WESTERN AUSTRALIAN TEACHER EDUCATION AUTHORITY.

APPLICATIONS are invited for two positions with the Western Australian Teacher Education Authority from either men or women with the necessary qualifications and experience.

The Western Australian Teacher Education Authority is a body corporate constituted under the Teacher Education Act, 1972, consisting of a Council and the five constituent Teachers Colleges. The offices of the Authority will be at 45 Stirling Highway, Nedlands and the two officers to be appointed will be officers of the Authority with direct responsibility to the Chief Executive Officer of the Authority.

Position No. 1—Secretary:

The Secretary will be responsible for the setting up of the Office of the Authority, the devising of systems and the institution of a filing system. Under the Chief Executive Officer he will be responsible for the Staff of the Authority not directly concerned with the Accountant. The Secretary will be required to act as Secretary to the Council of the Authority and such Committees and sub-committees as are allocated to him. The position is expected to be a growth position with the opportunity for a higher classification. It is hoped to appoint an officer with academic qualifications appropriate to this position. The level of the position will be at the C-II-6/7 range of the State Civil Service and Public Service conditions of service will apply.

The salary for the position has a range of \$7,301-\$7,548-\$7,796-\$8,043-\$8,290.

Position No. 2—Accountant:

The Accountant will be responsible for setting up a system of accounts for the Authority acceptable to the State Treasury and to the Auditor-General. He will be required to assist in the preparation of an Annual Budget and in the preparation of Triennial Submissions to the Australian Commission on Advanced Education. Salaries of the staffs of the Constituent Teachers Colleges as well as the staff of this Authority will be the responsibility

of the Accountant. He will be expected to advise the Finance Officers of the Constituent Colleges on systems of Accounts and on the preparation of financial statements and financial submissions. The Accountant will act as Secretary of the Finance Committee of the Council and such other Committees as are allocated to him. The position is expected to be a growth position with the opportunity for a higher classification. It is essential that applicants have appropriate accounting qualifications and experience. The level of the position will be at the C-II-6/7 range of the State Civil Service and Public Service conditions of service will apply.

The salary for the position has a range of \$7,301-\$7,548-\$7,796-\$8,043-\$8,290.

Applications:

PRISONS ACT, 1903-1971.

Chief Secretary's Department,
Perth, 4th April, 1973.

HIS Excellency the Governor in Executive Council, acting pursuant to the powers conferred by the Prisons Act, 1903-1971, has been pleased to make the regulations set out in the Schedule hereto.

C. STUBBS,
Chief Secretary.

Schedule.

Regulations.

Principal regulations. 1. In these regulations the Prisons Regulations 1940, published in the *Government Gazette* on the 23rd August, 1940, and amended from time to time prior to 5th May, 1961, and reprinted as so amended pursuant to the Reprinting of Regulations Act, 1954 in the *Government Gazette* on the 31st July, 1961 and amended from time to time thereafter by notices so published, are referred to as the principal regulations.

Reg. 35 substituted. 2. Regulation 35 of the principal regulations is revoked and the following regulation substituted:—

35. (1) An officer shall be entitled to receive free medical treatment, of the kind normally provided by a general practitioner, from the Prison Medical Officer for himself, his spouse and his dependent children under the age of sixteen years.

(2) An officer who receives from a medical practitioner other than the Prison Medical Officer, any treatment, of the kind normally provided by a general practitioner, for himself, his spouse or his dependent children under the age of sixteen years, is entitled to claim from the Department in respect of that practitioner's charges the difference between the amount paid and the amount which would be reclaimable by a member of the Hospital Benefit Fund.

(3) No payment will be made by the Department in respect of amounts paid by an officer for hospitalisation, specialist treatment, X-ray or other services of a kind not normally provided by a general practitioner.

(4) Where a registered pharmaceutical chemist supplies any item on prescription for an officer, his spouse or his dependent children under the age of sixteen years the officer is entitled to claim from the Department a refund of the charge.

(5) Officers at Broome Regional Prison shall be entitled to claim under this regulation in relation to treatment and medicines supplied from Government Hospital, Broome.

(6) Applications for payment should be submitted to the Director accompanied by the receipt for the amount paid, a statement of the amount received in relation thereto from any medical benefits fund or other society of which the officer is a member, and any other evidence as to entitlement or payment that the Director may require.

Reg. 91 amended. 3. Regulation 91 of the principal regulations is amended by deleting the passage "and surgical treatment (except major operations)" in lines one and two of paragraph (c) of subregulation (2) and substituting the word "treatment".

HEALTH ACT, 1911-1972.

Department of Public Health,
Perth, 9th April, 1973.

P.H.D. 121/73; Ex. Co. 1146.

HIS Excellency the Governor in Executive Council, acting under the provisions of sections 206 and 343 (5) of the Health Act, 1911-1972, and other powers conferred in that Act has been pleased to make the regulations set forth in the Schedule hereunder, to have and take effect at the expiration of six months from the publication thereof in the *Government Gazette*.

W. S. DAVIDSON,
Commissioner of Public Health.

Schedule.

FOOD HYGIENE REGULATIONS, 1973.

- Citation. 1. These regulations may be cited as the Food Hygiene Regulations, 1973.
- Revocation. 2. The Food Hygiene Regulations published in the *Government Gazette* on the 20th September, 1961, and subsequently amended from time to time are revoked.
- Effect. 3. These regulations have effect in the whole of each district in the State.
- Interpretation. 4. (1) In these regulations unless the contrary intention appears—
- "Act" means the Health Act, 1911;

 - "single-service article", "single-service container" mean cups, containers, lids or closures, plates, knives, forks, spoons, stirrers, paddles, straws, place mats, napkins, doilies, wrapping material and all similar articles that—
 - (a) are constructed wholly or in part from paper, paper-board, moulded pulp, foil, wood, plastic, synthetic or other readily destructible materials; and
 - (b) are intended by the manufacturers and generally recognized by the public as being for one usage only, then to be discarded;
 - "tableware" means all eating and drinking utensils and cutlery but does not include single-service articles.
- (2) Where trade names are referred to in these regulations, the use of a product of a different name but of equivalent composition shall be regarded as sufficient compliance with these regulations.

Construc-
tion.

5. Food handling premises shall conform to one of the following forms of construction—

- (a) **Solid impervious construction** that is to say, brick, concrete, coke breeze blocks, re-inforced plaster panels or similar approved material, finished with glazed tiles, stainless steel, acrylic or laminated plastics adhered directly to the wall with a suitable contact adhesive, thermo-setting or thermo-plastics or other approved materials, with the finished surfaces free of buckles, cracks and crevices and with a wall finish that is light coloured, smooth and impervious; or
- (b) **Lightweight construction** that is to say, timber framing with single or double panelling, in alumpy, aluminium sheeting, stainless steel, laminated plastics, heavy duty asbestos, cement sheeting or other approved materials with—
 - (i) all double panelling closed and the internal spaces filled with fibre glass wool;
 - (ii) the walls tiled to a height of 2 metres above floor level or alternatively tiled or covered with approved material above bench tops, wash hand basins and similar fittings to a height of 450 mm with such materials adhered directly to the wall, free of buckles, fixing screws, cracks or crevices; and
 - (iii) the bottom plate in kitchen and food preparation areas being set in mastic and placed on a "dwarf" wall constructed of brick, concrete or similar material raised not less than 75 mm above floor level or alternatively where an existing structure does not have a "dwarf" wall the kitchen and food preparation areas being finished with an approved plastic skirting, vinyl tiles or other approved material turned up and securely glued to the wall and floor with all joints made water tight.

Finishes.

6. Food handling premises whether of solid impervious or lightweight construction shall have—

- (a) smooth impervious ceilings in all rooms except dining rooms which may have ceilings in approved materials;
- (b) window sills in food preparation areas at least 305 mm above the top of any bench or equipment where splashing is likely to occur, with all window sills splayed at an angle of at least forty-five degrees down from the horizontal and all edges to windows rounded;
- (c) where architraves are used, metal architraves with the join between architrave and wall surface closed;
- (d) all joints in storerooms closed;
- (e) the angle between the wall and the floor coved to a radius of 25 mm;
- (f) the angle between walls coved to a radius of 6 mm;
- (g) all angles between walls and ceilings a continuous finish free of cracks and crevices;
- (h) where a floor finish is vinyl or similar material, that material turned up and sealed to the side of any fixture or fitting with a cove of 25 mm radius;
- (i) where a floor finish is terrazzo, concrete or like material, a plastic skirting strip sealed to the floor, turned up and sealed to the side of any fixture or fitting with a cove of 25 mm radius; and
- (j) every window, doorway and other external opening screened with a fine mesh to exclude insects but the public entrance to a dining room may, as an alternative, have an air curtain or self-closing doors which open outwards.

Food
preparation
in separate
areas.

7. (1) Except where permission for non-compliance with this regulation is granted by the Local Authority, foods mentioned in any one of the following paragraphs shall be prepared in a separate room or a separate area of the same room from those foods mentioned in any other paragraph—

- (a) meat;
- (b) vegetables and salads;
- (c) sweets, cakes and pastry;
- (d) oysters, fish and seafood;
- (e) tea, coffee, milk drinks and cold drinks.

(2) The following operations shall be carried out separately from each other and from all food preparation—

- (a) cold storage;
- (b) storage of dry and packaged goods;
- (c) storage of vegetables;
- (d) scullery and dishwashing;
- (e) storage of cleaning materials and equipment;
- (f) storage of garbage and food waste receptacles.

Garbage
rooms.

8. Rooms used for the storage of garbage and for the washing and storage of garbage receptacles shall have—

- (a) when built in lightweight construction, 10 mm asbestos as a minimum requirement for the walls;
- (b) walls with a smooth even finish;
- (c) floors of an impervious material, graded and drained to a bucket trap, then to an approved sanitary outlet; and
- (d) racks for storage and drainage of receptacles, that are made of a corrosion resistant material that does not absorb liquids or odours and have the lowest shelf at least 305 mm above floor level.

Grease traps.

9. (1) Grease traps shall not be installed in kitchens and food preparation areas.

(2) Where possible grease traps shall be situated outside food handling premises, and the installation of a grease trap within the premises shall be subject to the following conditions—

- (a) approval for the installation shall be obtained from the Commissioner or the Local Authority;
- (b) the trap shall be constructed of solid impervious materials sealed to prevent the escape of odours;
- (c) the door shall be fitted with a gasket to provide a seal when closed; and
- (d) independent access to the trap for cleaning purposes shall be provided away from food handling areas and where possible outside the building.

Coolroom
finishes.

