of stock.

15. At the request of a stockholder the Registrar may issue a certificate of inscription of stock in a form approved by the authority and such certificate shall be delivered only to the person whose name is inscribed in the stock ledger as holder of the stock for which the certificate is issued, or to his attorney, or to a member of a recognised stock exchange who represents such stockholder, or to a person authorised in writing by the stockholder to take delivery of such certificate.

PART III.—TRANSFERS AND TRANSMISSIONS OF STOCK.

Transfers.

16. (1) The Registrar shall keep at the Office of the Authority books to be called "Transfer Books" wherein all transfers of stock or any part thereof shall be entered and registered, which entries shall be numbered in such manner as the Authority determines.

(2) A transfer of stock shall be in accordance with Form No. 2 in the schedule to these regulations and shall be signed or, in the case of a corporation, unless executed under power of attorney, be properly sealed, by both the transferor and the transferee, each of whom shall be notified of the completion of the transaction.

(3) In the case of a transfer or transmission from or to joint owners it shall be sufficient notice to the joint owners if the person whose name is inscribed first in the stock ledger is notified of the completion of the transaction.

(4) Every party to the transfer shall sign the transfer of stock form in the presence of a witness, who shall be a Justice of the Peace, Commissioner of Affidavits, Commonwealth or State Commissioner for Declarations, notary public, solicitor, member of a recognised Stock Exchange, an officer of the Registry, a bank manager (who shall sign as such and add the bank stamp), or any other person approved by the Registrar. Such witness shall state the capacity in which he has attested the signature.

(5) A person (not being an officer of the Authority) shall not attest the signature to a transfer and acceptance unless the person whose signature he is attesting is personally known to him.

(6) Every transfer shall pass the right to all interest becoming due and payable after the date of registration thereof, so that the Authority shall not be under any necessity to apportion any such interest as between the transferor and the transferee.

Marking of
form of
transfer of
stock.

17. (1) The Registrar may at the request of any owner or his agent mark a form of transfer of stock, that has been properly executed by the owner, with the words "Stock held against this transfer for \$..... for a period of fourteen days from". Where a form of transfer of stock is so marked, the Registrar shall refuse to give effect to any dealing in stock to which the transfer relates, within the period of fourteen days in respect of the amount of the inscription so marked, except on completion of the marked transfer.

(2) Nothing in this regulation shall prevent the owner from surrendering to the Registrar a marked form of transfer of stock for cancellation within the period of fourteen days provided that the form of transfer of stock has not been executed by a transferee.

(3) A form of transfer of stock may be registered at any time within fourteen days after the time the Registrar has marked it, notwithstanding that the transferor after executing the transfer has died, or has become bankrupt or insolvent, but after the expiry of the period of fourteen days, the Registrar shall refuse to register the transfer if he has had notice of the death, bankruptcy or insolvency of the transferor.

Notice of
dealing.

18. The Registrar may, if he deems fit, forward to the stockholder a notice of dealing in the form approved by the Authority on any application received by him relating to stock inscribed in

the name of such stockholder, and the Registrar shall not register the transaction unless and until sufficient time has elapsed for a reply to be received.

19. Every transfer of stock shall be lodged at the office of the Authority on a transfer day, which transfer days are Monday to Friday inclusive in each week between the hours of 10 a.m. and noon, and 1 p.m. and 3 p.m. of each day, except when any of those days fall on a bank holiday.

Transfers to be lodged on a transfer day.

20. (1) As soon as possible after the registration of any transfer or transmission of stock, the amount of stock transferred or transmitted shall be debited in the proper account in the stock ledger and be forthwith credited in that ledger to the account of the person or persons to whom it has been so transferred or transmitted, and the Registrar shall cause the stock ledger to be compared with the transfers and applications to ascertain that all the business transacted has been duly and properly entered and recorded.

Entries in stock ledger.

(2) Registration shall not be made of any application for transfer or any other transaction that would effect the balance of stock inscribed, received within fourteen days prior to the date on which interest is due, or during the period of twenty-one days immediately preceding the date of maturity of stock.

21. (1) (a) The executor, administrator or trustee of the estate of a deceased stockholder (not being one of several joint stockholders) shall be the only person recognised by the Authority as having any title to the stock inscribed in the name of the deceased stockholder.

(b) Application for transmission in relation to any such stock shall be made in accordance with regulation 22 of these regulations.

(2) (a) On the death of one of the holders in a joint account relating to stock, the survivor or survivors in the joint account shall be the only person or persons recognised by the Authority as having any title to or interest in the stock.

(b) The death of that joint holder may be proved by the production of probate of his will, letters of administration of his estate or a certificate of his death, supported if required by the Registrar by a statutory declaration that satisfies the Registrar as to the identity of the deceased as such stockholder.

(c) On completion of the proof of death of a joint stockholder in a joint account and on receipt of an application in writing from the survivor or survivors in the joint account, the stock shall be registered in the name of the survivor or survivors.

22. (1) (a) When any stock is to be transmitted in consequence of the death, bankruptcy or insolvency of any stockholder or for any reason other than a transfer under these regulations, an application for registration by transmission shall be lodged with the Registrar.

Transmission of stock.

(b) The application shall be in accordance with Form No. 3. in the schedule to these regulations and shall, if the Registrar so requires, be supported by a statutory declaration verifying the particulars contained in the application.

(2) The Registrar shall require the signature of a person who claims transmission of stock by virtue of his appointment as executor, administrator or trustee, to be verified to his satisfaction.

