HEALTH ACT, 1911-1965.

Department of Public Health,

Perth, 20th October, 1966.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Health Act, 1911-1965, has been pleased to make the regulations set forth in the schedule hereunder.

W. S. DAVIDSON,

Commissioner of Public Health.

Schedule.

REGULATIONS.

Citation.

1. These regulations may be cited as the Health Act (Bedding and Worn Clothing) Regulations, 1966.

Application.

2. These regulations shall have effect throughout the State.

Interpretation.

3. In these regulations unless the contrary intention appears—

“approved process of cleansing and disinfection” means thorough washing in hot water with soap or a suitable detergent, or a process of dry-cleaning using white spirit or similar solvent;

“filling material” means flock, kapok, rags, hair, cotton linters, fibre or other material used or likely to be used for the filling of mattresses, pillows or other bedding.

Used Filling Material to be Cleansed.

4. (1) A person shall not use in the making, remaking, repairing, refilling or renovating of mattresses, pillows or other bedding, any filling material that has been previously used as such unless that filling material has been treated by an approved process of cleansing and disinfection since it was last used or worn.

(2) This regulation does not prohibit the use of used or worn cloth in the manufacture of flock if that cloth has been treated by an approved process of cleansing and disinfection since it was last used or worn.

Worn Clothing not to be Sold unless Cleansed.

5. A person shall not for the purposes of trade sell or hire out or offer for sale or hiring, or alter, remake or repair, any clothing that has been used or previously worn unless that clothing has been treated by an approved process of cleansing and disinfection since it was last used or worn, and is clean.

## Worn Clothing to be Labelled.

6. Every article of clothing that has been used or previously worn and is for the purpose of trade sold or hired out, or offered for sale or hiring, shall bear or have attached to it a label on which there is in writing—

- (a) a statement that the article of clothing has been treated by an approved process of cleansing and disinfection;
- (b) the name and address of the person or firm who or which treated the article; and
- (c) the date on which the treatment was carried out.

## Worn Clothing not to be Sold unless Labelled.

7. A person shall not for the purpose of trade sell or hire out, or offer for sale or hiring, any article of clothing that has been used or previously worn unless that article bears or has attached to it a label referred to in regulation 6 of these regulations.

## Attachment of False Label an Offence.

8. A person who attaches or causes or permits to be attached to an article of clothing that has been used or previously worn a label referred to in regulation 6 of these regulations that is false in any material particular, commits an offence against these regulations.

## Offences.

9. A person who by act or omission contravenes any of the provisions of these regulations commits an offence.

## Penalties.

10. A person who commits an offence against these regulations is liable on conviction to a penalty not exceeding forty dollars, and in the case of a continuing offence to an additional penalty not exceeding four dollars for each day that the offence is continued.

13. Regulation 33 of the principal regulations is revoked and the following regulation substituted:—
33. (1) Whenever the Governor by proclamation, pursuant to the provisions of section 26 of the Act, has authorised the burning of specified plants during the prohibited burning times or any period thereof, any person desirous of burning those plants within the area and within the times to which the proclamation relates shall lodge an application signed by him in the Form 8 in the Appendix with the authorised officer within whose district the burning is to take place for a permit to burn the plants.
- (2) An application under subregulation (1) of this regulation may be accepted in the form of a letter provided that the full information contained in the Form 8 is supplied in the letter.
- (3) The authorised officer with whom the application is lodged may require the applicant to make the statutory declaration contained in the form of the application.
- (4) The authorised officer issuing a permit to burn plants under the provisions of this division may incorporate in that permit any requirements and directions additional to those specified in this division that he may consider necessary relative to the burning, and the holder of the permit shall observe and carry out those requirements and directions.
- (5) Where a local authority issues directions to an authorised officer as to the manner in which or the conditions under which permits to burn plants shall be issued in the district of the local authority by that officer, he shall comply with those directions.
- (6) Subject to regulations 34 and 35 of these regulations, a permit to burn proclaimed plants shall not be granted unless and until the applicant for the permit satisfies the authorised officer to whom the application is made that—
- (a) the land to be burned at one time and under the permit applied for does not exceed the area as fixed by the authorised officer when granting the permit, and in any event does not exceed one hundred acres;
  - (b) the area has been surrounded by a firebreak to a width of not less than twenty feet;
  - (c) if the area to be burned is carrying any standing trees, that all grass and debris has been raked to a distance of not less than six feet from the base of each standing tree.
- (7) If the permit to burn applied for is granted, the holder of the permit shall, four days at least before commencing to burn under the authority of the permit, deliver or cause to be delivered notice in writing of his intention so to do personally to the following persons—
- (a) each owner or occupier of all land adjoining the land upon which or upon a part of which it is proposed to burn the plants;
  - (b) the clerk and a bush fire control officer of the local authority in the district of which the land upon which it is proposed to burn the plants is situated; and

(c) a forest officer, if the land upon which it is proposed to burn the plants is situated within two miles of forest land.

(8) The authorised officer shall specify in a permit to burn proclaimed plants the day, not being a Sunday and not necessarily the day for which the permit was sought, on which burning is authorised, and subject to subregulation (12) of this regulation, shall specify such time between the hours of 2 o'clock in the afternoon and midnight of the same day as he thinks fit, or as the local authority may from time to time direct at which burning may be commenced.

(9) A permit to burn a proclaimed plant shall be in the Form 9 in the Appendix.

(10) The application for the permit to burn proclaimed plants shall be received by the authorised officer to whom the application is made at least seven days before the day upon which it is intended to commence burning.

(11) The authorised officer to whom the application for the permit is made may, before granting the permit, enter upon the land of the applicant to inspect the area proposed to be burnt.

