(4) The leave shall be taken out at a time convenient to the Department before the 30th June or 31st December, as the case may be following the year for which it fell due, unless such leave shall have been deferred by the Department or the permission of the Commission is obtained for its accumulation.

(b) Leave rosters must not be departed from except with the consent of the officers concerned or for reasons of sickness, accident or emergency traffic requirements. Where an officer's leave has been deferred he shall be notified within one month of deferment of the date on which he will again be booked off for annual leave, and this date shall become the rostered date.

(c) With the approval of the head of the branch or his deputy, an officer may exchange leave dates with another officer.

(d) No general deferment of leave shall take place except by agreement between the Commission and the Union.

(e) As far as possible officers are not to be booked on annual leave for more than one year in succession between 30th April and 1st September except at the request of the officer concerned.

(11) An officer shall be given at least four weeks' notice before he is booked off on annual leave.

11.—Absence Without Pay.

Any term in excess of three months an officer is absent from duty for any cause without pay shall not for any purpose be included as part of such officers' period of service.

12.—Long Service Leave.

(1) (a) The Commission shall grant to any officer who has continued on the salaried staff for ten years, long service leave for thirteen weeks on full pay, or twenty-six weeks on half pay. (b) Long service leave shall be paid at the officer's permanent classified rate of pay provided that if within two weeks before such leave is taken an officer has been acting in the one higher capacity position and has been paid for such higher capacity work for not less than twelve months continuously, long service leave shall be paid at the rate applicable to the higher position.

(2) (a) Service prior to attaining the age of eighteen years shall not count in computing long service leave.

(b) Paragraph (a) hereof shall cease to have effect as from the date of this amendment, to wit 25th day of August 1962, provided that the service of any officer prior to attaining the age of eighteen years and before that date shall not count in computing long service leave.

(3) Any Public Service holidays occurring during the period in which an officer is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

(4) If a deceased officer leaves a dependent widow, dependent children, dependent mother or dependent invalid sister payment of *pro rata* long service leave shall be made to such dependent widow or other dependent as the case may be. Where there is no dependent widow or other dependent payment shall be made to the estate of the deceased officer.

(5) Officers regressed to the wages staff and re-appointed to the salaried staff, or appointees from wages to salaried staff shall, for the purpose of this clause, be treated as if the whole of their service had been served on the salaried staff.

(6) Any officer who resigns or is retired from the service, except as provided for in subclause (7) hereof, shall be paid for long service leave due at the time of resignation or retirement. The time of resignation or retirement means the last day such officer worked. Provided that if the officer has completed twenty years' continuous service up to the date of resignation or retirement and has attained the age of sixty years he shall be paid for long service leave *pro rata*.

(7) Any officer who retires or is retired upon reaching the retiring age, or through ill-health shall be paid for long service leave *pro rata*.

(8) When an officer leaves the service for any cause and is entitled to *pro rata* leave, such leave shall only be calculated up to the last day worked, except when paid sick leave follows working time, when leave shall be calculated to the day on which such sick leave payment ceased.

13.—Sick Leave.

(1) Any officer who is incapacitated for duty in consequence of illness or injury, shall, as soon as possible, advise his superior officer in sufficient time to admit of arrangements being made for the performance of his duties. Any such officer who fails to do so shall be treated as absent without leave.

(2) Any officer so incapacitated for duty shall also notify his superior officer in sufficient time of the date on which he will be able to resume duty to enable the necessary arrangements to be made.

(3) Should the absence be prolonged beyond two days, the officer shall, except as provided in subclause (4), forward to his superior officer on

the third day thereof a certificate from any legally qualified medical practitioner showing the nature of the illness and the probable duration.

(4) Any such officer who resides more than five miles from a legally qualified medical practitioner shall intimate that fact to his superior officer within whose discretion it shall lie as to whether a certificate is required or not.

(5) Any officer who finds that he is unable to resume duty on the expiration of the period shown in the first certificate shall thereupon furnish a further certificate and shall continue to do so upon the expiration of the periods respectively covered by such certificates.

