(i) Requirements for caravans and camps, in excess of 200 in number shall be as determined by the Commissioner.

(ii) Every shower cubicle shall have a floor area of not less than 9 square feet and a dressing area of not less than 6 square feet and shall be provided with hot water, lockable doors, seat, clothes hooks and soap holder.

(c) Lavatory basins:

(i) Basins, fitted with plugs, shall be provided in the following ratio—

No. of Caravans and Camps	Basin for each Sex
1 to 50	1 per 10 or part thereof
51 to 100	1 per 20 or part thereof
101 to 200	1 per 30 or part thereof

(ii) Requirements for caravans and camps, in excess of 200 in number shall be as determined by the Commissioner.

(iii) All basins in the ablution area shall be connected to hot water and be provided with a mirror and shelving.

(iv) Where toilet facilities are separate from ablutions, at least one basin shall be provided in the closet area and that basin may be connected to cold water only.

(d) Electric power points:

The female ablution area shall be provided with at least one power point and the male ablution area shall have power points in the ratio of at least one to each two lavatory basins.

(e) Laundry facilities:

(i) One set of laundry facilities shall be provided for every twenty caravans and camps or part thereof.

(ii) A set of laundry facilities shall comprise—

(I) two troughs with plugs, and one copper with adequate supply of fuel available, or one trough and plug and one washing machine either connected to a hot water system capable of maintaining water at 150°F or having its own heating element; and

- (II) one ironing board or equivalent bench space.
- (iii) Drying facilities in the form of heated dryers, clothes hoists or lines shall be provided in association with laundry facilities and in sufficient quantity to provide for the reasonable needs of the persons resident on the caravan park or camping site.
- (iv) No person shall hang or dry clothes in any part of a caravan park or camping site other than on, or in, the facilities provided.
- (f) Lighting:
The toilets or ablutions shall receive at all times light sufficient to illuminate the entire room at 10 lumens per square foot, laundries shall receive between 15-20 lumens per square foot and walls shall have a reflective value of at least 60%.
- (g) Rubbish receptacles:
(i) Water and fly proof rubbish receptacles with a bin capacity of not less than 2½ cubic feet, nor more than 4 cubic feet shall be provided in the proportion of at least one for each two caravans or camps.
(ii) A rubbish receptacle shall be available for use within thirty-five feet of every caravan or camp.
(iii) Refuse shall be removed from the receptacles at least once in each week and as frequently as may be necessary to prevent the creation of a nuisance.
(iv) Subject to section 112A of the Act, the proprietor may remove rubbish or refuse from a caravan park or camping site with the written consent of the Local Authority and subject to any conditions which the Local Authority may impose.
- (h) Water supply:
(i) A supply of potable water sufficient to provide not less than sixty gallons for each caravan or camp each day shall be provided.
(ii) The water supply shall be reticulated and a tap shall be placed within thirty-five feet of each caravan or camp.
- (i) Liquid waste:
(i) A yard gulley connected to a prescribed disposal system shall be provided not more than thirty-five feet from each caravan or camp.
(ii) For the purpose of these regulations "prescribed disposal system" means either—
(I) a deep sewer; or
(II) a liquid waste disposal system constructed in accordance with the requirements of the Local Authority and in any case, so that the soakage area provided shall at least have the equivalent of one 3' x 3' soakwell for each two caravans or camps and the invert of any discharge pipe shall be at least 4' above the highest known water table.
- (j) Storm water:
Storm water drains shall be provided where required or directed by the Local Authority to ensure all weather dry parking for caravans, annexes and camps and prevent flooding of gully traps and effluent and liquid waste disposal areas.
5. No person shall cause or permit a dog under his control to enter upon any caravan park or camping ground, except with the permission of the proprietor, and then only under such conditions as may be required by the proprietor and approved by the Local Authority.
6. A person shall not use a closet or shower installed in a caravan whenever the caravan is within a caravan park, except where provision is made for the disposal of the wastes from these fixtures, to the satisfaction of the Local Authority.
7. A person being the owner or occupier of a caravan or camp shall not occupy or use, or permit the occupation or use of the caravan or camp as a habitation or as a dwelling or for sleeping purposes on any land unless and until the facilities mentioned in regulation 4 of these regulations are provided on the land, for the separate use of the occupants and users of the caravan or camp.
8. The owner or occupier of any land shall not permit or suffer any caravan or camp to remain on any site thereon at a greater distance than three hundred feet from a closet, bathroom and laundry provided in accordance with these regulations.
9. A person shall not occupy or use a caravan, or erect or construct any camp within 15 feet of any building or any other caravan, annexe or camp.
10. The owner and occupier of any caravan or camp shall promptly dispose of, or cause the proper disposal of, all liquid waste, refuse and rubbish in or about the caravan or camp, and prevent the creation therefrom of any nuisance or anything offensive or injurious to health and shall keep and maintain the caravan or camp and its precincts in a clean and hygienic condition.

