Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby direct that the before-mentioned reserves shall vest in and be held by the abovementioned bodies, in trust for the purposes aforesaid, subject nevertheless to the powers reserved to him by section 37 of the said Act.

W. S. LONNIE,
Clerk of the Council.

Land Act, 1933-1965.
ORDER IN COUNCIL.

Corres. 1665/36.

WHEREAS by section 33 of the Land Act, 1933-1965, it is made lawful for the Governor to direct that any Reserve shall vest in and be held by any municipality, body corporate, or other person or persons to be named in the order, in trust for any of the purposes set forth in section 29 of the said Act, or for the like or other public purposes to be specified in such order and with power of subleasing; and whereas it is deemed expedient that Reserve No. 25729 at Northam, should vest in and be held by the Minister for Works, in trust for the purpose of "Sewerage Works": Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby direct that the before-mentioned Reserve shall vest in and be held by the Minister for Works, in trust for "Sewerage Works," with power to the said Minister for Works to lease the whole or any portion of the said Reserve for any term not exceeding twenty-one (21) years from the date of the lease.

W. S. LONNIE,
Clerk of the Council.

Land Act, 1933-1965.
ORDER IN COUNCIL.

Corres. 6033/49.

WHEREAS by section 33 of the Land Act, 1933-1965, it is, *inter alia*, made lawful for the Governor to direct that any land reserved pursuant to the provisions of the Act shall be leased for the purpose for which the land is reserved as aforesaid, by Instrument of Lease in the form of the Fourth

Schedule of the Act to any person (as defined in the said section); and whereas it is deemed expedient that Reserve 23278 (Windell Locations 4 and 8) "Aerial Landing Ground" shall be leased for a term of twenty-one years to the Commonwealth of Australia to be held in trust for the purpose of "Aerial Landing Ground": Now, therefore, His Excellency the Governor by and with the advice and consent of the Executive Council doth hereby direct that the abovementioned reserve shall be leased to the Commonwealth of Australia to be held in trust for the purpose of "Aerial Landing Ground" for a term of twenty-one years at a Peppercorn Rental.

W. S. LONNIE,
Clerk of the Council.

Land Act, 1933-1965.
ORDER IN COUNCIL.

Corres. 2461/66.

WHEREAS by section 33 of the Land Act, 1933-1965, it is made lawful for the Governor to direct that any Reserve shall vest in and be held by any municipality, body corporate, or other person or persons to be named in the order, in trust for any of the purposes set forth in section 29 of the said Act, or for the like or other public purposes to be specified in such Order and with power of subleasing; and whereas it is deemed expedient that Reserve No. 28268 should vest in and be held by the Shire of Kalamunda, in trust for the purpose of "Kindergarten Site": Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby direct that the before-mentioned Reserve shall vest in and be held by the Shire of Kalamunda, in trust for "Kindergarten Site," with power to the said Shire of Kalamunda, subject to the approval in writing of the Minister for Lands being first obtained, to lease the whole or any portion of the said Reserve for any term not exceeding twenty-one (21) years from the date of the lease.

W. S. LONNIE,
Clerk of the Council.

Local Government Act, 1960.
ORDER IN COUNCIL.

WHEREAS by section 288 of the Local Government Act, 1960, it shall be lawful for the Governor, on request by a Council of a Municipal District, by order published in the *Government Gazette* to declare any lands reserved or acquired for use by the public or used by the public as a street, way, public place, bridge or thoroughfare, under the care, control, and management of the Council, or lands comprised in a private street, constructed and maintained to the satisfaction of the Council, or lands comprised in a private street of which the public has had uninterrupted use for a period of not less than ten years, as a public street and if the Council thinks fit, that the Governor shall declare the width of the carriageway and footpaths of the public street; and whereas the Councils mentioned in the schedule have requested that certain lands named and described in the said schedule hereunder which have been reserved for streets within the said Councils, be declared public streets: Now, therefore, His Excellency the Governor by and with the advice and consent of the Executive Council, doth hereby declare the said lands to be public streets, and such lands shall, from the date of this order, be absolutely dedicated to the public as streets within the meaning of any law now or hereinafter in force.

BUSH FIRES ACT, 1954-1965.

