HOUSING LOAN GUARANTEE ACT, 1957-1965.

Declaration Under and Pursuant to Section Seven F of the Housing Loan Guarantee Act, 1957-1965.

I, THE HONOURABLE DAVID BRAND, the Treasurer, having been requested under the provisions of section seven F of the Housing Loan Guarantee Act, 1957-1965 (in this notice called "the Act") to do so, do by this notice declare the following matters, that is to say—

- (a) the maximum amount which the Treasurer may guarantee under the Act during the period commencing the 19th May, 1958, and ending the 31st December, 1970, is the sum of eighteen million dollars (\$18,000,000);
- (b) the maximum amount in respect of which agreements for indemnity may be entered into by the Treasurer during the period commencing the 1st January, 1962, and ending the 31st December, 1970, is the sum of one million eight hundred thousand dollars (\$1,800,000);
- (c) the maximum rate of interest which an approved institution may charge on a loan to a borrower or on the purchase money to a purchaser in respect of any period whilst an agreement for indemnity is in force in respect of the loan or purchase money, is six and three quarters per centum (6¾%); and
- (d) for the purposes of section seven B of the Act the maximum amount which an approved institution shall advance to a borrower on the giving of a first mortgage of a new house or the maximum amount of the purchase moneys which an approved institution shall permit to remain payable under a contract for sale and purchase of a new house before an indemnity is

given by the Treasurer under the Act, is seventy per centum (70%) of the value of a new house, as defined in the Act.

DAVID BRAND,
Treasurer.

Shire of Collie.

Notice to all Owners and/or Occupiers of Land in the Shire of Collie.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 30th day of November, 1968 to clear firebreaks in accordance with the following, and thereafter to maintain the firebreaks clear of inflammable material up to and including the 15th day of April, 1969.

1. Rural Lands:—In respect of all land owned or occupied by you (other than land within a town-site) you shall clear of all inflammable material firebreaks not less than 6 feet wide in the following positions:—

- (a) Immediately inside the common boundary between your land and any public road;
- (b) Immediately inside all external boundaries of your land which is used for pasture;
- (c) Within 5 chains of the perimeter of all buildings and/or haystacks or groups of buildings and/or haystacks, so as to surround the buildings and haystacks.

2. Townsite Land.—In respect of land owned or occupied by you within any townsite you shall:—

- (a) Where the area of the land is one half of one acre or less remove all inflammable material on the land from the whole of the land;
- (b) Where the area of the land exceeds one half of an acre clear of all inflammable material firebreaks not less than 6 feet wide immediately inside all external boundaries of the land and also immediately surrounding all buildings and/or haystacks situated on the land.
Where several adjoining lots are held by one owner and/or occupier they are deemed to form one piece of land.

Firebreaks in the position described hereunder will be accepted as complying with the requirements of this notice so far as it relates to the common boundary between the land of an owner or occupier and the abutting lands referred to hereunder:—

Where the land of an owner or occupier abuts on Crown land or a reserve and the owner or occupier has cleared a firebreak not less than 6 feet wide on the Crown land or reserve immediately adjoining the common boundary.

If for any reason it is considered to be impracticable to clear firebreaks as required by this notice you may apply to the Council or its duly authorised officer not later than the 15th day of November, 1968 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land.

If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required in this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Forestry Fire Breaks will only be accepted if approved by a Fire Control Officer.

The Prohibited Period for Zone 8 Collie is—

15th December, 1968, to 14th March, 1969 (inclusive).

The names of the Bush Fire Control Officers are:—

Chief Fire Control Officer: Shire Clerk.

BUSH FIRES ACT, 1954.

(Section 33.)

Donnybrook Shire Council.

Notice to Owners and Occupiers of Land in the Shire of Donnybrook.

PURSUANT to powers contained in Section 33 of the Bushfires Act 1954, you are hereby required to plough, cultivate, scarify or otherwise clear off all inflammable material, and thereafter maintain, firebreaks not less than six (6) feet wide, along the boundaries of all properties which adjoin a cleared or partly cleared road or railway reserve, or, in such positions as required and directed by a Bush-fire Control Officer or the Council.

Provide similar breaks as mentioned above, six (6) feet wide around ALL Houses, Sheds, Haystacks and the like within (5) five chains of the perimeter of same.

This first cultivation of breaks is to be completed on or before the 30th September, 1968, (Without exemption by a Fire Control Officer) and finally completed by the 1st December, 1968. Breaks are thereafter to be maintained clear of all inflammable materials until the 15th April, 1969.

Should it be deemed necessary to alter the position of any break prescribed above, approval MUST be obtained from a Bush Fire Control Officer.

Townsite Land:

All inflammable material to be removed from lots less than one half acre. Where Townsite land exceeds one half acre firebreaks be constructed six feet wide immediately inside all external boundaries of land and also immediately surrounding all buildings and haystacks on the land. Where adjoining lots are held by one owner or occupier the lots are deemed to form one piece of land.

Inspection:

An Inspection of firebreaks throughout the Shire will be carried out by a Warden of the Bush Fire Board and an Officer of the Council.

By order of the Council,

D. A. JONES,
Shire Clerk.

BUSH FIRES ACT, 1954.

Shire of Perenjori.