11. A Local Authority may, subject to the provisions of the Act and the Town Planning and Development Act, 1928—

(a) reserve and define land for caravan parking areas within its own district and shall therein set apart, define and number sites for the parking thereon of caravans or for the erection of camps, but the area and dimensions of the caravan parking sites shall not be less than that specified in the Local Government Model By-laws (Caravan Parks and Camping Grounds) No 2;

(b) enclose any area reserved under the provisions of paragraph (a) of this regulation.

12. Where a Local Authority has reserved and defined land for caravan parking areas within its own district, it shall provide and maintain in the areas, sanitary conveniences, bathroom and laundry facilities and facilities for rubbish disposal on a scale corresponding to that prescribed by these regulations.

13. (1) The proprietor of a caravan park shall keep a register showing the following particulars—

(a) the name, address and signature of each person who is permitted by the owner or occupier of the caravan park to use a caravan parking site located in that caravan park;

(b) the registration numbers of the caravan and vehicle towing it into the parking site;

(c) the number of the parking site so used;

(d) the dates upon which such use commenced and finished,

and with the exception of the departure date, all such information shall be entered in the register before the person using the caravan occupies a site on the caravan park.

(2) The proprietor of a caravan park shall make the register available for inspection by an officer authorised under the Health Act, 1911.

14. (1) Where a reticulated water supply is available and capable of delivering 6 gallons per minute at a minimum of 30 P.S.I. through a minimum of 1" mains with $\frac{3}{8}$ " up stands and $\frac{3}{8}$ " threaded tap outlets, then fire fighting appliances shall be provided at not more than 120' intervals in the form of 60' of $\frac{3}{4}$ " hose, permanently affixed to the tap and fitted with a $\frac{1}{4}$ " nozzle and these hoses must be maintained in a servicable condition at all times.

(2) Where subregulation (1) of this regulation does not apply, one 2 gallon capacity soda acid, or water pressure type fire extinguisher shall be provided for each six parking sites, and these extinguishers shall be serviced annually and maintained in good working order and kept in a central position within 100' of any caravan occupying a site on the caravan park.

(3) The appliances referred to in subregulations (1) and (2) of this regulation shall be clearly designated by red markers and carry name plates approved by the Commissioner.

(4) No person shall light or maintain a fire in a caravan park or camping ground except in a fire place approved by the Local Authority.

(5) No person other than the proprietor shall take on to any caravan park or camping ground any flammable liquid or gas, in excess of 4 gallons, excluding that contained in tanks or cylinders permanently affixed to vehicles, boats and caravans.

(6) Where the proprietor stores bulk quantities of flammable liquids or Low Pressure gas within the confines of a caravan park or camping ground for re-sale to the tenants, then all such substances shall be stored in accordance with the Flammable Liquids Regulations, 1969 and the S.A.A. L.P. Gas Code C.B. 20.

15. Any person who by act or omission commits a breach of any of these regulations shall be guilty of an offence and shall be liable on conviction to a fine not exceeding two hundred dollars and in addition, in the case of a continuing offence, to a further penalty of four dollars for every day that the offence continues after the offender is convicted.

