BUSH FIRES ACT, 1954.

Shire of Augusta-Margaret River.

Notice to Owners and/or Occupiers of Land in the Shire of Augusta-Margaret River.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 20th day of December, 1970, to plough, cultivate, scarify or otherwise clear and thereafter maintain free of all inflammable material, firebreaks not less than six (6) feet wide in the following positions:—

- (1) Inside and along the boundaries of all cleared or part cleared land where such land is under pasture or crop and abuts formed public roads.
- (2) Within a perimeter of 30 ft. of all buildings and haystacks on the land, and thereafter maintain such firebreaks clear of all inflammable materials up to and including the 15th April, 1971.

Firebreaks in the situations described hereunder will be accepted as complying with the requirements of this notice, so far as it applies to the common boundary between the land of the owner or occupier and the abutting land referred to hereunder:—

- (a) Where the land of an owner or occupier abuts on a public road and the owner or occupier has burned or cleared the bush between the road formation and the common boundary.
- (b) Where the land of an owner or occupier abuts on Crown Land or a Reserve and the owner or occupier has cleared a firebreak not less than 6 ft. wide on the Crown Land or Reserve along the common boundary.

Provided that if for any reason it is impracticable to clear a firebreak in the position or positions required by the notice, the approval of a bush fire control officer appointed by the Shire of Augusta-Margaret River shall be obtained to place the firebreak in an alternative position.

In respect of land owned or occupied by you within any Townsite or any area Subdivided for Residential purposes you shall:—

- (a) Where the area of the land is one half of one acre or less, remove all inflammable material on the land from the whole of the land; and
- (b) where the area of land exceeds one half of one acre, clear of all inflammable material, firebreaks at least 6 ft. wide immediately inside all external boundaries of the land and also immediately surrounding all buildings and haystacks situated on the land.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Dated this 21st day of August, 1970.

By Order of the Council,

J. D. REIDY-CROFTS,
Shire Clerk.

Townsites.

(a) Lots used for grazing purposes or in agricultural pursuits:

(i) Not less than six feet in width inside and along those portions of the boundaries of all cleared or part cleared land which enjoy a common boundary with a formed public road.

(ii) Not less than ten feet in width immediately surrounding all buildings and haystacks, with a further break six feet in width within one chain of the perimeter of haystacks.

(iii) Not less than six feet in width around the perimeter of land on which a cereal crop is planted.

(iv) On all cleared land not less than six feet in width within one chain of and parallel to any boundary of a railway reserve.

(b) All other lots: Effective fire breaks around the perimeter of all buildings and inside and along the whole of the boundary of the land cleared of all inflammable materials to a width of at least three feet, or where the boundary is closer than three feet then for that lesser distance.

(c) All townsite lots: To be cleared of all inflammable material and rubbish on or before the 30th day of November, 1970 and kept clear of such material until the 13th day of March, 1971.

Provided that if, for any reason, it is impracticable to clear fire breaks in the situation required by this notice, any suitable alternative to the foregoing inside or outside the property may be nominated or approved by either the Bush Fire Control Officer or Captain of the Bush Fire Brigade in the area concerned, and notified in writing by 1st October, 1970 by the occupier to the shire council after being countersigned by the Fire Control Officer.

The owner or occupier of land who fails or neglects to comply with the above requirements is guilty of an offence under sub-section 3 of section 33 of the Act and is liable to a penalty of not less than ten dollars nor more than two hundred dollars, in addition to which the council may have the work carried out and may recover the cost of such work from the owner and/or occupier.

Dated the 17th day of July, 1970.

By Order of the Council,

ERIC MOLYNEUX,
Shire Clerk.

BUSH FIRES ACT, 1954.

Shire of Capel.

Notice to owners and/or occupiers of land within the Shire of Capel.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 30th day of November, 1970 to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance

with the following and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 15th day of April, 1971.