10. Coolrooms in food handling premises used for the storage purposes set out in column 1 of the table to this regulation shall have as a minimum standard the internal and external finishes set out in the columns opposite thereto.

Coolrooms.

11. All coolrooms shall conform to the following requirements:—

- (a) ceilings shall be covered with impervious material;
- (b) joints shall be closed;
- (c) floor gullies shall not be connected to a sewerage service;
- (d) where floor wastes are located inside a coolroom floors shall be graded to each floor waste;
- (e) condensate shall be discharged into a floor waste or to a suitable position outside the coolroom;
- (f) where the coolroom is built with an inaccessible cavity between the top of the coolroom and the ceiling above or between the walls of the room and the coolroom such cavities shall be filled with fibreglass wool and sealed with butyl mastic;
- (g) where a portable deep freeze cabinet is kept in a coolroom it shall be situated on a plinth 230 mm from any wall or on castors and so positioned as to be easily moved for cleaning;
- (h) any plinth shall be constructed of impervious material similar to the flooring material 75 mm in height, finished to a smooth even surface, recessed under fittings to provide space of not more than 50 mm and rounded on the top outside edge; and
- (i) any racks shall be constructed of corrosion resistant material that does not absorb liquids or odours.

Prefabricated
coolrooms.

12. Every prefabricated coolroom shall—

- (a) have the floor constructed of concrete, stainless steel or other approved material any metal being at least 1.20 mm thick and being screwed and glued;
- (b) where the coolroom is installed on a wooden floor, be situated on a fibreglass pad and the pad shall be sealed and covered around the perimeter of the coolroom.

Floors.

13. (1) The floor of any room in which food is prepared, stored, manufactured or processed or in which utensils are washed or in toilets, dressing rooms or locker rooms shall, subject to subregulations (3) and (4) of this regulation, be of smooth, durable, non-absorbent and easily cleanable materials such as concrete, terrazzo, ceramic tile or vitrified brick.

(2) Floor drains shall be provided in all rooms where floors are cleaned by flooding or where normal operations release water or other liquid waste onto the floor.

(3) In areas subject to the spillage of grease or fatty substances, the floor shall—

- (a) be of a dense, acid resistant, waterproof concrete;
- (b) have a specification of three parts metal, one and a half parts sand and one part cement by volume;
- (c) have a surface treated with a hardening process by use of—
 - (i) sodium silicate diluted in proportion of 4.5 litres of sodium silicate to 18.20 litres of water;
 - (ii) zinc and magnesium fluosilicate—the first coat being 0.25 kg fluosilicate to 4.5 litres of water and subsequent coats to be 0.90 kg of fluosilicate to 4.5 litres of water; or
 - (iii) boiled or raw linseed oil applied to the surface of the floor hot, and the oil may be diluted with equal parts of turpentine for the first coat.

(4) Existing wooden floors may be covered with thermo-setting or thermo-plastic materials, PVC tiles or other approved materials.

(5) The floor of external dining areas shall be of smooth, durable non-absorbent material, graded to a drain.

Enclosed fittings.

14. (1) Subject to subregulation (3) of this regulation, fixtures, fittings and equipment in food handling premises which are enclosed to the floor or designed to stand on a base, shall be placed on solid plinths and sealed to the surface with the base of the fixture overhanging the plinth.

(2) Where it is proposed to locate a bank of cooking and heating appliances in a recess or with a dwarf wall surround, the approval of the Local Authority shall first be obtained.

(3) Plinths shall not be required for the support of fixtures, fittings and equipment—

- (a) where those fixtures, fittings and equipment are supported on metal legs at least 150 mm high capable of adequately supporting the equipment when it is fully loaded;
- (b) where the equipment has been mobilised by the fitting of wheels or castors capable of adequately supporting the equipment when it is fully loaded and where flexible leads have been fitted, where necessary, to enable the equipment to be moved so that the floor beneath can be completely exposed; or
- (c) where those fixtures, fittings and equipment are fitted directly to the floor and a complete seal is made between the floor and the base of the fixture, any metal base being sealed with mastic in a continuous seam around the perimeter.

Stoves.

15. (1) Subject to subregulation (2) of this regulation, where stoves and fittings, other than mobile stoves and fittings, are placed together, they shall be—

- (a) kept at least 230 mm clear of all walls, where they do not exceed a continuous length of 3 metres;
- (b) kept at least 380 mm clear of all walls, where they do exceed a continuous length of 3 metres, with access space of 305 mm each 3 metres;
- (c) either butted together or 305 mm apart.

(2) Stoves and similar fittings may be built into the wall with the approval of the Local Authority.

Counters and bars.

16. (1) In food handling premises, counters and bar counters shall be—

- (a) framed with tubular steel, angle iron, solid core wood, plastic coated wood or dressed timber fully sealed to eliminate cracks and crevices; and
- (b) finished with impervious materials easily accessible for cleaning and free of cracks and crevices.

(2) Decorative finishes that do not comply with this regulation may be used with the approval of the Local Authority.

(3) Sleeve rails shall either be a continuous portion of the bar top or have a minimum separation from the bar of 25 mm.

(4) A foot rest or waste tray at the base of a bar or counter shall either be a continuous portion of the bar or be removable.

(5) Where bars and counters are supported on legs, the minimum leg height shall be 150 mm and any cavity so formed shall be made proof against vermin and easy to clean.

Cupboards and cabinets. 17. (1) All cupboards and cabinets shall have smooth impervious shelves and side facings secured to a framework of tubular steel, light angle iron, "T" iron, plastic sealed wood, dressed timber, or other approved material, all timber having closed joints, and all sliding doors hung from the top.

(2) Where a refrigerated food cabinet has openings in the top which would allow spillage into the food well a raised edge or lip shall be formed around each opening.

(3) Cupboards and cabinets shall be—

(a) hard against walls, in which case they shall be sealed to the walls to prevent access of vermin;

(b) on castors or wheels or otherwise readily mobile; or

(c) kept clear of the wall—

(i) cabinets up to 6 metres in length being kept at least 230 mm clear; and

(ii) cabinets exceeding 6 metres in length being kept at least 305 mm clear,

and all space between cabinets shall be sufficient to provide access for easy cleaning.

(4) Cupboards and cabinets kept clear of walls shall have an upstand to prevent articles falling over the back.

Food conveyors.

18. A vertical lift food conveyor shall—

(a) have a framework of angle iron, channel iron, "T" iron, tubular framing or other approved material;

(b) have an internal compartment of approved metal or fibreglass with rounded internal angles;

(c) where the lift is located within walls, have those walls rendered to a smooth finish or covered with approved metal; and

(d) be free of cracks and crevices and be easily accessible throughout for cleaning.

Dishwashing.

19. (1) All food handling premises shall provide heavy gauge stainless steel sinks for the washing of kitchenware and an adequate number of facilities for washing, eating and drinking utensils as follows:—

(a) glass or dishwashing machines;

(b) stainless steel double bowl sinks; or

(c) stainless steel two compartment tubs.

(2) Dishwashing and glass washing machines shall be operated so that the final rinse is at a temperature of not less than 75°C for at least one minute.

(3) One bowl of each double bowl sink, or one compartment of each two compartment tub shall be supplied with hot water at a temperature of not less than 45°C and the other bowl or tub shall be provided with hot water of not less than 75°C for rinsing purposes.

(4) All washing water shall include a disinfectant solution which shall provide the equivalent of at least 50 ppm of available chlorine at a temperature of not less than 75°C.

(5) A thermometer shall be provided and kept near the sinks or tubs to permit frequent checking of water temperature.

Bench fittings.

20. All bench fittings and equipment which are not easily removable by one person are to be kept at least 100 mm clear of the wall and on legs at least 150 mm high or alternatively fitted with castors or wheels.

Refrigeration condensing unit.

21. Refrigeration condensing units on food handling premises which are not located within a cabinet, shall be kept at least 150 mm above the floor.

Supporting legs.

22. All supporting legs to cabinets and equipment in food handling premises shall be made of metal and shall have a smooth finish, free from angles, recesses and crevices, and shall be sealed, and legs fitted with flanges shall be sealed with butyl mastic to the floor.

Shelving.

23. (1) Shelving for food storage other than refrigerated display cabinets, shall be constructed of stainless steel, alumply, solid core timber, jointless timber and dressed timber battens, galvanised piping, galvanised metal bars or other approved material, and shall be smooth, non-absorbent, and free from open joints, cracks and crevices.

(2) All shelving shall be kept at least 25 mm clear of the walls unless it is backless and affixed to the wall.

(3) The lowest shelf shall not be less than 460 mm above floor level.

Walls.

24. Kitchen and food preparation areas in food handling premises—

(a) shall not have skirting boards and picture rails;

(b) shall have walls with smooth impervious surfaces; and

(c) where the walls are tiled or finished with an approved material, shall have the wall finish flush to the tiling or approved material.

Soil pipes.

25. Inspection or cleaning openings in soil pipes shall not be located in food handling areas.

Service pipes. 26. All service pipes shall—

- (a) be sealed into the walls or fixed in brackets so as to provide 25 mm clearance between the wall and the pipe;
- (b) be kept not less than 75 mm clear of the floor; and
- (c) not be laid along the intersections of floor and wall or floor and plinth.

Cavities. 27. Inaccessible cavities, false bottoms and similar hollow spaces formed in the construction of fixtures and equipment and capable of providing access and harbourage for vermin shall be filled with fibreglass wool and sealed with butyl mastic.

Exposed food. 28. All food exposed for sale on counters, and in similar positions shall be adequately protected from exposure to such things as handling, smoking, flies, dust and human breath and all glass cabinets and louvred display counters shall be subject to the approval of the Commissioner or the Local Authority.

Preparation of oysters. 29. (1) Bagged oysters shall be kept on corrosion resistant metal racks or stands not less than 150 mm above floor level.

(2) Bagged oysters stored under refrigeration, shall be completely isolated from shucked oysters.

(3) Boxed processed oysters shall be stored on racks at least 460 mm above floor level.

(4) Where oysters in the half shell are packed for delivery the box shall be completely lined with grease proof or water proof material and each layer of oysters shall be interleaved with grease proof paper or other water proof material with the top layer completely covered.

(5) Grit arrestors which are designed to allow the passage of running water through sides and top shall be provided where required by the Commissioner.

(6) Chutes for the disposal of oyster shells shall be provided in such a manner as to allow easy access for cleaning.

(7) The storage compartment of a vehicle in which oysters are delivered shall be refrigerated or insulated.