LOCAL GOVERNMENT ACT, 1960-1970.

Local Government Department,
Perth, 17th August, 1970.

L.G. 434/70.

HIS Excellency the Governor in Executive Council, acting pursuant to the powers conferred by the Local Government Act, 1960-1970, has been pleased to cause the draft model by-laws set out in the Schedule hereto to be prepared and published, in substitution for the Local Government Model By-law (Caravan Parks) No. 2 published in the *Government Gazette* on the 28th September, 1961, as amended by notice so published on the 16th January, 1963.

2. Councils of municipalities proposing to adopt the draft model by-laws now published should, where they have adopted the former (No. 2) Model By-law, resolve to substitute the new by-law for that previously adopted.

R. C. PAUST,
Secretary for Local Government.

SCHEDULE.

DRAFT MODEL BY-LAWS

Local Government Model By-Laws (Caravan Parks and Camping Grounds) No. 2.

1. These by-laws may be cited as the Local Government Model By-laws (Caravan Parks and Camping Grounds) No. 2.

2. In this by-law, unless the context otherwise requires—

“camp” includes portable shed or hut, tent, tent fly, awning, blind or other structure which is erected and designed or fitted or capable of temporary use as a habitation or for dwelling or sleeping purposes;

“caravan” means a vehicle designed, or fitted, or being capable of use, as a habitation or for dwelling or sleeping purposes;

“caravan park” means land that is registered as a caravan park with the Local Authority, containing sites for the parking of caravans or for the erection of camps;

“on-site caravan” means a caravan made available, in a caravan park, by the person conducting it, for the hire and use of the public;

“owner” when used in reference to a caravan, includes the licensee or person in charge of the caravan.

3. A person shall not park a caravan or allow it to be stationary on any road or reserve, unless that reserve is designated as a caravan parking area, except during the hours of daylight.

4. No person shall erect a camp other than on a registered caravan park without the approval in writing of the Council.

5. (1) An owner of a caravan shall not park it or allow it to be stationary on any land within a district other than a road, unless—

(a) the caravan is not used as a dwelling or for sleeping purposes; or

(b) the caravan is on land, either

(i) set aside by the Council as a caravan park; or

(ii) set aside by the owner thereof as a caravan park and registered as such with the Council, and conforming with the provisions of this by-law;

(c) it is parked on the same land as a dwelling occupied by the owner of the caravan and is used with the consent of the Council in conjunction with the dwelling itself for residence by one or more members of the family of the occupier of that dwelling; or

(d) it is used as a temporary dwelling, with the consent of the Council, during the period of construction of a dwelling on the same land.

(2) The Council shall not consent to the use of a caravan under paragraphs (c) or (d) of subclause (1) of this clause for a period of more than six months at any one time but the Council may give its consent more than once, and may permit more than one caravan to be so used by an owner if that permission is authorised by an absolute majority of the Council.

6. Where the layout of a caravan park is extended or altered after registration the registration shall lapse until a further registration is granted by the Council in respect of that caravan park.

7. A person wishing to register a caravan park shall—

(a) where the caravan park was not established prior to the commencement of this by-law, before commencing the construction of the park;

(b) where the caravan park was established prior to the commencement of this by-law, within one month after the commencement; or

(c) where the caravan park is being registered in any other circumstances,

make written application to the Council in the form of Form 1 in the Schedule to these by-laws, specifying the land to be registered and submitting a plan for the retention of the Council together with specifications and particulars setting out—

(d) the position of the caravan park in relation to any adjacent streets, roads, dwellings, streams or sources of water supply;

(e) the layout of the caravan park showing the positions of all roads, caravan parking sites, sanitary conveniences, ablution facilities, laundries, utility rooms, gully traps, drains, fire places, water points, power points, kitchens and any other buildings;

(f) the number and designation of closets, urinals, showers, laundries and hand wash basins;

(g) the materials used and method of construction of all buildings;

- (h) the provision to be made for water supply, drainage and the temporary storage and the disposal of refuse and rubbish or sewage, effluent and liquid wastes;
- (i) the provision to be made for fire prevention.

