 - (iii) Suspension from attendance at or exclusion from any examination or test or any part of any examination or test.

 - (v) Exclusion from the University or any part of the University.
- (c) Cancellation or deprivation of credit for any examination, test, or other work or any part of any examination, test, or other work but only if the misconduct involved acting dishonestly or unfairly in connection with some part of the examination, test or other work.
- (d) Expulsion from the University.

(2) Any person or body authorised to impose any penalty under any University statute, regulation or Senate resolution may caution or reprimand the student instead of or in addition to any other penalty that may be imposed.

(3) A penalty may be partly of one kind and partly of another.

(4) A penalty may be suspended by the person or body imposing it until the time for appealing against it has expired or generally on such terms and conditions, including undertakings by the student, as the person or body granting the suspension thinks fit.

(5) If a penalty consists of or includes suspension of all or any of a student's rights and privileges the commencement of the period of suspension may be deferred by the person or body imposing the penalty until the time for appealing against it has expired or generally on such terms and conditions, including undertakings by the student, as the person or body granting the suspension thinks fit.

(6) A student expelled from the University shall not be re-enrolled except with the permission of the Senate.

Boards of Discipline.

4. (1) A Board of Discipline constituted as provided in this Statute is hereby empowered to hear and adjudicate upon:

- (a) any charge of misconduct referred to it in the name of the University by the Vice-Chancellor, the Deputy Vice-Chancellor, the Dean of the Faculty, the Head of a Department, the Registrar or the Librarian; or
- (b) any appeal made to it under this Statute.

(2) A Board of Discipline may for any instance of misconduct impose any penalty that may be imposed under this Statute, provided that:

- (a) it may not impose as a penalty or part of a penalty for one instance of misconduct a fine exceeding \$100 or suspension for more than one year of any rights or privileges; and
- (b) if the penalty is expulsion from the University it shall not take effect unless confirmed by the Senate but all the student's rights and privileges shall be suspended until the Senate has considered the matter.

(3) When a charge of misconduct against a student has been proved at a hearing before a Board of Discipline the Board may decline to record a finding of misconduct or to impose a penalty if in its opinion the misconduct was trivial or if for any other reason the Board is of opinion that a finding of misconduct should not be recorded or a penalty should not be imposed.

5. (1) A Board of Discipline shall consist of:

- (a) A Chairman, who must be a member of the Senate or academic staff and must either be a qualified legal practitioner or have a degree in Law;
- (b) two members of the full-time academic staff selected from a panel of five nominated annually by the Academic Council; and
- (c) two students selected from a panel of five elected annually by the Guild of Undergraduates.

(2) Each of the panels referred to in subclause (1) of this clause shall remain in existence until the nomination or election of its succeeding panel in the following year. Any casual vacancy on the staff panel shall be filled by nomination by the Academic Council, and any casual vacancy on the student panel shall be filled by nomination by the Council of the Guild of Undergraduates.

(3) Whenever a Board of Discipline is required the Chairman will be selected by the Vice-Chancellor and the members shall be selected by lot from their respective panels by the Registrar in the presence of the Chairman, provided that if any member selected is unwilling or unable to act, further selections shall be made in the same manner by the Registrar in the presence of the Chairman; if a panel becomes exhausted before a full Board is constituted, a Board of three or four members may act provided that one of them is the Chairman.

(4) (a) The quorum of a Board of Discipline shall be three, of whom one must be the Chairman.

(b) A Board of Discipline may continue to act notwithstanding any vacancy in its membership provided a quorum is present.

(5) If after the constitution of a Board of Discipline and before it has made known its decision it becomes impossible for any reason to obtain a quorum of the Board at a meeting, the Board shall be deemed to be dissolved and a new Board of Discipline shall be selected in accordance with subclause (3) of this clause and the new Board shall commence to deal with the matter *de novo*.

A statement in writing by the Chairman of the Board or, if the Chairman is for any reason incapable of making the statement, by the Vice-Chancellor, that the Board has not yet made known its decision and that it has become impossible to obtain a quorum of the Board at a meeting, shall establish these facts conclusively.