(12) The Board may, by notice in the *Government Gazette*, authorise the issue of permits for the burning of proclaimed plants in any district or part of a district at a time prior to 2 o'clock in the afternoon, and in that event a permit may, subject to the directions of the local authority for that district or that part of a district, specify a time prior to 2 p.m. for the commencement of such burning.

(13) No fire shall be lit pursuant to the provisions of this regulation if the fire hazard forecast issued by the Bureau of Meteorology in Perth in respect of the locality where it is proposed to burn the proclaimed plant is "severe" or "dangerous", and the person who has received the permit under the provisions of this regulation shall not burn a proclaimed plant in the locality on that day, but may burn the plant in that locality on the first day next following the day on which the fire hazard forecast issued by the Bureau of Meteorology in Perth in respect of the locality is below "severe".

(14) The owner or occupier of the area to be burned shall himself arrange for and provide at least three men to be constantly in attendance at the fire in the area from the time it is lit until it is completely extinguished and to assist in keeping the fire under control and preventing it from spreading beyond the area proposed to be burned.

14. Regulation 34 of the principal regulations is amended— **Reg. 34 amended.**
- (a) by substituting for the word, "flax" in line one, the words, "a proclaimed plant"; and
  - (b) by deleting all words after the word, "permit" in line six down to the end of the regulation.
15. Regulation 35 of the principal regulations is amended— **Reg. 35 amended.**
- (a) by deleting the words, "clerk of the local authority or the duly" in line one;
  - (b) by substituting for the words, "when in any case after inspection" in lines two and three, the word, "where"; and

 occupation. (b) Address. (c) Name of permit holder. (d) Address,  
 (e) Name of location. (f) Description of the plants the refuse of  
 which is to be burned.

(To be endorsed on back of Form 7.)

Extracts from Regulations dealing with the burning of the  
 refuse of plants read as follows:—

27. (2) The authorised officer issuing a permit to burn  
 the refuse of plants under the provisions of this division  
 may incorporate in that permit any requirements and direc-  
 tions additional to those specified in this division that he  
 may consider necessary relative to the burning, and the  
 holder of the permit shall observe and carry out those  
 requirements and directions.

28. The area of ground on which the refuse of the  
 plants is to be burnt shall be so cleared or prepared that  
 the fire shall not in any circumstances be able to run along  
 the ground.

29. The refuse of the plants to be burnt shall be  
 placed in heaps so that each heap shall not be more than  
 3 feet high measured from the ground, and shall not  
 cover an area of ground exceeding that which would be  
 contained within the circumference of a circle having a  
 diameter of 6 feet, and so that there shall be a distance of  
 at least 10 feet between the base of any one heap and  
 that of any other heap.

30. The heaps mentioned in regulation 29 of these  
 regulations shall be distant not less than one-half chain  
 from any brush fence in the vicinity thereof, and at least  
 one chain from the nearest external boundary of the land  
 of the owner or occupier upon which the heaps proposed  
 to be burnt are situated.

31. The person proposing to burn the refuse of plants shall—

- (a) four days at least before commencing to burn, deliver or cause to be delivered notice in writing of his intention so to do personally to the following persons—
  - (i) each owner or occupier of all land adjoining the land upon which or upon a part of which it is proposed to burn the refuse of the plants;
  - (ii) the clerk and a bush fire control officer of the local authority in the district of which the land upon which it is proposed to burn the refuse of plants is situated;
  - (iii) a forest officer, if the land upon which it is proposed to burn the refuse of plants is situated within two miles of forest land;
- (b) before commencing burning operations, provide and have available at the place thereof at least forty gallons of water in suitable containers which may be conveniently used for extinguishing fire, together with a knapsack spray and pump unit ready for immediate operation and such other fire fighting equipment as may be specified by the authorised officer in the permit to burn the refuse of the plants;
- (c) provide at least three men to be constantly in attendance at the burning operations from the time when the fire is lit until it is completely extinguished and to assist in keeping the fire under control and prevent it from spreading beyond the land on which the burning operations are conducted;
- (d) carry out the burning operations only between the hours of 8 p.m. and midnight;
- (e) cause all ash resulting from the burning operations to be covered completely with earth or sand before 10 o'clock in the morning on the day next following the burning operations.

32. In the event of any fire escaping beyond the boundaries of the area in respect of which a permit to burn the refuse of plants has been granted, the holder of such permit shall, if possible, immediately notify the nearest bush fire control officer or authorised officer and shall within 24 hours of the suppression of the fire report in full the circumstances causing the escape to the authorised officer by whom the permit was granted.

EXTRACTS FROM REGULATIONS.

33. (4) The authorised officer issuing a permit to burn plants under the provisions of this division may incorporate in that permit any requirements and directions additional to those specified in this division that he may consider necessary relative to the burning and the holder of the permit shall observe and carry out those requirements and directions.

(6) Subject to regulations 34 and 35 of these regulations, a permit to burn proclaimed plants shall not be granted unless and until the applicant for the permit satisfies the authorised officer to whom the application is made that—

- (a) the land to be burned at one time and under the permit applied for does not exceed the area as fixed by the authorised officer when granting the permit, and in any event does not exceed one hundred acres;
- (b) the area has been surrounded by a firebreak to a width of not less than twenty feet;
- (c) if the area to be burned is carrying any standing trees, that all grass and debris has been raked to a distance of not less than six feet from the base of each standing tree.

(7) If the permit to burn applied for is granted, the holder of the permit shall, four days at least before commencing to burn under the authority of the permit, deliver or cause to be delivered notice in writing of his intention so to do personally to the following persons—

- (a) each owner or occupier of all land adjoining the land upon which or upon a part of which it is proposed to burn the plants;
- (b) the clerk and a bush fire control officer of the local authority in the district of which the land upon which it is proposed to burn the plants is situated; and
- (c) a forest officer, if the land upon which it is proposed to burn the plants is situated within two miles of forest land.