Shire of Merredin.

Notice of Firebreak Requirements.

NOTICE is hereby given that all owners and/or occupiers of land within the Shire of Merredin are required to prepare firebreaks and remove inflammable materials, as set out below, on or before 15th October, 1966.

Pursuant to the powers contained in section 33 of the Bush Fires Act, 1954-1965, owners and occupiers of land in the Shire of Merredin are hereby required, on or before the 29th day of October, 1966, to clear, in the manner specified hereunder, firebreaks not less than 10 feet wide inside and along the boundaries of each separate property owned and occupied by them. When land so owned or occupied is contiguous to or intersected by a railway line, notwithstanding that there may be a cleared road between the railway reserve and the land so owned or occupied, all firebreaks on such contiguous land shall be made not less than 20 feet wide.

Where any land has been rolled or otherwise prepared for burning off, the whole area of such prepared land shall be completely enclosed by a firebreak not less than 66 feet wide to be made around any area occupied by buildings or haystacks.

The firebreaks required by this notice shall be constructed by ploughing, scarifying, or grading the whole width of the various firebreaks. The soil for the full width of the firebreak is to be maintained in a condition of efficiency by all regrowth or inflammable material being removed therefrom as often as may be required to keep the firebreak completely cleared of all inflammable material.

Where land is under crop, a swathe of such crop, not less than 10 feet wide as is growing along the boundary of any land so owned or occupied shall be cut not later than the 31st day of October, 1966, and the swathe so cut shall be ploughed, and the soil so ploughed shall be completely turned over.

On or before the 25th day of October, 1966, owners or occupiers of land within the townsites of the Merredin Shire shall remove all bush and inflammable material from vacant land, but where buildings are erected on the land shall prepare and thereafter maintain until 31st March, 1967, effective firebreaks around the perimeter of such buildings, and inside and along the whole of the boundary of such land, cleared of all inflammable material to a width of at least three feet, or where the boundary is closer than three feet for that lesser distance.

The Shire Council may conduct an aerial survey for the purpose of inspecting firebreaks.

By Order of the Council,

R. LITTLE,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.

Shire of Plantagenet.

Notice to Owners and Occupiers of Land.

PURSUANT to the powers contained in Section 33 of the above Act, owners and occupiers of land within the Shire of Plantagenet are hereby required—

- (a) to plough, cultivate, scarify or otherwise clear firebreaks, not less than six feet wide, inside and along and within one chain of the boundaries of all the land owned or

occupied by them, or inside and along and within one chain of the boundaries of all land used for pasture and for crops; and

- (b) to plough, cultivate, scarify or otherwise clear firebreaks, not less than 10 feet wide, immediately adjacent to the perimeter of all crops intended to be harvested for grain; or
- (c) as an alternative to (a) and (b) above to plough, cultivate or otherwise clear firebreaks, not less than 10 feet wide, inside and along and within one chain of the boundaries of all land owned or occupied by them, or inside and along and within one chain of the boundaries of all land used for pasture and for crops where all or any part of such crops is to be harvested for grain;
- (d) to plough, cultivate, scarify or otherwise clear firebreaks, not less than six feet wide, around and within one chain of all buildings and haystacks.

All firebreaks as designated above must be prepared on or before the 1st day of November, 1966, within that portion of the Shire lying generally east of the dividing line described in Schedule No. 10 (*Government Gazette* of the 10th September, 1965, page 3060) and on or before the 1st day of December, 1966, within that portion of the Shire lying generally west of the dividing line described in Schedule No. 10 (*Government Gazette* of the 10th September, 1965, page 3060); and be maintained clear of all inflammable material until the 31st day of May, 1967.

By Order of the Council,

T. McDONALD,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.

(Section 33.)

Shire of Armadale-Kelmscott.

Notice to Owners and Occupiers of all Land within the Shire of Armadale-Kelmscott.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before 30th November, 1966, to clear firebreaks at least six (6) feet wide in the following positions and thereafter maintain such firebreaks clear of all inflammable materials, until 15th day of March, 1967.