1. Rural Land: In respect of land owned or occupied by you other than within a townsite you shall—

(a) Clear of all inflammable material, firebreaks not less than 6 feet wide at a distance of not more than 5 chains from the perimeter of all buildings and/or haystacks so as to completely surround the buildings and/or haystacks.

(b) Clear of all inflammable material, firebreaks at least 6 feet wide immediately inside all external boundaries of all land any part of which abuts a public road, or Railway Reserve.

2. Townsite Land: In respect of land owned or occupied by you within any townsite in the Shire of Capel you shall—

(a) Where the area of the land is one half of one acre or less you shall remove all inflammable material on the land from the whole of the land.

(b) Where the area of the land exceeds one half of one acre you shall clear of all inflammable material, firebreaks not less than 6 feet wide immediately inside all external boundaries of the land.

If it is considered impractical for any reason to clear firebreaks or remove inflammable material from the land as required by this notice you may make written application to the Shire Council not later than the 10th day of November, 1970 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. This application must be countersigned by the Bush Fire Control Officer for the area in which the land is situated to signify his agreement to the variation. If permission is not granted by the Council or its duly authorised Officer, you shall comply with the requirements of the notice.

"Inflammable Material" is defined for the purpose of this notice to include bush, timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees, or growing bushes and plants in gardens or lawns.

Penalty.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

Dated this 21st day of August, 1970.

By Order of the Council,

W. M. WRIGHT,
Shire Clerk.

BUSH FIRES ACT, 1954.

Shire of Denmark.

Notice to Owners and Occupiers of Rural and Townsite Land within the Shire of Denmark.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 1st day of January, 1971 to clear firebreaks on the land owned or occupied by you, in accordance with the following, and thereafter to maintain the firebreaks clear of inflammable material up to and including the 22nd day of May, 1971.

You shall clear of all inflammable material firebreaks at least 6 feet wide—

(a) immediately inside or outside all external boundaries of the land and also immediately surrounding all buildings and/or haystacks, or groups of buildings and/or haystacks situated on the land; and

- (b) not more than 5 chains and not less than 1 chain from the perimeter of all buildings and/or haystacks or groups of buildings and/or haystacks situated on the land; and
- (c) where the area of the land exceeds 300 acres, additional firebreaks so as to divide the land into areas of not more than 300 acres, which are completely surrounded with a firebreak at least 6 feet wide; and
- (d) you shall clear firebreaks at least 10 feet wide additional to those required in paragraphs (a) (b) and (c) above so as to completely surround the perimeter of land occupied by drums used for the storage of inflammable liquid whether the drums contain inflammable liquid or not, including any land on which ramps for holding the drums are constructed. All land within the perimeter of the firebreak required by this paragraph is also to be cleared of inflammable material and maintained clear of inflammable material up to and including the 22nd day of May, 1971.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 15th day of December, 1970, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the costs of performing the work directed in this order if it is not carried out by the owner or occupier by the date required by this notice.

Council will be prepared to accept well grazed kikuyu as an adequate fire break.

Dated this 7th day of August, 1970.

By Order of the Council,
G. H. McCUTCHEON,
Shire Clerk.

BUSH FIRES ACT, 1954.

Notice to all Owners and/or Occupiers of Land in the Shire of Dundas.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 25th day of October, 1970, to clear of all inflammable material firebreaks not less than 10 feet wide in the following positions on all rural and townsite land owned or occupied by you and thereafter to maintain the firebreaks clear of inflammable material up to and including the 15th day of April, 1971:—

- (1) Immediately inside all external boundaries of cleared or partly cleared land and;
- (2) In such other positions as is necessary to divide cleared or partly cleared land in excess of 500 acres into areas not exceeding 500 acres each completely surrounded by a firebreak and;
- (3) Immediately surrounding all buildings, haystacks and fuel ramps situated on the land and;
- (4) Immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 10th day of October, 1970, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Dated this 24th day of August, 1970.

By Order of the Council,
V. A. DUNN,
Shire Clerk.