(8) The authorised officer shall specify in a permit to burn proclaimed plants the day, not being a Sunday and not necessarily the day for which the permit was sought, on which burning is authorised and subject to subregulation (12) of this regulation, shall specify such time between the hours of 2 o'clock in the afternoon and midnight of the same day as he thinks fit, or as the local authority may from time to time direct at which burning may be commenced.

(13) No fire shall be lit pursuant to the provisions of this regulation if the fire hazard forecast issued by the Bureau of Meteorology in Perth in respect of the locality where it is proposed to burn the proclaimed plant is "severe" or "dangerous," and the person who has received the permit under the provisions of this regulation shall not burn a proclaimed plant in the locality on that day, but may burn the plant in that locality on the first day next following the day on which the fire hazard forecast issued by the Bureau of Meteorology in Perth in respect of the locality is below "severe."

(14) The owner or occupier of the area to be burned shall himself arrange for and provide at least three men to be constantly in attendance at the fire in the area from the time it is lit until it is completely extinguished and to assist in keeping the fire under control and preventing it from spreading beyond the area proposed to be burned.

36. In the event of any fire escaping beyond the boundaries of the area in respect of which a permit to burn has been granted, the holder of the permit shall, if possible, immediately notify the nearest bush fire control officer or authorised officer and within 24 hours of the suppression of the fire shall report in full the circumstances causing the escape to the authorised officer by whom the permit was granted.

#### BUSH FIRES ACT, 1954-1965.

By-laws of the Carnarvon Shire Council Relating to the Establishment, Maintenance and Equipment of Bush Fire Brigades for the Shire or any part of the Shire of Carnarvon.

##### Establishment of Brigade.

1. (a) On the resolution of the Council to establish, maintain and equip a bush fire brigade under the provisions of the Bush Fires Act, 1954, and regulations thereunder, the brigade shall be formed in accordance with these by-laws; and a name shall be given to the brigade and application accompanied by the resolution of the Council forming the brigade shall be made to the Bush Fires Board for its registration accordingly.

(b) A bush fire brigade may be established for the whole of the Shire or for any specified area thereof.

##### Appointment of Officers.

2. The Council shall appoint a captain, a first lieutenant, a second lieutenant and such additional lieutenants as it shall deem necessary to act as officers of the brigade and who, in the Council's opinion, have the necessary qualification and knowledge of the district required in such capacities.

3. The Shire Clerk or such other person as the Council may appoint, shall be the Secretary of the brigade.

4. The Council may appoint an equipment officer who shall be responsible for the custody and maintenance in good order and condition of all equipment and appliances acquired by the Council for the purposes of the brigade. Such officer may station such equipment at a depot approved by the captain where, if possible, motor trucks can easily be called upon. If there are more than one such depots in the area, the equipment officer shall appoint at each depot a person to look after the equipment and have it ready for immediate use when required.

5. The Council shall appoint bush fire control officers in accordance with the requirements of the district and may prescribe the area over which each such officer shall have jurisdiction. The employment, dismissal and payment for services of persons (other than officers) employed for duties under this Act shall be vested in the President and Shire Clerk of the Council conjointly.

#### Duties of Officers.

6. The duties of all officers appointed under these by-laws shall be as laid down in the provisions of the Bush Fires Act, 1954-1965, and each officer so appointed shall be supplied with a copy of the Act and regulations. The captain shall have full control over the members of the brigade whilst engaged in fire fighting and shall issue instructions as to the methods to be adopted by the firemen. In the absence of the captain the first lieutenant; and in the absence of the first, the second lieutenant or senior officer of the brigade present at the fire shall exercise all the powers and duties of the captain.

#### Membership of Brigade.

7. (1) The membership of a bush fire brigade may consist of the following:—

- (a) subscribing members;
- (b) fire fighting members; and
- (c) associate members.

(2) Subscribing members shall be those persons, who being interested in forwarding the objects of the brigade, pay an annual subscription to the funds of the brigade at the following rates:—

- (i) owner or occupier of land within the brigade area—minimum subscription of \$1.
- (ii) other persons—a minimum subscription of 50 cents.

(3) Fire fighting members shall be those persons, being able-bodied members of either sex over 15 years who are willing to render service at any bush fire when called upon, and who sign an undertaking in the form contained in the First Schedule to these by-laws.

(4) Associate members shall be those persons who are willing to supply free motor transport for the fire fighters or equipment, or are prepared to render other approved assistance, and who sign an undertaking in the form contained in the Second Schedule to these by-laws.

(5) No fees or subscriptions shall be payable either by fire fighting members or associate members and the enrolment of persons as such members shall in every case be subject to the approval of the Board.

(6) A subscribing member shall be eligible for enrolment as a fire fighting member.

#### Finance.

8. The expenditure incurred by the Council in the purchase of equipment, payment for services and generally for the purposes of this Act, shall be a charge on the ordinary revenue of the Council, but the Shire Clerk shall keep record of the expenditure incurred under this Act.

#### Meetings of Brigade.

9. Meetings will be held as necessary.

---

These by-laws under the Bush Fires Act, 1954-1965, were passed by a resolution of the Carnarvon Shire Council (a Local Authority under the provisions of such Act) at a meeting held at Carnarvon on 15th day of June, 1966.

CITY OF PERTH ENDOWMENT LANDS ACT, 1920.

The Municipality of the City of Perth.

By-law for the Control of City Beach.

By-law No. 44A—City Beach.

L.G. 242/66.