- (1) Clear of all inflammable material firebreaks at least six (6) feet wide immediately inside all external boundaries of the land and also immediately surrounding all buildings and haystacks/or groups of buildings or haystacks, situated on the land.
- (2) An existing drain shall not form portion of the firebreak required by this notice.
- (3) If for any reason it is considered to be impracticable to clear firebreaks as required by this notice you may apply to the Council, or its duly authorised Officer, not later than 15th November, 1967, for permission to provide firebreaks in alternative positions or take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised Officer, you shall comply with the requirements of this notice.

Failure or neglect to comply with this notice will incur legal action.

Penalty: Minimum Fine \$10, maximum \$200.

Dated this 31st day of August, 1966.

By order of the Council,

W. W. ROGERS,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.

Shire of Cranbrook.

Notice to Owners and Occupiers of Land Within the Shire of Cranbrook.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before the 15th day of November, 1966, to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following, and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 15th day of April, 1967.

1. Rural Land: In respect of land owned or occupied by you other than that within the townsites of Cranbrook and Frankland you shall—

- (a) clear of all inflammable material, firebreaks at least 6 feet wide immediately inside all external boundaries of the land and also at a distance of not less than 20 feet and not more than 50 feet from the perimeter of all buildings and/or haystacks so as to completely surround the buildings and/or haystacks; and
- (b) clear of all inflammable material, firebreaks at least 6 feet wide immediately surrounding all buildings and/or haystacks situated on the land; and
- (c) where your property exceeds 500 acres of cleared or part cleared land you shall clear of all inflammable material additional firebreaks at least 6 feet wide so as to divide such cleared or part cleared land into areas of not more than 500 acres which are completely surrounded with a firebreak at least 6 feet wide.

2. Townsite Land: (All land within the townsites of Cranbrook and Frankland.) In respect of land owned or occupied by you within the townsites of Cranbrook and Frankland, you shall clear of all inflammable material, firebreaks at least 6 feet wide immediately inside all external boundaries of the land and also immediately surrounding all buildings and/or haystacks situated on the land.

3. Fuel Dumps: In respect of land owned or occupied by you on which is situated any fuel dump, in addition to the requirements of paragraphs 1, and 2 above, you shall remove all inflammable material from all land occupied by drums used for the storage of liquid fuel whether the drums contain liquid fuel or not, including the land on which ramps for holding the drums are constructed and to a distance of at least 10 feet outside the perimeter of any drum, stack of drums or drum ramp.

4. Sawmills: In respect of land owned or occupied by you on any part of which is situated any sawmill, in addition to the requirements of paragraphs 1, 2 and 3 above, you shall remove all bush from all land within 5 chains from the centre of the sawmill.

If it is considered to be impractical for any reason to clear firebreaks on the land as required by this notice you may apply to the Council or its duly authorised officer not later than the 31st October, 1966, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised officer you shall comply with the requirements of this notice.

"Bush" is defined in the Bush Fires Act as "includes trees, bushes, plants, stubble, scrub, and undergrowth of all kinds whatsoever whether alive or dead and whether standing or not standing and also a part of a tree, bush plant, or undergrowth, and whether severed therefrom or not so severed."

The term does not include sawdust, and other waste timber resulting from the sawmilling of timber in a sawmill whilst the sawdust and other waste timber remains upon the premises of the sawmill in which the saw-milling is carried on.

The penalty for failing to comply with this notice is a fine of not less than \$10, nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing

the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Dated this 24th day of August, 1966.

By order of the Council,

E. L. CHOWN,
Shire Clerk.

BUSH FIRES ACT, 1954-65.

(Section 33.)

Shire of Gingin.

Notice to Owners and Occupiers of Land
in the Shire of Gingin.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before the 7th November, 1966, to plough, cultivate, scarify or otherwise clear and thereafter maintain free of all inflammable material until the 15th day of April, 1967, firebreaks not less than 10 feet wide in the following positions on the land owned or occupied by you:—

- (1) Inside and along the boundaries of all cleared or partly cleared land or fenced scrub land.
- (2) Where the above lands are divided by or abut a trafficable public road or a railway reserve, a firebreak shall be provided within one chain of the boundary of the road or railway reserve.
- (3) Immediately surrounding all land under crop.
- (4) Within 200 feet of the perimeter of all buildings on the land, to completely surround the building or group of buildings.