Shire of Kulin.

Notice to all Owners and /or Occupiers of Land within the Shire of Kulin.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 15th day of October, 1970, to clear of all inflammable material firebreaks not less than 8 feet wide (or such other width as is specified herein), in the following positions on all rural and townsite land owned or occupied by you and thereafter to maintain the firebreaks clear of inflammable material up to and including the 30th day of April, 1971:—

- (1) Immediately inside all external boundaries of the land; and
- (2) In such other positions as is necessary to divide land in excess of 500 acres into areas not exceeding 500 acres, each completely surrounded by a firebreak; and
- (3) Immediately surrounding any part of the land used for pasture or crop; and
- (4) Parallel to and within 5 chains of the perimeter of all buildings, haystacks and fuel ramps situated on the land; and
- (5) Immediately surrounding any drum or drums or other receptacles situated on the land which are normally used for the storage of fuel, whether they contain fuel or not, provided that the firebreak required to comply with this paragraph only shall be not less than 16 feet wide; and
- (6) Immediately inside land on which bush has been bulldozed, chained, or prepared in any similar manner for clearing by burning (whether you intend to burn the bush or not), provided that the firebreak required to comply with this paragraph only, shall be not less than 20 feet wide. Where the land is prepared for clearing by burning after the 15th day of October, 1970, you shall provide the firebreak immediately.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 10th day of October, 1970, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council, or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,
W. A. BARNES,
Shire Clerk.

BUSH FIRES ACT, 1954.

(Section 33.)

Shire of Narembeen.

Notice to Owners and Occupiers of Lands within the Narembeen District.

UNDER the provisions of the above Act you are hereby required to:—

- (a) on or before the 1st day of November, 1970, to clear of all inflammable material, firebreaks not less than 10 feet wide in the following positions on all rural and

townsite land owned or occupied by you and thereafter to maintain the firebreaks clear of inflammable material up to and including the 30th day of April, 1971:—

- (1) Immediately inside all external boundaries of the land; and
- (2) In such other positions as is necessary to divide the land in excess of 300 acres into areas not exceeding 300 acres, each completely surrounded by a firebreak; and
- (3) Immediately surrounding any part of the land used for pasture or crop; and
- (4) Immediately surrounding all buildings, haystacks and fuel ramps situated on the land; and
- (5) Immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel whether they contain fuel or not; and
- (b) on or before the 31st day of January, 1971, (or within 14 days of the date of completion of the preparation for burning should this be after the 31st January, 1971) to clear of all inflammable material firebreaks not less than one chain wide immediately inside the external boundaries of the land on which the bush has been bulldozed, chained or prepared in any similar manner for burning (whether you intend to burn the bush or not) and thereafter to maintain the firebreak clear of inflammable material up to and including the 30th day of April, 1971.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council not later than 14 days prior to the date by which the firebreaks are required to be provided for permission to provide firebreaks in alternative positions on the land. No such application will be considered unless it is made in writing, adequately describes the land, and is accompanied by written approval of the bush fire control officer for the area in which the land is situated. If permission is not granted by the Council you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Townsite Land.

On or before November 1, 1970, remove all bush and inflammable material from vacant townsite land: but where buildings are erected on the land, prepare and thereafter maintain until April 30th, 1971, effective firebreaks around the perimeter of such buildings and inside and along the whole of the boundary of the land, cleared of inflammable material to a width of at least three (3) feet or where the boundary is closer than three (3) feet, then for that lesser distance.

Failure or neglect to comply with this notice will render the owner or occupier liable to a penalty of \$200.

By order of the Council.

A. J. MIDDLETON,
Shire Clerk.

BUSH FIRES ACT, 1954.

Shire of Nungarin.

Firebreak Order 1970-1971.