Window display areas, butcher shops, fish shops. 30. The floor under the window display stand of butcher shops and fish shops shall be of solid impervious construction, steel trowelled to a smooth even surface and graded to a waste pipe, and the window display stand shall—

- (a) have a clearance of at least 100 mm front and sides and be constructed of stainless steel, rust proof tubular steel, brick, concrete or rendered masonry; or
- (b) be sealed into the adjoining walls and have a surface of stainless steel or ceramic tiles extending up the walls to a height of at least 460 mm.

Ventilation. 31. (1) Ventilation shall be provided in food handling premises either by natural means, an approved mechanical ventilating system or by air conditioning.

(2) The minimum requirements for mechanical ventilation shall be as set out in Table 1221 of the Uniform Building By-laws made under the Local Government Act, 1960.

(3) Make-up air passing through kitchen air inlets shall be free from contamination and shall not cause excessive draughts, and where there is particulate matter in the air it shall be drawn through a filter.

Exhaust hoods. 32. Every exhaust hood in food handling premises shall—

- (a) be constructed of galvanised sheet iron or other approved, smooth, impervious material;
- (b) be of stable construction;
- (c) be easy to clean or designed as an automatically self cleaning hood;
- (d) be of sufficient depth to contain heat, fumes, grease and other aerosols until exhausted, with a minimum depth of 600 mm;
- (e) have capture velocity sufficient for conveying the materials to be exhausted to the hood exhaust openings; and
- (f) have a condensation gutter around the base of the hood so constructed as to provide a flat surface where it abuts walls or partitions.

Hood outlets. 33. (1) Exhaust hoods of less than 2 m in length shall have one outlet.
(2) Outlets shall not be located at the sides of a hood.

Canopy hoods. 34. (1) The capture velocity of kitchen canopy hoods shall be not less than 30.5 m/min when measured at the hood face except when used over bain maries, hot water urns and similar appliances from which the emission consists chiefly of heat and water vapour.

(2) The overhang of a canopy hood shall be 0.4 of the distance between the bottom of the hood and the range but (except for side draught hoods) not less than 200 mm where the distance from the floor to the bottom of the hood is 2.2 m.

(3) The volume of air to be exhausted from canopy hoods shall be in accordance with the following table:—

Number of Exposed Sides of the Hood.	Cubic Metres per 1000 cm ² of Hood Opening at Hood Face.
Central hung hood	4.3 m ³ /min
Wall hung hood	2.85 m ³ /min
Corner hung hood	2.4 m ³ /min
Fitted with aprons on 3 sides	2.4 m ³ /min

(4) The air velocity through a canopy slot hood shall be between 107 m/min to 137 m/min.

(5) The air velocity through a ventilator or back shelf hood shall be between 91.5 m/min to 107 m/min.

Position of
exhaust
vent.

35. The exhaust vent of a mechanical ventilating system shall be located so as not to create an insanitary condition or produce environmental nuisance.

Filters in
exhaust
vents.

36. (1) All mechanical ventilating exhaust systems in kitchens of food handling premises, except when connected to a hood which is exhausting directly over appliances from which the emission is chiefly heat and water vapour, shall be provided with approved means of filtration.

(2) Filters shall be fitted as close to the exhaust openings as possible.

(3) The filter area in square metres for a given volume of exhausted air shall be determined as follows:—

$$\text{Filter area} = \frac{\text{Volume of air exhausted m}^3/\text{min.}}{\text{Operating velocity of filter—m/min.}}$$

(4) Filters shall be cleaned under a jet of steam or washed in solvent at least once a month.

(5) Filters in kitchen canopy hoods shall not be inclined more than 30° from the vertical and shall not be closer than 600 mm to non-exposed cooking heat or closer than 1400 mm to charcoal or similar exposed flame.

Ducts.

37. (1) Subject to subregulation (5) of this regulation, all ducts in food handling premises shall be constructed of galvanised sheet iron of a thickness not less than 12 mm or approved fire resistant sheet iron, all internal surfaces shall be smooth and free from obstruction and joints grooved, welded or lapped, riveted and soldered airtight, with access for cleaning provided every 3 m and near each elbow, angle or duct junction of horizontal sections of duct work.

(2) Clean-out doors shall be of a quick release pattern, presenting a flush surface inside the duct and suitably sealed to prevent leakage of air.

(3) Surfaces surrounding exhaust openings formed by a duct shall be constructed or faced with impervious material capable of being easily cleaned.

(4) Horizontal ducts shall be graded to a draining device.

(5) Approved flexible ducts or connections shall be allowed subject to any condition imposed by the Commissioner or Local Authority at the time approval is obtained.

(6) Velocity through a duct shall be 549 m/min.

(7) All openings through which a duct passes shall be proofed against the access of rats, mice or other vermin.

Food.

38. (1) All food in food handling premises and in transport between such premises shall be clean, wholesome, safe for human consumption and protected from contamination.

(2) All perishable foods shall be stored at temperatures that will protect against spoilage and all potentially hazardous food shall be maintained at safe temperatures except during preparation and service.

(3) Raw fruits and vegetables shall be thoroughly washed in running water before use.

(4) Meat used in food handling premises shall have been slaughtered in accordance with the provisions of the Act or the Abattoirs Act, 1909.

Roasted
chickens.

39. (1) All frozen chickens shall be completely thawed before being cooked, thawing shall be carried out by placing the chicken in a refrigerator at 5°C for 8 to 10 hours.

(2) During cooking the oven shall be maintained at a temperature of not less than 120°C.

(3) Cooked chickens shall be held in a warming oven at a temperature of not less than 60°C or rapidly cooled and placed in a refrigerator.

(4) Every warming oven shall be equipped with a thermometer, of sufficient size and so placed as to be readily seen by the customers.

(5) Where a cooked chicken is kept overnight in food handling premises it shall be kept in a refrigerator at a temperature of not more than 5°C and before being placed in a warming oven next day shall be placed in a cooking oven and brought rapidly to a temperature of 65°C.

(6) A cooked chicken shall not be placed on the same table as, or in close proximity to, an uncooked chicken, and cooking utensils used on an uncooked chicken shall not be used on a cooked one unless they have been thoroughly washed.

(7) A person handling an uncooked chicken shall wash his hands before handling a cooked chicken.

Cooked frozen dinners.

40. Where frozen dinners are being prepared—

- (a) cooked food shall not be placed on the same table as, or in close proximity to, uncooked food;
- (b) utensils used on uncooked food shall be thoroughly washed before being used on cooked food;
- (c) a person handling uncooked food shall wash his hands before handling cooked food;
- (d) forks, tongs and such other utensils shall be used to handle food wherever possible;
- (e) cooked food shall be placed in a freezer within 1½ hours of cooking.

Thawing of frozen dinners.

41. Thawing of cooked frozen dinners in food handling premises shall be carried out by placing the food in a refrigerator at 5°C for 8 to 10 hours.

Food not to be re-used.

42. Food which has been served to customers and then returned to the kitchen or serving area shall not be served to any other person, but bread, sugar, pepper, salt and sauces which have been placed upon a table in a protective container may be re-used.

Toxic substances.

43. Toxic and hazardous substances shall not be used or stored in food handling premises unless they are required to maintain sanitary conditions, when they shall be used in such a manner so as not to contaminate food or constitute a hazard to employees or customers.

Food to be stored above floor.

44. All food stored for sale or intended for human consumption shall be kept at least 450 mm clear of the floor.

No return of smallgoods.

45. (1) Subject to subregulation (2) of this regulation, where any smallgoods containing meat have been delivered to any person for sale or have been sold and delivered to any person—

- (a) the manufacturer shall not accept the return of, or exchange or take back into stock, those smallgoods; and
- (b) no person shall return those smallgoods to the manufacturer thereof.

(2) Nothing in this regulation applies to the return by a person to a manufacturer of smallgoods wrongly delivered to that person.

Disposal of unwholesome food.

46. The occupier of any food handling premises shall cause any food which has become unwholesome to be placed immediately in an impervious receptacle used for refuse.

Unflayed carcase or pig carcase.

47. A person shall not keep or store any unflayed carcase or any pig carcase that is not de-haired in any room that is used for the keeping or storage of any dressed meat or other food intended for human consumption, unless the carcase is—

- (a) kept or stored in a portion of the room that is separated by a partition from any other portion thereof used for the keeping or storage of dressed meat or other food; or
- (b) effectively covered and kept so covered so as to prevent that carcase coming into contact with any dressed meat or other food.

Storage of fertilisers, etc.

48. A person shall not store or keep in any food handling premises or carry in any vehicle used in connection with such premises—

- (a) any blood and bone fertiliser, bone meal or organic fertiliser, or any similar organic fertiliser or meal or any preparation containing any fertiliser or meal of animal origin; or
- (b) any other thing whatsoever that may be likely to contaminate or affect the wholesomeness or cleanliness of food.

unless that fertiliser, meal, preparation or other thing is handled in a separate part of those premises, or in that vehicle, in such manner that the food is not or is not likely to be so contaminated or affected.

Contaminated food or utensils not to be used.

49. (1) A person shall not in any food handling premises—

- (a) use any contaminated food or any food which has been in contact with any floor or ground surface of those premises; or
- (b) use any utensil which has been in contact with any floor or ground surface of those premises, unless and until that utensil has been thoroughly cleansed.

(2) When any food comes into contact with any floor or ground surface of food handling premises, the food shall be placed immediately in an impervious receptacle used for refuse.

Hygiene in
relation to
pet meat.

50. (1) A person shall not use, or cause or permit to be used, for the manufacture, packing, storage, carriage, delivery or sale of food for human consumption, any premises, or any plant, machine, receptacle or vehicle used for the manufacture, preparation, packing, storage, carriage, delivery or sale of any meat that—

- (a) is not ordinarily used, or is unfit, for human consumption; or
- (b) has not been slaughtered, dressed, stored, handled or distributed as meat for human consumption.

(2) The provisions of this regulation do not apply in respect to the storage, carriage, delivery or sale of any such meat if the meat is packed in hermetically sealed containers at premises not used for the preparation or sale of food for human consumption and—

- (a) the outer surfaces of those containers are clean; and
- (b) the containers are labelled with the words, "Pet Food", "Pet Meat" or "Unfit for Human Consumption" legibly printed in letters of not less than 48 point face measurement in a colour in distinct contrast to that of the ground on which those words are printed.

(3) The provisions of this regulation do not apply to registered abattoirs where pet meat is prepared under the supervision of a qualified meat inspector and is stored in the following manner—

- (a) packed into cartons labelled "Inedible Meat—Not Fit for Human Consumption" or "Pet Food—Not Fit for Human Consumption" and with a continuous red band 50 mm wide applied right round the carton in the centre of the narrower girth; and
- (b) where it is stored in freezing chambers used for edible meat products, the cartons shall be wired or otherwise sealed and batched to prevent confusion with the edible products.