If it is impracticable for any reason to clear firebreaks in the positions required by this notice the approval of the Council must be obtained to provide them in an alternative situation.

Fire breaks in the situation described hereunder will be accepted as complying with the requirements of this Notice so far as it applies to the common boundary between the land of any owner or occupier and the abutting lands referred to hereunder:—

- (a) Where the land of an owner or occupier abuts on a Public road and the owner or occupier has burned or cleared the bush between the road formation and the common boundary.
- (b) Where the land of an owner or occupier abuts on Crown Land or a Reserve and the owner or occupier has cleared a firebreak not less than 10 feet wide on the Crown Land or Reserve along the common boundary.

Dated this 18th day of August, 1966.

By order of the Council,

N. H. V. WALLACE,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.

Shire of Irwin.

Dongara.

EACH owner or occupier of land in the Irwin Shire Council District is hereby notified that he is required on or before the 1st day of October, 1966, to plough, cultivate, scarify, burn or otherwise clear upon the land owned or occupied by him.

Firebreaks.

(a) A firebreak of not less than 7 feet in width around the boundaries of each paddock or area of land sown to crop or on which crop is standing or growing.

(b) Two firebreaks of not less than 7 feet width each and not less than 30 feet nor more than 60 feet apart at any point around the boundaries of each pastured or cleared paddock or area of land.

(c) A firebreak of not less than 6 feet width within 5 chains of the perimeter of each building and or haystack or group thereof and enclosing the same.

And further must remove on or before the 1st day of October 1966, all inflammable material within 6 feet of any building or haystack on such land.

And further each such owner or occupier is notified that he shall maintain each such fire break clear of inflammable material until the 15th day of April, 1967.

Townsites.

Each owner or occupier of land in the Dongara and Denison Townsites or either thereof is hereby notified that he is required to clear the land so owned or occupied by him of any accumulation of inflammable material prior to the 31st day of October, 1966.

Penalties.

Any owner or occupier who fails or neglects to comply with the requirements of the above notice is liable upon conviction to a penalty of not less than \$10 nor more than \$200 pursuant to section 33 (3) of the Bush Fires Act, 1954-1965.

Dated this 1st day of September, 1966.

By order of the Council,

J. PICKERING,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.

Shire of Gnowangerup.

Notice to Owners and Occupiers of Land within
the Shire of Gnowangerup.

PURSUANT to the powers contained in section 33 of the Bush Fires Act, 1954-1965, you are hereby required on or before the 1st November, 1966, to plough, cultivate, or otherwise clear, firebreaks as stated hereunder, and thereafter maintain such firebreaks clear of all inflammable materials until the 15th April, 1967.

Firebreak Order.

(1) Prepare firebreaks, not less than ten feet wide, inside and along the boundaries of all cleared or part cleared land and inside and along the boundaries of all cleared and part cleared land abutting roads bounding or intersecting any holding other than on land situate in any Townsite within the Shire.

(2) Where the total area of each property or holding exceeds 600 acres additional firebreaks must be provided in such positions so as to divide cleared or part cleared land into areas not exceeding 600 acres, with each area to be completely surrounded by a firebreak not less than ten feet wide.

(3) Prepare firebreaks, not less than ten feet wide, within one chain of the perimeter of any building or group of buildings, or any haystack or group of haystacks.

(4) Prepare firebreaks not less than twenty feet wide around the perimeter of any scrub or timber which has been logged, chained, or otherwise prepared for burning off.

(5) On land within Townsites within the Shire, clear and maintain clear, the whole of the land of all dry grass, scrub, or other vegetation, accumulation of inflammable waste, paper, packing waste, or other inflammable debris.

If for any reason it is considered impracticable to provide firebreaks in the position required by this Notice, the approval of the Shire Council must be obtained to construct such firebreaks in an alternative position. Approval to any variation will only be granted where a Bush Fire Control Officer has first signified his approval of the variation.

By order of the Council,

B. F. HARRIS,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.
(Section 33).

Shire of Narembene.

Notice to Owners and Occupiers of Lands Within the Narembene District.

