TOWN PLANNING AND DEVELOPMENT ACT, 1928 (AS AMENDED).

Shire of Cockburn—Advertisement of a Resolution Deciding to Prepare a Town Planning Scheme.

Shire of Cockburn Town Planning Scheme No. 1.
Gerald Road Scheme.

T.P.B. 853/2/23/1.

NOTICE is hereby given that the Council of the Shire of Cockburn on the 13th day of November, 1963, passed the following resolution:—

Resolve that the Shire of Cockburn, in pursuance of section 7 of Town Planning and Development Act, 1928-1961, prepare the above Town Planning Scheme with reference to an area situate wholly within the Shire of Cockburn and enclosed within the inner edge of a blue border on the plans now produced to the Shire of Cockburn, and marked and certified by the Shire Clerk, to the Shire of Cockburn, under his hand, dated the 31st day of October, 1963, as Plan No. 1 and Plan No. 2.

Details of Scheme No. 1 (Summary): The authority responsible for the administration of this Scheme is the Shire of Cockburn. The general objects of the Scheme are to improve and develop the Scheme area to the best possible advantage, to plan within the area suitable roads and to make provision for arterial and main roads. To insure the proper drainage of these roads, to plan the subdivision of land within the area, to facilitate and co-ordinate the programme of subdivision and development of land within the area, and to make provision for land for public and local authority purposes.

Generally, owners of land in the scheme area will be encouraged to develop and subdivide their land according to the design shown on the Scheme plan, which forms a basis for subdivision, but which is not intended to be rigidly adhered to, provided that any amendments to justify owners would not impede the subdivision and development of the area as a whole.

Generally, owners will carry out their subdivisional proposals in the usual manner, by making application to the Town Planning Board. The Scheme ordinates makes provision for adjustment for open space, contributions, on an equitable basis and, for sharing of the cost of boundary roads, etc., among adjoining owners.

Owners will be encouraged to carry out their own subdivision, and the Council would only act directly, under the terms of the Scheme, where an owner, by refusing to subdivide, is in the opinion of the Council, impeding the overall progress of the Scheme.

And notice is hereby given that Plans No. 1 and No. 2 referred to in the above resolution have been deposited at the office of the Shire of Cockburn, Rockingham Road, Hamilton Hill, and at the office of the Town Planning Board, 33 Mount Street, Perth, and will be available for inspection by all persons interested, without payment of any fees, during normal office hours, any objection to the proposed Scheme should be sent in writing to the Shire Clerk, the Shire of Cockburn, on or before the 14th day of February, 1964.

Dated this 14th day of November, 1963.

E. L. EDWARDES,
Shire Clerk,
Rockingham Road, Hamilton Hill.