Wrapping
paper to
be clean.

51. Every person who uses paper for wrapping or packing food intended for sale shall use for that purpose only paper which is clean and which has no printing or writing on the surface in contact with the food.

Carrying
bread.

52. A person while selling or delivering bread or other products of a bakery or pastrycook from a vehicle shall not carry the bread or other products except in a clean basket or other clean container.

Single-
service
articles.

53. A person shall not fill with food or drink intended for sale any single-service container which has been used previously, nor use any single-service article more than once.

Unclean
labels not
to be in
contact with
food.

54. A person shall not place any ticket, label, notice or other article of a similar nature which is unclean or liable to contaminate food, or which has been in contact with the mouth, so that it is in contact or is likely to come into contact with food intended for sale.

Clothes, etc.,
to be kept
clean.

55. (1) Every person shall keep and maintain in clean condition all cloths, towels, and materials used for the purpose of drying or wiping utensils used in handling food intended for sale and shall use those cloths, towels and materials solely for those purposes.

(2) Every person shall keep and maintain in a clean condition all cloths, towels and materials used for the purpose of wiping or polishing fruit or other food intended for sale and shall use those cloths, towels and materials solely for those purposes.

(3) A person shall not use any cloth, towel or material except for the purpose for which it is kept and maintained and unless it is in a clean condition.

Food sold to
be protected.

56. Every person who sells any food, whether that food is delivered direct to the purchaser at the time of sale or is sent for delivery by any means elsewhere than at the place of sale, shall pack or cover that food so that it is effectively protected from contact with and contamination by flies, dust, dirt or other sources of contamination, but the provisions of this regulation shall not apply if the food comprises vegetables or fruit.

Drinking
receptacles.

57. A glass or other receptacle containing any drink, once served to a person, shall not be re-served to that person or any other person until it has been thoroughly washed.

Personal
hygiene of
employees.

58. Every employee in food handling premises shall—

- (a) wear clean, washable clothing at all times;
- (b) wear a cap, which will keep the hair adequately covered;
- (c) keep his person including his hands and fingernails clean;
- (d) before commencing work, wash his hands;
- (e) before visiting the toilet, remove outer protective clothing; and
- (f) after visiting the toilet and before resuming work wash his hands thoroughly with soap or detergent and clean water.

Persons
suffering
from disease,
etc.

59. (1) A person while affected with any disease which may be transmitted by contamination of food, or while a carrier of such disease, or while afflicted with boils, infected wounds, sores or an acute respiratory infection, or while wearing any bandage except a waterproof bandage,

shall not work in any area of food handling premises in any capacity in which there is a likelihood of that person contaminating food or food contact surfaces with pathogenic organisms, or transmitting disease to other individuals, and a person known or suspected of being affected with any such disease or condition shall not be employed or undertake duties in such area or capacity.

(2) Where the person in charge of food handling premises has reason to suspect that a person undertaking duties in that establishment has contracted any such disease or has become a carrier of such disease he shall immediately notify the Local Authority.

Standards to be observed by persons handling food.

60. The proprietor of, or a person employed or undertaking duties in any food handling premises, shall not—

- (a) wipe his hands upon his clothing or upon anything other than a clean towel;
- (b) apply his fingers to his mouth, nose or scalp while handling or serving food;
- (c) serve any article of unwrapped food with his fingers, but shall wherever possible use a fork or other suitable implement for the purpose;
- (d) use his breath to open any bag or wrapper;
- (e) apply to the mouth any appliance used for the preparation or serving of food;
- (f) place, carry or store any food in a container in such a manner that the bottom side of a container comes into contact with any food in a lower container;
- (g) hold cutlery or any utensil for eating or drinking by any other means than the handle or the outside of such utensil;
- (h) carry any cutlery or utensil for eating or drinking in the pocket of any garment;
- (i) smoke, or chew tobacco or expectorate, while in a kitchen or servery in food handling premises, or while engaged in the handling of food;
- (j) place or cause to be placed anywhere in food handling premises any food which is unfit for human consumption, or any offensive substance whatsoever;
- (k) smoke in that part of a vehicle used for the handling of food intended for sale; and
- (l) place or keep any of his clothing in or on any part of the premises other than in a change room.

Obligations on the proprietor.

61. The proprietor of food handling premises shall not—

- (a) use or cause or permit to be used, as food or in the preparation of any food in such premises, any deteriorated substance or any food which is fly blown, or any hermetically sealed food which upon opening shows signs of decomposition, fermentation or alteration in appearance or keep, or cause or permit to be kept upon the premises, any unsound, unwholesome or deteriorated article of food or any unwholesome or deteriorated substance whatsoever, which is capable of being used in the preparation of food, or which is unfit for human consumption;
- (b) supply, or cause or permit to be supplied, to any person for drinking, or use or cause or permit to be used in the preparation of food, any water other than potable water;
- (c) use or permit to be used, or have in his possession for use, in the preparation or serving of food, any equipment or utensils which are cracked, broken, chipped or otherwise unsound, or which are so damaged as to prevent a thorough cleansing;
- (d) use or permit to be used for the storage of prepared food, any cellar or underground room, unless that cellar or room is well lighted and ventilated and is free from moisture and in a sanitary condition;
- (e) allow any live animal or bird on the food handling premises except a guide dog for the blind;
- (f) knowingly employ in any capacity on the food handling premises, any person who is suffering from any dangerous infectious disease; and
- (g) receive or place in his premises any article of clothing to be dry-cleaned or laundered at that or any other place, unless in an area completely separated from the food handling areas and separately staffed.

Certain precautions can be required.

62. Where the Commissioner or a Medical Officer is satisfied that reasonable grounds exist for believing that contamination, or possibility of contamination exists or arises in relation to any person employed in or frequenting any food handling premises, the Commissioner or Medical Officer may require the following measures and precautions to be taken and observed, that is to say—

- (a) that such person be forthwith and until further directed by the Commissioner or Medical Officer excluded from all food handling premises;

- (b) that the food handling premises in which that person is engaged or employed be forthwith closed to the public and that it remain so closed until further directed by the Commissioner or Medical Officer;
- (c) that such person and all other persons engaged or employed in any capacity in the food handling premises concerned undergo such medical examinations (including laboratory tests) as may be required by the Commissioner or Medical Officer,

and the Commissioner or Medical Officer may make such orders and requirements and give such notices and directions and do all such other acts and things as appear to him to be necessary or desirable for giving effect to the provisions of these regulations.

Notice to be displayed. 63. The occupier of premises in which the handling of food is carried out shall obtain and display in a conspicuous position within the premises a legible copy of the notice entitled "Food Handlers" issued by the Public Health Department.

Offences. 64. (1) Where by these regulations an act is required to be done or forbidden to be done in relation to any food handling premises, the occupier of the premises has, unless the contrary intention appears, the duty of causing to be done the act so required to be done, or of preventing from being done the act so forbidden to be done, as the case may be.

(2) Any person occupying food handling premises that do not comply with the provisions of these regulations is guilty of an offence.

APPLICATIONS FOR LEASING.

Department of Lands and Surveys,
 Perth, 19th April, 1973.

Corres. 767/72.

APPLICATIONS are invited under section 117 of the Land Act, 1933-1971, for the leasing of Karratha Lot 1141 for the purpose of a "Taxi Terminal" for a term of (5) five years at a rental of \$20.00 per annum, subject to the following conditions:—

- (1) The land shall not be used for any purpose other than Taxi Terminal without the prior approval in writing of the Minister for Lands.
- (2) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage sublet or part with the possession of the demised land.

- (3) The land shall be occupied and used by the lessee for the purpose specified within nine months of the date of commencement of the lease and thereafter will be continuously so used to the satisfaction of the Minister.
- (4) The lessee shall commence construction within nine months and thereafter continue construction and complete and operate the works within two years from the date of commencement of the lease.
- (5) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.
- (6) No residence shall be permitted on the leased land.
- (7) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (8) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (9) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee.
- (10) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.
- (11) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (12) Compensation will not be payable for damage by flooding of the demised land.
- (13) No maintenance or servicing of vehicles, apart from washing and polishing, shall be conducted on the leased land.

Applications shall be accompanied by a sketch (drawn to scale) outlining the development proposed within two years of occupying the leased land.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development is, in his opinion, unsuitable or inadequate.

Any time during the currency of the lease and on completion of improvements consistent with the purpose of the lease and to the satisfaction of the Minister for Lands and on payment of the purchase price, the lessee may surrender his lease to obtain the freehold title of the land.

Applications must be lodged at the Department of Lands and Surveys, Perth, on or before Wednesday, 9th May, 1973, accompanied by a deposit of \$12.50. A service charge of \$41,020 per hectare shall be payable upon approval of application.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the area, the application to be granted will be decided by the Land Board.

(Plan Karratha 24.22.)

F. W. BYFIELD,
 Under Secretary for Lands.

LAND OPEN FOR SELECTION

Department of Lands and Surveys,
Perth, 19th April, 1973

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under Part V of the Land Act, 1933-1971, and the regulations appertaining thereto, subject to the provisions of the said Act.

Applications must be lodged at the Department of Lands and Surveys, Perth, not later than the date specified but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board. Any lands remaining unselected will continue available until applied for or otherwise dealt with.

LOCAL GOVERNMENT ACT, 1960-1972.

Municipality of the City of Nedlands.

By-law No. 20.

By-law for the Control and Management of Council Halls.

L.G. 477/70.

IN pursuance of the powers conferred upon it by the abovementioned Act, and all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 1st day of February 1973, to make and submit for confirmation by the Governor the following by-law:—

1. By-law No. 20 (Municipality of City of Nedlands) relating to the control and management of Council Halls, *Government Gazette* 13th January, 1971, and amendments are hereby revoked.

2. Applications for the hire of halls owned by the City of Nedlands or any portion of such buildings, equipment or property, shall be made to the Nedlands Municipal Council not less than twenty-four hours before the hour at which hiring is required.

3. Hiring of the hall building and property including furniture and equipment shall be at rates as decided by the Council from time to time.

4. The hours for which hiring may be effected at daytime rates shall be from 8.00 a.m. to 5.00 p.m. Evening hiring shall be from 6.00 p.m. to midnight. No hiring shall extend after midnight on Saturdays.

The "Dalkeith Hall" is not available after midnight on any night.

5. (a) The hirer shall, prior to the term of engagement, deposit with the Council an amount to cover the hire charge and a further amount on bond against any damage which may occur during the term of the engagement.

