GOD SAVE THE QUEEN ! ! !

AT a meeting of the Executive Council held in the Executive Council Chamber at Perth on this 24th day of November, 1965, the following Orders in Council were authorised to be issued:—

Health Act, 1911-1965.

ORDER IN COUNCIL.

WHEREAS in accordance with section 60 of the Health Act, 1911-1965, His Excellency the Governor has received details of a plan by the Gnowangerup Shire Council for the collection and disposal of liquid wastes by means of an effluent sewer, from premises within the townsite of Ongerup, and is satisfied that the scheme is formulated in accordance with the provisions of the Health Act, 1911-1965, and that the cost and provisions for repayment justify the undertaking and that the works, if carried out in the manner designed, will be of benefit to that portion of the district of the local authority which the works are designed to serve: Now, therefore, His Excellency the Governor by and with the advice of the Executive Council doth hereby order that the Gnowangerup Shire Council, being the Local Health Authority for the Gnowangerup Health District, is hereby empowered to undertake the construction of the said works.

W. S. LONNIE,
Clerk to the Council.

Land Act, 1933-1965.

ORDERS IN COUNCIL.

WHEREAS by section 33 of the Land Act, 1933-1965, it is made lawful for the Governor to direct that any reserve shall vest in and be held by any municipality, body corporate, or other person or persons to be named in the order in trust for the like or other public purposes to be specified in such order: And whereas it is deemed expedient, as follows:—

Corres. 6362/97, V2.—That Reserve No. 339 (Kojonup District) should vest in and be held by the Shire of Katanning in trust for the purpose of Quarry (Sand).

- (1) Inside and along the whole of the external boundaries of the property or properties owned or occupied by you.
- (2) Where buildings are situated on the property, additional firebreaks, not less than 10 feet in width, must be provided within five chains of the perimeter of such buildings in such a manner as to completely encircle the buildings.

If for any reason it is considered impracticable to provide firebreaks in the position required by the notice, the approval of the Shire Council must be obtained to construct such firebreaks in an alternative position. Approval to any such variation will only be granted where the bush fire control officer for the area has first signified his approval to the variation.

The penalty for failing to comply with this notice is a fine of not less than £5, nor more than £100, and a person in default is also liable, whether prosecuted or not, to pay the costs of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

Townsites.

On or before the 15th December, 1965, all town lots within the Shire of Carnarvon area are required to be cleared of all debris of an inflammable nature, and maintained free of such material up to the 15th day of April, 1966.

Dated this 26th day of November, 1965.

By order of the Council.

S. J. DELLAR,
Acting Shire Clerk.

BUSH FIRES ACT, 1954-1965.

Town of Narrogin.

PURSUANT to the powers contained in section 33 of the above Act, owners and occupiers of land within the Municipal District of the Town of Narrogin are required on or before the 18th day of December, 1965, to remove from the land owned or occupied, all inflammable material, or to clear firebreaks in accordance with the following and thereafter to maintain the land or firebreaks clear of inflammable material:—

- (1) Where the area of the land is one-third of an acre or less, all inflammable materials on the land shall be removed from the whole of the land.

- (2) Where the land exceeds one third of an acre in area, firebreaks at least three feet wide shall be cleared immediately inside and along the whole of the boundaries of the land and any buildings erected thereon shall be immediately surrounded by a fire break cleared of all inflammable material to a width of at least three feet.

If it is considered to be impracticable for any reason to clear or remove inflammable material from land as required by this notice, the owner or occupier may apply to the Council or its duly authorised officer, for permission to provide fire breaks in alternative positions or to take alternative action to abate fire hazards on the land.

G. STEWART,
Town Clerk.

BUSH FIRES ACT, 1954-1965.

(Section 33.)

Shire of Waroona.

Notice to Owners and Occupiers of Land in the Shire of Waroona.

Firebreaks.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before the 15th day of December, 1965, to clear firebreaks not less than 6 ft. wide in the following positions on the land owned or occupied by you:—

- (1) Inside and along the boundaries of all land used for pasture;
- (2) immediately surrounding all land under crop;
- (3) within five chains of the perimeter of all buildings on the land;

And thereafter to maintain such firebreaks clear of all inflammable material until the 30th day of April, 1966. If it is impracticable for any reason

to clear firebreaks in the position required by this notice the approval of the Council must be obtained to provide them in an alternative situation.

Firebreaks in the situations described hereunder will be accepted as complying with the requirements of this notice so far as it applies to the common boundary between the land of any owner or occupier and the abutting lands referred to hereunder:—

- (a) Where the land of an owner or occupier abuts on a declared road and the owner or occupier has burned or cleared the bush between the road formation and the common boundary.
- (b) Where the land of an owner or occupier abuts on Crown Land on a reserve and the owner or occupier has cleared a firebreak not less than 6 ft. wide on Crown land or reserve along the common boundary.

Townsites.

Owners and occupiers of townsite lots in the district are required to clear them or any accumulation of inflammable material.

Spark Arrestors.

The attention of tractor owners is drawn to the provisions of the Act regarding efficient spark arrestors.
