TOWN PLANNING AND DEVELOPMENT ACT,
1928-1965.Advertisement of Approved Scheme Amendment.
Belmont Shire Council

Town Planning Scheme No. 4, Amendment.

TPB 854/2/15/3, Pt. "W".

IT is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act, 1928-1965, that the Honour-

able the Acting Minister for Town Planning approved the Shire of Belmont, Town Planning Scheme No. 4 Amendment, on the 9th day of February, 1967, as follows:—

1. After the definition "Offensive Trade" under Section A—Preliminary, add a new clause to read:—

"Parking Space" means an area of not less than 144 square feet kept and maintained in such condition as to permit its use for the purpose of parking motor cars.

2. Amend Section "A"—Industrial Zone Provisions—

(a) by deleting subclause (iii) of clause (b) and inserting new subclause (iii) to read:—

(iii) Lawns and Gardens and or approved plantation strip to be planted and maintained within 10 feet of the street boundaries of the land and such plantation to be planted within twelve months of the occupation of the buildings.

(b) by deleting subclause (iv) of clause (b) and inserting new subclause (iv) to read:—

(iv) (a) The daily parking of vehicles used by customers within the area between the plantation strip and the buildings set back line, not being within 30 feet of any corner.

(b) Where a lot frontage exceeds 100 feet in width the Council may by resolution at an ordinary meeting permit employee parking within the remaining set back area but such parking will not be permitted within 10 feet of the street boundary of the lot and or within 30 feet of any corner.

(c) Where lots front two streets at corner allotments the Council may permit employee parking in the area between the plantation strip and the building set back line in the side or lesser street but such parking shall not be permitted within 30 feet of the corner.

(c) by inserting after clause (g) a new clause (h) to read:—

(h) Parking facilities: Within a light industrial and a general industrial zone the following parking facilities shall be provided—

(f) (i) The owner of the land on which a building is erected shall provide on the land or on the land adjacent to the land on which the building is erected, parking spaces sufficient to accommodate one car for each two persons likely to reside or work in the building.

(ii) In the case of an industry in which employees work on shifts, the aforementioned parking spaces shall be sufficient to accommodate one car for every two persons likely to be employed in the two larger shifts.

(iii) The parking spaces shall be so located that vehicles have easy access thereto.

(iv) The owner of land whereon provision is to be made for parking spaces in conformity with subclause (i)

shall before any building is constructed, enlarged, re-built, or extended, lodge with the Council a plan on which is delineated all parking spaces and access lanes to be provided in accordance with these provisions.

(v) The owner shall at all times clearly indicate on the ground the boundaries of all parking spaces and access lanes in conformity with the said plan.

(vi) The owner shall when lodging the plan referred to in subclause (iv) hereof, lodge with the Council a certificate stating the total number of persons employed and the number likely to reside or work in the building for which the parking spaces are shown on the plan lodged with the Council and in the case of an industry in which employees are employed on shift work the total number of persons employed in the two larger shifts.

(vii) Any person who shall commit a breach of any of these provisions shall be liable upon conviction—

(a) To a maximum penalty of one hundred dollars.

(b) To a maximum penalty of ten dollars for each day during which the breach continues.

(c) A minimum penalty not less than one-tenth of the maximum penalty and daily penalty referred to in subclauses (a) and (b).

(viii) Sufficient space shall be provided for the parking of vehicles other than motor cars, owned or used by the occupier. Such space shall not be forward of the building set back line and or within 30 feet of any street corner.

MAIN ROADS ACT, 1930-1966.

Main Roads Department,
Perth, 16th February, 1967.

HIS Excellency the Governor in Executive Council, acting under the provisions of the Main Roads Act, 1930-1966 has been pleased to make the regulations set out in the Schedule hereunder.

D. H. AITKEN,
Commissioner of Main Roads.

Schedule.

Regulations.