IN pursuance of the powers conferred upon it by the abovementioned Acts and of all other powers enabling it the Council of the abovementioned municipality hereby records having resolved on the twenty-first day of February, 1966, to make and submit for confirmation by the Governor the following by-law:—

Interpretation.

1. In the construction of this by-law, unless the context otherwise requires, the following terms shall have the meanings set out against them respectively, that is to say:—

“Area” shall mean that part of the municipal district of the City of Perth and that part of the Indian Ocean contained within the heavy black line on the sketch in the schedule hereto.

“Authorised Person” shall mean and include a person appointed or authorised by the Council or the Town Clerk or by the Western Australian State Centre of the Surf Life Saving Association of Australia for the purpose of carrying out any of the requirements of this by-law or any of the powers conferred thereby and shall include an inspector.

“Bathing Area” shall mean and include that portion of a patrolled area between lines running east and west through the signs erected for the purpose of defining a bathing area.

“Bathing Appliances” shall mean and include surf boards surf skis, floats or any other appliance used or capable of use as an aid or adjunct to swimming or bathing or exercises in water.

“Beach” shall mean and include that part of the area to the west of the western boundary of West Coast Highway.

“Council” shall mean the executive body of the municipality of the City of Perth.

“Inspector” includes persons appointed as such under this by-law and employees of the municipality of the City of Perth appointed as Rangers.

“Patrolled area” shall mean and include any part of the area which is for the time being under the supervision of members of the surf Life Saving Association of Australia or of an inspector.

2. No person shall permit a horse to be or remain on the beach or drive any motor cycle or motor car or other vehicle thereon without the permission of the Town Clerk.

3. (1) The Council may set aside within the area and designate by exhibiting appropriate signs specified areas within which—

- (a) bathing is restricted or prohibited;
- (b) boats may be launched or taken up from the sea;
- (c) vehicles may be driven to or from or turned about at launching sites;
- (d) the playing of games is prohibited;
- (e) fishing is prohibited or is restricted to fishing in a particular manner;
- (f) cooking fires are permitted; and

(g) bathing appliances either generally or of a particular class are prohibited.

(2) The designation of areas under paragraph (b), (c) or (f) of sub-clause (1) of this clause shall have the effect of prohibiting other areas from being used for that purpose.

4. A person shall not—

- (a) bathe in an area in which bathing is prohibited;
- (b) launch a boat from a site or area in which the launching of boats is prohibited;
- (c) drive a vehicle to or from or turn a vehicle about at a launching site other than in an authorised area;
- (d) play a game in an area in which the playing of games is prohibited.
- (e) fish in an area in which fishing is prohibited, or fish contrary to the restrictions in an area in which fishing is restricted to fishing in a particular manner.
- (f) use a bathing appliance in an area in which bathing appliances are prohibited or use a bathing appliance of a particular class in an area where bathing appliances of that class are prohibited.

5. A person shall not within the area—

- (a) create or commit any nuisance or behave in a disorderly or offensive manner or use indecent or improper language;
- (b) enter, pry, look into or loiter outside any lavatory, dressing shed or other building or portion of a building expressly reserved for the use of the other sex;
- (c) except to put on or remove a garment or garments worn over a bathing costume, dress or undress or remove or disarrange any part of his bathing costume in any place open to public view or in any building other than such as is specifically set aside by the Council for the purpose;
- (d) not being a member of a life-saving club acting in the course of his duty, climb upon or over any building, tower or other structure;
- (e) enter any portion or place that has been fenced off or otherwise closed to the public;
- (f) alter, cut, mutilate, deface or disfigure or otherwise damage any flag, sign, building or structure or throw lighted matches therein or thereon;
- (g) consume any intoxicating liquor, except—
  - (i) on a portion of the area leased by the Council on such conditions as permit the consumption of intoxicating liquor thereon; or
  - (ii) on a portion of the area in respect of which the Council has given approval for the consumption of intoxicating liquor, and then only in accordance with any conditions laid down by the Council;
- (h) being under the influence of intoxicating liquor, enter or remain in the area or fail to depart from the area on being ordered to do so by a beach patrol officer or inspector of the Council;
- (i) not being a servant of the Council or a member of a life saving club acting in the course of his duty as such, carry or discharge any firearm, air gun or other missile discharging device (other than a spear-gun) or throw or discharge any firework, stone, spear or other missile;

- (j) load or discharge any spear-gun, unless the spear-gun is under water and fifty yards or more from any swimmer, other than another spear fisherman;
  - (k) drive any mechanically propelled vehicle (other than a boat) except within a part of the area designated for that purpose;
  - (l) except in an area set aside for cooking fires, light any fire;
  - (m) drive a boat into an area where persons are bathing in such a manner as to cause or be likely to cause annoyance or injury to any person bathing or about to bathe;
  - (n) cause or permit any surf-ski, surf-board or float to enter any place where bathers are congregated together to the danger or annoyance of those bathers; or
  - (o) play in such a way as to cause inconvenience and annoyance to persons bathing or using a beach.
6. Unless he has first obtained the consent of the Council in writing, a person shall not, within the area:—
- (a) bet, or offer to bet publicly or conduct or take part in any gambling game or contest;
  - (b) except in the normal competitive or training activity of a life-saving club or in meetings of such a club convened and held in accordance with its constitution, engage in any public speaking or conduct any meeting, entertainment or athletic or natatorial competition;
  - (c) sell or hire or offer for sale or hire any equipment, goods, produce or merchandise;
  - (d) operate any broadcasting or public address system or apparatus other than those employed or used by a life saving club in the performance of its functions as such;
  - (e) operate any radio, record player or radiogram or play any instrument at such volume as to cause annoyance to other persons.
7. (1) Except with the permission of the Council or under the authority of a by-law made under the Dog Act, 1903, a person shall not allow any animal or bird under his control to be on the beach.
- (2) Any animal found on the beach in contravention of this by-law may be removed and dealt with in accordance with the provisions of the Dog Act, 1903, or other law relating to the impounding of animals or as the case may require and any bird found in the defined area in contravention of this by-law may be destroyed.
8. A person shall not at any place within the area whether that place is one in which fishing is permitted or not—
- (a) clean fish or cut bait on any seat or handrail;
  - (b) leave or deposit fish offal on land or in the sea within 200 yards of any portion of the beach from which persons are swimming or are likely within twelve (12) hours thereafter, to be swimming; or
  - (c) without written permission of the Council, fish for sharks by use of set or buoyed lines or use blood or any other lure, for the purpose of attracting sharks.
9. (1) The Council may set aside areas in which boats may be beached and a boat may not thereupon be left on the beach in an area other than that so set aside.
- (2) Every person using a vehicle to tow a boat to a launching site shall use the road set aside for that purpose and, after the launching, shall withdraw the vehicle from the road.