(6) If when a Board of Discipline is required it is found impossible to constitute a Board as provided above, the Chancellor may for the occasion appoint a Board consisting of a Chairman who must either be a qualified legal practitioner or have a degree in law and two members each of whom must be either a member of the full-time academic staff or a student but must not be a member of an existing panel of the Appeals Committee, and the Board so appointed shall be a Board of Discipline within the meaning of this Statute.

(7) At all meetings of Boards of Discipline the Chairman shall have a deliberative but not a casting vote and on any question of whether a charge of misconduct has been proved if the votes are equally divided the charge shall be deemed not to have been proved.

(8) The Registrar shall for each Board of Discipline either act as secretary or appoint a member of the administrative staff to act as secretary.

(9) A Board of Discipline which has been constituted to hear and adjudicate upon any charge of misconduct or any appeal shall continue to act in the matter notwithstanding that after it was constituted new panels have been nominated and elected.

(10) A Board of Discipline constituted to hear and adjudicate upon any charge of misconduct against a student may have referred to it a charge or charges of misconduct against another student or other students or another charge or other charges against the first-mentioned student or an appeal or appeals and the Board shall deal with all the charges and appeals referred to it, provided:

- (a) the Board shall not deal with several charges against a student together or with charges against several students together unless the charges arise out of instances of misconduct which form or are part of a series of instances of the same or a similar character, or are constituted by the same acts or omissions, or by a series of acts or omissions in the prosecution of a common purpose;
- (b) if the Board forms the opinion at any stage before making known its decision that it should in the interests of justice refrain from hearing or desist from proceeding further with any of the charges or appeals, it shall so refrain or desist and another Board of Discipline shall be constituted to deal with any such charge or appeal.

(11) A Board of Discipline constituted to hear and adjudicate upon an appeal may have referred to it any charge or charges of misconduct or any other appeal or appeals and the Board shall, subject to the same provisos as are contained in subclause (10) of this clause, deal with all the appeals and charges referred to it.

6. (1) The Registrar shall give a student charged with misconduct before a Board of Discipline not less than five days written notice of a hearing of the charge.

(2) The notice shall contain particulars of:

- (a) the charge;
- (b) the time and place of the hearing; and
- (c) the student's rights under subclause (4) of this clause.

(3) If the student fails to appear at the hearing, the Board may, if it is satisfied that the student has been given notice in accordance with this Statute, proceed with the hearing in the student's absence;

(4) During the hearing the student shall be entitled:

- (a) to be represented by a legal practitioner, another student, a member of staff or any other person;
- (b) to be present with his representative throughout the hearing except when the Chairman and members of the Board wish to confer privately among themselves or to consider their decision;
- (c) either himself or by his representative to call and examine witnesses, cross-examine witnesses other than any witness called by him or his representative, and address the Board.

(5) The Vice-Chancellor may appoint a legal practitioner or a member of staff to represent the University at the hearing and any person so appointed may call and examine witnesses, cross-examine witnesses called by the student or his representative, and address the Board.

(6) The procedure of the Board including the order in which evidence may be called and addresses heard shall be in the discretion of the Board.

(7) Hearings of the Board shall be in private unless the student charged elects otherwise in which event they shall be open to other members of the University provided that:

- (a) if charges against two or more students are being dealt with together before the Board and any one of them elects a private hearing, the hearing shall be private; and
- (b) the Board may order that an open hearing be continued in private if in its opinion order cannot otherwise be maintained.

(8) At every hearing the Board shall have complete authority to keep order and it may order the removal of any person, including (notwithstanding the provisions of subclause (4) (b) of this clause) a student in respect of whom the hearing is taking place or the representative of such a student, for unruly conduct.

(9) The Registrar shall forthwith confirm by written notice addressed to the student concerned any penalty imposed on him by a Board of Discipline.

Other Disciplinary Powers.

7. (1) The Vice-Chancellor may for any instance of misconduct by a student:

- (a) fine the student up to \$50; and
- (b) suspend the student for a period not exceeding fourteen days from all or any of his rights and privileges within the University including all or any of the rights and privileges specified in clause 3 (1) (b) of this Statute.

