61H. If the Controlling Body accepts an application for registration of a company or syndicate subject to the company or syndicate satisfying a condition and limits the time in which such condition is to be so satisfied then if the time so limited expires without such condition being so satisfied, the Controlling Body may prohibit any horse nominated by the company or syndicate from taking part in a race until such condition is so satisfied.

(v) Where a Racing Manager retires in accordance with the preceding Sub-Rule the Controlling Body shall forthwith notify the company and all members of the partnership or syndicate. Within fourteen days of such notification the company syndicate or partnership shall appoint, in writing, another Racing Manager, and lodge with the Association notice thereof. And the Controlling Body and every such club shall be entitled to accept any nomination engagement or appointment made and every other act matter or thing done and every deed or document executed or signed by the Racing Manager for the time being of the company, syndicate or partnership as being the Act of the company, syndicate or partnership and as being done with the authority and consent of all members thereof and for the purposes of these Rules the Racing Manager shall be deemed at all times to be acting with the full authority and consent of all members of the company, syndicate or partnership. In the event of any dispute arising between the members of a company, syndicate or partnership and there being no provision in such Articles, constitution, rules or agreement (or otherwise in default of agreement) such dispute shall be referred to arbitration under the provisions of the Arbitration Act, 1895 of the State of Western Australia.

61N. Unless otherwise determined by the Controlling Body the registration of a syndicate or a company shall be suspended—

- (a) whilst a member of the syndicate or company is under disqualification or is otherwise prohibited by reason of the operation of these Rules from nominating or racing a horse;
- (b) whilst any horse of which the syndicate is owner (but is not the lessor) is under disqualification.

61O. Any member of a company, syndicate or partnership may at any time make application in writing to the Committee of the Controlling Body to cancel the registration of that company, syndicate or partnership and if the Controlling Body is satisfied—

- (a) that written notice of such application has been given by the applicant to all other members at their last known place of abode;
- (b) that such notice has called upon such other members if they object to such application to do so to the Controlling Body in writing within twenty-one (21) days of the date of such notice;
- (c) that within one month of such notice having been so given no member has given notice in writing to the Controlling Body that he objects; and
- (d) that in all respects it is reasonable and proper that the registration shall be cancelled;

the Controlling Body may cancel such registration.

61P. Notwithstanding anything in these Rules contained, the Controlling Body with which a company or syndicate is registered may at any time and without assigning any reason therefor suspend or cancel the registration of such company or syndicate.

61Q. Any notice to be given or communication to be made to any company or syndicate by the Controlling Body shall be deemed to have been duly given or made if given orally to the Racing Manager or if given in writing and left at or sent by pre-paid post to the registered address of the syndicate.

61R. Where a company resolves to go into liquidation or an order is made for the winding up of a company or where the members resolve to dissolve a syndicate, notice thereof shall forthwith be given in writing by the Racing Manager to the Controlling Body. Provided that no such notice need be given by the members in the case of a syndicate which terminates by the effluxion of time on a date specified in the application for registration.

61S. Every change in the membership of a company or syndicate (including death of a member or shareholder) and in the case of a company every change in its directors, officers or shareholders, and every change in the Racing Manager of a company or syndicate or in the registered office of a company or the registered address of a syndicate shall be notified in writing to the Controlling Body within fourteen days of such change. The registration of a syndicate shall continue in force notwithstanding any such change as aforesaid provided that notification thereof shall be, or shall have been, duly given pursuant to this Rule.

61T. Every company, syndicate or person committing a breach of any Rule contained in this part or failing to comply with any of the requirements thereof shall be guilty of an offence under the Rules of Trotting.

61U. Every member of a company or syndicate shall in all respects and for all purposes be bound by these Rules, irrespective of the nature or extent of the interest or rights of such person in the company or syndicate and irrespective of the provisions of any Articles, rules or constitution governing the Company or syndicate or any agreement or stipulation as between the members of the company or syndicate.