NOTICE is hereby given that all owners and/or occupiers of land within the Shire of Nungarin must prepare firebreaks complying with the following schedule on or before the 15th September, 1970,

for grasslands and the 1st November, 1970, for croplands, and maintain such firebreaks in a condition unable to carry a fire until the 1st February, 1971, subject to seasonal conditions.

Schedule.

Rural Lands.

Breaks of not less than ten (10) feet in width must be provided around property boundaries, but where this is impracticable breaks must be prepared as near as possible to such boundaries. (A ten (10) foot break is required for burning-off in accordance with the Bush Fires Act.)

Firebreaks may be ploughed, scarified or otherwise cleared of all inflammable material.

Townsites.

All town lots within the Shire of Nungarin shall be cleared of all debris of an inflammable nature and maintained free of such material.

Fuel Ramps and Depots.

All grass and similar inflammable material to be cleared from areas where drum ramps are located and where drums, full or empty, are stored and such areas maintained clear of grass and similar inflammable material.

By Order of the Council,

K. J. TILBROOK,
Shire Clerk.

BUSH FIRES ACT, 1954.

Shire of Plantagenet.

Notice to Owners and Occupiers of Land.

PURSUANT to the powers contained in section 33 of the above Act, owners and occupiers of land within the Shire of Plantagenet are required to remove from the land owned or occupied by them all inflammable material or to clear firebreaks in accordance with the following, and thereafter maintain the land or the firebreaks clear of all inflammable material up to and including the 31st day of May, 1971:—

1. Rural Land: Owners and Occupiers of Land other than within a townsite shall—

- (a) Clear firebreaks, not less than six feet wide, inside and along and within one chain of the boundaries of all land owned or occupied by them, or inside and along and within one chain of the boundaries of the land being used for pasture and for crops, other than grain producing crops.
- (b) Clear firebreaks, not less than ten feet wide, immediately adjacent to the perimeter of all grain producing crops; irrespective of whether such grain producing crops are to be harvested or not.

As an alternative to (a) and (b) above it is permissible to clear firebreaks not less than ten feet wide, inside and along and within one chain of the boundaries of all land owned or occupied by them or inside and along and within one chain of the boundaries of all land owned or occupied by them and used for pasture and for grain producing crops; irrespective of whether such grain producing crops are to be harvested or not.

- (c) Clear firebreaks not less than six feet wide around and within five chains of all buildings, haystacks and fuel ramps.

All firebreaks as designated above must be prepared on or before the 15th day of November, 1970, within that portion of the Shire lying generally east of the dividing line described in Schedule No. 10 (*Government Gazette* No. 72 of the 2nd August, 1968, page 2276) and on or before the 1st day of December, 1970, within that portion of the Shire lying generally west of the dividing line described in Schedule No. 10 (*Government Gazette* No. 72 of the 2nd August, 1968, page 2276).

2. Townsite Land: Owners or Occupiers of land within the townsite of Mount Barker, Kendenup, Narrikup and Rocky Gully shall on or before the 22nd day of December, 1970, remove from the land owned or occupied by them all inflammable material or in cases where such townsite lots are used for grazing purposes or agricultural pursuits, clear a firebreak of not less than six feet in width around and within the boundaries of such individual or combined lots used as one parcel of land for such grazing or agricultural purposes, and thereafter to maintain the land or the firebreak clear of inflammable material up to and including the 31st day of May, 1971.

"Inflammable Material" is defined for the purpose of the order relating to Townsite Lands to include bush (as defined in the Bush Fires Act) timber, boxes, cartons, paper and like inflammable materials, rubbish, and also any combustible matter, but does not include green standing trees, or growing bushes and plants in gardens, or lawns.

If for any reason it is considered impractical to clear firebreaks in the positions required by this notice the approval of the Council must be obtained to provide them in an alternative situation.

By Order of the Council,

T. McDONALD,
Shire Clerk.

BUSH FIRES ACT, 1954.

Quairading Shire Council.

Notice to Owners and Occupiers of the Land in the Quairading Shire Council District.