10. (1) The authorised person who first commences morning duty shall, during the patrol season approved by the Western Australian State Centre of the Surf Life Saving Association of Australia and during any additional period for which the Council may maintain a paid beach inspector on duty, immediately upon commencing duty, select what in his opinion is the safest and most suitable part of the patrolled area to be set aside as a bathing area and shall thereupon define the limits of that area by erecting at each extremity thereof either a red and yellow patrol flag at least thirty inches square, the signs depicted and described hereunder, or both those flags and those signs—

#### Description of Signs.

Each sign shall have a minimum diameter of twenty-four (24) inches and at its lowest point shall be at least seven (7) feet and not more than ten (10) feet above the immediate ground level.

The upper half of each sign shall be painted yellow and the lower half red. The sign shall be lettered in black, with lettering at least three (3) inches high.

(2) The erection of the patrol flags or signs described in this by-law or both and their re-erection as hereinafter provided indicates the bathing area whereat an officer of the Council appointed as a permanent beach patrol, or, as the case may be, a surf life-saving club, is, for the time being, providing life-saving services in the defined area.

(3) Where at any time, having regard to prevailing conditions, an authorised person is of the opinion that the bathing area should be changed, he may remove the patrol flags or signs or, if the case requires, both, and re-erect them in another position within the area.

(4) If at any time, having regard to prevailing conditions an authorised person is of the opinion that conditions within the area are so dangerous as to warrant that action, he may close the beach by removing all patrol flags and signs and erecting in a central position within the bathing area a sign such as is depicted and described hereunder:—

#### Description of Sign.

The sign shall be painted white with red lettering at least three (3) inches in height and shall be at least three (3) feet in length by two (2) feet in width and its lowest point shall be not less than seven (7) feet and not more than ten (10) feet above the immediate ground level.

(5) During any time life-saving services are not provided in the bathing area, an authorised person shall remove all the patrol flags and signs referred to in this by-law.

(6) An authorised person may—

- (a) place any life-saving gear or appliance in a position in the area considered by him to be the most suitable;
- (b) set aside a roped enclosure not greater than twelve feet square for the exclusive use of members of a life-saving patrol;
- (c) order the discontinuance of use within a bathing area of bathing appliances (either generally or a particular class) which, in his opinion, could cause inconvenience or danger to bathers; and
- (d) require any or all persons to leave the water within the bathing area or any part thereof, during the course of any rescue.

(7) During the presence in or near a bathing area of a shark or other danger, an authorised person may cause a shark alarm to be given by the prolonged ringing of a shark alarm bell or a long blast on a shark alarm siren and the erection of a red and white quartered flag upon the lookout tower or some other prominent position, or by the holding of a red and white quartered flag stationary above the head; and when the authorised person is of the opinion that there is no longer any danger, he shall cause the signal, "all clear" to be given, by a short ringing of the shark alarm bell or a short blast on the shark alarm siren followed by the taking down of the red and white quartered flag.

(8) The Council may set aside and designate by signs a part of the patrolled area (other than the bathing area) for use by persons using bathing appliances, either generally or of a particular class, at any time during which the discontinuance of use of bathing appliances (either generally or of a particular class) is ordered pursuant to paragraph (c) of subclause (6) of this clause or paragraph (c) of clause 13 and the part so set aside may be defined by notice, flag or such other means as may be thought necessary.

(9) Every member of a life-saving patrol shall wear a red and yellow quartered swimming cap, whilst engaged on patrol.

(10) Within the limits of the bathing area the inspector may select a lesser area to be set aside as a "children's bathing area", and shall thereupon define the limits of that children's area by erecting at each extremity thereof a black and white patrol flag at least 20 inches square depicted thereon the signs as described hereunder:—

- (11) (i) No person shall, after 6 a.m. of any day take or use any boat or bathing appliance in a bathing area, except that children under the age of twelve may use rubber or plastic floats up to a maximum length of 2 feet.
- (ii) No person shall without the authority of the Council place any sign on the beach or move any sign placed on the beach.

11. (1) The Council may, from time to time, authorise a life-saving club to:—

- (a) set apart, temporarily, any part of the beach for the holding of a life-saving competition;
- (b) enclose a competition area.
- (c) divide a competition area into sections, some of which may be set aside for use by the public and some of which may be set aside for competition use only, but so that the areas are clearly defined as to the nature of their respective uses; and
- (d) fix the terms and conditions of entry of the public into a competition area, but so that the terms and conditions of such entry shall be clearly defined by notice erected at each end and at every entrance of the competition area.

