In the event of a sale by private contract, the price shall not be less than the price recommended by the Chief Valuer of the Taxation Department of Western Australia unless, after submitting the land for sale by public auction or tender, that price has not been obtained.

10. Valuation of Lots: The Council may, instead of selling all or any of the residential lots, ascertain the value of them or those unsold from the Chief Valuer of the Taxation Department of

Western Australia, and credit the Scheme with the value so ascertained, and in that event the lots shall be the property of the Council and may be retained, sold, or otherwise dealt with in such manner as the Council thinks fit.

- (f) To transfer any land acquired by it in pursuance of this Scheme as compensation or part compensation and to enter into agreements relative to the determination and settling of compensation.