PURSUANT to section 33 of the above Act, all owners and occupiers of land within the Shire of Quairading are hereby required, on or before the 25th October 1970, to plough, cultivate, scarify or otherwise clear of all inflammable material firebreaks, at least eight feet wide, around all cleared and partly-cleared land owned or occupied by them. Where holdings total more than 500 acres of cleared or partly-cleared land, additional firebreaks must be cleared to divide the cleared or partly-cleared land into areas of not more than 500 acres each surrounded by a firebreak. Where land is in crop, the area under crop shall be surrounded by a firebreak eight feet wide to immediately encircle the crop. Where part of any cleared or partly-cleared land used for pasture or crops abuts on, or is intersected by public roads, railways, rivers, or areas, of uncleared land, a firebreak eight feet wide, shall be cleared within 66 feet and parallel to the common boundary, between the land and the road, railway, river or uncleared land.

Buildings and Haystacks.

A firebreak, eight feet wide, shall be cleared one chain from the perimeter of all buildings, haystacks, and homesteads by the 25th October 1970, and the area between the firebreak and the building or haystack shall be cleared of all inflammable materials by 31st October 1970. If it is intended to clear the area around buildings by burning, a permit must be obtained from the Local bush fire control officer.

If it is impracticable for any reason to complete the clearing of firebreaks in the positions, or by the date required by this notice, application must be made not later than 25th October 1970, to the Quairading Shire Council for permission to place breaks in an alternative situation or to complete clearing of breaks by a later date to be determined by the Council.

All firebreaks to be maintained clear of inflammable material, up to the 1st April, 1971.

Townsites.

On or before the 25th October 1970, all town lots within the Shire of Quairading area are required to be cleared of all debris of an inflammable nature, and maintained free of such material up to the 1st April 1971.

Maximum penalty for non-compliance: \$200.

Dated this 24th day of August, 1970.

By Order of the Council,

C. J. SPRAGG,
Shire Clerk.

BUSH FIRES ACT, 1954.

(Section 33.)

Shire of Serpentine-Jarrahdale.

Notice to all Owners and Occupiers of Land within the Shire of Serpentine-Jarrahdale, including Owners of Town Lots.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before the 15th day of November, 1970, to clear firebreaks in accordance with the following and thereafter to maintain the firebreaks clear of inflammable material up to and including the 15th day of March, 1971:—

(1) Buildings, Sheds and Haystacks.—A firebreak at least six feet wide shall be cleared of all inflammable material so as to surround all buildings, sheds and haystacks. The inner perimeter of such firebreaks to be within one chain of the buildings, sheds and haystacks.

(2) Where the land adjoins the west side of the South-West Railway Line and no made road exists between the land and the Railway Reserve, two firebreaks, each a minimum width of six feet, shall be cleared of all inflammable material as follows:—

- (a) One firebreak, at least six feet wide, immediately inside the eastern boundary of the land.
- (b) One firebreak, at least six feet wide, parallel to the first firebreak, as referred to in (a) above, and not less than one chain nor more than three chains from the first firebreak referred to in (a) above.

(3) Where the land adjoins—

- (a) the Armadale-Pemberton Road (South-West Highway); or
- (b) the Jarrahdale Road between the South West Highway and the Jarrahdale Town-site; or
- (c) the South West Railway Line; or
- (d) the Jarrahdale-Mundijong-Kwinana Railway Reserve between the South West Highway and the Western boundary of the Shire; or
- (e) any made road west of the Armadale-Pemberton Road (South West Highway), a firebreak at least 6 feet wide shall be cleared of all inflammable material immediately inside the common boundary between the land and the public road on which there is a made road as referred to in (a), (b), (c), (d) and (e) of this section.

If the firebreaks required by this notice are cleared by ploughing, the soil must be completely turned over and all bush, grass and other inflammable material completely cleared from the whole of the firebreak.