8. (1) The Council shall not register any land as a caravan park unless the provisions of the Town Planning and Development Act, 1928, have been complied with and unless that land is at least one acre in area and has, or provision is made for it to have—

- (a) grasses planted wherever practicable;
- (b) any portion set aside for the standing of vehicles treated to the satisfaction of the Council;
- (c) an entrance road of twenty feet width and interior roads of not less than twelve feet width and so treated as to permanently prevent dust arising therefrom to the satisfaction of the Local Authority;
- (d) an area of not less than thirty-two feet frontage and thirty feet in depth set aside for the parking of each caravan, together with its towing vehicle;
- (e) no portion of a caravan, or of a building associated with the caravan park, nearer to a street than the building line of that street or, where there is no building line, nearer than twenty-five feet;
- (f) no portion of a caravan nearer to a side, or the rear boundary of the land than seven feet;
- (g) every parking site clearly delineated and bearing a distinguishing mark or number;
- (h) where the land abuts a residential area or whenever the Council so requires, accommodation for a caretaker, either on the land or, with the consent of the Council, in close proximity thereto; and
- (i) no building erected thereon, other than—
 - (i) a residence and ancillary buildings in conformity with paragraph (h) of this subclause;
 - (ii) buildings for sanitary, ablutionary and laundry facilities, in conformity with the Caravans and Camps Regulations made under the Health Act, 1911;
 - (iii) any annexe of light construction erected by, or for, a person parking a caravan on the land, for use during his occupancy and removeable on his departure;
 - (iv) a camp, for temporary occupation, constructed of materials suitable to the proprietor and the Council, provided an area within the park is specifically set aside for camping purposes; and
 - (v) a building, such as a restaurant, cafe, cafeteria or recreation room, approved by the Council, for the use of occupiers of the caravan sites.

(2) Where a supply of electricity is available to the land in this clause mentioned, the land shall be provided with electric power and lighting points installed in accordance with the Electricity Act Regulations, 1947, and S.A.A. wiring rules Part I and S.A.A. Code No. CC7, Electrical Installation in Caravans and Caravan Parks, to which every parked caravan may be connected.

(3) Where the supply of electricity referred to in subclause (2) of this clause has a current of a pressure exceeding 40 volts, a person shall not connect or permit to remain connected, the electrical installation of a caravan to that supply, unless that caravan is branded by the State Electricity Commission or a competent authority in this or another State, as complying with the Standards Association of Australia Code No. CC7—"Electrical Installations in Caravans and Caravan Parks."

(4) The brand referred to in subclause (3) of this clause shall be an approved transfer, located in a prominent position and readily identifiable from the exterior of the caravan.

9. (1) A person shall not establish, carry on or conduct a caravan park on any land under his control—

- (a) unless that land is registered for that purpose by the Council; and
- (b) except on the payment of an annual licence fee of \$10.

(2) Where the Council refuses to register, re-register or license a caravan park, an appeal shall lie to the Minister for Local Government whose decision shall be final.

10. A certificate of registration issued by the Council in the form of Form 2 in the Schedule to these by-laws shall be prominently displayed so as to be visible and legible to patrons and prospective patrons at all times and shall set out clearly—

- (a) the number of caravans which may be parked on the land at any one time;
- (b) the conditions, if any, under which the registration is issued;
- (c) a plan showing the layout of the parking sites, toilets, ablutions and other ancillary amenities.

11. Every caravan park shall initially be licensed for the period ending on the 30th day of June next following the date of registration, except where the registration is effected in the months of May or June, when it shall extend to the 30th day of June in the year next following, and thereafter a licence shall be issued for the year ending 30th day of June, on the payment of the annual license fee of \$10.

12. A person shall not establish, carry on or conduct a caravan park on any land under his control, except in conformity with the provisions of these by-laws and unless there are provided on that land the amenities specified in clause 8 thereof, and in the Caravans and Camps Regulations made under the Health Act, 1911.

