## PART III.—NON-CONFORMING USE OF LAND.

## 3.1 No provision of the Scheme shall prevent—

- (a) the continued use of any land or building for the purpose for which it was being lawfully used at the time of the coming into force of the Scheme; or
- (b) the carrying out of any development thereon for which immediately prior to that time a permit or permits required under the Town Planning and Development Act, 1928 (as amended), and any other law authorising the development to be carried out have been duly obtained and was current.

3.2 (a) Where in respect of land reserved under Part II of the Scheme a non-conforming use exists or was authorised as mentioned in clause 4.1 of this Part on that land all or any erections, alterations or extensions of the buildings thereon or use thereof shall not be carried out unless the approval of the Council has been obtained in writing.

(b) Where in respect of land zoned under Part III of the Scheme a non-conforming use exists or was authorised as mentioned in clause 4.1 of this Part on that land, and provided the prior consent in writing of the Council has been obtained, buildings may be extended to the limits prescribed by the Uniform Building By-laws made under the Local Government Act, 1969 (as amended), or by any other by-laws made under that Act for the purpose of limiting the size, location and distance from boundaries and any other matter required by law for that class of use within the boundary of the lot or lots on which the use was carried on immediately prior to the coming into force of the Scheme.

3.3 Change of Non-conforming Use: The Council may permit the use of any land to be changed from one non-conforming use to another non-conforming use, provided the proposed use is, in the opinion of the Council, less detrimental to the amenity of the neighbourhood than the existing use, or is in the opinion of the Council closer to the intended uses of the zone.

## 3.4 Discontinuance of Non-conforming Use:

- (a) Notwithstanding the preceding provisions of this Part, except where a change of non-conforming use has been permitted by the Council under clause 4.3, when a non-conforming use of any land or building has been discontinued, such land or building shall not thereafter be used other than in conformity with the provisions of the Scheme.
- (b) The Council may effect the discontinuance of a non-conforming use by the purchase of the affected property or the payment of compensation to the owner or the occupier or to both the owner and the occupier of that property, and may enter into an agreement with the owner for that purpose.

## PART IV.—FINANCE AND ADMINISTRATION.

4.1 Disposal of land: The Council may deal with or dispose of any land which it owns or which it has acquired pursuant to the provisions of the Scheme, in accordance with the Act and in conformity with the provisions of the Scheme; and for such purpose may make such agreements with other owners as it deems fit.

4.2 Compensation: Claims for compensation by reason of the Scheme other than for the purpose of Part II shall be made not later than six months from the date on which notice of approval of the Scheme is published in the *Government Gazette*, except in the case of reserved land where the provisions of Part II shall apply.

4.3 Entry to Premises: The Council may by an authorised officer enter at all reasonable times any building or land for the purpose of ascertaining whether the provisions of the Scheme are being observed.

4.4 Penalties: Any person who fails to comply with any of the provisions of the Scheme is guilty of an offence and without prejudice to any other remedy given herein is liable to such penalties as are prescribed by the Act.
