BUSH FIRES ACT, 1954.

(Section 18.)

Restricted Burning Times—Order of Suspension.

Bush Fires Board,
West Perth, 24th April, 1970.

Corres. 101.

IT is hereby notified that the suspension is ordered of the provisions of paragraphs (a), (b), (c), (d) and (e) of subsection 2 of section 18 of the Bush Fires Act, in respect of the whole of the Shire of Busselton for the period 20th April, 1970, to 31st May, 1970, both dates inclusive. All other provisions of the Bush Fires Act must be complied with.

This order is issued subject to the conditions that a bush fire control officer appointed by the Council may, subject to the directions, if any, of the Council, require a person or the owner or occupier of any land to take any precautions he considers necessary before lighting any fire during the period of this suspension and where a fire has already been lit, may direct that all reasonable steps be taken by the owner or occupier or person who lit the fire to extinguish the fire or to prevent the fire from spreading.

Where the land on which the fire is to be lit is within two miles of a State forest, an officer from the Forests Department must be notified of the intention to light a fire before burning commences.

R. BOWE,
Acting Secretary,
Bush Fires Board.

13. In addition to the Zones mentioned in Clause 8 there are hereby created Special Zones and Restricted Use Zones.

14. Special Zones: Those portions of the Scheme Area which are specified in Section 1 of the Schedule hereto are classified as Special Zones.

15. Notwithstanding that a parcel of land described in Section 1 of the Schedule is within another Zone the land or any building or structure thereon may be used for the purpose set against that parcel of land in the said Section in addition to the other uses permitted in the Zone in which the land is situated.

16. Restricted Use Zone: Those portions of the Scheme Area which are specified in Section 2 of the Schedule hereto are hereby classified as Restricted Use Zones for the uses or purposes set against such land respectively in the said section.

17. No person shall use any land or any building or structure thereon within a Restricted Use Zone except for the use or purpose set against such land respectively in Section 2 of the Schedule.

18. Application for Special Approval of Council: Any person who desires to use land for a purpose which by the provisions of this Scheme is only permitted if special approval is given by the Council shall make application for such approval to the Council in writing.

19. The application shall state the following particulars:—

- (a) The full name and address of the applicant.
- (b) A description of the land and the particulars of the Certificate of Title.
- (c) The names and addresses of the registered proprietors and of all other persons having an interest in the land and the nature of their interest.
- (d) The nature of the applicant's interest in the land.
- (e) The purpose for which the applicant desires to use the land.
- (f) The nature of the building and other improvements now on the land.
- (g) The nature of the buildings and other improvements the applicant desires to construct on or make to the land.

20. The Council shall consider the application and may refuse its approval or may resolve to recommend to a subsequent meeting of the Council that approval be granted. If the Council resolves to recommend that approval be granted it shall refer the matter to a subsequent meeting of the Council to be held not less than three weeks nor more than six months after the passing of the resolution recommending approval.

21. The Council may resolve that notice be given to ratepayers likely to be affected by the granting of the approval and in that case it shall notify the applicant of the names and addresses of all persons who according to the Rate Book are the rateable owners of land within an area to be specified by the Council likely to be affected by the granting of the application.

22. The Council should require notice to be given to ratepayers if the proposed use is likely to be carried on at night or is likely to cause noise or to cause an assembly of persons or vehicles.

23. If so directed by the Council the applicant shall—

- (a) cause to be sent by certified post to the owners whose names and addresses have been given to him by the Council and to all persons having an interest in the land the subject of the application a copy of his application to the Council; and

- (b) cause to be published in a newspaper circulating in the Scheme Area notice of his application setting out in an abbreviated form the information contained in his application and stating that objections may be made to the Council within twenty-eight days from the publication of the said notice.

24. At a subsequent meeting of the Council held, if notices have been given after the expiration of twenty-eight days from the publication of the said notice and after the expiration of twenty-eight days from the posting of the said notices to the owners, whichever is the later, the Council shall again consider the application and decide whether to grant or withhold its approval or grants its approval upon conditions.