(6) In cases where incapacity for duty is obvious to the head of the branch, he may relieve the officer of the necessity of providing medical certificates.

(7) Any officer shall, if so directed, present himself for examination by a medical officer, at such time and place as may be fixed.

(8) Any officer who has been absent for three days (not continuous) in one financial year shall, if so instructed by his superior officer, furnish a medical certificate for absences of one day only.

(9) No payment will be made for any absence due to an officer's own fault, neglect or misconduct.

(10) (a) Indisposition, not necessitating confinement to the house, will not be regarded as illness in respect of which leave of absence will be granted under this clause, excepting under special circumstances, to be approved by the Commission.

(b) In the case of a female officer absence for the birth of a child shall not be regarded as sick leave for the purpose of this clause.

(11) When an officer is absent as a result of an accident which occurred on duty and is entitled to compensation in accordance with the provisions of the Workers' Compensation Act, and is due for sick leave on full pay, half the period of absence only shall be debited against sick leave. Officers due for sick leave on half pay shall not be granted sick leave when in receipt of compensation.

(12) Sick leave may be granted in one or more periods, but the aggregate amount of leave on pay provided for must not be exceeded.

(13) (a) The basis for determining the sick leave which may be granted to a permanent officer shall be ascertained by crediting the officer with the following periods, such sick leave to be cumulative:—

	Leave on Full Pay Weeks.	Leave on Half Pay Weeks.
On date of permanent appointment	1	$\frac{1}{2}$
On completion of six months' service on permanent staff	1	$\frac{1}{2}$
On completion of twelve months' service on permanent staff	2	1
On completion of each additional twelve months' service on permanent staff	2	1

(b) To determine the sick leave for which a permanent officer is eligible, the sick leave that has been granted during his permanent service at rates of full pay and half pay respectively shall be deducted from the periods ascertained under the provisions of paragraph (a) of this subclause, provided that in the event of departmental records not being available right back to the commencement of an officer's salaried service, the figure to be used as the amount of sick leave granted to such officer during the service of which there is no record, shall be ascertained by applying a formula agreed between the Commission and the Union.

(14) After deduction has been made as provided in paragraph (b) of subclause (13) the period remaining at each rate of pay shall be the leave of absence for which the officer is eligible at the date of application, provided—

- (a) that if after such deduction an officer with less than six months' service on the date of commencement of this amended subclause would at that date have less than one week on full pay and one half week on half pay to his credit, then his credit at that date shall be increased to those amounts;
- (b) that if after such deduction an officer with not less than six months' service on the date of commencement of this amended subclause, would at that date have less than two weeks on full pay and one week on half pay to his credit, then his credit at that date shall be increased to those amounts, but any credit in excess of the required minimum under the heading of either full pay or half pay shall be applied in reduction of any debit under the other heading, or used to establish the required minimum credit under that heading.

(15) Where an officer is duly absent on account of illness and his entitlement to sick leave on full pay is exhausted, he may, with the approval of the Commission elect to convert any part of his entitlement to sick leave on half pay to sick leave on full pay, but so that his sick leave entitlement on half pay is reduced by two days for each day of sick leave on full pay that he receives by conversion.

(16) Debits for sick leave granted shall be on the basis of a working week or part of working week and shall include all Public Service holidays occurring during the period of sick leave, provided that where an officer resumes duty on a day immediately succeeding a Public Service holiday then the leave shall be regarded as expiring on the working day preceding such holiday.

(17) If an officer falls sick while on annual or long service leave and produces at the time satisfactory medical evidence that he is or was confined to his place of residence or hospital for a period of at least one week in the case of annual leave and at least two weeks in the case of long service leave he may, with the approval of the Commission be granted at a time convenient to the Commission, additional leave equivalent to the period of sickness falling within the rostered period of leave.

(18) An officer absent on approved leave without pay, or an officer who is stood down in pursuance of the provisions of Clause 29 of this Award shall not be eligible for sick leave under this clause during the currency of such approved leave or stand down unless already in receipt of sick leave pay.