(2) During the period of the authorisation provided by subclause (1) of this clause a person shall not—

- (a) enter into or remain within a competition area except upon compliance with the conditions of admission indicated by notices at the entrance or entrances to the areas;
- (b) being a member of the public enter upon any part of the competition area set aside for competition use; or
- (c) do any act or thing to create, or which is likely to create, any interruption or interference to the smooth running of the competition.

12. (1) Every person over the age of four years shall, while in the area and exposed to public view, in order to secure the observance of decency, be adequately clad.

(2) Where a beach patrol officer or inspector appointed by the Council considers that the costume or other clothing of any person in the area is not adequate to secure decency, the officer or inspector may order that person to put on adequate clothing and if such person refuses he may be removed from the area or to another part thereof by any beach patrol officer or inspector.

13. A person shall not within the area:—

- (a) swim out to sea such a distance that, in the event of his being overtaken by danger or encountering difficulty, the life of anyone attempting to rescue him might be endangered;
- (b) bathe in any place that has, by notice erected by the Council or by an authorised person, been declared as—
  - (i) closed to bathing;
  - (ii) dangerous; or
  - (iii) reserved for the launching and beaching of surf boats operated by a life-saving club;
- (c) use a bathing appliance (either generally or of a particular class) in a bathing area where the use of that appliance has been prohibited or use a bathing appliance in such a way as to cause or be likely to cause danger, injury or annoyance to any other person;
- (d) fail to leave the water during the course of a rescue when so required by an authorised person;
- (e) fail to leave the water within the bathing area after a shark alarm has been given pursuant to sub-clause (7) of clause 10 of this by-law;
- (f) bathe within a bathing area after a shark alarm has been given and before the signal of "all clear" has been given;
- (g) assist or attempt to assist in the use of any life-saving gear or appliance or in any way interfere with its use unless so requested or authorised by an authorised person or a member of a life-saving patrol;

- (h) interfere with, damage or destroy any notice, life-saving gear or appliance;
- (i) place any clothing, towel or any other object, matter or thing on any notice, life-saving gear or appliance;
- (j) encroach upon any area in which any life-saving gear or appliance is located or is being used or in which life-saving or first aid treatment is being administered to any person;
- (k) obstruct any authorised person or member of a life-saving patrol providing life-saving services;
- (l) enter upon or loiter in any roped enclosure set aside for the exclusive use of members of a life-saving patrol pursuant to this by-law;
- (m) refuse to remove any beach umbrella, sunshade, beach coat or any other thing in his control that may impair the view of the bathing area from the roped enclosure set aside for the exclusive use of members of a life-saving patrol pursuant to this by-law.
- (n) unless he is a member of a life-saving patrol on duty, wear a red and yellow quartered swimming cap, in or upon any bathing area;
- (o) unless he is an inspector appointed by the Council pursuant to this by-law, wear a badge bearing the words "Beach Inspector", or
- (p) in any way interfere with any other person in the defined area.

14. (1) The Council may appoint any of its members or employees to be an inspector under this by-law.

(2) The Council may appoint any member of a life-saving club to be an inspector under this by-law, but a member so appointed shall not prosecute any person for a breach of any provisions of this by-law, but shall report the breach to the Council for such action as it may care to take.

(3) Every person appointed an inspector as provided by this clause shall be given a certificate of his appointment and shall have issued to him a badge bearing the words "Beach Inspector"; and the wearing of such badge or the production of the badge or of the certificate of appointment, by a person exercising authority under this by-law is *prima facie* evidence of the appointment and authority.

(4) Every member of the Western Australian Police Force has the power of an inspector under this by-law.

(5) An inspector or authorised person finding any person committing, or attempting to commit, a breach of any of the provisions of this by-law may demand of that person his name and current and usual place of abode, and shall thereafter report the fact of the breach and the name and place or places of abode of the offending person to the Council, as soon as practicable.

(6) Every person who refuses to state his name and place or places of abode to an inspector or authorised person is guilty of an offence.

15. Where anything by this by-law is directed to be done or forbidden to be done or where authority is given to any person to direct anything to be done or to forbid anything to be done and such act so directed to be done remains undone or such act forbidden to be done is done in every such case the person making such default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of this by-law. And every person guilty of a breach of this by-law shall be liable for every such offence, besides any costs which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in the execution of the work directed to be so executed and not so executed, to a penalty not exceeding one hundred dollars for every breach or to a penalty not exceeding ten dollars for each day during which such breach shall be committed or continued.

## LOCAL GOVERNMENT ACT, 1960.

The Municipality of the Shire of Exmouth.

Adoption of By-law Relating to the Control and Management of the Paltridge Memorial Centre Swimming Pool.

L.G. 583/66.

IN pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it, the Council of the abovementioned Municipality, hereby records having resolved on the sixth day of September, 1966 to make and submit for confirmation by the Governor the following by-law.

## Interpretation.

1. In these By-laws unless the context otherwise requires—

“Pool Premises” means the place or premises provided for the purpose of swimming by the Public and known as Paltridge Memorial Centre Swimming Pool.

“Council” means the Council of the Municipality of the Shire of Exmouth.

“Pool Manager” means the manager or other person appointed for the time being by the Council to have the control and management of the pool premises and such term shall include the Assistant Manager.

“Attendant” means an employee of the Council performing any duties on or in connection with the pool premises.

“Spectator” means any person admitted to the pool premises for the sole purpose of viewing the swimming or other activities conducted therein.

“Swimming Coach” means any person licensed by the Council to enter the pool premises for the purpose of teaching swimming.

Words importing the masculine gender shall include the feminine gender and *vice versa*.

## Use and Control of Pool Premises.

2. The pool premises shall be open for use of the public during such hours and periods as the Council may from time to time by resolution appoint, the Council reserving to itself the right to refuse admission to any person at any time.