Any other method of clearing the firebreak must result in the complete removal from the firebreak of all bush or other inflammable material. The firebreaks required by this notice shall be constructed under or through all intervening fences so as to establish a continuous firebreak.

For the purposes of this notice:—

- (1) An existing drain shall not form portion of a firebreak required by the notice.
- (2) Land separated from a Railway Reserve and/or land used for railway purposes and/or made roads, only by a drain or drainage reserve or easement for such drain or drainage reserve shall be considered to adjoin such Railway Reserve and/or land used for railway purposes and/or made roads.

If it is considered to be impractical for any reason to clear firebreaks as required by this notice, you may apply to the Bush Fire Control Officer for your area, and appointed by the Council, not later than the 1st day of November, 1970, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land, or to provide the firebreaks required by this notice by a date other than that fixed in the notice. If permission is not granted by the Council or its duly authorised officer you shall comply with the requirements of this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Failure or neglect to comply with this notice renders you liable to prosecution. Penalty—a fine of \$200, and the person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directly in this order if it is not carried out by the owner or occupier by the date required by this notice.

Dated this 18th day of August, 1970.

By Order of the Council,

J. E. DORRINGTON,
Shire Clerk.

BUSHFIRES ACT, 1954.

Shire of Wagin.

Notice to all Owners and/or Occupiers of Land in the Shire of Wagin.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 1st day of November, 1970, or within fourteen days of the date of your becoming owner or occupier should this be after the 1st day of November, 1970, to remove from the land owned or occupied by you all inflammable material or to clear firebreaks in accordance with the following and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 31st day of March, 1971.

(1) Rural Land:

- (a) Firebreaks at least eight feet wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and immediately inside boundaries which adjoin cleared roads, and
- (b) Firebreaks at least eight feet wide shall be cleared of all inflammable material parallel to and one chain distant from boundaries which adjoin railway reserves, and
- (c) Firebreaks at least eight feet wide shall be cleared of all inflammable material completely surrounding all crops on land adjoining railway reserves, and
- (d) Firebreaks at least eight feet wide shall be cleared of all inflammable material at a distance of one chain from the perimeter of all buildings and haystacks, or groups of buildings and haystacks and shall completely encircle such buildings and haystacks, and
- (e) The area between the buildings and haystacks and the firebreak mentioned in (d) above shall be cleared of all inflammable material by the 15th day of December, 1970.

(2) Town Land:

- (f) Where the area of land is one-half of one acre or less all inflammable material on the land shall be removed from the whole of the land, and
- (g) Where the land exceeds one-half of one acre in area firebreaks at least six feet wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land as required by this notice you may apply to the Council or its duly authorised officer not later than the 15th October, 1970, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

"Inflammable Material" is defined for the purpose of this Order to include bush (as defined in the Bushfires Act), timber, boxes, cartons, paper and

like inflammable materials, rubbish and also any combustible matter but does not include green-standing trees, or growing bushes and plants in gardens, or lawns.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

K. B. LANG,
Shire Clerk.

BUSH FIRES ACT, 1954.

Shire of West Arthur.

Notice to Owners and Occupiers of Land.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required, on or before the 19th day of November, 1970, for rural land and on or before the 30th day of November, 1970, for townsite land, to clear of all inflammable material or to clear firebreaks in accordance with the following, and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 1st day of April, 1971.

1. Rural Land.—Owners or occupiers of land, other than within a townsite, shall clear of all inflammable material, firebreaks at least six (6) feet wide in the following positions:—

- (a) Immediately inside all external pasture boundaries of the land; and
- (b) in such other positions as is necessary to divide crop or pasture land in excess of 500 acres into areas not exceeding 500 acres, each completely surrounded by a firebreak; and
- (c) surrounding and within five (5) chains of any part of the land used for crop; and
- (d) immediately surrounding all buildings, haystacks and fuel ramps or groups of buildings and haystacks. The firebreak is to be not more than five (5) chains nor less than one (1) chain from the perimeter of all buildings and haystacks; and
- (e) immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

2. Townsite Land.—Owners and occupiers of land within a townsite shall—

- (a) clear of all inflammable material the whole of the area where—
 - (i) the area of the land is one-half of one acre or less; or
 - (ii) the land is used for the storage of inflammable liquids; or
 - (iii) there is a hotel situated thereon;
- (b) if the area of the land exceeds one-half of one acre, clear of all inflammable material firebreaks at least six (6) feet wide immediately inside all external boundaries of the land and also immediately surrounding all buildings and/or haystacks or groups of buildings and/or haystacks situated on the land.