- Citation. 1. These regulations may be cited as the Main Roads Department (Admission of Engineering Cadets) Regulations.
- Revocation. 2. The Main Roads Department (Admission of Civil Engineering Cadets) Regulations, 1957, published in the *Government Gazette* on the 17th May, 1957 and amended by notice published in the *Government Gazette* on the 14th February, 1966, are revoked.
- Interpretation. 3. In these regulations, unless the contrary intention appears—
“Commissioner” includes any person appointed by the Governor under subsection (2) of section 7 of the Act to act as the deputy of the Commissioner;
“the Act” means the Main Roads Act, 1930;
“the Department” means the Main Roads Department of the State;
“the University” means the University of Western Australia.
- Qualifications for appointment as cadet. 4. (1) An applicant for appointment as a cadet shall—
(a) be not more than twenty-five years of age nor less than sixteen years of age;
(b) produce to the Commissioner evidence of the date of his birth;
(c) produce a chest x-ray examination certificate and a medical certificate to the Commissioner certifying that he is in good health and not affected with any physical infirmity that would interfere with the proper exercise of his professional duties; and
(d) produce to the Commissioner evidence as to his good character.
(2) (a) Such applicant shall have qualified for Matriculation in the Faculty of Engineering at the University or have passed the entrance requirements of the Associateship course in Engineering at the Perth Technical College, but preference will be given to applicants who have passed the Leaving Certificate examination of the University, or an equivalent examination, in English, Mathematics A, Mathematics B, Physics and Chemistry.
(b) The applicant shall if required produce to the Commissioner evidence that he has so qualified or passed as the case may be.
- Applications. 5. (1) Applications for appointment as cadets shall be invited by the Commissioner by public advertisement.
(2) When applying for any such appointment an applicant shall complete a questionnaire on the printed form supplied at the office of the Commissioner.
- Cadet to be articulated. 6. (a) A cadet shall be articulated to the Commissioner for the appropriate term prescribed in regulation 7 of these regulations, but his appointment in the first instance shall be subject to a period of twelve months' probation.
(b) Before the expiration of a cadet's period of probation the Commissioner shall require the officer of the Department who supervises the cadet's duties to furnish him with a report on—
(i) the manner in which the cadet has performed his duties;
(ii) the progress the cadet has made in the appropriate course of study prescribed in paragraph (a) of regulation 7 of these regulations; and
(iii) his general progress and conduct,
and upon receipt of that report the Commissioner shall confirm or annul the appointment.
- Term of cadetship. 7. (a) Subject to the provisions of paragraph (c) of this regulation and the provisions of regulation 9 of these regulations, a cadet shall serve for the appropriate term prescribed under paragraph (b) of this regulation, during which period he shall—
(i) attend the University as a full-time student in the Faculty of Engineering and take the course of study leading to the degree of Bachelor of Engineering or attend the Perth Technical College as a full-time student in the Department of Engineering and take the course of study leading to an associateship in Engineering, as the Commissioner directs; and
(ii) receive practical instruction and undergo courses of training as may be prescribed by the Commissioner.

(b) For the purposes of paragraph (a) of this regulation, a cadet is required to serve—

- (i) for a term of four years, if he attends the University and takes the course of study leading to the degree of Bachelor of Engineering;
- (ii) for a term of three years, if he attends the Perth Technical College and takes a course of study leading to an appropriate associateship in Engineering.

(c) An applicant who, on appointment as a cadet, has already completed and passed one or more years of the degree course of Bachelor of Engineering or an appropriate associateship course in Engineering, as the case may be, may be appointed to a second or a subsequent year of cadetship and may have the term of his cadetship reduced so that the number of years to be served as a cadet corresponds with the number of academic years remaining to be completed in the prescribed degree course at the University or the appropriate associateship course at the Perth Technical College.

(d) A cadet shall be granted leave without pay to attend the University or Perth Technical College as a full-time student during the official terms and the annual examination period of each academic year.

(e) Where a cadet so desires, and if it is convenient for the Commissioner to permit him so to do, the cadet may be employed in the Department during the first and second term vacation periods of any year at the University or Perth Technical College.

