since its commencement and his employment is terminated—

- (i) by his death; or
 (ii) by the employer for any reason other than serious misconduct; or
 (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is, in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of the leave shall be such proportion of thirteen (13) weeks' leave as the number of completed years of such service bears to twenty (20) years.

(5) In the cases to which paragraphs (3) and (4) hereof apply, the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled the ordinary time rate of pay applicable to him at the date he commences such leave.

(2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this Award but, in the case of casuals and part-time workers, shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard.

(3) Where by agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave.

(4) The ordinary time rate of pay—

- (a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;
 (b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

(5) Pieceworkers shall be paid at the machine compositor's night rate plus fifteen per cent. (15%).

(e) Taking Leave.

(1) In a case to which paragraph (2) of subclause (c) applies:—

(a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or, in the absence of such agreement, at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.

(b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one (1) month's notice of the date from which his leave is to be taken.

(c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree, in not more than three separate periods in respect of the first thirteen (13) weeks' entitlement and in not more than two (2) separate periods in respect of any subsequent period of entitlement.

(d) Any leave shall be inclusive of any public holidays specified in this Award occurring during the period when the leave is taken but shall not be inclusive of any annual leave.

(e) Payment shall be made in one of the following ways—

- (i) in full before the worker goes on leave;
 (ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or
 (iii) in any other way agreed between the employer and the worker.

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment

in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death, pay to the worker, and upon termination of employment by death, pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of thirteen (13) weeks for twenty (20) years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation of this Award and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of twelve (12) months thereafter, or in the case of termination by death of the worker a period of three (3) years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this Award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of—

- (a) the settlement of disputes on any matters arising hereunder;
- (b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one (1) representative or substitute thereof nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one (1) representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of twenty (20) or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may, subject to such conditions as it thinks fit, exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to any party to this Award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

- (ii) the class of work performed, the hours during which the worker is employed, and the wages paid to each worker.

Provided that the employer may, at his option, use a mechanical clock in lieu of a time book for the purpose of recording the time of each worker.

(b) The employer and the worker shall be severally responsible for the proper posting up daily of such book. Such book or, when a clock is installed, the time cards, may be inspected at any time during the ordinary business hours by the secretary for the time being of the workers' and employers' unions (if any) and also by any person authorised by the President of the Court of Arbitration.

22.—Union Chapel Delegates.

Delegates chosen from the chapel of workers, but not more than three (3) shall be allowed the necessary time in working hours to interview the employer or his representative for the purpose of discussing industrial matters.

23.—Union Officials Visiting Factory.

(d) If no work is available to a worker when called, two (2) hours shall be paid for at ordinary rate.

25.—Health Conditions.

Where artificial lighting is used it shall, as far as possible, be of such a nature and be so situated as to prevent undue strain to the eyes.

A first-aid ambulance chest shall be provided in all establishments, equipped to the satisfaction of the factory inspector with all usual necessary furnishings and appliances and placed in a position approved of by such official.

Notices containing advice for the preservation of the health and protection of workmen, if provided by the Union, shall be kept prominently posted and displayed in all workrooms of the employer.

26.—Disputes.

Any dispute arising out of this Award which cannot be satisfactorily settled between the Father of the Chapel (or his deputy) who attends to the interests of the workers concerned, and the person in charge of the particular section, shall be referred to the Union and the "House." If not then settled, it shall be referred to the Board of Reference.

27.—Board of Reference.

(a) For the purpose of this Award, a Board of Reference is hereby appointed which shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. The said Board shall have assigned to it, in the event of no agreement being arrived at between the parties to the dispute, the functions of—

(i) adjusting any matters of difference which may arise from time to time, except such as involve interpretation of the provisions of this Award or any of them;

(ii) dealing with any other matter which the Court may refer to the Board from time to time.

(b) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1961, which for this purpose are embodied in this Award.

28.—Preference to Unionists.

The section or sections in which an apprentice to photo engraving is to be instructed shall be set out in clause 3 (a) of the Apprenticeship Agreement.

(b) Proportion of Apprentices.—Every office covered by this Award shall be entitled to employ one (1) apprentice to photo engraving for every three (3) or fraction of three (3) journeymen permanently employed in the photo engraving trade, and in each other trade one (1) apprentice to every four (4) or fraction of four (4) journeymen permanently employed in that trade. (The term "permanently employed" shall mean having been fully employed for a period of three (3) months previously.)

(e) (i) The Company may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

(ii) No organisation party to this Agreement, or worker or workers covered by this Agreement, shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation or restriction upon the working of overtime in accordance with the requirements of this subclause.

(f) In the calculation of overtime rates, each day shall stand alone. Provided that when a worker continues working beyond midnight on any day, the hours worked after midnight shall be counted as part of the previous day's work for the purpose of calculating the rates to be paid.

(g) When a worker is recalled to work after the completion of his shift he shall be paid at least three (3) hours at overtime rates.

(h) When a worker is required to hold himself in readiness for a call to work after ordinary hours, he shall be paid at ordinary rates for the time he so holds himself in readiness.

9.—Rest Period After Overtime.

(a) When overtime work is necessary it shall, wherever reasonably practicable, be so arranged that workers have at least eight (8) consecutive hours off duty between the work on successive days.