(2) The Vice-Chancellor may, instead of exercising the disciplinary powers conferred on him by subclause (1) of this clause, suspend the student for a period exceeding fourteen days but not exceeding twenty-eight days from all or any of the rights and privileges of a student, but if the Vice-Chancellor does so suspend the student, he shall forthwith refer or have referred to a Board of Discipline a charge of misconduct against the student.

(3) The Board of Discipline to which a charge of misconduct has been referred under subclause (2) of this clause may at any time after the reference lift the suspension but unless it does so the suspension shall continue until the period for which it was imposed has elapsed provided that the suspension shall not apply to the student's rights and privileges regarding hearings before the Board and appeals to the Appeals Committee conferred on him by this Statute.

(4) The power conferred on the Vice-Chancellor by subclause (2) of this clause may be exercised by the Deputy Vice-Chancellor when the Vice-Chancellor is absent in circumstances which do not require the appointment of an Acting Vice-Chancellor.

(5) The Registrar shall forthwith confirm by written notice addressed to the student concerned any penalty imposed on him under this section.

8. (1) The Registrar may for any instance of misconduct by a student:

- (a) fine the student up to \$20; and
- (b) exclude the student from any University test or examination or any part of any such test or examination but only if in his opinion it is necessary to do so to preserve order and decorum in the place where the examination or test is being conducted.

(2) The Registrar may suspend all or any of a student's rights and privileges:

- (a) if the student does not pay a fine imposed on him under this Statute or under any University statute, regulation, by-law or Senate resolution within the time specified by the person or body imposing it or within two weeks of the date on which it was imposed if no time was specified or within such extended time as the Registrar allows; or

- (b) if the student does not pay any fees or other debts due and payable by him to the University within such time or extended time as the Registrar allows.

(3) Any suspension imposed by the Registrar under subclause (2) of this clause shall cease to have effect on payment of the overdue fine, fees or other debt in respect of which it was imposed.

(4) The Registrar shall forthwith confirm by written notice addressed to the student concerned any penalty imposed on him under this section.

9. (1) The Dean of a Faculty or the Head of a Department may for any instance of misconduct by a student within the Faculty or Department as the case may be:

- (a) fine the student up to \$20; and
- (b) suspend the student for a period not exceeding seven days from all or any of his rights and privileges within the Faculty or Department, as the case may be, including all or any of the rights and privileges specified in clause 3 (1) (b) of this Statute; and
- (c) cancel the student's credit or deprive him of credit for any examination, test or other work or any part of any examination, test or other work done within the Faculty or Department, as the case may be, but only if the student has acted dishonestly or unfairly in connection with some part of the examination, test or other work.

(2) The Dean or Head of the Department concerned shall forthwith:

- (a) confirm by written notice addressed to the student concerned any penalty imposed on him under this section; and
- (b) report the matter in writing to the Registrar.

10. (1) The Librarian may for any instance of misconduct by a student in or in relation to the Library:

- (a) fine the student up to \$20; and
- (b) suspend the student for a period not exceeding fourteen days from all or any of his rights and privileges in relation to the Library including exclusion from the Library premises or any part of such premises.

(2) The Librarian shall forthwith:

- (a) confirm by written notice addressed to the student concerned any penalty imposed on him under this clause; and
- (b) report the matter in writing to the Registrar.

Appeals.

11. (1) The Senate shall at its regular March meeting each year appoint an Appeals Committee which shall consist of a Chairman who must either be qualified as a legal practitioner or have a degree in law but who need not be a member of the Senate, and four members who must be members of the Senate.

(2) The Chairman and members of the Committee shall continue in office until the appointment of the next Appeals Committee.

(3) The Senate may at any time fill any vacancy in the Appeals Committee.

(4) (a) The quorum of the Appeals Committee shall be three of whom one must be the Chairman.

(b) The Appeals Committee may continue to act notwithstanding any vacancy in its membership provided a quorum is present.