UNDER the provisions of the above Act you are hereby required to—

Agriculture Land.

1. On or before the 15th October, 1966, grasslands and the 1st November, 1966, croplands, prepare and thereafter maintain, until the 30th April, 1967, an effective firebreak to a width of at least eight (8) feet around the boundary of all lands. Provided firebreaks of the width specified may be ploughed inside the boundaries of the property round a group of adjoining paddocks aggregating not more than 300 acres.

If for any reason it is considered impractical to provide firebreaks in the position, or by the date, required by this order, an owner or occupier may make application to the Shire Council for approval of a variation of the order. No such application will be considered unless it is made in writing on or before the 24th September, 1966, adequately describes the land and is accompanied by the written approval of the bush fire control office for the area in which the land is situated.

2. On or before the 31st January, 1967, clear all scrub, stubble and other inflammable material to a width of twenty (20) feet around the boundary of any area of scrub or fallen timber to be burned and provide a firebreak around all trees which the Soil Conservation Commissioner has stipulated must be left standing or to take such steps for their protection as are satisfactory to the Council and/or nearest bush fire control officer.

3. Provide around all buildings and hay stacks an effective prescribed break of eight (8) feet in width within one chain of such buildings.

Townsite Land.

4. On or before the 1st November, 1966, remove all bush and inflammable material from vacant townsite land: but where buildings are erected on the land, prepare and thereafter maintain until the 30th April, 1967, effective firebreaks around the perimeter of such buildings and inside and along the whole of the boundary of the land, cleared of inflammable material to a width of at least three (3) feet or where the boundary is closer than three (3) feet, then for that lesser distance.

Failure or neglect to comply with this notice will render the owner or occupier liable to a penalty of \$200.

Dated this 27th day of August, 1966.

By order of the Council,

M. J. RUNDLE,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.

Shire of Perenjori.

NOTICE is hereby given that all owners and/or occupiers of land within the Shire of Perenjori are required to prepare fire breaks and remove inflammable materials, as set out below, on or before 15th October, 1966.

(a) Rural Lands: Breaks of not less than ten (10) feet in width must be provided inside and around the boundaries of each property, but where this is not practicable breaks must be prepared as near as possible to such boundaries and within the farm property.

Farm Buildings and Haystacks: A firebreak of at least ten (10) feet wide must be cleared within one chain of the perimeter of any building or group of buildings or haystacks.

All inflammable material within six (6) feet immediately surrounding buildings must be removed.

Firebreaks may be ploughed, scarified, or otherwise cleared of all inflammable material and should be maintained in a cleared condition.

(b) Townsites: On or before 15th October, 1966, all town lots within the Townsites of Perenjori, Bowgada, Caron, Bunjil, Latham and Maya are required to be cleared of all debris of inflammable nature and maintained free of such material.

(c) Fuel Dumps (Fuel Depots): On or before 15th October, 1966, all grass and similar material is to be cleared from areas where drum ramps are located and where drums, full or empty, are stored and such areas maintained clear of grass and similar inflammable material.

Dated at Perenjori, 23rd August, 1966.

By Order of the Council,

L. H. MILLAR,
Shire Clerk.

BUSH FIRES ACT, 1954-1965.
(Section 33.)

Shire of Serpentine-Jarrahdale.

Notice to all Owners and Occupiers of Land within the Shire of Serpentine-Jarrahdale.

PURSUANT to the powers contained in section 33 of the above Act you are hereby required on or before the 15th day of November, 1966, to clear firebreaks in accordance with the following and thereafter to maintain the firebreaks clear of inflammable material up to and including 15th day of March, 1967.

1. Buildings, Sheds and Haystacks. A firebreak at least 6 feet wide shall be cleared of all inflammable material so as to surround all buildings, sheds and haystacks. The inner perimeter of such firebreaks to be within 1 chain of the buildings, sheds and haystacks.

2. Where the land adjoins the west side of the South West Railway Line and no made road exists between the land and the Railway Reserve, two firebreaks, each a minimum width of 6 feet shall be cleared of all inflammable material as follows:—

- (a) One fire break at least 6 feet wide, immediately inside the eastern boundary of the land.
- (b) One firebreak at least 6 feet wide parallel to the first firebreak, as referred to in (a) above, and not less than 1 chain nor more than 3 chains from the first firebreak referred to in (a) above.