(3) The probate of the will, letters of administration of the estate, or an office copy of the adjudication or order of sequestration or vesting order, as the case may be, or any other document that authorises the transmission under this regulation shall be produced to the Registrar.

(4) The Registrar may require any document produced pursuant to this regulation to be left at the office of the Authority at least two clear days before the stock to which it relates is dealt with under these regulations.

(5) The Registrar shall enter or cause to be entered particulars of such documents in a register.

Power of Registrar to dispense with production or re-sealing of probate.

23. (1) Where a person dies leaving any stock of an amount not exceeding four hundred dollars the Authority may, on being satisfied that all duty payable in respect thereof under the provisions of the Administration Act, 1903 (as amended), has been paid or that no such duty is payable in respect thereof, dispense with the production of probate of the will or letters of administration of the estate as required by regulation 21 of these regulations and may authorise the transmission of the stock to such person or persons as appear to the satisfaction of the Authority to be lawfully entitled thereto.

(2) No person shall have any claim against the Authority in respect of any transmission in pursuance of this regulation, but nothing in this regulation shall relieve the person or persons to whom the stock is transmitted from any liability to account for or deal with the stock as required by law.

(3) A person is not required to re-seal in this State any probate of a will or letters of administration of an estate in order that a transmission of stock may be registered under these regulations if, in respect of the stock, the probate or letters of administration is or are produced to the Registrar together with the certificate of the Commissioner of Probate Duties of this State that no duty is payable under the Administration Act, 1903 (as amended), or his receipt evidencing that all duty payable under that Act has been paid.

Persons entitled to be registered on transmission.

24. (1) A person who becomes entitled to stock by transmission pursuant to these regulations may either himself be registered as the holder of the stock so transmitted, or instead of being himself registered may with the approval of the Registrar, make such transfer of the stock as the stockholder from whom the same was transmitted could have made, and the transfer shall be accompanied by such evidence in proof of the title of the transferor as the Registrar may reasonably require.

(2) Where the Registrar is satisfied that stock is inscribed in the name of the person whose property is required by law to be placed in the hands of the Public Trustee or of an officer holding a corresponding position in any other State or of any other officer charged with the duty of administering estates of deceased persons or missing persons or persons under disability (other than bankruptcy or insolvency), the Registrar may (notwithstanding the provisions of regulations 21 and 22 of these regulations) authorise the transmission of the stock to the name of the Public Trustee, the officer holding a corresponding position, or other officer, and the Registrar may, if he so desires, require a sufficient indemnity from the Public Trustee, the officer holding a corresponding position, or other officer.

(4) Debentures may be purchased by any person, but if an owner has not attained or does not appear to the Registrar to have attained the age of eighteen years, the Registrar may deliver the debentures to the parent or guardian of the owner, and the receipt of the parent or guardian shall be a valid discharge to the Authority from all actions, suits, claims and demands in respect of the debentures so delivered.

(5) Before any debenture is issued to a purchaser, any overdue interest coupons shall be detached therefrom and cancelled.

(6) Where any debenture cannot be handed personally to the owner at the office of the Authority the Registrar may arrange or cause to be arranged delivery of the debenture through a bank or other agency, and a receipt shall be obtained by the Registrar in exchange for every debenture delivered.

(6) Where an order has been made by a Justice of the High Court or a Judge of the Supreme Court of a State or Territory in relation to stock which is inscribed in the name of a person of unsound mind jointly with other persons not under any legal disability, it shall not be necessary for an application approved by the Authority for the issue of any debenture in exchange for that stock to be signed by or on behalf of that person of unsound mind.

- (c) any service of an employee who resigns or is dismissed other than service prior to such resignation or to the date of any offence in respect of which he is dismissed from the service of the Council when that prior service has actually entitled the person to long service leave under these by-laws.

162. As from the 1st day of July, 1965, all present and future employees of the Council shall after an initial period of 10 years uninterrupted service and then after each subsequent period of 7 years uninterrupted service be entitled to three months' leave on full pay. For the purpose of this By-law where an employee had qualified for one or more terms of long service leave prior to the 1st July, 1965, credit on the basis of a ten years qualifying period shall be granted toward a second or any succeeding term of long service leave in respect to service prior to that date and service after that date shall be credited on the basis of a seven year qualifying period.

163. Long service leave shall be taken at a time convenient to the Council and the Council will as far as possible meet the wishes of the employee as to the time of taking his long service leave. The Council may by giving not less than three calendar months' notice to the employee direct him to take his long service leave at a time nominated by the Council, and his long service leave shall be taken accordingly.

165. In the event of the death of an employee during his long service leave, the Council shall pay to his personal representatives, or if there be none, to his dependants, a sum of money equal to the unpaid wages or salary of the employee for the uncompleted period of his long service leave together with payment *pro rata* in respect of service subsequent to the date such leave became due.

166. In the event of an employee being believed to have died and his death not having been registered, the Council, after consideration of all circumstances, may direct that the death of the employee be presumed to have occurred on a date nominated by the Council, and may authorise payment to the employee's dependants of an amount which may be paid under these by-laws to the personal representatives or dependants of a deceased employee.

167. In the event of the services of an employee being terminated by death or being terminated by the Council by reason of his disability or by reason of his having reached the retiring age and that employee having completed one or more periods of service qualifying him for long service leave the Council shall pay him or his personal representatives or dependants *pro rata* in respect of long service leave for the period of his service from the date the previous full period of long service leave became due until the day he ceased work or until the last day of sick leave payments whichever is the later.