(19) An appointee from the wages staff to the salaried staff shall be permitted to retain his sick leave credit at the time of his permanent appointment to the salaried staff or be credited with one week's sick leave on full pay and one half week's sick leave on half pay, in accordance with subclause (13) (a) whichever is the greater credit.

(20) In lieu of the provisions of subclauses (13) to (15) temporary clerks, as provided for in clause 23 and those temporary officers covered by clause 33, shall be credited with sick leave (which shall be cumulative) as under:—

- (a) Officers with six or less than six months' service—nil.
- (b) Officers with more than six months' service—one week on full pay for each completed six months' service.
- (c) If a temporary officer is subsequently appointed in a permanent capacity, he shall be permitted to retain his sick leave credit at the time of his permanent appointment, or be credited with one week's sick leave on full pay and one-half week's sick leave on half pay, in accordance with subclause (13) (a) whichever is the greater credit.

(21) Sick leave shall be paid at the officer's permanent classified rate of pay provided that an officer who has been acting in the one higher capacity position and has been paid for such higher capacity for not less than eight weeks continuously immediately prior to his ceasing duty on account of illness, will be paid at the rate applicable to higher position for the remainder of the period during which he would have continued acting in the higher position had he not ceased duty on account of illness.

(22) The provisions of subclauses (13) and (14) became effective from 21st day of September, 1951, by Order No. 5 of 1951.

For the purpose of computing expenses in the case of arrival at home station, breakfast shall be allowed for if arrival is later than 8 a.m., lunch if later than 1 p.m., tea if later than 6 p.m. and bed if later than 11 p.m. When an officer is proceeding away from home, breakfast shall be paid for if departing at or before 8 a.m., lunch if at or before 1 p.m., tea if at or before 6 p.m. and bed if at or before 11 p.m. When an officer does not incur expense in obtaining sleeping accommodation, the bed allowance shall not be payable unless approved by the head of the branch.

(8) Where an officer required to work after his usual finishing time cannot reasonably be expected to go to his home or lodging for a meal, he shall, subject to the approval of the head of the branch be allowed any expense incurred in obtaining a meal, up to a maximum of one dollar. This subclause shall not operate where the excess time does not exceed one hour.

(9) In cases where an officer is engaged at other than his home station in receipt of weekly rate of allowance, and is temporarily away from such station, the daily allowance will be paid in lieu of the weekly rate for the period of such temporary absence for twenty-four hours or over; if the absence is less than twenty-four hours reasonable actual expenses will be paid.

(10) Where an officer is relieving on expenses for a period of less than five weeks, he shall not receive greater payment for relieving expenses than he would have received if he had been relieving for five weeks.

(15) Subclauses (2), (10) and (14) will not apply until an officer has received information that his stay at one place will be of such duration as to bring him under the provisions of these subclauses.

(16) In the case of officers whose salaries have been placed in a range outside the fixed classes, the away from home allowance shall be paid at the rate provided for the class in which the minimum rate of salary of the officer concerned is embraced.

(17) In special cases the scales set out in subclauses (1) and (2) hereof may be increased by the Commission in order to meet additional costs reasonably incurred, evidence of which shall be produced.

(18) All officers absent from their home stations on official business with an officer entitled to the rates applicable in paragraphs 1(a) (i), (ii), (iii) hereof shall be paid at such rates if the last mentioned officer certifies accordingly.

In addition to the officer, the passes shall be available for his wife and members of his family under eighteen years of age unmarried, unmarried daughters over eighteen years of age, and the parents of an officer. (4) An officer who resigns or is retired from the service and has leave due shall be granted a free pass, station to station, for the term of such holidays; provided that, should an officer not have given the requisite notice or obtained the consent of the Commission to leave the service, as provided for in Clause 20, he shall forfeit all claims to any passes he would otherwise have been entitled to under the provisions of this clause.

(2) Four weeks' written notice shall be given by the Commission to any such officer whose services are no longer required: Provided that this subclause shall not apply to cases of summary dismissal for misconduct.