(f) During the annual or third term vacation period a cadet is required to be employed in the Department on duties associated with his profession.

(g) A cadet whom after following part of one of the prescribed courses under paragraph (b) of this regulation, is forced to relinquish it without proceeding to a degree, for reasons beyond his control, may, with the permission of the Commissioner, continue his cadetship by serving full-time in the employ of the Department for an aggregate period to be determined and by entering upon a course of study to enable him to pass, at the end of the prescribed term of cadetship or any approved extension thereof, one of the alternative examinations referred to in regulation 8 of these regulations.

(h) For a portion of the period to be served in the employ of the department a cadet shall receive instruction in the preparation of engineering drawings, computations, specifications designing, office methods and general engineering work, and the remainder of the term shall be spent in the field on engineering surveys, and the design, construction and maintenance of engineering works.

8. A cadet shall not be deemed to have completed his cadetship until he has— Qualifying examinations.

- (a) served the prescribed term of cadetship or any due extension thereof;
- (b) fulfilled one of the following conditions—

CIVIL ENGINEERING CADETS—

- (i) obtained the degree of Bachelor of Engineering in the University;
- (ii) passed the associateship course in Civil Engineering at the Perth Technical College;
- (iii) passed the associateship course in Highway Engineering at the Perth Technical College; or
- (iv) passed the Associate Membership Examination of the Institution of Engineers, Australia.

MECHANICAL ENGINEERING CADETS—

- (i) obtained the degree of Bachelor of Engineering in the University;
- (ii) passed the associateship course in Mechanical Engineering at the Perth Technical College; or
- (iii) passed the Associate Membership Examination of the Institution of Engineers, Australia.

ELECTRICAL ENGINEERING CADETS—

- (i) obtained the degree of Bachelor of Engineering in the University;
- (ii) passed the associateship course in Electrical Engineering at the Perth Technical College; or
- (iii) passed the Associate Membership Examination of the Institution of Engineers, Australia.

9. (a) If at the end of the prescribed term of his cadetship a cadet has not completed and passed one of the qualifying examinations prescribed in regulation 8 of these regulations, his cadetship may be extended at the discretion of the Commissioner for a further period not exceeding two years. Extension of term.

(b) Subject to the provisions of regulation 13 of these regulations a cadet's rate of remuneration during any approved extension of his cadetship shall be the same as that prescribed for the fourth year of cadetship, in the case of a cadet attending the University, or for the third year, in the case of a cadet attending the Perth Technical College.

(c) Where at any time during the term of the cadetship the Commissioner is of opinion that the progress of the cadet is unsatisfactory he may suspend his cadetship for a period not exceeding twelve months.

(d) During the period of suspension no sustenance and living allowance payments and compulsory tuition fees are payable to or on behalf of the cadet.

Progress and
conduct.

10. At any time after a cadet has completed one year of the prescribed term of service, if, in the opinion of the Commissioner, the cadet's progress or general conduct, or both, have not been satisfactory, his cadetship may be cancelled.

Student
membership.

11. A cadet, as soon as he is qualified by age, shall become a student member of the Institution of Engineers, Australia.

Public
Service
Regulations.

12. During the whole term of his cadetship and during any extension thereof a cadet shall be subject to the provisions of the Public Service Act, 1904, and to the regulations made thereunder for the time being in force relating to the permanent staff of the Public Service of the State so far as that Act and those regulations may be applicable or can with necessary adaptations be made applicable to the employment of the cadet in the Department, but any term of his cadetship served before attaining the age of 18 years does not count as qualifying service for long service leave purposes.

Remunera-
tion of
cadet.

13. (a) The remuneration of a cadet during periods of service in the department shall be at the following rates:—

Year of Cadetship.	\$
First	1,437
Second	1,693
Third	1,991
Fourth	2,199

except that—

- (i) the above rates may be varied from time to time at the discretion of the Commissioner;
- (ii) a cadet on attaining the age of 21 years shall, irrespective of year of cadetship, receive not less than 100 per cent. of the annual equivalent of the male basic wage at that time applicable; and
- (iii) advancement from year to year shall be subject to satisfactory progress report from the University or the Perth Technical College and to the satisfactory conduct, diligence and efficiency of the cadet.