3. The Pool Premises or any part thereof may at any time in the discretion of the Pool Manager be set aside for the use of certain persons to the exclusion of others.

4. The Pool Manager may temporarily suspend admittance or clear the Pool Premises or any part thereof of any person or persons if in his opinion such action is necessary, or desirable, for any purpose whatsoever.

5. No person (save the officers or workmen or invitees of the Council) shall enter the Pool Premises without having first paid to an attendant the proper fee or charge hereinafter prescribed.

6. Every person using the pool premises shall obey all reasonable directions of the Pool Manager with regard to such use.

7. No person shall in any way obstruct the Pool Manager in his control of the pool premises and of persons therein.

8. It shall be the duty of the Pool Manager (who is hereby so empowered and directed) to refuse admission to, or remove or cause to be removed from the pool premises any person who, in the opinion of the Pool Manager, is guilty of a breach of any of the provisions of this by-law, or who by his past or present conduct is deemed undesirable and any such person shall upon the request of the Pool Manager to withdraw from the Pool premises quietly and peaceably do so as soon as possible.

9. Any person who has been refused admission to the Pool Premises or who feels aggrieved by action of the Pool Manager may appeal to the Council by letter addressed to the Shire Clerk against such action and the Council may give direction in the matter as is thought fit provided that such right of appeal shall not imply any right of action for damages or other remedy against the Pool Manager or Council arising out of such refusal of admission.

10. No person shall enter or depart from any part of the Pool Premises except by means of the respective entrances or exits set apart for such purposes.

11. No male above the age of four years shall trespass upon any part of the Pool Premises set apart for the exclusive use of females and no female shall trespass upon any part of the Pool Premises set apart for the exclusive use of males.

12. No person shall enter or attempt to enter any shower cubicle that is already occupied without the consent of the occupier.

13. No person shall dress or undress or remove any part of his bathing costume except in a dressing shed or enclosure provided for that purpose.

14. No person shall use any pool or appear in public unless properly attired in costume so as to preserve public decency and shall so cover the body as to prevent indecent exposure. Any person who, in the opinion of the Pool Manager, commits a breach of this clause may be required by the Pool Manager to resume ordinary clothing and such person shall forthwith comply with such requirement.

15. No person shall enter or be in the Pool Premises while in an intoxicated condition.

16. No person shall take into the Pool Premises or have in his possession therein any intoxicating liquor.

17. No person affected or appearing to the Pool Manager to be affected or suffering from any infection, contagious or offensive disease or skin complaint shall remain in or use any dressing room or shall enter or remain in any pool.

18. No person shall bring or deposit any filth or rubbish in any pool.

19. No person shall eat in or take into any part of the Pool Premises other than the spectators' area or kiosk any food, drinks or confectionery of any kind whatsoever.

20. No person shall smoke tobacco or any other substance in or about any pool or concourse or in any portion of the Pool Premises where public notices direct that smoking is not permitted.

21. No person shall disfigure or write upon any part of the Pool Premises.

22. No person shall behave in an unseemly, improper, disorderly or riotous manner, swear or use any indecent, obscene or abusive language or gamble or misconduct himself in the Pool Premises.

23. No person shall climb up or on any fence, wall, partition or roof of the Pool Premises.

24. No person shall waste or wastefully use fresh water in the Pool Premises.

25. No person shall spit or expectorate in the Pool Premises or commit any nuisance therein.

26. No person shall damage or interfere with or use improperly any part of the pool premises or the furniture or fittings therein.

27. No person shall in any way annoy or interfere with any person in the Pool Premises.

28. Dogs shall not be allowed or permitted in or upon any part of the pool premises and no person shall cause or permit any dog or other animal belonging to that person or under his control to enter or remain in or upon any part of the Pool Premises.

29. No person shall approach or enter any pool until he shall have thoroughly cleansed and washed himself in one of the showers and the Pool Manager may prohibit any person approaching or entering or remaining in any pool who in his opinion has neglected so to do or is in his opinion otherwise dirty or unfit to use a pool.

30. No person shall—

- (a) use soap in any part of the Pool Premises other than in the shower baths or toilet facilities.
- (b) use any detergent or any substance, oil or preparation whilst he is in any pool whereby the water therein may be discoloured or contaminated or rendered turbid or, in the opinion of the Pool Manager, in any way unfit;
- (c) foul or pollute the water in any shower or pool;
- (d) bring into any part of the pool premises or place thereon any chemical substance, liquid or powder;
- (e) wilfully or negligently break, injure, damage, destroy or tamper with any equipment, locker, key or other property of the Council.

#### Charges for Admission.

31. All persons wishing to obtain season or period tickets, granting admission to the pool for any one stipulated season or period may obtain such tickets or tokens on application to the Pool Manager, upon payment of the prescribed fee. Such season or period ticket or tokens shall be offered for inspection to the Pool Manager when used to obtain admission to the pool. Season or period tickets or tokens are not transferable and such a ticket or token may be used only by the person in whose name the same is issued. A list of all season or period ticket or token holders shall be kept at the pool and the Pool Manager shall refuse admission to a person seeking the same and using any such ticket or token if the Pool Manager reasonably believes that the person so seeking admission is not the person to whom such ticket or token was issued.

32. The following shall be the sums to be paid for admission to the pool premises and the use of the pool and the requisites supplied therein:—

	\$
For all persons over the age of fourteen years (including spectators) .....	0.25
For every person over four years and under the age of fourteen years (including spectators) .....	0.10
School children if under instruction with Teacher in attendance—	
15 years of age or above—each .....	0.10
Under 15 years of age—each .....	0.05

Persons 15 years or over .....	12.00
Children 4 years to 14 years .....	7.00
Family Tickets:	
Husband and Wife .....	20.00
Each child from 4 years to 14 years with a maximum charge of \$20.00 for the children of one family .....	5.00

#### Coaching.

33. (i) No person shall for profit teach, coach or train any other person in any pool unless with the prior written permission of the Council.