13. A person shall not use a caravan park for any purpose other than for the parking and using of caravans and towing or towed vehicles used in connection therewith, or for the erection and occupation of buildings and camps authorised by these by-laws and the Caravans and Camps Regulations made under the Health Act, 1911.

14. Subject to clause 15 of these by-laws, a person shall not cause or permit any caravan or vehicle used for towing a caravan or for carrying camping equipment, to be parked or remain, on a caravan park, for more than three months in any one year, except with the express approval in writing of the Minister for Local Government.

15. A person carrying on or conducting a caravan park that is not owned by the council may make on-site caravans available there, but—

- (a) he shall not, at any time, make on-site caravans available in any number exceeding forty (40) per centum of the number of caravans for which the caravan park is registered;
- (b) he shall not, without the express authority of the Minister, make any one or more on-site caravans available for hire and use by the same person for any period exceeding in the aggregate, three months, within the space of one year; and
- (c) he shall, upon an on-site caravan being vacated, thoroughly cleanse the caravan and its utensils including all bed linen, if supplied, before re-hiring;
- (d) he shall maintain all on-site caravans in a roadworthy and moveable condition at all times.

16. (1) A person shall not park a caravan or vehicle used for towing that caravan or for carrying camping equipment, on any part of a caravan park other than a caravan parking site (or visitor's car park), except whilst he is booking in or out of the caravan park;

(2) A person shall not allow a vehicle to exceed a speed of more than 5 m.p.h. (walking pace) whilst within the confines of any caravan park.

17. A person shall not park or permit the parking of caravan or vehicle used for towing that caravan or for carrying camping equipment, on any part of a caravan park if the number of caravans for which it is registered are already parked on that caravan park.

18. Subject to clause 15 of these by-laws, a person who parks a caravan or vehicle used for towing that caravan on a caravan park, under the authority of these by-laws, shall forthwith remove that caravan and any annexe erected by or for him and any vehicle used for towing that caravan from the park upon the termination of his occupancy of any site on that park.

19. Where the Council establishes a caravan park it shall conform with the provisions of these by-laws and in particular with the requirements of clause 8 thereof and with the Caravans and Camps Regulations made under the Health Act, 1911.

20. (1) Notwithstanding the provisions of these by-laws, the Council may register a caravan park which does not conform with the provisions of these by-laws if that caravan park was established at the commencement of these by-laws, but that registration shall be for not more than one year except under the provisions of subclause (3) of this clause.

(2) In granting registration of a caravan park not conforming with these by-laws, the Council may impose conditions which shall be complied with by the person conducting the park.

(3) The Council may, with the consent of the Minister and subject to such conditions as the Minister may impose, extend the registration of a caravan park that does not conform with the provisions of these by-laws beyond a period of one year and those conditions shall, notwithstanding any conditions that may be imposed under subclause (2) of this clause, be complied with by the person conducting the park.

21. The Council may, with the consent of the Minister, register a roadhouse as a transit caravan park for overnight parking only, subject to—

- (a) there being no registered caravan park within fifteen (15) miles;
- (b) no more than ten (10) caravans being accommodated at any one time;

- (c) the transit park area being separated from the main service station area;
- (d) all requirements of the Caravan and Camps Regulations made under the Health Act, 1911 being complied with.

22. A person who contravenes any provision of these by-laws commits an offence and is liable to a penalty not exceeding \$100 and to a daily penalty of \$10 for every day that the offence continues after conviction.

23. (1) Where the person carrying on or conducting a caravan park has been convicted of an offence against these by-laws and, thereafter, again contravenes any of these provisions, the Council may, by notice in writing served upon him, and, where he is not the owner of the caravan park, upon the owner, cancel the registration of the premises as a caravan park and subject to the succeeding provisions of this clause, those premises shall thereupon cease to be used as a caravan park.