61V. The payment by the Controlling Body or any Club to the Racing Manager of any company syndicate or partnership (or to such Racing Manager's duly appointed agent) of any stake prize or prize money or the delivery to such Racing Manager or agent of any trophy to which such company, syndicate or partnership is entitled shall be a full and sufficient discharge to the Controlling Body or Club for such payment or delivery.

3. That Rule W88 shall be deleted and in lieu thereof there shall be inserted the following:—

W88. In the event that the Stewards for any reason order or declare that a race is a nullity or deemed not to be a race the following shall apply:—

- (a) If the race is not to be re-run all investments on the totalisator shall be refunded in full.
- (b) If the race is to be re-run, the Stewards may at their discretion order all investments on the totalisator to be refunded or that such investments stand and be deemed investments on the race whether it is so re-run.

4. That Rule W91 be amended by inserting after the word "hands" in line two the words "or if a horse is withdrawn after reaching the starter's hands".

5. That there be inserted after Rule W91 the heading "Rules as to Place Totalisator".

6. That Rule W92 be repealed and in place thereof there be inserted a new Rule W92 as follows:—

W92. The following rules shall apply exclusively to Place Totalisators but subject thereto the foregoing by-laws shall also apply:—

1. In this by-law unless inconsistent with the context:

"Pool" means the total amount invested less any amount refundable under the provisions of the foregoing by-laws and after commission of 15 per cent. has been deducted.

"Ticket" means a unit of investment of fifty (50) cents.

"Dividend" means the dividend calculated as hereinafter provided in relation to a unit of investment of fifty (50) cents.

2. (a) Subject to Rule 3 and Rule 4 the Pool shall be divided into three equal parts and allocated to the horses placed first, second and third respectively.

(b) Dividends shall be calculated declared and paid by dividing each part by the respective number of tickets taken on the horse to which a part has been allocated.

3. (1) (a) If three (3) or more horses dead-heat for the first the Pool shall be divided into as many parts as there are horses in the dead-heat and one part allocated to each such horse;

(b) if two horses dead-heat for the first then two thirds (2/3) of the Pool shall be allocated equally between such horses;

(c) if two or more horses dead-heat for second the unallocated portion of the Pool shall be divided into as many parts as there are horses in the dead-heat and one part allocated to each horse; and

(d) if two or more horses dead-heat for third the unallocated portion of the Pool shall be divided into as many parts as there are horses in the dead-heat and one part allocated to each horse; and

(2) Dividends shall be calculated, declared and paid by dividing each part by the respective number of tickets taken on the horse to which such part has been allocated.

4. (a) Where the number of starters is less than eight (8) the Pool shall be divided into two equal parts and allocated to the horses placed first and second respectively and dividends shall be calculated declared and paid in accordance with Rule 2 (b) of this by-law.

Provided that where three or more horses dead-heat for first or two or more horses dead-heat for second the provisions of Rule 3 (1) (a) or 3 (1) (c) (as the case may be) and Rule 3 (2) shall apply.

5. The place Totalisator shall not be opened unless there are at least 5 prospective Starters. If the Totalisator is opened and the number of horses is reduced to less than 5 by the withdrawal of a horse or horses either before or after reaching the Starter's hands the Association may close the Totalisator and refund all investments.

6. Subject to Rule 8 if the part allocated to a horse (or the respective parts allocated to two horses) is less than the amount (or respective amounts) invested on such horse or horses the Association (if it does not make up the dividend under Rule 7) may declare a dividend of 50 cents out of the Pool in respect of each such horse or horses and divide the remainder of the Pool into two equal parts and allocate one part to each of the other two placed horses or allocate the remainder of the Pool to the other placed horse as the case may require.

7. Subject to Rule 8 where a dividend is calculated at less than:

(a) fifty (50) cents, or

(b) fifty-five (55) cents but more than fifty (50) cents,

the Association may at its sole discretion provide out of the commission an amount sufficient to declare and pay a dividend of 50 or 55 cents as the case may be.

8. Rules 6 and 7 shall not apply to the calculation of a dividend on a horse where as the result of a dead-heat less than one third (or where Rule 4 applies less than one half) of the Pool is allocated to that horse.