(ii) The Council may grant such permission subject to such conditions as it thinks fit and may at any time withdraw such permission.

#### Depositing of Articles and Lost Property.

34. Any person may deposit with the Pool Manager or an attendant any article for safe keeping subject to the following terms and conditions and any person making any deposit shall be deemed to agree that such conditions shall be applicable thereto:—

- (i) If any article deposited be damaged, lost or stolen neither the Council nor any Officer, employee (including the Pool Manager and attendants) or agent of the Council shall be in any way responsible for any such damage, destruction, loss or theft, howsoever occurring.
- (ii) Upon production to the Pool Manager or an attendant of a receipt or token given in respect of any article deposited the article may be handed to the person producing the receipt or token without proof that such person is the person to whom such receipt or token was issued.
- (iii) If any article deposited is not reclaimed within three (3) months from the date of the deposit the Council or some person duly authorised in that behalf by the Council may sell or otherwise dispose of the same and shall be under no liability either to the owner or depositor thereof by reason of such sale or disposal of the same and shall be under no liability either to the owner or depositor thereof by reason of such sale or disposal and may apply the proceeds of sale as the Council sees fit.

35. (i) There shall be kept by the Pool Manager or by an attendant a book (hereinafter referred to as the Lost Property Register).

(ii) Any person who finds any article which has been left in the pool premises shall forthwith deliver it to the Pool Manager or an attendant.

(iii) Upon receipt of such article the Pool Manager or attendant shall forthwith take charge thereof and enter or cause to be entered in the Lost Property Register a description of the article, the time and date of its receipt and the name of the finder.

(iv) The Pool Manager or an attendant may deliver to a person apparently the owner thereof any article, particulars of which have been entered in the Lost Property Register upon receiving satisfactory proof of ownership and on

payment of the prescribed fee (if any) and upon such delivery such person shall by way of acknowledging receipt of the said article sign his name in the Lost Property Register and add his address.

(v) In the interpretation of this clause the word "article" shall include money.

36. The Pool Manager shall on every Monday report to the Shire Clerk regarding all money and articles found in the Pool Premises and handed to him, whether any such have been claimed and returned to the owners thereof, at the same time he shall hand to the Shire Clerk any money or articles unclaimed.

37. Neither the Council nor any officer or employee of the Council shall be in any way responsible for any article lost by or stolen from any person whilst in the Pool Premises or for any article damaged or destroyed whilst in, on or about the Pool Premises.

38. No ticket, token, license or receipt issued as provided by this by-law shall be transferable and no person other than the person to whom it was originally issued shall enjoy any benefit therefrom or any privileges thereunder.

#### Carnivals.

39. (a) The person, club, association or organisation conducting any carnival held at the pool premises shall be responsible for the conduct of the competitors and spectators during such carnival, and shall be bound to see that there is no over-crowding and that no damage is done to the buildings or fencing or any portions of the Pool Premises.

(b) At all swimming carnivals held at the pool premises, the competitors shall wear proper and approved bathing costumes.

(c) Every person, club, association or organisation to whom the Pool Premises are granted for the purpose of holding a swimming carnival shall at least one week before the date of such carnival forward to the Shire Clerk a copy of the programme of events to be competed for thereat. Any item on such programme that the Council or Shire Clerk do not approve of shall be struck out or so altered as directed.

#### Risk.

40. Every person entering the pool does so at his or her own risk.

#### Enforcement of By-laws.

41. Any person committing a breach of or an offence against any of the provisions of these by-laws shall for every such breach or offence be liable to a penalty not exceeding forty dollars.

## Schedule.

## Regulations.

Principal regulations. 1. In these regulations the Beekeepers Regulations, 1963, published in the *Government Gazette* on the 16th December, 1963, are referred to as the principal regulations.

Heading and regs. 28, 29 and 30 added. 2. The principal regulations are amended by adding after regulation 27 the following heading and regulations:—

Standards of Quality and Packaging of Honey for Sale.

28. A person shall not sell, or offer for sale, any honey that—

- (a) has a refractive index of less than 1.49025 at 20° C. (68° F.);
- (b) is not, when offered for sale to packers, as free from wax and foreign matter as if it had been strained through a wire gauze of at least 16 meshes to the linear inch at a temperature of not more than 110° F.;
- (c) is not, when offered for sale to the public, as free from wax and foreign matter as if it had been strained through a wire gauze of 80 meshes to the linear inch at a temperature of not more than 110° F.;

- (d) is not free from damage, including damage caused by overheating, metallic staining, fermentation, or any flavour or aroma from a foreign source; or
- (e) has had added to it any sugar, glucose, flavouring matter, colouring matter or any other foreign substance.

29. A person shall not transport, store or sell or offer for sale honey, except in containers that are clean, air tight and free from corrosion, both internally and externally.

30. (1) A person shall not sell or offer for sale, to the public, honey, except in a container that bears—

- (a) a description of the contents including the word "HONEY"; and
- (b) information as to—
  - (i) the net weight of honey in the container; and
  - (ii) the name and address of any one of the following, namely—
    - the person selling the honey or offering it for sale;
    - the packer of the honey; or
    - the producer of the honey.

(2) The description of the contents of the container prescribed by paragraph (a) of subregulation (1) of this regulation may be qualified by information indicating the locality of origin or floral source or both of the honey, but a person shall not use, or permit the use of, a description that is misleading or not characteristic of the contents.