(b) The halls may be reserved in advance on the payment of a deposit of fifty per cent of the hire charge payable, and the balance of the hire charge must be paid fourteen days prior to the date of the engagement. If such balance of hire charge and bond, be not paid before fourteen days prior to the engagement as set out above, the fifty per cent hiring charge deposit shall be forfeited and the booking shall be automatically cancelled.

6. If, after payment of the required deposit, the hall booking is cancelled, the deposit will not be refunded unless the hall is re-let for the date of such cancelled booking.

7. The Council reserves the right to refuse to let the hall or any portion thereof to an applicant without assigning any reason for such refusal.

8. The Council may at any time cancel any agreement or decline any application for hiring of any hall or portion of the hall or property.

9. In the event of two or more applications being received for the hire of the same portion of the hall property at the same time and date, the Council may, without considering priority of application, determine to which applicant the hall hiring shall be granted.

10. The hirer of any portion of the hall property shall comply with the provisions of the Health Act, Entertainment Tax Act and any other Act, in force for the time being, applicable to such hiring of buildings. If, in the opinion of the Council, all necessary actions have not been taken to comply with the requirements of above and all other relevant Acts, the Council may, prior to or during the term of engagement, forbid and prevent the use of such building.

11. In the event of the use of any portion of the hall property being forbidden or prevented under the last preceding by-law, the hirer shall forfeit the full amount payable for the hire, as if the hire had been duly fulfilled, and the Council shall not be responsible to the hirer for any loss or damages incurred by the hirer.

12. No spirituous liquors, wine, ale or spirits shall be brought into or consumed upon any portion of the Council's property except when permitted in writing by the Council.

13. No hall plant, furniture, fittings or effects, cutlery, crockery, glassware or other utensil or materials of any kind belonging to the Council shall be hired or loaned without the written permission of Council. Any furniture removed from the halls to the outside verandahs shall be replaced to the original position in the halls.

14. The driving of nails, tacks of screws, etcetera, into any of the woodwork or walls of the halls is strictly forbidden. No internal or external decorations are permitted to be erected without special permission in writing from the Council. Decorations remaining after the functions shall be removed from the halls and their precincts and disposed of by the hirers. Failure to do so will result in a charge being made to the hirer. The use of adhesive tape or similar adhesive material on any woodwork or walls of building is strictly forbidden. The setting up of trestles, furniture, etc., and removing and storing of same, shall be the responsibility of the hirer.

15. No person whilst intoxicated shall be permitted to enter or remain upon any portion of the halls, nor be guilty of misbehaviour whatsoever, nor be permitted to use profane or improper language, nor damage, mark or deface any wall or other part of the hall or property. Any person who does, permits or suffers any such damage shall be liable to pay cost of such damages in addition to any penalty imposed under these conditions.

16. No offensive impersonations or representations of living persons or any thing deemed likely to produce disturbances, riot, or breach of peace shall be permitted within the buildings or properties.

17. The hirer of any part or parts of the hall buildings shall maintain and keep good order and decent behaviour within the property, and shall be solely and entirely responsible for the carrying out and compliance with the requirements of these by-laws and for any damage done to the buildings, fixtures, fittings, furniture, crockery etcetera, and shall pay for such damages as may be assessed by the Council.

18. Any officer representing the City of Nedlands Council or other person duly authorised by the Council—including the Caretaker—shall at all times be permitted free ingress to the hall buildings and every part thereof, and shall be given every facility for the enforcing of these conditions.

19. Every person who does, permits or suffers an act or matter or thing contrary to any of these conditions, or commits or permits any breach, or neglects compliance therewith or makes a false statement in any application form and/or declaration shall be deemed guilty of an offence against these conditions and shall be liable to a penalty not exceeding forty dollars (\$40) for every such offence.

20. No person shall take photographs or show films greater than 15 mm. within the halls or properties unless the permission of the hirer shall have been first obtained.

21. Premises hired are to be locked at the end of the function.

22. Dalkeith Hall—Limits of Hiring:

(a) The use of the entrance foyer is for the hirers of the main hall and also when the main hall and the supper room are both hired by the one person or organisation.

- (b) The stage is to be used only by the hirers of the main hall.
- (c) Hirers of the supper room only are to have access only from the front or rear doors of the supper room.
- (d) Kitchen and bar facilities are to be used in conjunction with the hall and supper room; but, if separate bookings for hall and supper room are made, the person making the prior booking shall have the sole use of the above facilities if required.
- (e) Hirers of the hall shall have prior use of the car parking facilities provided.

23. It is a requirement of Council that the hirer or hirers shall use the audio equipment within the halls as provided by Council and no other type of amplification equipment.

24. In Clause 23 "audio equipment" shall mean amplifiers, microphones and loud speakers and any other equipment used for or resulting in loud music or other types of sound.

LOCAL GOVERNMENT ACT, 1960-1972.

The Municipality of the Shire of Bayswater.

By-laws Relating to the Protection of Footpaths.

L.G. 280/66.

IN pursuance of the powers conferred upon it by the abovenamed Act and of all other powers enabling it the Council of the abovenamed Municipality hereby records having resolved on the 15th day of November, 1972, to make and submit for confirmation by the Governor the following by-laws:—

By-laws of the Shire of Bayswater relating to the Protection of Footpaths published in the *Government Gazette* of the 3rd August, 1966, and the amendment thereto published in the *Government Gazette* of the 24th February, 1970, are hereby repealed.

1. In these by-laws the term "footpath" means and includes that portion of the surveyed road which is between the kerb or edge of the portion of the road paved for the use of vehicular traffic and the boundary of the surveyed road and the term "vehicle" shall include tractor, trailer, bulldozer or any other mobile machine.

2. No person shall drive any vehicle over or across a footpath except at a specially constructed crossing place, unless with the permission of the Council and in accordance with these By-laws.

3. No person shall drive a vehicle or permit a vehicle to be driven across a footpath or across a road kerb if such vehicle is so heavy or is of such nature that it causes or is likely to cause damage to the paving of the footpath or the road kerb unless with the permission of the Council and in accordance with these by-laws.

4. No person shall engage in building or other operations or works on any land or contract or arrange with any person to carry out any works or to deliver materials on to any land if by so doing a vehicle will cross the road kerb or the paving of a footpath and it is likely that damage to the road kerb or to the footpath will be caused thereby unless permission of the Council is given in accordance with these by-laws.

5. Any person who—

- (a) desires to cross a footpath with a vehicle at a place not a specially constructed crossing place, or
- (b) proposes to carry out building or other operations or works necessitating the crossing of a footpath or a road kerb with vehicles which are likely to cause damage to the paving of the footpath whether at a specially constructed crossing place or not to cause damage to the road kerb,

shall make application in writing to the Council for its permission so to do specifying the place or places at which such crossing is to be made and with his application shall pay to the Council a minimum sum of Eighty Dollars (\$80), or such lesser sum as shall be specified by the Building Surveyor at the time of issue of a Building Licence.

6. A person who carries out any building or other operations or works necessitating the crossing of a footpath with vehicles which cause or are likely to cause damage to the paving of a footpath shall comply with the following conditions:—

- (a) If a paved portion of the footpath shall be constructed of concrete slabs he shall carefully remove them from the footpath for a width of 16 feet at the proposed crossing and neatly stack them on the adjoining land.
- (b) He shall place in the position from which the slabs have been removed a temporary crossing of 16 feet wide and of a length equal to the width of the paved portion of the footpath. The temporary crossing shall be constructed of hardwood planks of at least eight inches by two inches in section. The planks shall be securely nailed together with hoop iron straps at four foot centres. The said planking shall be firmly bedded and laid true to the level of the original footpath.
- (c) When the necessity no longer exists for such temporary crossing or when called upon to do so by notice in writing from the Council, he shall remove the planking, replace the slabs in a proper workmanlike manner to original level and line and shall replace with new slabs of equal quality and size any slabs which have been lost, damaged or broken.
- (d) In the case of a footpath, constructed in total, or part of bitumen surfaced gravel, gravel, limestone or crushed metal, he shall place in position where the crossing is to be made a temporary crossing 16 feet wide and of a length equal to the width of the paved portion of the footpath. The temporary crossing shall be constructed of hardwood planks of at least eight inches by two inches in section of which the ends shall be chamfered downwards to the existing footpath surface, securely nailed together with hoop iron straps at four feet centres. The said planking shall be firmly bedded and laid true.
- (e) When the necessity no longer exists for such temporary crossing or when called upon to do so by notice in writing from the Council he shall remove the planking and clean off the footpath immediately repairing any damage which has resulted.

- (f) He shall until it shall have been removed, keep the temporary crossing in good repair and in such a condition as not to create any danger or obstruction to pedestrians.
7. (1) If an application is made for permission to cross a road kerb the Shire Engineer shall have the road kerb removed at the place indicated in the application or if he does not approve the place indicated then at a place approved by him.
- (2) Alternatively the applicant shall provide hardwood kerb jumper blocks and kerb back boards at the approved location in the following manner:—
- (a) Kerb jumper blocks shall be constructed of six inches by six inches hardwood, cut diagonally in half with a one inch chamfer on each leading edge. These blocks are to be placed hard up against the kerb face in the road channel and be of sufficient length to provide an 18 feet length of temporary kerb crossing.
- (b) Kerb back boards shall be constructed of hardwood planks of at least eight inches by two inches section of sufficient length to provide support behind the kerb for a length of 18 feet by 2 feet width. The said planks shall be securely nailed together with hoop iron straps at four feet centres.
- The kerb boards are to be firmly bedded and laid true to the line and level of the kerb top.
- (c) The kerb jumper blocks and kerb back boards shall be kept in place and maintained in good order during the entire time the temporary kerb crossing place is required, and removed only when the necessity for this temporary kerb crossing place no longer exists.
- (d) After removal of the temporary kerb crossing place, the applicant shall reinstate the verge in the area of activity by levelling and grading to tie in with the path (if any) and the top of the kerb, generally leaving the area in a neat and tidy state.
- (3) At the conclusion of the said building or other operations or works the Shire Engineer shall have the road kerb replaced.
- (4) The costs of the removal and replacement and in the case of damage the cost of the repair thereof, shall be paid from the said sum of Eighty Dollars (\$80) and subject to by-law 10, the balance thereof shall be repaid to the person who made the payment.
8. Any person who desires to trench through or under a constructed footpath or a road kerb shall apply in writing to the Council and lodge with the Council a deposit of Eighty Dollars (\$80).
9. No person shall trench through or under a footpath or a road kerb without first obtaining the written consent of the Council or otherwise than in accordance with the terms of the written consent of the Council.
10. The person mentioned in by-laws 5, 6, 7, 8 and 9 hereof shall make good all damage caused to the footpath and the road kerbing, guttering and paved road during the whole of the time the works are in progress. If any damage shall have occurred and shall not have been made good the Council is authorised to make good such damage and deduct the cost from the sum of money paid to the Council in accordance with these by-laws. If the costs exceed the amount paid or the balance thereof the applicant or other person aforesaid shall pay to the Council on demand the amount by which the cost exceeds the balance of the amount paid. If no damage has been caused or if the damage has been made good the Council shall repay the sum paid or the portion remaining after the costs incurred by the Council have been paid.
11. Any person who shall commit a breach of these by-laws shall be liable to—
- (a) A maximum penalty of \$100.
- (b) A maximum daily penalty during the breach of \$10 per day.

