[1965

Crown Law Department,
Perth, 14th April, 1965.

THE undermentioned regulations made under the provisions of the Gold Buyers Act, 1921, and amended from time to time prior to 14th October, 1964, are reprinted as so amended pursuant to the Reprinting of Regulations Act, 1954, by authority of the Minister for Justice.

R. C. GREEN,
Under Secretary for Law.

GOLD BUYERS ACT, 1921.

REGULATIONS.

Published in the *Government Gazette* on the 23rd December, 1921, and incorporating the amendments thereto published in the *Government Gazette* on the 6th January, 1922, and the 1st August, 1941; and reprinted pursuant to the Reprinting of Regulations Act, 1954.

Reprinted pursuant to the Reprinting of Regulations Act, 1954 by authority of the Minister dated 14th April, 1965.

GOLD BUYERS ACT, 1921.

Regulations.

1. In these regulations, unless the context otherwise indicates, the terms used have the meanings assigned to them by the Gold Buyers Act, 1921, and the following words and expressions have the meanings herein set against the same, respectively, viz.:

“the Act”: the Gold Buyers Act, 1921; “the Department of Mines”: the Head Office of the Department of Mines at Perth.

2. A “gold assayer,” within the meaning of the Gold Buyers Act, 1921, shall be—

- (a) a person who for two years prior to the 1st day of January, 1922, continuously carried on business publicly in Western Australia as a gold assayer; or
- (b) a person who for three years prior to the 1st day of January, 1922, was actually continuously employed in Western Australia as a gold assayer by a person, company, or corporation carrying on business publicly as a gold assayer; or
- (c) a person holding a certificate or diploma of competency as a gold assayer, or of a kind that necessarily imports competency as a gold assayer from a School of Mines or Technical School in Western Australia or any other school or institution approved by the Minister for Mines.

The Warden must, before issuing a certificate for a license as a gold assayer under section 7 of the Act, be satisfied that the applicant is a gold assayer within the meaning of this regulation.

3. The forms prescribed under these regulations in the schedule hereto, or to the effect thereof, shall be used in connection with any application, certificate, declaration, license, record, registration, report or return to which any such form shall be applicable.

4. An applicant for a certificate for the renewal of his license as a gold assayer or as a dealer in gold matter, granted under the provisions of sections 6, 7, and 8 of the Act, shall deliver or forward to the Mining Registrar of the Warden's Court where the application is intended to be made seven clear days' notice in triplicate in Form No. 5, and shall post in a conspicuous place on the notice board of the Warden's Office a copy of such notice and also a notification of the day on which such application will be heard by the Warden.

5. An applicant for transfer to other premises shall give seven clear days' notice to the Mining Registrar in triplicate in Form No. 6, and shall post in a conspicuous place on the board at the Warden's Office a copy of such notice and also a notification of the day on which such application will be heard by the Warden.

6. The Mining Registrar of the Warden's Court at which a certificate for the issue or renewal of any license is granted, or at which any license is revoked or transferred, shall enter the particulars of same in a register in the Form No. 7, and shall also keep a register in the Form No. 8 of all licenses issued by him.

7. A duplicate of all licenses issued by him and notification of all transfers, revocations, or dealing with such licenses, shall be sent by the Mining Registrar to the Under Secretary for Mines.

8. Applications for the issue of a Gold Assayer's License, under section 17, subsection (1), paragraph (a), shall be made by—

- (1) the Director of the School of Mines;
- (2) the Superintendent of State Batteries; or
- (3) the State Mining Engineer.

9. Applications to the Minister for Gold Assayer's Licenses, under section 17 of the Act, shall be lodged with the Mining Registrar for the District within which the crushing battery or treatment works of the applicant are situated and shall be forwarded by the Mining Registrar to the Under Secretary for Mines with a description of the said battery works and its situation and locality.

Reg. 9A
added by
G.G. 1/8/41,
p. 1107.

9A. (1) When any person forwards gold or gold matter to a licensee for sale or smelting and such firstmentioned person is unable, on account of distance or some other disability, to tender in person such gold or gold matter to the licensee for sale or smelting, he shall make and subscribe a declaration in Form No. 22A.

(2) Every such declaration shall specify the mining district and the division thereof wherein is situated the mine, claim, or place from which such gold or gold matter was obtained. Any person who knowingly and wilfully makes any false declaration before a justice of the peace as hereinafter provided shall be guilty of a misdemeanour and section 170 of the Criminal Code shall apply.

(3) Declarations shall be made before a justice of the peace, who shall clearly explain to the declarant, before taking the declaration, the nature of the declaration and the liability incurred by making and subscribing a false declaration.

(4) The person making any such declaration shall forward same to the licensed gold buyer to whom he is forwarding the gold or gold matter.

10. For any new license under section 25 of the Act, the sum of two shillings and sixpence shall be payable.

11. A duplicate of every certificate issued under section 26 of the Act shall be sent by the member of the Police Force issuing same to the Under Secretary for Mines at the Department of Mines.

12. (a) The holder of a license as a buyer of wrought gold, under section 29 of the Act, may apply for renewal of his license during the month of December in each year to the Under Secretary for Mines, and shall forward or produce to him in connection therewith the current license.

(b) Each page of the book of account (Form No. 27) before being used shall be numbered consecutively, and after having been brought into use the leaves of the book shall not be interfered with and the numbering shall be maintained without alteration or obliteration.

(c) Every person for six months after ceasing to be a licensee under section 29 shall at all reasonable times permit any member of the Police Force to inspect and take extracts from the book required to be kept by him, and shall also forthwith, when so required in writing by the Under Secretary for Mines, supply to him a correct copy of the entries in such book covering the date or dates referred to in any such requisition.

13. (a) Every person who has removed or treated tailings shall, within ten days after the end of each calendar year, furnish a return in Form No. 30.

(b) A person registered under section 34 shall at any time permit an Inspector of Mines or a person authorised by the Minister to take and remove samples of any tailings in the possession or under the control of such person, for the purpose of having such samples assayed by some qualified person.

14. There shall be kept in the office of the Under Secretary for Mines, at Perth, a register of all licenses of every kind for the time being in force containing particulars of—

- (1) The name of holder.
- (2) His place of business.
- (3) Character of license.
- (4) Authority at whose instance or by whom issued.
- (5) Date of issue.
- (6) Date of expiry.

A record shall also be kept at such office showing the particulars of every registration effected by a member of the Police Force under section 26.