7. That there be inserted after Rule W101 the heading "Rules as to Double Forecast Quinella Totalisator" and that there be inserted after this heading the following further rule:

W101A. The following rules shall apply exclusively to the Double Forecast Quinella Totalisator but subject thereto the foregoing provisions shall also apply:—

1. In this by-law unless inconsistent with the context:

"Pool" means the total amount invested less any amount refundable under the provisions of any by-law and after commission of 15 per cent. has been deducted.

"Ticket" means a unit of investment of fifty (50) cents.

2. The Double Forecast Quinella Totalisator shall be conducted on such two races as shall be designated by the Association or the Club having the conduct of the Meeting. The two races on which the Double Forecast Quinella is conducted are hereinafter referred to as "the first race" and "the second race" respectively.

3. The Controlling Body or the Stewards may at any time after a race has been designated as the first race or the second race and whether the totalisator has been opened or not cancel such designation and substitute another race or races as the first race or the second race and may also without ascribing any reason therefor close the Double Forecast Quinella and order that all investments made thereon be refunded with or without deduction of the commission.

4. Investors shall be required to nominate the horses placed first and second in the first race and in the second race in the order in which they are placed—that is to nominate first the horse placed first and to nominate second the horse placed second.

5. All tickets shall be sold prior to the start of the first race. Each ticket on which there are selected the first and second horses in the order in which they are placed may be exchanged for a ticket on the second race.

6. If in the first race—

(a) two or more horses dead-heat for first each ticket on which is nominated the two horses that so dead-heat or two of the horses that dead-heat, irrespective of the order in which the horses are so nominated shall be deemed to have selected the horses placed first and second in the order in which they are placed;

(b) two or more horses dead-heat for second place, each ticket on which is correctly nominated the horse that is placed first and one of the horses that dead-heat for second place shall be deemed to have selected the horses placed first and second in the correct order in which they are placed.

7. Subject to Sub-Rule 8—

(a) each ticket on the second race which correctly nominates the horses which are placed first and second in the correct order in which they are so placed shall be declared a winning ticket;

(b) the dividend payable shall be ascertained by dividing the pool by the number of winning tickets.

8. (a) If in the second race two or more horses dead-heat for first place or two or more horses dead-heat for second place then the pool shall be divided into sub-pools by dividing the pools by such number of parts as there are winning combinations. The dividend payable on each such winning combination shall be ascertained by dividing the amount in each sub-pool by the number of tickets on that winning combination.

(b) The number of winning combinations shall be ascertained as follows:—

(i) Where two or more horses dead-heat for first, each combination of one of the horses that so dead-heat with one of the other horses that so dead-heat shall be a winning combination so that if two horses so dead-heat there shall be two winning combinations and if three horses so dead-heat there shall be six winning combinations.

(ii) If two or more horses dead-heat for second each combination nominating in first place the horse that is placed first and nominating in second place one of the horses that is placed second shall be deemed a winning combination.

(c) If there are no tickets on a winning combination the amount to the credit of the sub-pool set aside for that combination shall before a dividend is declared be divided equally amongst the other sub-pools.

9. A ticket on which are correctly nominated the first and second horses in the first race and which is not exchanged for a ticket on the second race shall be deemed not to be a winning ticket and the holder thereof shall not be entitled to a refund.

10. If there are no winning tickets on a Double Forecast Quinella then at the discretion of the Controlling Body—

(a) the pool shall be added to the pool for the Double Forecast Quinella to be conducted at the next meeting of the Club or Association;

(b) The pool shall be added to the pool for the Double Forecast Quinella to be conducted at a meeting of another Club or Association;

(c) A dividend shall be declared by dividing the pool between the number of tickets which have nominated the first and second horses in the first race in the order in which they are placed.

11. If any ticket on the first or second race is taken on a horse which does not reach the starter's hands or which is withdrawn from such race after reaching the starter's hands then the holder of that ticket shall be entitled to a refund of fifty (50) cents for such ticket.