LOCAL GOVERNMENT ACT, 1960-1972; HEALTH ACT, 1911-1970.

The Municipality of the Shire of Dardanup.

By-laws Relating to Dog Kennels and the Keeping of Dogs.

L.G. 115/73.

IN pursuance of the powers conferred upon it by the abovementioned Acts and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 15th day of December, 1972, to make and submit for confirmation of the Governor the following by-laws:—

1. The occupier of premises situated in any Townsite within the Shire of Dardanup shall not keep, or have, or permit, suffer to be kept, or to remain thereon at any one time more than two dogs unless such dogs are kept in a kennel or yard approved by, and registered with the Council of the Shire of Dardanup as herein provided.
2. The occupier of premises whereon more than two dogs are kept, or permitted, or suffered to remain shall provide a kennel or kennels which shall comply with the following conditions:—
 - (a) Each kennel shall have a yard appurtenant thereto.
 - (b) Each kennel and each yard and every part thereof shall not be at any less distance than 80 feet from any street, but where this is impracticable, a lesser distance may be approved by the Council.
 - (c) Each kennel and each yard and every part thereof shall not be at any less distance than 30 feet from any dwelling house, church, school-room, hall, shop or factory.
 - (d) The walls shall be constructed of concrete, brick, stone or wood framing, sheeted with asbestos or galvanised iron internally and externally; or of any other suitable material approved by the Council.
 - (e) The roof shall be constructed of some impervious materials.
 - (f) All external surfaces of material of wood, asbestos or galvanised iron shall be painted and kept painted with good quality paint.
 - (g) Each yard shall be securely fenced and kept securely fenced with a fence not less than 6 feet in height constructed of approved sound materials of galvanised iron, wood, galvanised link mesh or netting.
 - (h) All gates shall be provided with proper catches or means of fastening.
 - (i) The upper surface of the floor of each kennel shall be set at least 4 inches above the surface of the surrounding ground and shall be constructed of granolithic cement finished to a smooth surface. It shall have a fall of not less than 1 in 100 to a drain which shall be properly laid, ventilated and trapped. The floor shall have a coved upstand at the junction of the floor and the internal wall surface and in the case of a wooden framed building, the bottom plate shall rest on a coved concrete upstand 3 inches above the floor level and the internal wall sheeting shall finish a minimum of one inch below the bottom of the floor plate. All floor washings shall pass through this drain and shall be disposed of in accordance with the Health requirements of the Council.
 - (j) The floor of any yard which is floored shall be constructed in the same manner as the floor of any kennel.
 - (k) For each dog kept, every kennel shall have not less than 10 square feet of floor space and each yard appurtenant thereto not less than 18 square feet, except where one yard is used by two or more dogs then not less than 9 square feet.
 - (l) All kennels and yards and all feeding and drinking vessels shall be maintained in a clean condition and cleansed and disinfected when so ordered by an officer of the Council.
3. The occupier of any premises where more than two dogs are kept or permitted or suffered to remain shall not allow, permit or suffer any dog to be at large or roam outside the kennel and yard.
4. No kennel shall be erected unless and until plans, specifications and a location plan showing the proposed site for such kennel and of the yard appurtenant thereto have been approved by the Council.
5. Approved kennels shall be registered by the Council on payment to it of a fee of ten dollars (\$10.00) per annum.
6. The occupier of any premises where a dog is kept or permitted or suffered to remain, shall not allow such dog by continuous barking to be a nuisance to any inhabitant of the neighbourhood.
7. The Council of the Shire of Dardanup reserves the right to register or not to register a Kennel and to determine the number of dogs permitted for each kennel on the premises.
8. Any person who shall commit a breach of any of these by-laws shall, upon conviction be liable to a penalty not exceeding one hundred dollars (\$100.00).

LOCAL GOVERNMENT ACT, 1960-1972.

The Municipality of the Shire of Lake Grace.

By-law Relating to Care, Control and Management of Public Halls.

L.G. 91/71.

IN Pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it the Council of the abovementioned Municipality hereby records having resolved on the 19th day of July, 1972, to make and submit for confirmation by the Governor the following By-law:—

1. In this By-law—

“Clerk” means the Shire Clerk or Acting Shire Clerk the Council or any other officer authorised by the Council to act in his place;

“Council” means the Council of the Shire of Lake Grace;

“hall” means the premises comprising each of the Lake Grace, Newdegate, Lake King and Varley Halls and includes any part of such premises;

“hall committee” means the management committee appointed by the Council pursuant to the Local Government Act 1960 to manage, respectively, the Newdegate, Lake King and Varley Halls;

“hirer” means the person or persons by whom an application to hire a hall is made and includes any person, body corporate or association (whether incorporated or not) on whose behalf such application is made;

“period of Hire” means the period for which the Council or the appropriate hall committee agrees to hire a hall or any part thereof or any tables or chairs and, in the case of the hire of a hall or any part thereof, includes any period prior or subsequent to such agreed period during which the hirer or any person having the permission of the hirer, express or implied, is or remains in the hall or in the vicinity thereof;

“secretary” means the secretary of the appropriate hall committee.

2. The Shire of Lake Grace by-law relating to the Care, Control and Management of Public Halls within the District published in the *Government Gazette* on the 31st March, 1971 as amended is hereby repealed.

3. Any person who wishes to hire a hall shall make application to the Council or the appropriate hall committee in the form set out in the First Schedule hereto. Every such application shall be made not less than twenty-four (24) hours prior to the commencement of the period of hire.

4. The Council or the appropriate hall committee to which an application to hire a hall is made may grant the same subject to such conditions as it thinks fit or may refuse it without giving or assigning any reason therefor provided that neither the Council nor the appropriate hall committee shall grant an application to hire a hall for any function if the consent or license of any other person or body is required by law for the conduct of that function unless the Council or the appropriate hall committee is satisfied that such consent or license has been obtained.

5. The Clerk or the secretary shall, unless the Council otherwise directs, deal with applications to hire halls and shall approve or refuse the same.

6. The fees payable for the hire of a hall or the supper room and kitchen of a hall for the purpose of conducting a travelling show or for the purpose of conducting a meeting or other function of or for a charitable organisation, which organisation does not have a branch or committee within the municipal district, shall be those specified in the Second Schedule hereto. Such fees shall be paid to the Council or the appropriate hall committee at the time the application to hire is made.

7. (a) If an application is made to hire a hall for any purpose other than a purpose specified in clause 6, the applicant at the time application is made shall—

(i) pay to the Council or the appropriate hall committee the deposit specified in the Third Schedule hereto; and

(ii) indicate whether or not the hirer will clean the hall at the conclusion of the function for which it is to be hired.

7. (b) If pursuant to subclause (a) of this clause the applicant indicates that the hirer will clean the hall at the conclusion of the function for which the hall is to be hired, subject as hereinafter provided, the deposit paid pursuant to this clause shall be repaid to the person paying the same when the Clerk or the secretary is satisfied that the hall has been adequately cleaned. If the Clerk or the secretary is not so satisfied, the Council or the appropriate hall committee shall arrange for the cleaning of the hall and the deposit shall be applied towards the cost of such cleaning. To the extent to which such deposit shall be insufficient for the purpose the hirer shall pay the amount of the excess to the Council or the appropriate hall committee on demand.

(c) When an application is made to hire a hall for a series of consecutive weekly or monthly bookings only one deposit shall be payable if the applicant elects to clean the hall at the conclusion of each function but a deposit shall be paid in respect of each hiring if the applicant does not so elect.

8. Any person may apply in writing to the Council or the appropriate hall committee to hire tables or chairs for use at a place other than the hall at which they are usually kept and the fees and deposits specified in the Fourth Schedule hereto shall be paid to the Council or the appropriate hall committee at the time the application is made.

9. If any tables or chairs hired pursuant to clause 8 hereof are lost or damaged during the period of hire, the hirer shall on demand pay to the Council or the appropriate hall committee the cost of replacing or repairing the same and the deposit paid pursuant to clause 8 hereof may be applied towards such cost. To the extent to which such deposit shall be insufficient for that purpose the hirer shall pay the amount of the excess to the Council or the appropriate hall committee on demand.

10. Where it is proposed to consume liquor in—

(a) a hall during the period of hire a fee of \$4.00;

(b) the supper room and/or kitchen of a hall only a fee of \$2.00,

shall be paid when the application to hire is made.

11. If an application for the hire of a hall or tables or chairs is refused, any hiring fee, deposit or other amount paid shall be refunded by the Council to the person paying the same. If the Council or the appropriate hall committee agrees to hire a hall, tables or chairs and the hiring is subsequently cancelled by the hirer, any hiring fee, deposit or other amount paid shall be forfeited to the Council provided that the Council may, if it thinks fit, refund the whole or any part thereof to the person paying the same.

12. Notwithstanding that the Council or the appropriate hall committee has agreed to hire a hall or tables or chairs, it may at any time prior to the commencement of the period of hire, on repayment of any hiring fee, deposit or other amount paid, cancel the hiring and neither the Council nor the appropriate hall committee shall be liable to pay any compensation or damages by reason of such cancellation.

13. (a) In the event of damage being caused to a hall, or, in the event of any property, chattels, equipment, fixtures or fittings therein or used in connection therewith or in the vicinity thereof being lost or damaged during the period of hire, the hirer shall pay to the Council or the appropriate hall committee on demand the cost of making good such loss or damage.

(b) The Council or the appropriate hall committee may require as a condition of the hiring that the hirer deposit with it an amount, in addition to the deposit or hiring fee prescribed by this by-law, as security for the cost of making good any such loss or damage which may occur and in the event of any such loss or damage occurring during the period of hire the amount so deposited may be applied by the Council or the appropriate hall committee to or towards the cost of making good such loss or damage. To the extent to which such amount shall be insufficient for that purpose the hirer shall pay the amount of the excess to the Council or the appropriate hall committee on demand.