(b) During periods of leave without pay granted to a cadet for the purpose of attending the University or the Perth Technical College during the official terms and the annual examination period of each academic year, a sustenance allowance at the rate from time to time determined by the Commissioner shall be paid to the cadet; provided that—

- (i) payment of the allowance may be suspended at any time by the Commissioner on receipt of an unsatisfactory report from the University or the Perth Technical College; and
- (ii) payment of the allowance shall not be made for any period of leave without pay granted for purposes other than to attend the University or Perth Technical College during the official term and the annual examination period of an academic year or for any periods of absence from class in respect of which a cadet is unable to furnish a satisfactory explanation.

(c) During periods of leave without pay granted to a cadet during the first and second term vacation periods of any academic year for the purpose of his studying full-time in the subjects being taken by him during that academic year, a sustenance allowance at the rate determined from time to time by the Commissioner shall be paid to the cadet, but payment of sustenance allowance under this paragraph—

- (i) may be suspended at any time by the Commissioner on receipt of an unsatisfactory report from the University or the Perth Technical College;
- (ii) may be suspended in respect of any period of leave without pay for which the cadet is unable to furnish a satisfactory explanation.

(d) If a cadet is employed away from his headquarters, the Commissioner may approve of his being paid an allowance at such rate as the Commissioner determines as compensation for any extra cost of living involved or any extra cost for transport expenses necessarily incurred, or both.

(e) Compulsory University tuition fees (excluding Guild and Faculty Society subscription) or compulsory Perth Technical College tuition fees shall be paid on behalf of the cadet.

(f) Where, in order to attend at the University or the Perth Technical College during the official terms and the annual examination period of the first academic year a cadet is obliged to live away from his ordinary place of residence, he shall be paid a living allowance at the rate determined from time to time by the Commissioner, but payment of living allowance shall not be made in respect of any period for which the cadet did not receive payment of sustenance allowance pursuant to subparagraphs (i) or (ii) of paragraph (b) of this regulation.

14. A cadet who has satisfactorily completed his cadetship shall if he is so required, serve in the Department for a period— Service.

(a) of four years, if the cadet attended the University to take the course of study leading to the degree of Bachelor of Engineering; or

(b) of three years, if the cadet attended the Perth Technical College to take the course of study leading to an appropriate associateship in Engineering,

at a salary determined in accordance with the Commissioner's classification of the work upon which the cadet is engaged.

15. Before any person is accepted as a cadet under these regulations, an agreement in the form, or to the effect of, the Appendix hereto, shall be executed by the person, his legal guardian, the Commissioner and one surety to be determined and approved by the Commissioner. Agreement.

HEALTH ACT, 1911-1966.

Shire of Port Hedland.

WHEREAS it is provided in the Health Act, 1911, as amended, that a local authority may, of its own motion, by resolution, adopt with or without modification, the whole or any portion of the by-laws caused to be prepared by the Governor under the provisions of section 343(1) of that Act; and whereas Model By-laws described as Series "A", prepared in accordance with those provisions and duly amended have, pursuant to the Reprinting of Regulations Act, 1954, been printed with amendments to and including that published in the *Government Gazette* on 25th June, 1963, and as so reprinted, have been published in the *Government Gazette* on 17th July, 1963, and further amended by notices published in the *Government Gazettes* on 7th November, 1963, 20th March, 1964, 16th June, 1964 and 8th January, 1965: Now, therefore, the Shire of Port Hedland, being a local authority within the meaning of the said Act, doth hereby resolve and determine that the said Model By-laws, as so reprinted and published in the *Government Gazette* on the 17th July, 1963, together with the amendments published in the *Government Gazettes* on 7th November, 1963, 20th March, 1964, 16th June, 1964 and 8th January, 1965,

shall be adopted with the following modifications and doth hereby also prescribe the following scale of fees as applied to Schedule "D" of Part IX of the adopted by-laws:—

PART I.—GENERAL SANITARY PROVISIONS.