25. In making its decision on application for its special approval the Council shall take into consideration the following matters:—

- (a) The provisions of any Town Planning Scheme including this Scheme affecting the land the subject of the application or affecting land in the vicinity.
- (b) The nature of the proposed development in relation to the development of any land within the vicinity of the said land.
- (c) The size, shape and character of the parcel of land to which the application relates and the nature and siting of the proposed building the view from the building and the interruption of view likely to be caused by the proposed building.
- (d) Any representations which may be made by any statutory authority.
- (e) The existing and likely future amenity of the neighbourhood, including (but without limiting the generality of the foregoing) the question of whether the proposed development is likely to cause injury to such amenity including injury due to the emission of noise, vibration, light, smell, fumes, smoke, vapour, steam, soot, ash, dust, grit, oil, liquid wastes or waste products.
- (f) The nature of the roads giving access to the said land.
- (g) that parking facilities are available or proposed, and the likely requirements for parking.
- (h) such other matters as the Council considers relevant.

26. The Council may enter into agreements with the Applicant whereby the Applicant covenants for himself and his transferees to carry out and observe the conditions (if any) imposed by the Council in granting its approval as aforesaid.

PART III.—PRESERVATION AND CONSERVATION OF OBJECTS OF NATURAL BEAUTY AND HISTORICAL BUILDINGS AND OBJECTS OF HISTORIC OR SCIENTIFIC INTEREST.

27. (1) The Council may resolve that it will consider whether an object of natural beauty specified in the resolution should be conserved.

(2) The Council may resolve that it will consider whether an historical building or an object of historical or scientific interest should be preserved.

28. If the Council shall pass one of the resolutions mentioned in the clause immediately preceding (hereinafter called "the preliminary resolution") it shall forthwith give notice of the resolution to:—

- (a) The owner of the land on which the object of natural beauty or the historical building or the object of historical or scientific interest is situated.

- (b) The occupier of such land if he is not the owner.
- (c) All other persons whose names appear on the Certificate of Title to the said land as having an interest therein.
- (d) The National Trust of Australia (W.A.).
- (e) The Royal Western Australian Historical Society (Inc.).
- (f) The Western Australian Tourist Development Authority.
- (g) Such other persons who in the opinion of the Council could give to it information which would assist the Council in arriving at a decision on the proposal.

29. The said notice shall inform the person to whom it is directed that the matter will be reconsidered by the Council after the expiration of two calendar months from the date of the passing of the said resolution and that any recommendations or objection made in writing to the Council by such person before that time will be considered. The notice shall also contain a copy of this Part of the Scheme.

30. The Council shall cause a copy of the preliminary resolution to be published in a newspaper circulating throughout the State of Western Australia and in a newspaper published in the Council's District if such exists.

31. After the expiration of two calendar months but not later than four calendar months from the passing of the preliminary resolution the matter shall be reconsidered by the Council.

32. The Council shall consider all written recommendations and objections submitted to it and may resolve that the object of natural beauty or the historical building or object of historical or scientific interest should be conserved or preserved as the case may be. If the Council shall pass the said resolution (hereinafter called "the preservation resolution") it shall give written notice thereof to all persons mentioned in Clause 28 hereof.

33. If the Council shall not within a period of six months from the passing of the preliminary resolution pass the preservation resolution the Council shall be deemed to have abandoned the proposal contained in the preliminary resolution and shall not pass a preservation resolution unless and until the procedure mentioned in this Part of the Scheme shall have again been followed.

34. The Council may purchase or subject to the Act resume the parcel of land on which the object of natural beauty or the historical building or object of historical or scientific interest mentioned in the preservation resolution passed by the Council is situated or so much thereof as is in the opinion of the Council necessary for the preservation of the said object or building.

35. The Council may—

- (a) enter into agreements with the owners or occupiers of land on which an object of natural beauty or historic building or object of historical or scientific interest is situated, for the preservation or conservation of such building or object whether a preservation resolution has been passed or not.
- (b) enter into agreements with any of the organisations named in paragraphs (d) (e) or (f) of Clause 28 hereof or with any other person for the preservation or conservation of any building or object mentioned in a preservation resolution

passed by the Council; or if the owner thereof so agrees, notwithstanding that no preservation resolution has been passed.

- (c) enter into agreements relating to the determination and settling of compensation.

36. Any person who is injuriously affected by the passing of a preservation resolution may within six months from the passing of the said resolution claim compensation from the Council.