(3) In the event of either the Commission or the officer failing to give the prescribed notice, salary shall be paid or forfeited, as the case may be, to the extent by which the actual written notice given falls short of the four weeks' notice. Salary so forfeited by the officer may be deducted from any salary due to such officer at the time of his leaving the service of the Commission: Provided that where both parties agree to the acceptance of notice of less than four weeks, no penalty shall be imposed.

(4) When the final day or days of the period of a notice of resignation fall on a Public Service holiday or holidays and the officer is not required to work on such day or days, then the officer's service shall be deemed to have ceased on his last day of working.

21.—Promotions.

(1) Promotion and the selection of an officer to act in a higher position shall be governed by relative ability, suitability, record and experience. If everything else is deemed equal, the senior officer shall be selected for promotion.

(2) As a general rule, officers and employees of the branch in which the vacancies occur will be promoted to the higher position, but the Commission may, when it considers it advisable, for the good of the service, select an officer from one branch for a position in another, either in the same or in a higher class.

(3) When considered necessary, a person from outside the service may be appointed to any position in the service: Provided that there is not an officer in the service capable of filling the position.

(4) No officer shall refuse compliance with any order directing his transfer from one position to another, but if on appeal the Commission is satisfied the objection is sound, then such officer shall not be penalised.

(5) An officer desiring to be passed over in the event of promotion being offered shall, if his request be acceded to forfeit all claim to promotion for two years, but if good and sufficient reason be given the Commission, it may restore such claim.

(6) (a) All officers promoted to a higher position shall be subject to a probationary period of six months and be paid the minimum rate of salary assigned to the class to which they are promoted. At the end of such period the head of the branch shall report to the Commission as to the fitness of the officer for the higher position; if the report is

satisfactory the appointment will be confirmed as from the date of taking up duty. If unsatisfactory the officer will be provided for at the same salary as he was in receipt of prior to the period of probation in the higher position and shall revert to his previous position on the seniority list.

(b) When an officer has acted in a higher capacity for such period that he is entitled to payment in advance of the minimum salary of such position, he shall if subsequently appointed to the class next in advance of his normal classification be credited, for the purpose of salary payments only, with such acting time.

(7) All vacancies occurring in the service shall be advertised in the Weekly Notice and, in the case of the Workshops, posted on the notice board. In addition, at least seven days' notice shall be given of the closing of applications.

(8) A list of promotions shall be published in Weekly Notice within fourteen days of the approval of the head of branch. Any officer who considers that he has been unjustly passed over and has no right of appeal under the Government Employees' (Promotions Appeal Board) Act, 1945-1966, may appeal, in the first place to the head of his branch, and if not satisfied with the latter's reply, may then appeal to the Commission, whose decision shall be final. The head of the branch or the Commission shall reply to the appeal within twenty-one days, but no appeal will be considered unless forwarded so as to reach the head of the branch within fourteen days after the receipt of the Weekly Notice, and the Commission within fourteen days after date of receipt of the reply from the head of the branch.

22.—Acting in Higher Capacity.

(1) (a) When an officer performs the duties of a particular position higher than that in which he is classified for a continuous period exceeding two weeks he shall be paid from the end of such qualifying period the minimum salary attached to the higher position whilst continuing to perform the duties of that position.

(b) After relieving in a particular position higher than that in which he is classified for a period of eight weeks, continuous or broken and not necessarily in one financial year, an officer not already in receipt of the minimum salary attached to that position shall be paid such minimum from the beginning of any further or subsequent period of relief.

(2) An officer called upon to occupy a higher position temporarily shall be entitled to increments as though he had been permanently promoted to such position: Provided that in the case of the first increment the officer shall have performed the higher duties and shall have been paid at the higher rate for twelve months' continuous or broken period: Provided further that the officer shall be entitled to receive a second increment if he shall have performed the higher duties and shall have been paid at the higher rate for two years' continuous or broken period. Absence on annual leave, long service leave or sick leave, when paid at the higher rate, shall count as service for the purpose of this subclause.