Substitute for by-law 5 a new by-law 5 to read as follows:—

5. In relation to sanitary conveniences which have been provided, or are available, for use by the public, the following conditions shall apply:—

- (a) They shall be provided with an adequate amount of artificial light and such light shall be maintained after sunset during the period in which the conveniences are available to the public.
- (b) Prominent sex distinguishing signs shall be fitted and during the hours of darkness in which the conveniences are available to the public, these signs shall be illuminated in such manner as to be readily discernible.
- (c) No person shall foul any portion of a public sanitary convenience.
- (d) No person shall stand upon any portion of such convenience other than the floor.

PART V.—LODGING HOUSES.

Substitute for Schedule "C" of this part, a new Schedule "C" as follows:—
Schedule "C".
(By-law 2.)

SCALE OF FEES TO BE PAID ON REGISTRATION AND ANNUALLY THEREAFTER BY KEEPERS OF LODGING HOUSES.

All Lodging Houses	\$2.00
--------------------	-------	--------

PART VII.—FOOD.

1. By-law 6 is amended by inserting after paragraph (d) a new paragraph (dd) as follows:—

(dd) Every such room shall be used for food handling only.

PART IX.—OFFENSIVE TRADES.

Offensive Trade.	Fee per Annum.
	\$

Passed at a meeting of the Port Hedland Shire Council held on the 27th day of May, 1966.

E. A. RICHARDSON,
President.

L. S. ROGERS,
Shire Clerk.

Approved by His Excellency the Governor in Executive Council this 25th day of January, 1967.

W. S. LONNIE,
Clerk of the Council.

HEALTH ACT, 1911-1966.

Shire of Bayswater.

WHEREAS under the provisions of the Health Act, 1911, as amended, a local authority may make or adopt by-laws and may alter, amend or repeal any by-laws so made or adopted: Now, therefore, the Shire of Bayswater, being a local authority within the meaning of the Act, and having adopted the Model By-laws described as Series "A" as reprinted, pursuant to the Reprinting of Regulations Act, 1954, in the *Government Gazette* on 17th July, 1963, doth hereby resolve and determine that the said adopted by-laws shall be amended as follows:—

PART I.—GENERAL SANITARY PROVISIONS.

Substitute for by-law 11A a new heading and by-law to read as follows:—

Removal and Disposal of Nightsoil and Liquid Wastes.

11A. (1) No person shall carry out or undertake the collection, removal or disposal of nightsoil, urine or liquid wastes or the contents of any apparatus for the bacteriolytic treatment of sewage or of any soakwell, leach drain, french drain, grease trap, petrol and oil waste trap, or other liquid trade waste from or on any premises, unless he has first obtained the approval in writing of the local authority to do so.

(2) The local authority may specify in any approval granted to a person pursuant to this by-law conditions to be observed or performed by such person in the collection, removal or disposal of any matter referred to in sub-by-law (1) and the place where that disposal is to be carried out.

(3) A person who carries out or undertakes the collection, removal or disposal of any matter referred to in sub-by-law (1) without the approval of the local authority or having obtained such approval fails to observe or perform any condition specified therein, or to dispose of the said matter at the place specified for that purpose therein, commits an offence.

(4) Notwithstanding the provisions of sub-by-law (1) of this by-law, where a local authority has undertaken or contracted for the efficient execution within its district or part of its district of any work referred to in that sub-by-law, a person shall not execute or undertake the execution of that work undertaken or contracted for within such district or the part thereof, so long as the local authority or its contractor executes or continues the execution of that work or is prepared and willing to execute or continue the execution of that work.

Passed at a meeting of the Bayswater Shire Council held on the 7th day of December, 1966.

R. A. COOK,
President.

A. A. PATERSON,
Shire Clerk.

Approved by His Excellency the Governor in Executive Council this 25th day of January, 1967.

W. S. LONNIE,
Clerk of the Council.