14. The hirer of a hall shall ensure that during the period of hire—

(a) no light and no lighting fixture or fitting is interfered with, covered or decorated in any way except with the written consent of the Clerk or the secretary;

(b) no confetti or candles are brought into or used in the hall without the written consent of the Clerk or the secretary;

(c) no decorations are brought into the hall or are made to the exterior of the hall without the written consent of the Clerk or the secretary;

(d) all decorations, including flowers, in respect of which the consent of the Clerk or the secretary has been given and all equipment brought into the hall are removed immediately upon the conclusion of the function for which the hall is hired;

(e) no damage is caused to the hall or any property, chattels, equipment, fixtures or fittings therein or used in connection therewith;

(f) no property, chattels, equipment, fixtures or fittings are removed from the hall;

(g) no nuisance or annoyance is caused to the owners or occupiers of property in the vicinity of the hall;

(h) no offensive impersonations or representations of living persons are given or made and that nothing is done which is calculated or likely in the opinion of the Clerk or the secretary to cause a disturbance or breach of the peace;

(i) no spirituous liquors, wines, ales or spirits shall be brought into, consumed or served in the hall without the written consent of the Clerk or the Secretary and then only in accordance with the terms and conditions upon which such consent is granted;

(j) where liquor or other drinks are to be served from a keg or other bulk container such keg or container is located in a place designated or approved by an officer of the Council or the caretaker or the secretary of the hall;

(k) no nails, tacks, screws or similar things are inserted into the woodwork or walls or ceilings of the hall;

- (l) the caretaker of any hall, any police officer, the Clerk, the secretary and any officer of the Council authorised in writing by the Clerk shall at all times during the period of hire have free access to the hall and every part thereof;
 - (m) the provisions of the Health Act and of every other Act and of all by-laws, rules and regulations for the time being in force relating to the hiring and use of buildings are complied with.
15. No person using a hall shall—
- (a) Behave in a disorderly manner;
 - (b) Use any profane or indecent language;
 - (c) Create or take part in any disturbance;
 - (d) Be in an intoxicated condition;
 - (e) Cause any nuisance or annoyance to the owners or occupiers of any property in the vicinity of the hall;
 - (f) Damage, mark or deface all or any part thereof or any property, chattels, equipment, fixtures or fittings therein or used in connection therewith;
 - (g) Stand, loiter or cause any obstruction whatsoever to the entrance, exits or passageways of the hall.
16. If there shall be a breach of any of the provisions of clauses 14 and 15 of this by-law, the Clerk, the secretary, a police officer or the caretaker of the hall may terminate the hiring forthwith and thereupon all persons in the hall shall leave the hall. Neither the Council nor the appropriate hall committee shall be liable to any person or persons for damages or compensation by reason of the exercise of the powers conferred by this clause.
17. Every person who fails to comply with the provisions of this by-law or who does any act forbidden by this by-law shall be guilty of an offence and liable to a penalty of \$100.00.

HEALTH ACT, 1911-1970; DOG ACT, 1903-1965; AND LOCAL GOVERNMENT ACT, 1960-1972.

The Municipality of the Shire of Pingelly.

By-laws Relating to Dogs.

L.G. 117/73.

IN pursuance of the powers conferred upon it by the abovementioned Acts and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 11th day of January, 1973, to make and submit for confirmation by the Governor the following by-laws regarding the Control of Dogs in the Townsite of Pingelly.

Interpretation.

1. In these by-laws the term "Council" shall mean the Pingelly Shire Council.
2. All previous by-laws relating to dogs are hereby repealed.

PART I.—IMPOUNDING OF DOGS.

3. The Council may establish and maintain a pound or pounds for the impounding of dogs seized pursuant to the provision of the Dog Act, 1903-1965.

4. A dog seized by the Police or by an officer authorised by the Council may be placed in a pound.

5. Where a dog has been seized or placed in a pound the keeper of the pound or other officer authorised by the Council shall, if the owner or person usually in charge of the dog is known to him, forthwith notify such person that the dog has been impounded.

6. If the owner or person apparently acting on behalf of the owner of the dog seized or impounded shall claim such dog then upon payment of the fees specified in the schedule hereto the dog shall be released to such person.

7. The poundkeeper shall be in attendance at the pound for the release of dogs as such time and on such days of the week as shall from time to time be determined by the Council.

8. Any person applying for the release of a dog seized or impounded shall prove to the satisfaction of the poundkeeper or other officer authorised by the Council the ownership of the dog and his authority to take delivery of it. The poundkeeper or officer may accept such proof as he considers satisfactory and no person shall have any right of action against him or the Council in respect of the delivery of a dog in good faith.

9. If a dog shall not be claimed and the said fees paid within 48 hours of its being seized or if a dog having a collar around its neck with a registration label for the current year affixed thereto shall not be claimed and the said fees paid within 48 hours of the service of a notice upon the registered owner, the poundkeeper or other officer authorised by the Council may sell such dog.

10. Upon the sale of a dog, the proceeds of sale shall be the property of the Council and may be disposed of in such manner as the Council thinks fit. The owner of a dog sold in pursuance of these by-laws shall have no claim against the Council in respect of the proceeds thereof.

11. If within the time mentioned in by-law 9 hereof or at any time before the destruction of a dog the dog has not been claimed as aforesaid and the said fee paid and if no offer has been received for its purchase the dog may be destroyed.

12. Notwithstanding anything herein contained but subject to the provisions of section 19 of the Dog Act, 1903-1965, any dog seized or impounded may at any time be destroyed upon the authority of the Shire Clerk or the Council if in the opinion of the Shire Clerk the dog is too savage or noisy to be kept or is suffering from an injury, disease or sickness.

13. If the Council shall destroy a dog at the request of its owner whether such dog shall have been seized or impounded or not, the owner shall pay to the Council the fee specified in the schedule hereto.

14. No person shall—

- (a) unless a poundkeeper or other officer of the Council duly authorised in that regard release or attempt to release a dog from the pound;
- (b) destroy, break into, damage or in any way interfere with or render not dog proof any pound;
- (c) destroy, break into, damage, or in any way interfere with any dog cart, vehicle or container used for the purpose of catching, holding or conveying dogs which have been seized.

15. No person shall obstruct or hinder an employee of the Council or member of the Police Force in the performance of anything authorised by the provisions of the Dog Act, 1903-1965, or the regulations made in pursuance of those provisions.

16. The payment of fees in respect of the seizure, care, detention or destruction of a dog shall not relieve the owner of it of liability to a penalty under any of the provisions of these by-laws.

17. Any person who shall commit a breach of any of by-laws 3 to 17 (both inclusive) of these by-laws shall upon conviction be liable to a penalty not exceeding ten dollars (\$10).

PART II.—REGULATION OF DOG KENNELS.

18. Where the owner or occupier of any premises keeps or permits or suffers to be kept more than two dogs on the premises at the one time the Council may declare such premises to be premises to which the provision of this part of these by-laws apply and on premises so declared dogs shall be kept in an approved kennel or kennels and registered with the Council as hereinafter provided.

19. The occupier of any premises whereon more than two dogs are kept or permitted or suffered to remain and such premises have been declared by the Council pursuant to the preceding by-law, shall provide a kennel or kennels which shall comply with the following conditions:—

- (a) Each kennel shall have a yard appurtenant thereto.
- (b) Each kennel and each yard and every part thereof shall not be at any less distance than 30 feet from the boundaries of the land in the occupation of the occupier.
- (c) Each kennel and each yard and every part thereof shall not be any less distance than 80 feet from any road or street.
- (d) Each kennel and each yard and every part thereof shall not be any less distance than 60 feet from any dwelling, house, church, schoolroom, hall or factory.
- (e) The walls shall be rigid, impervious and structurally sound.
- (f) The roof shall be constructed of some impervious materials.
- (g) All external surfaces of material shall be painted and kept painted with good quality paint.
- (h) The lowest internal height shall be at least 6 feet from the floor.
- (i) Each yard shall be securely fenced and kept securely fenced with a fence not less than 6 feet in height constructed of galvanised iron, wood, galvanised link mesh or netting.
- (j) All gates shall be provided with proper catches or means of fastening.
- (k) The upper surface of the floor of each kennel shall be set at least 4 inches above the surface of the surrounding ground and shall be constructed of granolithic cement finished to a smooth surface, it should have a fall of not less than 1 in 100. The entire yard shall be surrounded by a drain which shall be properly laid, ventilated and trapped. All floor washings shall pass through this drain and shall be disposed of in accordance with the Health requirements of the Council.
- (l) The floor of any yard which is floored shall be constructed in the same manner as the floor of any kennel and as provided in the next proceeding paragraph.
- (m) For each dog kept therein every kennel shall have not less than 20 square feet of floor space and every yard not less than 25 square feet.

- (n) All kennels and yards and all feeding and drinking vessels shall be maintained in a clean condition and cleansed and disinfected when so ordered by an officer of the Council.
20. Council shall not permit the establishment or maintenance of a kennel in any area if in the opinion of the Council such kennel would adversely affect the environment, be a nuisance to other residents or in any way otherwise be detrimental or prejudicial.
21. The occupier of any premises which have been declared by the Council shall not allow, permit or suffer any dog to be at large or roam outside the kennel or yard.
22. No kennel shall be erected unless and until plans, specifications and a location plan showing the proposed site for such kennel and of the yard appurtenant thereto have been approved by the Council.
23. Council may not approve or register a kennel until the occupier of the premises have advertised in a public newspaper his intention to establish a kennel upon the premises and Council has considered any objections raised to the maintenance of the kennel upon the premises.
- Approved kennels shall be registered by the Council on receipt of the fee prescribed in the schedule and shall be subject to annual review before renewal.
24. Any person who shall commit a breach of any of by-laws 18 to 24 (both inclusive) of these by-laws shall upon conviction be liable to a penalty not exceeding one hundred dollars (\$100).

PART III.—GENERAL.

25. No person shall permit a dog to wander at large and shall keep such dog chained or under effective control at all times.
26. The owner of a dog shall prevent that dog from entering or being in any of the following places:—
- (a) A public building.
 - (b) A theatre or picture garden.
 - (c) A house of worship.
 - (d) A shop or other public business premises.
27. The owner of a dog shall prevent that dog from entering or being in any of the following places unless on a leash held by a person:—
- (a) A sports ground.
 - (b) An area set aside for public recreation.
 - (c) A car park.
 - (d) A school.
 - (e) Any land vested in or under the control of the Council including a road or street.
28. The occupier of any premises other than a registered kennel where a dog is kept or permitted or suffered to remain shall not allow such dog by continuous barking to be a nuisance to any inhabitant or inhabitants in the neighbourhood.
29. Any person who shall commit a breach of any of By-laws 25 to 28 (both inclusive) of these By-laws shall upon conviction be liable to a penalty not exceeding ten dollars (\$10).
30. Dogs used in the droving tending or in the management of livestock under the control of the owner or employees shall not be deemed to come within the provisions of By-law 27 (e) of this Part.
31. The dog pound for the Shire of Pingelly is situated on Lot 822 at the corner of Review and Paragon Streets, Pingelly.

