Page 85, from 23/1/65.—Road Freight Services—Perth to Geraldton—Perth to Badgingarra.

1. The following instruction will apply to consignments conveyed by road freighter on or over either of the above-mentioned routes.

2. (a) Acceptance of consignments for these services will be at all country and suburban stations, where parcels are normally accepted, with the exception of Perth Parcels, where passengers' luggage, including prams, will be the only acceptances. All other freight consigned at Perth for the road freighter services on these two routes, will be accepted at the Newcastle Street Depot only.

(b) Conditions and classifications will be as per the Coaching Rates Book and the Supplement to the Coaching Rates Book.

3. (a) Two freight schedules, Tables 1 and 2, have been prepared, and are published in this Weekly Notice, and will be used for consignments conveyed on or over either of the above routes by road freighter, or partially by rail from or to a station or siding anywhere within the departmental rail system, and partially by road freighter to or from a terminal point on either of the above routes. That is to say that a parcel accepted at Bunbury for delivery to New Norcia by road freighter, would be charged the full mileage, Bunbury to New Norcia (rail mileage to Perth, plus road mileage to New Norcia) at the rate set out in the freight schedules referred to above. The rail parcels scale would not apply.

(b) Parcels accepted at other than the Newcastle Street Depot for the Geraldton route, to a terminal point, which is served by rail, will be freighted and conveyed by rail throughout, unless the sender specifies that transit is required by road freighter. Any parcel which is to receive road transit must be clearly marked on the parcel and on the waybill, to ensure that correct transit is received.

Rates to be charged for through booked parcels:—

Throughout Rail—Rail parcels rates for throughout mileage.

Rail and Road—Special Rate Schedule for throughout mileage.

4. The new rate schedules consist of an "Ordinary" rate, Table 1, and a "Concessional" rate, Table 2, and will apply as follows:—

Table 1—Ordinary Rate (see amendment at top of page 87).

Geraldton Service:

To be used for traffic classified in the Coaching Rates Book at Ordinary Rate, and consigned for conveyance as above.

Badgingarra Service:

To be used for traffic classified in the Coaching Rates Book at Ordinary rate, and consigned for conveyance as above.

Up to 1 cwt.—Ordinary Rate.

Over 1 cwt.—Ordinary Rates less 25 per cent. rounded to the nearest 1s. with a minimum as for 1 cwt. at ordinary rates.

Table 2—Concessional Rate.—To be used for consignments on either of the above routes, classified in the Coaching Rates Book as "Half" rate, and consigned for conveyance as above.

5. Bulk Rating.—Will be applicable to all consignments over 1 cwt. on both of the above routes, when consigned as in paragraph 3 (a) above.

Bulk freighting, irrespective of weight, will apply to consignments which are of a perishable nature, as listed on page 86, paragraph 8, of the Coaching Rates Book.

6. Waybilling.

Newcastle Street Depot:

Parcels Stamps will not be used. The present system of way-billing, cash and ledger posting will be continued.

The booked parcels surcharge will not apply.

All Other Acceptance Points:

Parcels stamps and waybills will be used for all single parcel consignments.

Bulk consignments will be waybilled on a booked parcels way-bill. The booked parcels surcharge will not apply to any of this traffic, including that which is through booked.

7. Heavy Haulage (over 1 ton).—Refer to page 24 of the Supplement to the Goods Rates Book.

Page 85, from 23/1/65.—Table 1.—Badgingarra and Geraldton Road Freighter Services "Ordinary" Rates.—(a) The following rates apply to all consignments up to one ton consigned for conveyance by Road Freighter on either of the specified routes. Parcels consigned for transit by rail from any point on the departmental rail system, for onward movement by this road freighter service, will be charged the throughout mileage at the rate applicable on this schedule.

(b) Badgingarra Service—Over 1 cwt., schedule charges less 25 per cent., rounded to nearest 1s., viz. 6d. and over as 1s. Minimum charge as for 1 cwt.

(c) Bulk Rating will apply, excepting to non-perishable consignments 1 cwt. and under for bona fide consignments from one sender to one consignee.
