BUSH FIRES ACT, 1954-1964.

Shire of Mingenew.

Notice to Owners and Occupiers of Land within the Mingenew District.

UNDER the provisions of the above Act, you are hereby required to—On or before the 1st day of October, 1967, plough, scarify, cultivate, or otherwise clear, and thereafter maintain free of all inflammable material until the 15th day of April, 1968, firebreaks of not less than seven feet in width in the following positions on the land owned or occupied by you:—

1. Agricultural Land:

- (1) Inside and along the whole of the external boundaries of the property or properties owned or occupied by you;
- (2) Around all paddocks under crop;
- (3) Where buildings or haystacks are situated on the property, additional firebreaks not less than seven feet in width must be provided within five chains of the perimeter of such buildings or haystacks, in such a manner as to completely encircle the buildings or haystacks. Where the land of an owner or occupier abuts a constructed road, and the owner or occupier has, after obtaining the approval of the Council, burned or cleared the bush between the road formation and the boundary of his land, such firebreaks will be accepted as complying with the requirements of this notice so far as it applies to the abutting boundaries of the property.

2. Townsite Land (Mingenew). On or before 1st November, 1967:—

- (a) Vacant Blocks: Provide and thereafter maintain until 15th April, 1968, an effective firebreak around the perimeter of all vacant blocks, cleared of all inflammable material to a width of at least six feet (or) completely remove all inflammable material from vacant blocks and thereafter keep clean until 15th April, 1968.
- (b) Blocks with Buildings: Provide and thereafter maintain until 15th April, 1968, an effective firebreak around the perimeter of all buildings or group of buildings and inside and along the whole of the boundary of the land, cleared of all inflammable material to a width of at least three feet or where the boundary is closer than three feet then for that lesser distance.

By Order of the Council,

G. O. McCracken,
Shire Clerk.

BUSH FIRES ACT, 1954-1964.

Shire of Gnowangerup.

Notice to Owners and Occupiers of Land Within the Shire of Gnowangerup.

Firebreak Order.

PURSUANT to the powers contained in section 33 of the Bush Fires Act, 1954, you are hereby required on or before the 1st November, 1967, to plough, cultivate, or otherwise clear, firebreaks as stated hereunder and thereafter maintain such firebreaks clear of all inflammable materials until the 15th April, 1968.

- (1) Prepare firebreaks, not less than ten feet wide, inside and along the boundaries of all cleared or part cleared land and inside and along the boundaries of all cleared or part cleared land abutting roads bounding or intersecting any holding other than on land situate in any Townsite within the Shire.
- (2) Where the total area of each property or holding exceeds 600 acres additional firebreaks must be provided in such positions so as to divide cleared or part cleared land into areas not exceeding 600 acres, with each area to be completely surrounded by a firebreak not less than ten feet wide.

- (3) Prepare firebreaks, not less than ten feet wide, within one chain of the perimeter of any building or group of buildings, or any haystack or group of haystacks.
- (4) Prepare firebreaks not less than twenty feet wide around the perimeter of any scrub or timber which has been logged, chained, or otherwise prepared for burning off.
- (5) On land within Townsites within the Shire, clear and maintain clear, the whole of the land of all dry grass, scrub, or other vegetation, accumulation of inflammable waste, paper, packing waste, or other inflammable debris.

If for any reason it is considered impracticable to provide firebreaks in the position required by this Notice, the approval of the Shire Council must be obtained to construct such firebreaks in an alternative position. Approval to any variation will only be granted where a Bush Fire Control Officer has first signified his approval of the variation.

By Order of the Council,

B. F. HARRIS,
Shire Clerk.

BUSH FIRES ACT, 1954-1964.

Shire of Kulin.

Notice to Owners and Occupiers of Land within the Shire of Kulin.

Firebreak Orders.

PURSUANT to the powers contained in section 33 of the above Act, owners or occupiers of land are hereby required, on or before 15th October, 1967, to plough, scarify, cultivate or otherwise clear, and thereafter maintain free of all inflammable material, firebreaks of not less than 7 feet in width in the following positions on the land owned or occupied.

Rural Land:

- (1) Inside and along the whole of the external boundaries of the property or properties.
- (2) Where the total area of each property exceeds 500 acres, additional firebreaks must be provided in such positions as to divide the property into areas not exceeding 500 acres, each area to be completely surrounded by a firebreak.
- (3) Where buildings or haystacks are situated on the property, additional firebreaks not less than ten feet in width must be provided within five chains of the perimeter of such buildings or haystacks, in such manner as to completely encircle the buildings or haystacks.

Townsite Land:

- (1) Owners or occupiers of townsite land are requested to remove all inflammable material from the whole of the land by 31st October, 1967.

If for any reason it is considered impracticable to provide firebreaks in the position required by this notice, the approval of the Shire Council must be obtained to construct such firebreaks in an alternative position. Approval to any such variation will only be granted where the Bush Fire Officer for the area has first signified his approval of the variation.

Where the land of an owner or occupier abuts a constructed road, and the owner or occupier has burned or cleared the bush between the road formation and the boundary of his land, such firebreak will be accepted as complying with the requirements of this notice so far as it applies to the abutting boundaries of the property.

By Order of the Council,

J. F. BOSCHETTI,
Shire Clerk.

BUSH FIRES ACT, 1954-1964.

Shire of Merredin.

Notice of Firebreak Requirements.

NOTICE is hereby given that all owners and/or occupiers of land within the Shire of Merredin are required to prepare firebreaks and remove inflammable materials, as set out below, on or before 15th October, 1967.

Pursuant to the powers contained in section 33 of the Bush Fires Act, 1954-1964, owners and occupiers of land in the Shire of Merredin are hereby required, on or before the 29th day of October, 1967, to clear, in the manner specified hereunder, firebreaks not less than 10 feet wide inside and along the boundaries of each separate property owned and occupied by them. When land so owned or occupied is contiguous to or intersected by a railway line, notwithstanding that there may be a cleared road between the railway reserve and the land so owner or occupied, all firebreaks on such contiguous land shall be made not less than 20 feet wide.

Where any land has been rolled or otherwise prepared for burning off, the whole area of such prepared land shall be completely enclosed by a firebreak not less than 66 feet wide to be made around any area occupied by buildings or haystacks.

The firebreaks required by this notice shall be constructed by ploughing, scarifying, or grading the whole width of the various firebreaks. The soil for the full width of the firebreak is to be maintained in a condition of efficiency by all regrowth or inflammable material being removed therefrom as often as may be required to keep the firebreak completely cleared of all inflammable material.

Where land is under crop, a swathe of such crop, not less than 10 feet wide as is growing along the boundary of any land so owned or occupied shall be cut not later than the 31st day of October, 1967, and the swathe so cut shall be ploughed, and the soil so ploughed shall be completely turned over.

On or before the 25th day of October, 1967, owners or occupiers of land within the townsites of the Merredin Shire shall remove all bush and inflammable material from vacant land, but where buildings are erected on the land shall prepare and thereafter maintain until 31st March, 1968, effective firebreaks around the perimeter of such buildings, and inside and along the whole of the boundary of such land, cleared of all inflammable material to a width of at least three feet, or where the boundary is closer than three feet for that lesser distance.

The Shire Council may conduct an aerial survey for the purpose of inspecting firebreaks.

By Order of the Council,

R. LITTLE,
Shire Clerk.