(b) A worker who works so much overtime between the termination of his ordinary work on one day and the commencement of his ordinary work on the next day that he has not at least eight (8) consecutive hours off duty between those times shall, subject to this subclause, be released after completion of such overtime until he has had eight (8) consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

(c) If, on the instructions of the Company, such worker resumes or continues work without having had such eight (8) consecutive hours off duty he shall be paid at double rates until he is released from duty for such period and he shall then be entitled to be absent until he has eight (8) consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

10.—Shift Work.

When the work is performed on shifts the loading on the ordinary rate of pay for night shift shall be ten per cent. (10%).

11.—Holidays.

(a) The following days, or the days observed in lieu, shall subject to subclause (b) of clause 8 hereof, be allowed as holidays, without deduction of pay namely: New Year's Day, Australia Day, Good Friday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Sovereign's Birthday, Christmas Day and Boxing Day. Provided that another day may be taken as a holiday by arrangement between the parties, in lieu of any of the days named in the subclause.

(b) Where Christmas Day, Boxing Day or New Year's Day fall on a Sunday and where Christmas Day or New Year's Day fall on a Saturday such holiday or holidays shall be observed on the next succeeding working day or days which shall be deemed a holiday or holidays without deduction of pay in lieu of the days named.

12.—Annual Leave.

(a) Except as hereinafter provided, a period of two (2) consecutive week's leave with payment of ordinary wages as prescribed shall be allowed annually to a worker after a period of twelve (12) months continuous service.

(b) If any prescribed holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such holiday as aforesaid.

(c) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the Comptny through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Agreement shall not count for the purpose of determining his right to annual leave.

(e) In the event of a worker being employed by the Company for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause, to such leave on full pay as is proportionate to his length of service during that period with the Company, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of the Company are on leave on full pay.

(f) A worker who is justifiably dismissed for misconduct shall not be entitled to the benefit of the provisions of this clause.

13.—Sick Leave.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one (1) week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the Company, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from the Company for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to the Company of sickness, but the Company shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(d) All sick leave unclaimed shall be paid to the worker on termination of employment or at the end of the season.

14.—First Aid.

The Company shall provide a first aid chest in conformity with the scale prescribed by the Factories and Shops Act.

15.—Time and Wages Record.

(a) The Company shall keep a record containing—

- (i) the names of all workers employed to whom this agreement applies;
- (ii) the class of work performed;
- (iii) the hours worked (including overtime) by each worker; and
- (iv) the wages paid (including overtime) to each such worker,

(b) Such record may be inspected at any time during ordinary working hours by a duly accredited representative of the union, and he shall be allowed to take extracts therefrom.

16.—Preference.

(a) In this clause, the term "Unionist" means a worker who is a financial member of the Australian Workers' Union, Westralian Branch, Industrial Union of Workers.

(b) In engaging or dismissing labour preference of employment shall be given to Unionists, provided that such Unionists are adequately experienced in the class of work to be performed and are otherwise competent to perform the work: Provided further that it shall be a defence on the part of the Company charged with engaging a worker other than a "Unionist" when a "Unionist" was available for such engagement, that the Company, having made enquiries from the Union, did not know that any "Unionist" competent to perform the class of work involved was available.

(c) Any worker whose application for membership of the Union has been refused shall be so advised by the Union in writing and shall have the right of appeal within seven days of being so advised to the Industrial Registrar whose decision on such matter shall be final. Such worker who has exercised his right of appeal shall, pending the decision of the Industrial Registrar, have the same rights under this clause as a "Unionist".

(d) Subject to subclause (e) hereof, workers who are not "Unionists" shall within seven (7) days of being supplied with the necessary application form for membership and a copy of this clause, by an accredited representative of the Union, apply in the prescribed manner for membership and, if accepted as a member, maintain financial membership whilst employed by the Company.

(e) Exemptions:—

(i) Any worker may apply in writing to the Industrial Registrar, Court of Arbitration, Perth (whose decision shall be final) for exemption from this clause.

(ii) An applicant for exemption shall detail in the application to the Industrial Registrar his reasons for desiring exemption and such application shall only be valid and considered by the Industrial Registrar if it is forwarded by registered post within seven (7) days of the applicant's receipt of the application for membership as prescribed in subclause (d).

(iii) The Industrial Registrar in the exercise of his discretion may grant exemption with such conditions as he deems desirable—

(a) if the applicant is a financial member of any other registered industrial union;

(b) if the worker objects on the grounds of conscientious religious belief to becoming a member of any industrial union;

(c) for any other reason which the Industrial Registrar deems sufficient.

(iv) A worker refused exemption by the Industrial Registrar shall, within seven (7) days of the decision, make application for membership of the Union, and if accepted as a member, maintain financial membership whilst employed by the Company.

(f) The Company shall not while to its knowledge adequately experienced unionists competent to perform the class of work are available, retain in its employment any worker for a period of more than seven (7) days after being advised by the Union that such worker has not complied with either subclause (d) or paragraph (iv) of subclause (e) of this clause, or for a period of more than seven (7) days after a conviction for a breach of this clause in reference to the employment of such worker, or for a period of more than (7) days after the Company has been advised by the Union that the worker has not exercised his right

of appeal under subclause (c) hereof following the rejection of his application for membership or having exercised such appeal has had such appeal rejected by the Industrial Registrar.