(5) If the Chancellor is of opinion that any member of the Appeals Committee is or has been involved in any matter under reference on appeal to the Committee or has sat as a Chairman or member of a Board of Discipline from which the appeal is made, the person or persons so involved shall not participate in the Committee's consideration of that matter and the Chancellor may appoint a qualified person to take the place of any person so excluded from participation.

(6) At all meetings of Appeals Committees the Chairman shall have a deliberative but not a casting vote and on any question of whether an appeal should be allowed if the votes are equally divided the appeal shall be allowed.

(7) The Registrar shall for each Appeals Committee either act as secretary or appoint a member of the administrative staff to act as secretary.

12. (1) A student may appeal to the Senate Appeals Committee against any decision made against him by or any penalty imposed on him by a Board of Discipline in a matter which the Board has heard at first instance.

(2) The Senate Appeals Committee may affirm or annul the decision or penalty or both or may reduce or increase the penalty or impose in its place any other penalty that the Board is empowered by this Statute to impose provided that the penalty shall not be increased beyond the maximum that may be imposed by the Board under this Statute.

13. (1) A student may appeal to a Board of Discipline against any disciplinary decision made against him by, or any penalty whatsoever (other than a suspension of the student under clause 7 (2)) whether under this Statute or otherwise imposed on him by the Vice-Chancellor, Dean of a Faculty, Head of a Department, Registrar, Librarian or any member of the staff of the University.

(2) The Board of Discipline may affirm or annul the decision or penalty or both or may reduce or increase the penalty or impose in its place any other penalty which the Board is empowered by this Statute to impose provided that the penalty shall not be increased beyond the maximum that may be imposed by the Board under this Statute.

14. The decision of the Senate Appeals Committee or of a Board of Discipline upon an appeal is final and conclusive provided that any penalty of exclusion from the University imposed or confirmed whether by the Committee or a Board shall not take effect unless confirmed by the Senate but all the student's rights and privileges shall be suspended or shall continue to be suspended until the Senate has considered the matter.

15. (1) An appeal to the Senate Appeals Committee or a Board of Discipline must be lodged with the Registrar within seven days after the decision appealed against has been notified to the student unless the Committee or Board to whom the appeal lies allows the student an extension of time.

(2) A student may apply through the Registrar to the Senate Appeals Committee or the Board of Discipline as the case may be for an extension of time within which to appeal notwithstanding that the time allowed for the appeal in subclause (1) of this clause has expired but shall not be allowed any extension unless he satisfies the Committee or Board as the case may be that there was good reason for the failure to lodge the appeal within the time allowed.

16. The provisions of clause 6 of this Statute shall apply *mutatis mutandis* to the hearing of appeals by the Senate Appeals Committee and by Boards of Discipline.

Costs.

17. (1) A Board of Discipline which has heard a charge of misconduct against a student or an appeal by a student may award the student the whole or part of his costs of the hearing or appeal as the case may be.

(2) The Senate Appeals Committee may award a student appellant the whole or part of his costs including the costs of the appeal to the Committee and the costs of the hearing of the charge at first instance.

(3) If the Senate Appeals Committee or a Board of Discipline makes an award of costs, it shall fix the amount payable and this amount shall be paid to the student out of University funds.

(4) A student shall not have a right of appeal limited to the question of costs.

Miscellaneous.

18. Every decision of a Board of Discipline and every decision of the Senate Appeals Committee shall forthwith be reduced to writing and entered in a book kept for that purpose and the secretary shall forthwith give to the student a copy of such decision.

19. (1) Any notice or copy of decision required to be given to a student under this Statute shall be sufficient if given to him in person or sent to him by registered post addressed to the last address known to the Registrar as the student's place of residence.

(2) Any notice or copy of decision given by post shall be deemed to have been given when the letter would have been received at the address in the normal course of post.

20. Nothing in this Statute affects the power or authority of any person or body in the University under:

(a) any Act of Parliament; or

(b) any other University statute or any University regulation, by-law or Senate resolution not inconsistent with this Statute.

The Common Seal of the University of Western
Australia was hereto affixed by authority of
the Senate.