LOCAL GOVERNMENT ACT, 1960-1972.

The Municipality of the Shire of Rockingham.

By-law Relating to Safety Bay Jetty.

L.G. 140/73.

IN pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it the Council of the abovementioned Municipality hereby records having resolved on the 23rd day of January, 1973 to make and submit for confirmation by the Governor the following By-law:—

1. In this By-law "Council" means the Council of the Shire of Rockingham.
2. This By-law applies to that jetty on the foreshore of Safety Bay which measures approximately 250 feet in length by 20 feet in width and which adjoins Reserve A22948 and is located approximately opposite Watts Road, Safety Bay.
3. A person shall not drive or ride any motor vehicle, motor cycle or bicycle upon the jetty unless he is authorised in writing by the Council so to do and then only for the purpose of loading goods onto or unloading goods from a boat.
4. The Council may authorise a person to so drive or ride any such vehicle or cycle on a specific date or dates for a specific period of time or generally.
5. The Council shall not so authorise a person unless it is satisfied that such authority is necessary to enable that person to load goods onto or to unload goods from a boat.
6. The Council may at any time revoke an authority given by it pursuant to this By-law without assigning any reason for such revocation.
7. A person shall not reverse a motor vehicle along the jetty unless a person over the age of eighteen years walks at the rear of the vehicle throughout the time it is so reversing.
8. A person shall not touch or otherwise interfere with any boat arriving, leaving or moored at the jetty or with the mooring lines of any such boat without the consent or approval of the owner or the person in charge of such boat.
9. Without the written consent of the Council a person shall not moor a boat or cause, permit or suffer a boat to be moored at the jetty for a continuous period of more than one hour.
10. When a boat has been moored at the Jetty a person shall not moor it again at the jetty on the same day unless it has been taken and kept away from the jetty for at least four hours.
11. Any person who does anything which he is by this By-law prohibited from doing and any person who does not do a thing which by this By-law he is required to do commits an offence and shall be liable on conviction to a penalty of not less than \$10.00 and not more than \$100.00.

HEALTH ACT, 1911-1970; DOG ACT, 1903-1965; AND LOCAL GOVERNMENT ACT, 1960-1971.

The Municipality of the Shire of Serpentine-Jarrahdale.

By-laws Relating to Dogs.

L.G. 586/71.

IN pursuance of the powers conferred upon it by the abovementioned Acts and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 18th day of September, 1972, to make and submit for confirmation by the Governor the following by-laws:—

Interpretation.

1. In these by-laws the term "Council" shall mean the "Serpentine-Jarrahdale Shire Council".
2. All previous by-laws relating to dogs are hereby repealed.

PART I.—IMPOUNDING OF DOGS.

3. The Council may establish and maintain a pound or pounds for the impounding of dogs seized pursuant to the provisions of the Dog Act, 1903-1965.

4. A dog seized by the Police or by an officer authorised by the Council may be placed in a pound.

5. Where a dog has been seized or placed in a pound the keeper of the pound or other officer authorised by the Council shall, if the owner or person usually in charge of the dog is known to him, forthwith notify such person that the dog has been impounded.

6. If the owner or person apparently acting on behalf of the owner of the dog seized or impounded shall claim such dog then upon payment of the fees specified in the schedule hereto the dog shall be released to such person.

7. The poundkeeper shall be in attendance at the pound for the release of dogs at such time and on such days of the week as shall from time to time be determined by the Council.

8. Any person applying for the release of a dog seized or impounded shall prove to the satisfaction of the poundkeeper or other officer authorised by the Council the ownership of the dog and his authority to take delivery of it. The poundkeeper or officer may accept such proof as he considers satisfactory and no person shall have any right of action against him or the Council in respect of the delivery of a dog in good faith.

9. If a dog shall not be claimed and the said fees paid within 48 hours of its being seized or if a dog having a collar around its neck with a registration label for the current year affixed thereto shall not be claimed and the said fees paid within 48 hours of the service of a notice upon the registered owner, the poundkeeper or other officer authorised by the Council may sell such dog.

10. Upon the sale of a dog, the proceeds of sale shall be the property of the Council and may be disposed of in such manner as the Council thinks fit. The owner of a dog sold in pursuance of these by-laws shall have no claim against the Council in respect of the proceeds thereof.

11. If within the time mentioned in by-law 9 hereof or at any time before the destruction of a dog the dog has not been claimed as aforesaid and the said fee and if no offer has been received for its purchase the dog may be destroyed.

12. Notwithstanding anything herein contained but subject to the provisions of section 19 of the Dog Act, 1903-1965, any dog seized or impounded may at any time be destroyed upon the authority of the Shire Clerk or the Council if in the opinion of the Shire Clerk the dog is too savage or noisy to be kept or is suffering from an injury, disease or sickness.

13. If the Council shall destroy a dog at the request of its owner whether such dog shall have been seized or impounded or not, the owner shall pay to the Council the fee specified in the schedule hereto.

14. No person shall—

- (a) unless a poundkeeper or other officer of the Council duly authorised in that regard, release or attempt to release a dog from a pound;
- (b) destroy, break into, damage or in any way interfere with or render not dog proof any pound;
- (c) destroy, break into, damage, or in any way interfere with any dog cart, vehicle or container used for the purpose of catching, holding or conveying dogs which have been seized.

15. No person shall obstruct or hinder an employee of the Council or member of the Police Force in the performance of anything authorised by the provisions of the Dog Act, 1903-1965, or the regulations made in pursuance of those provisions.

16. The payment of fees in respect of the seizure, care, detention or destruction of a dog shall not relieve the owner of it of liability to a penalty under any of the provisions of these by-laws.

17. Any person who shall commit a breach of any of by-laws 3 to 17 (both inclusive) of these by-laws shall upon conviction be liable to a penalty not exceeding ten dollars (\$10).

PART II.—REGULATION OF DOG KENNELS.

18. Where the owner or occupier of any premises keeps or permits or suffers to be kept more than two dogs on the premises at the one time the Council may declare such premises to be premises to which the provision of this part of these by-laws apply and on premises so declared dogs shall be kept in an approved kennel or kennels and registered with the Council as hereinafter provided.

19. The occupier of any premises whereon more than two dogs are kept or permitted or suffered to remain and such premises have been declared by the Council pursuant to the preceding by-law, shall provide a kennel or kennels which shall comply with the following conditions:—

- (a) Each kennel shall have a yard appurtenant thereto.
- (b) Each kennel and each yard and every part thereof shall not be at any less distance than 30 feet from the boundaries of the land in the occupation of the occupier.

- (c) Each kennel and each yard and every part thereof shall not be at any less distance than 80 feet from any road or street.
 - (d) Each kennel and each yard and every part thereof shall not be any less distance than 60 feet from any dwelling, house, church, schoolroom, hall or factory.
 - (e) The walls shall be rigid, impervious and structurally sound.
 - (f) The roof shall be constructed of some impervious material.
 - (g) All external surfaces of material shall be painted and kept painted with good quality paint.
 - (h) The lowest internal height shall be at least 6 feet from the floor.
 - (i) Each yard shall be securely fenced and kept securely fenced with a fence not less than 6 feet in height constructed of galvanised iron, wood, galvanised link mesh or netting.
 - (j) All gates shall be provided with proper catches or means of fastening.
 - (k) The upper surface of the floor of each kennel shall be set at least 4 inches above the surface of the surrounding ground and shall be constructed of granolithic cement finished to a smooth surface, it shall have a fall of not less than 1 in 100. The entire yard shall be surrounded by a drain which shall be properly laid, ventilated and trapped. All floor washings shall pass through this drain and shall be disposed of in accordance with the Health requirements of the Council.
 - (l) The floor of any yard which is floored shall be constructed in the same manner as the floor of any kennel and as provided in the next proceeding paragraph.
 - (m) For each dog kept therein every kennel shall have not less than 20 square feet of floor space and every yard not less than 25 square feet.
 - (n) All kennels and yards and all feeding and drinking vessels shall be maintained in a clean condition and cleansed and disinfected when so ordered by an officer of the Council.
20. Council shall not permit the establishment or maintenance of a kennel in any area if in the opinion of the Council such kennel would adversely affect the environment, be a nuisance to other residents or in any way otherwise be detrimental or prejudicial.
21. The occupier of any premises which have been declared by the Council shall not allow, permit or suffer any dog to be at large or roam outside the kennel or yard.
22. No kennel shall be erected unless and until plans, specifications and a location plan showing the proposed site for such kennel and of the yard appurtenant thereto have been approved by the Council.
23. Council may not approve or register a kennel until the occupier of the premises has advertised in a public newspaper his intention to establish a kennel upon the premises and Council has considered any objection raised to the maintenance of the kennel upon the premises.
- Approved kennels shall be registered by the Council on receipt of the fee prescribed in the Schedule and shall be subject to annual review before renewal.
24. Any person who shall commit a breach of any of By-laws 18 to 24 (both inclusive) of these by-laws shall upon conviction be liable to a penalty not exceeding One Hundred Dollars.

PART III.—GENERAL.

25. No person shall permit a dog to wander at large and shall keep such dog chained or under effective control at all times.
26. The owner of a dog shall prevent that dog from entering or being in any of the following places:—
- (a) A public building.
 - (b) A theatre or picture garden.
 - (c) A house of worship.
 - (d) A shop or other public business premises.
27. The owner of a dog shall prevent that dog from entering or being in any of the following places unless on a leash held by a person:—
- (a) A sports ground.
 - (b) An area set aside for public recreation.
 - (c) A car park.
 - (d) A school.
 - (e) Any land vested in or under the control of the Council including a road or street.
28. The occupier of any premises where a dog is kept or permitted or suffered to remain shall not allow such dog by continuous barking to be a nuisance to any inhabitant or inhabitants in the neighbourhood.
29. Any person who shall commit a breach of any of By-laws 25 to 28 (both inclusive) of these By-laws shall upon conviction be liable to a penalty not exceeding Ten Dollars.
30. Dogs used in the droving tending or in the management of livestock under the control of the owner or employees shall not be deemed to come within the provisions of By-law 27 (s) of this Part.