If for any reason it is considered impracticable to comply with any provision of this notice, a written application for a variation may be made to the Shire Council and must reach the Shire Clerk by the 27th day of November, 1970.

Any such application must bear the signature of the fire control officer of the area signifying his agreement to the variation. If permission for variation is not granted the terms of this notice must be complied with, or as the Council directs.

Inflammable material is defined for the purpose of this order to include bush (as defined in the Bush Fires Act), timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees, or growing bushes and plants in gardens, or lawns.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

By order of the Council,

C. J. PERRY,
Shire Clerk.

BUSH FIRES ACT, 1954.

Notice to all Owners and/or Occupiers of Land in the Shire of Woodanilling.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 15th day of November, 1970, to clear of all inflammable material firebreaks not less than eight feet wide (or such other width as is indicated therein) in the following positions on all rural and townsite land owned or occupied by you and thereafter to maintain the firebreaks clear of inflammable material up to and including the 31st day of March, 1971:—

- (a) Immediately inside all external boundaries of cleared or part cleared land.
- (b) Parallel to and one chain from the boundary of any railway reserve.
- (c) In such other positions as is necessary to divide land in excess of 400 acres not exceeding 400 acres, each completely surrounded by a firebreak; and
- (d) immediately surrounding any part of the land used for pasture or crop; and
- (e) immediately surrounding all buildings, haystacks and fuel ramps situated on the land; and
- (f) immediately surrounding any drum or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not (except that on land used as a farm, the firebreak required to comply with this paragraph only, shall be not less than one chain wide).

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its Chief Bush Fire Control Officer not later than the 1st day of November, 1970, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its Chief Bush Fire Control Officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not less than \$10 nor more than \$200 and a person in default is also liable, whether

prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,

D. McCUTCHEON,
Shire Clerk.

MINING ACT, 1904.

(Regulation 180.)

Warden's Office,

Perth, 20th August, 1970.

TAKE notice that it is the intention of the Warden of the Goldfield or Mineral Field mentioned hereunder, on the date mentioned, to issue out of the Warden's Court an order authorising the cancellation of registration of the undermentioned Mining Tenements in accordance with Regulation 180 of the Mining Act, 1904. An order may issue in the absence of the registered holder, but should he desire to object to such order he must, before the date mentioned, lodge at the Warden's Office an objection containing the grounds of such objection, and, on the date mentioned, the Warden will proceed to hear and determine the same, in accordance with the evidence then submitted.

I. R. BERRY,
Warden.

To be heard at the Warden's Court, Perth, on Wednesday, the 23rd day of September, 1970.

O'CLOCK a.m. on THURSDAY, or the day preceding the day of publication, and are charged at the following rates:—

For the first eight lines, \$2.

For every additional line, 20c. and half-price for each subsequent insertion.

To estimate the cost of an advertisement, count eight words to a line; heading, signature and date being reckoned as separate lines.

All fees are payable in advance. Remittances should be made by money order, postal note, or cheque.

Where signatures are appended to copy for publication in the *Government Gazette* they must appear in typewritten or block characters below the written signature. Unless this is done, no responsibility will be accepted by this office for any error in the initials or names as printed.

The office at the Treasury Buildings, Perth, will be closed each day between 1 p.m. and 2 p.m.

All communications should be addressed to "The Government Printer, Station Street, Wembley".