37. If the parties cannot agree upon the amount of compensation payable it shall be determined by arbitration in accordance with the Arbitration Act 1895.

38. No person shall without the written consent of the Council—

- (a) within six months from the passing of a preliminary resolution, or
- (b) after the passing of a preservation resolution make any alteration or addition to, damage, deface, demolish or remove any object of natural beauty, historic building or object of historical or scientific interest referred to in any such resolution.

PART IV.—SPECIAL PROVISIONS.

39. (1) Unless special permission shall have been given pursuant to paragraph (2) of this clause no person shall erect or use a building for a purpose specified in Column No. 1 of the Building Table following this clause:—

- (a) unless the building is erected on a parcel of land having an area of not less than that (if any) shown opposite in Column No. 2 of the Building Table; and
- (b) unless the parcel of land on which the building is erected has a frontage to a street of not less than the distance (if any) shown opposite in Column No. 3 of the Building Table and no part of the parcel of the land has a width of less than that distance; and
- (c) if the building is erected nearer a street alignment than the distance (if any) shown opposite in Column No. 4 in the Building Table unless otherwise permitted by Clause 41; and
- (d) if the building is erected nearer to a side or rear boundary than those distances (if any) shown in Columns No. 5 and 6 respectively in the Building Table; and
- (e) unless all walls and party walls of the building are constructed of the materials (if any) specified in Column No. 7 of the Building Table; and
- (f) unless paved parking spaces or garages each of not less than 140 square feet in area and with all necessary access ways are provided on the parcel of land on which the building is erected to the extent (if any) specified in Column No. 8 of the Building Table; and
- (g) if the building has a site coverage greater than that (if any) shown in Column No. 9 of the Building Table; and
- (h) if the building has a plot ratio greater than that (if any) shown in Column No. 10 of the Building Table.

(2) The Council may either generally or in any particular case relax the requirements of this clause if the resolution to do so is passed by an absolute majority of the Council and confirmed within six months by a resolution passed by an absolute majority of the Council at a subsequent meeting.

20. Private hotels and motels	1 acre	100 feet	Brick, stone or concrete	1 per bedroom5	1

40. Buildings Set Back from Street Alignment: Except as hereinafter provided no person shall erect or cause or permit to be erected any building or any portion of a building nearer to a street alignment than the distance mentioned hereunder (hereinafter called "the set back distances") for the particular zone in which the land is situated:—

	Feet
Residential	30
Multi Residential	30
Deferred Residential	30
Hotel	50
Business	30
Deferred Business	30
Parking	30
Showroom	30
Service Station	30
Light Industry	50
General Industry	50
Railway Purposes	30
Public Building	50
Public Open Spaces	30
Rural	50

Provided that nothing in this clause shall be construed to permit the construction or use of a building for a purpose mentioned in the Building Table nearer to the street alignment than the distance stated in Column 4 of that Table.

Provided further that the Council may in any particular case relax the requirements of this clause if the person desiring to erect a building or portion of a building nearer to a street alignment than the distances mentioned in this clause and Column 4 of the Building Table makes application in writing to the Council for special permission so to do and upon the condition that such person pays to the Council such sum of money to be used or expended by it in the provision of parking areas or spaces as shall be determined by the Council and if the resolution so to relax the requirements of this clause upon the condition aforesaid is passed by an absolute majority of the Council and confirmed within six months by a resolution passed by an absolute majority of the Council at a subsequent meeting.

41. Where a lot in a Residential Zone has a frontage to more than one street a building may be erected nearer to the street alignment of the less important of the streets but not nearer than ten (10) feet to such street alignment and the Council shall in each case determine which is or are the less important street or streets.

42. Area Adjacent to Street: No person shall in any of the Zones following, that is to say—

- a Business Zone,
- a Light Industrial Zone,
- a General Industry Zone,

use the land between the street alignment and the set back distance for any purpose except one or more of the following:—

- (a) a means of access;
- (b) the daily parking of vehicles used by customers and employees;
- (c) the loading and unloading of vehicles;
- (d) trade display if such display does not cover more than one-fifth of the area and is not within ten feet of the street alignment;
- (e) lawns and gardens.

