35.—The Council or an Inspector may permit a person who requires a metered space or other space in an area whereby any sign the standing of vehicles is permitted for a limited time in order to carry out urgent or essential work to occupy such space with a vehicle for a longer time and from time to time than the maximum period prescribed by this by-law and may prohibit the use of such space by any other vehicle during such time provided that such person shall pay the normal fee or fees (if any) for the time occupied by the vehicle plus a service fee of two shillings and sixpence.