(2) A person aggrieved by the cancellation of the registration of a caravan park pursuant to subclause (1) of this clause may, within 14 days after the service of the notice of the cancellation, appeal to the Minister against the cancellation and, pending the decision of the Minister, those premises may continue to be used as a caravan park.

(3) The decision of the Minister on an appeal under this clause is final and where the appeal is dismissed the premises shall forthwith cease to be used as a caravan park, until a further registration is granted by the Council in respect of them, pursuant to these by-laws.

BUILDING SOCIETIES ACT, 1920-1970.

Office of State Housing Commission,
Perth, 27th August, 1970.

HIS Excellency the Governor in Executive Council, acting pursuant to the powers conferred by the Building Societies Act, 1920-1970, and the Interpretation Act, 1918-1970, has been pleased to make the regulations set forth in the schedule hereunder.

B. S. BROTHERSON,
Registrar of Building Societies.

Schedule.

Regulations.

1. In these regulations the Building Societies Act Regulations, 1962, published in the *Government Gazette* on the 21st March, 1962 and subsequently amended by a notice so published, are referred to as the principal regulations. Principal regulations

2. The principal regulations are amended by deleting regulation 19 and the heading thereto and substituting the following heading and regulation:— Reg. 19 substituted.

Amalgamation of Societies.

19. Every application for registration of an amalgamation of societies shall be made, in duplicate, in the form of Form No. 20 in the First Schedule to these regulations and shall be accompanied by a Statutory Declaration in the form of Form No. 21 in the First Schedule to these regulations.

3. The principal regulations are amended by deleting regulation 20 and substituting the following regulation:— Reg. 20 substituted.

20. Every certificate of incorporation under the Act of a society formed by the amalgamation of societies shall be in the form of Form No. 21A in the First Schedule to these regulations.

4. The principal regulations are amended by adding after regulation 38 headings and regulations as follows— Regs. 39, 40 and 41 added.

Disclosure to Borrowing Members.

39. For the purposes of section 18C of the Act, the notice required to be sent by any society to a person referred to in that section is a notice in the form of Form No. 27 in the First Schedule to these regulations, in which notice all particulars have been duly completed.

Revenue and Appropriation Account and Balance Sheet.

40. (1) Every revenue and appropriation account and every balance sheet required to be prepared pursuant to section 34 of the Act, shall be in the forms of Form No. 28 and Form No. 29, respectively, in the First Schedule to these regulations, and subject to subregulation (2) of this regulation shall contain the particulars set out in those forms.

(2) Where in a revenue and appropriation account or balance sheet the entry in respect of any item would be "NIL", that item may be omitted.

(3) There shall be included against every heading in—

(a) the revenue and appropriation account, the corresponding amounts for the immediately preceding financial year; and

(b) the balance sheet, the corresponding amounts at the end of the immediately preceding financial year.

(4) If it is not otherwise shown, there shall be stated by way of note to the revenue and appropriation account every material respect in which items shown therein are affected—

(a) by transactions of an exceptional or non-recurrent nature; or

(b) by any change in the basis of accounting.

(5) If not otherwise shown, the following matters shall be stated by way of note to the balance sheet or in a statement or report annexed thereto—

(a) particulars of any moneys owing by the society in respect of deposits, loans and overdrafts which are wholly or partially secured;

(b) the general nature of any material contingent liability not provided for, and where practicable the estimated amount of that contingent liability;

- (c) where practicable, the aggregate amount or estimated amount, of contracts for capital expenditure of a material nature, not provided for;
 - (d) where the amounts of the separate reserves or provisions as compared with the amounts at the end of the immediately preceding financial year show any material increases or decreases, the sources from which the increases have been derived and how the amounts of any decreases have been applied.
- (6) In any instance where an amount to be contained in the revenue and appropriation account or balance sheet is not material, it may be included under some other appropriate heading and need not be separately disclosed.

Annual Return.

41. The annual return required to be transmitted to the Registrar pursuant to section 34 of the Act shall be in the form of Form No. 30 in the First Schedule to these regulations.