43. No person shall between the street alignment and the set back distance—

- (a) place or display a vehicle or vehicles for sale;
- (b) place or permit to remain any vehicle which is being wrecked or repaired;
- (c) place or permit to remain any fuel or raw material or wastes of manufacture or except as hereinafter permitted any product or by-product of manufacture.

44. Access for Loading and Unloading of Vehicles: (1) No person shall use a building for business or industry unless there is provided a paved access way for vehicles from a street to the rear of the building for the purpose of loading and unloading and of a nature mentioned in this clause.

(2) The access way shall be so constructed that vehicles using it may return to a street in forward gear.

(3) If there exists a right-of-way to the rear or side of the lot an area shall be paved on the lot so that vehicles when loading or unloading shall not remain in the right-of-way and the area shall be of such a size that if no alternative route exists vehicles may turn so as to return to a street in forward gear.

(4) Except as hereinafter mentioned the access way shall not be less than fifteen feet in width; if the size of the lot makes the provision of a fifteen foot wide access way impracticable or unreasonable the Council may permit an access way of a narrower width but in no case less than ten feet in width.

45. General Appearance of Buildings: (1) No person shall construct—

- (a) a building which has an exterior design that is out of harmony with existing buildings,
- (b) an ugly building that may destroy local amenities.

(2) Any person who is aggrieved by the refusal of the Council to grant its approval to the construction of a building by reason of this clause may within sixty days after the refusal is communicated to him appeal to the Minister who may hear the appeal himself or appoint a person or persons to hear the appeal and report to him thereon and the Minister after considering the report if any shall make his decision thereon and communicate it to the Council and to the appellant. The decision of the Minister shall be final.

46. Corner Lots on Subdivision: No subdivision of land shall be permitted which has the effect of creating a lot with a frontage to more than one street if the lot has a width of less than seventy-two feet at a distance of sixty-six feet back from the smaller frontage.

PART V.—NON-CONFORMING USES OF LAND.

47. If at the gazettal date any land, building or structure is being lawfully used for a purpose or in a manner not permitted by the foregoing provisions of this scheme (in this part called "a non-conforming use") the non-conforming use may continue but no such building or structure shall be added to or altered unless special permission to do so is granted by the Council.

48. If after the gazettal date of non-conforming use is discontinued or changed or the building in which it is carried on is removed no person shall thereafter use the land, buildings or structures on or in which the said use was carried on for any non-conforming use.

49. If any building or structure which is used for a non-conforming use be destroyed or damaged by fire or otherwise to the extent of more than seventy-five per cent. of its value it shall not thereafter be repaired, rebuilt or added to for the purpose of being used for a non-conforming use unless special permission to do so is granted by the Council.

50. The Council may for the purpose of discontinuing any particular non-conforming use acquire the lot and buildings (if any) on or in which the use is or is permitted to be carried on or make agreements relating to the payment of compensation or moneys to persons willing to discontinue a non-conforming use.

51. Any person carrying on a non-conforming use shall within twelve calendar months of the gazettal date or within such extended time as the Council shall allow give to the Council in writing full information of the nature and extent of the non-conforming use.

PART VI.—ADMINISTRATION.

52. Prohibition: No person shall use any land or any building or structure thereon contrary to or otherwise than in accordance with the provisions of this Scheme.

53. Powers of Council: The Council in the conduct and management of this Scheme shall in addition to all other powers vested in it have the following powers:—

- (a) To enter and inspect any land or building within the Scheme Area.
- (b) To enter into agreements and arrangements with any of the owners of land within the Scheme Area.
- (c) To acquire land or buildings within the Scheme Area, and
- (d) To deal with or dispose of any land for the time being vested in it.

54. Twenty-eight (28) days' written notice is hereby prescribed as the notice to be given pursuant to Section 10 of the Act. Any expenses incurred by the Council under the said Section may be recovered from the person in default as a simple contract debt in such Court of Civil Jurisdiction as is competent to deal with the amount of the claim.

55. The Council may at any time exercise the powers conferred by Section 13 of the Act.

56. Compensation: Claims for compensation by reason of this Scheme shall be made not later than six months from the date on which notice of approval of this Scheme is published in the *Government Gazette*.