3. Where the land adjoins:—

- (a) the Armadale-Pemberton Road (South-West Highway), or
- (b) the Jarrahdale Road between the South-West Highway and the Jarrahdale Townsite, or
- (c) the South-West Railway Line, or
- (d) the Jarrahdale-Mundijong-Kwinana Railway Reserve between the South-West Highway and the western boundary of the Shire, or
- (e) any made road west of the Armadale-Pemberton Road (South-West Highway),

a firebreak at least 6 feet wide shall be cleared of all inflammable material immediately inside the common boundary between the land and the public road on which there is a made road as referred to in (a), (b), (c), (d) and (e) of this section.

If the firebreaks required by this notice are cleared by ploughing, the soil must be completely turned over and all bush, grass and other inflammable material completely cleared from the whole of the firebreak. Any other method of clearing the firebreak must result in the complete removal from the firebreak of all bush or other inflammable material. The firebreaks required by this notice shall be constructed under or through all intervening fences so as to establish a continuous firebreak.

For the purposes of this notice—

- (1) An existing drain shall not form portion of a firebreak required by the notice.

- (2) Land separated from a Railway Reserve and/or land used for railway purposes and/or made roads, only by drain or drainage reserve or easement for such a drain or drainage reserve shall be considered to adjoin such Railway Reserve and/or land used for railway purposes and/or made roads.

If it is considered to be impractical for any reason to clear firebreaks as required by this notice, you may apply to the bush fire control officer for your area, and appointed by the Council, not later than the 1st day of November, 1966, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land, or to provide the firebreaks required by this notice by a date other than that fixed in the notice. If permission is not granted by the Council or its duly authorised officer you shall comply with the requirements of this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Failure or neglect to comply with this notice renders you liable to prosecution. Penalty: a fine of \$200, and the person in default is also liable, whether prosecuted or not to pay the cost of performing the work directly in this order if it is not carried out by the owner or occupier by the date required by this notice.

Dated this 22nd day of August, 1966.

By order of the Council,

J. E. DORRINGTON,
Shire Clerk.

NOTE.

(1) Owners and occupiers of land are hereby requested by the Council for the further improvement in Fire Control in the district; to provide firebreaks at least 6 feet wide around all farm boundaries even where a break is not required by this order.

(2) Owners and Occupiers referred to in section 2 are requested to burn between the two firebreaks for added protection.

BUSH FIRES ACT, 1954-1965.

Shire of Capel.

Notice to Owners and/or Occupiers of Land Within the Shire of Capel.

PURSUANT to the powers contained in section 33 of the above Act you are hereby required on or before the 30th day of November, 1966, to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 15th day of April, 1967.

1.—Rural Land.

In respect of land owned or occupied by you other than within a townsite you shall—

- (a) clear of all inflammable material, firebreaks not less than 6 feet wide at a distance of not less than 5 chains from the perimeter of all buildings and/or haystacks so as to completely surround the buildings and/or haystacks; and
- (b) clear of all inflammable material, firebreaks at least 6 feet wide immediately inside and along the boundaries of all land where such land abuts a public road, or Railway Reserve.

2.—Townsite Land.

In respect of land owned or occupied by you within any townsite in the Shire of Capel you shall—

- (a) where the area of the land is one half of one acre or less you shall remove all inflammable material on the land from the whole of the land; and

- (b) where the area of the land exceeds one half of one acre you shall clear of all inflammable material, firebreaks not less than 6 feet wide immediately inside all external boundaries of the land.

If it is considered impractical for any reason to clear firebreaks or remove inflammable material from the land as required by this notice you may make written application to the Council not later than the 10th day of November, 1966, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. This application must be countersigned by the Bush Fire Control Officer for the area in which the land is situated to signify his agreement to the variation. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of the notice.

"Inflammable material" is defined for the purpose of this notice to include bush, timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees, or growing bushes and plants in gardens or lawns.

Penalty.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

Dated this 29th day of August, 1966.

By Order of the Council,

W. M. WRIGHT,
Shire Clerk.