Notice to all Owners and/or Occupiers of Land in the Shire of Perenjori.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 15th October, 1968 to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following, and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 31st March, 1969:—

1. Townsite Land: In respect of land owned or occupied by you within the Townsites of Perenjori, Bowgada, Caron, Bunjil, Latham or Maya, you shall—

- (a) where the area of the land is one half of one acre or less, remove all inflammable material on the land from the whole of the land; and
- (b) where the area of the land exceeds one half of one acre, clear of all inflammable material firebreaks at least 10 feet wide immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

2. Rural Land: In respect of land owned or occupied by you other than within the Townsites referred to in paragraph (1) above you shall clear of all inflammable material firebreaks at least 10 feet wide—

- (a) immediately inside all external boundaries of the land and also immediately surrounding all buildings and/or haystacks or group of buildings and/or haystacks situated on the land; and

- (b) not less than one chain and not more than five chains from the perimeter of all buildings and/or haystacks or groups of buildings and/or haystacks situated on the land; and

- (c) where the area of the land exceeds 500 acres you shall construct additional firebreaks not less than 10 feet wide in such positions as will divide the land into areas of not more than 500 acres completely surrounded by a firebreak not less than 10 feet wide.

3. Fuel Dumps: In addition to the firebreaks required by paragraphs (1) and (2) above you shall remove all inflammable material from all land occupied by drums used for the storage of inflammable liquid whether the drums contain inflammable liquid or not, including the land on which ramps for holding the drums are constructed and to a distance of at least 10 feet outside the perimeter of any drums, stack of drums, or drum ramp.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from the land as required by this notice you may apply to the Council or its duly authorised officer not later than the 1st October, 1968, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly appointed officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this order if it is not carried out by the owner or the occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

L. H. MILLAR,
Shire Clerk.

Shire of West Arthur.

Notice to the Owners and Occupiers of Land Within the Shire of West Arthur.

PURSUANT to the powers contained in Section 33 of the above Act, you are hereby required on or before the 12th day of November, 1968, to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following, and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 1st day of April, 1969.

1. Rural Lands:—In respect of land owned or occupied by you other than in a townsite shall clear of all inflammable material firebreaks at least six (6) feet wide in the following positions:—

- (a) (i) immediately surrounding all buildings and/or haystacks, or groups of buildings and/or haystacks situated on the land;
- (ii) Not more than five (5) chains nor less than one (1) chain from the perimeter of all buildings and/or haystacks or groups of buildings and/or haystacks situated on the land.
- (b) immediately inside all external pasture boundaries of the land;
- (c) where the area of land exceeds 500 acres so as to divide the land into areas of not more than 500 acres which are completely surrounded with a firebreak at least six (6) feet wide.
- (d) around, and within five (5) chains of, all areas of crop.

2. Townsite Land:—In respect of land owned or occupied by you within any townsite you shall:—

- (a) if the land is used for the storage of inflammable liquids, there is a hotel situated thereon, and where the area of the land

is one-half of one acre or less remove all inflammable material on the land from the whole of the land; and

- (b) where the area of the land exceeds one-half of one acre, clear of all inflammable material firebreaks at least six (6) feet wide immediately inside all external boundaries of the land and also immediately surrounding all buildings and/or haystacks or groups of buildings and/or haystacks situated on the land.

If for any reason it is considered impracticable to comply with any provision of this notice, a written application for a variation may be made to the Shire Council and must reach the Shire Clerk by the 10th day of November, 1968.

Any such application must bear the signature of the fire control officer of that area signifying his agreement to the variation. If permission for variation is not granted the terms of this notice must be complied with, or as the Council directs.

Dated this 20th day of September, 1968.

By Order of the Council,

C. J. PERRY,

(g) New South Wales and Queensland:

(i) Transfer Charges.—For goods transferred at Wallan-garra or Clapham a charge of \$1.05 per ton, minimum 35 cents per consignment shall be raised. The charge shall be apportioned as follows:—

Via Wallan-garra.—Equally divided between New South Wales and Queensland. Where an odd cent is concerned, it shall be apportioned to New South Wales for traffic forwarded to Queensland and to Queensland for traffic forwarded from Queensland.

Via Clapham.—All Queensland proportion.

(ii) Counting Charges.—A charge of 35 cents per ton, minimum 35 cents per consignment, shall be made at Wallan-garra and Clapham for counting goods classified at rates less than Class 1 in transit between intersystem stations. Consignments of a single package or where accepted on senders count are excepted. The charge shall be apportioned as follows:—

Via Wallan-garra.—Equally divided between New South Wales and Queensland. Where an odd cent is concerned, it shall be apportioned to New South Wales for traffic forwarded to Queensland and to Queensland for traffic forwarded from Queensland.

Via Clapham.—All Queensland proportion.

(h) Queensland:

(i) Handling Charges.—Goods chargeable at a lower rate than Class 1 must be loaded and unloaded by the sender or consignee. If this work is done by the Commissioner a charge of 60 cents per ton, minimum 50 cents, for each service shall be made.

(ii) South Brisbane Unloading Charge.—All goods in less than wagonloads received at South Brisbane (Interstate) Station, shall be unloaded, sorted and stacked by the Commissioner for which service a charge of 90 cents per ton, minimum 35 cents for each consignment, shall be made.

(i) Silverton Tramway Co. Ltd.:

- (i) Shunting Charges.—A charge of 15 cents per ton minimum 10 cents per consignment shall be raised on all goods excepting wool, conveyed over the Silverton Tramway and consigned to or from stations in New South Wales.

7. Wagonload Tonnage Minima.—Where local rates are used:—

- (i) The minimum tonnage prescribed on the originating system for traffic in wagonload consignments loaded in vehicles owned by the originating system shall apply as the wagonload minimum over all systems.
- (ii) The minimum tonnage for wagonload consignments loaded for departmental convenience in vehicles owned by another system shall be assessed on the basis of the originating system's minimum for the originating system's own vehicle which would otherwise have been supplied.
- (iii) Where wagons of another system are supplied by request of the sender the minimum will be determined by the Commercial Manager.