(3) For the purposes of this clause, positions in the same branch carrying similar titles and the same classification shall be grouped as one position.

23.—Temporary Clerks.

(1) Temporary Clerks shall not be engaged without the approval of the Commission in any position classified above the sixth class.

(2) An officer who is suspended from duty for any reason shall not be kept under suspension in excess of six days excluding Sundays or holidays following the date on which he was suspended. Except in cases where dismissal follows suspension an officer shall be paid for any time under suspension in excess of the six days referred to provided the officer has not delayed the submission of his explanation of the offence for which he was suspended.

(3) If a decision in any case in which an officer is involved is not given within three calendar months of the occurrence first coming to the knowledge of the head of the branch, no disciplinary action shall be taken against such officer. Where owing to absence from duty through leave or sickness it is not possible to notify him of any disciplinary action taken against him, the period of three months shall be extended to three months from the date of the officer's resumption of duty.

(4) Where an officer has been fined an amount exceeding one day's pay the amount to be deducted from any fortnightly pay shall not be greater than one day's pay except with the consent of the officer concerned.

(3) The salary for a fortnight shall be computed by dividing the yearly rate by three hundred and thirteen and multiplying the result by twelve.

(4) Where an obligation to pay a final amount contains a decimal figure of .5 of a cent or more, the amount to be paid shall be the next whole cent.

29.—Guaranteed Week.

(1) The Commission shall normally guarantee to each officer a full week's work exclusive of Sunday work, but if during any period, by reason of any action on the part of any section of its workers or for any cause beyond its control it finds itself

unable to carry on either wholly or partially the complete running of trains, services, workshops or other normal operations, the Commission shall be entitled, notwithstanding any implications arising from the provisions of section 86 of the Government Railways Act, 1904-1971, to employ only such officers (if any) as it considers can be usefully employed, and for such hours only as it considers necessary, and during such period no officer shall be paid except for such time as shall be actually worked by him: Provided that officers who are required to attend for work and do so attend on any day shall be paid a minimum of one day's pay at ordinary rates.

(2) An officer stood down in accordance with the foregoing provisions shall not lose any sick leave or other rights or privileges to which such officer would ordinarily be entitled: Provided that this provision does not entitle an officer to payment for any Public Service holiday falling during such period of stand-down.

30.—Classification.

(1) All positions set out in the schedule annexed hereto are in their respective proper classes and shown in alphabetical order.

(2) The Commission shall, as soon as possible after coming into force of this Award, issue a printed classification for each officer showing the officers in their order of seniority, positions occupied and salaries, in branch and section groups, with date of appointment to salaried staff and date of appointment to classified position.

(3) Officers performing postal duties shall be paid fifty per cent and savings bank duties one hundred per cent. of the allowances received by the Railway Department from these departments, in addition to their salaries, but such shall not in any case be deemed part of the salary of such officer nor shall the officer claim Sunday time or overtime caused through postal and/or savings bank duties.

(4) Nothing in this classification shall lower the rate of salary any officer was in receipt of at coming into force of the Award.

(5) When a classified officer has been seconded to a temporary position continuously for a period exceeding twelve months, or where a temporary position has been in existence for a period exceeding twelve months, the Union may, after one month's written notice to the Commission, apply to the Railways Classification Board for the inclusion of such position in the Schedule of Classification of Positions, Clause 32.

(4) (a) If a male officer is retained on the maximum salary of the sixth class under Table B or C of this clause for three years and has not refused promotion to a higher class, and the head of his branch certifies that such officer is eligible and would be recommended for promotion on the grounds of good conduct and efficiency, he may be paid on the approval of the Commission an allowance to bring his salary up to the minimum rate of class 5. An officer shall be deemed to have refused promotion when, in the opinion of the Commission he has failed to apply for promotion for which he is eligible within his own branch, without reasonable excuse which shall be limited to health and/or family reasons.

(8) An officer who is unable from any cause to perform the duties of his position and is in consequence provided with employment in another position in a lower class shall, unless the Commission directs otherwise, be paid the maximum rate for the class in which he has been provided.
