#### TOWAGE CONDITIONS.

TOWAGE IS UNDERTAKEN ONLY UNDER THE TOWAGE CONDITIONS  
PRINTED HEREUNDER AND APPLICATION FOR A TUG IS DEEMED  
TO CONSTITUTE ACCEPTANCE OF THE CONDITIONS.

1. For the purpose of these conditions, the phrase "whilst towing" shall be deemed to cover the period commencing when the tug is in a position to receive orders direct from the Hirer's vessel to pick up ropes or lines or when the tow rope has been passed to or by the tug, whichever is the sooner, and ending when the final orders from the Hirer's vessel to cast off ropes or lines have been carried out, or the tow rope has been finally slipped and the tug is safely clear of the vessel, whichever is the later. Towing is any operation in connection with holding, pushing, pulling or moving the vessel.

2. On the employment of a tug the Master and Crew thereof become the servants of and identified with the Hirer and are (as to both the work to be done and the manner in which it is to be done) under the control of the Hirer or his servants or his agents, and anyone on board the Hirer's vessel who may be paid or would or might but for these conditions be or be deemed to be employed by the Company shall be considered the servant of the Hirer.

3. The Company shall not bear or be liable for any loss or damage (including without prejudice to the generality of the foregoing any loss of or damage to the Hirer's vessel or anything on board the Hirer's vessel or any loss of or damage to the tug or anything on board the tug or any loss of or damage to anything else the property of the Company or any personal injury or any loss of life) occurring whilst towing or whilst the Company is at the request express or implied of the Hirer or in accordance with the Regulations rendering any service to the Hirer other than towing and caused or done by or arising out of the act or omission of the tug the Hirer's vessel or the Master or Crew of the tug or of the Hirer's vessel or caused by or arising out of the negligence of the Company its servants or agents, the unseaworthiness unfitness or breakdown of the tug or its machinery, boilers, towing gear, hawsers, or other equipment, lack of fuel stores or speed or any other cause whatsoever and the Hirer shall bear and compensate the Company for any loss or damage of the kind herein specified suffered by the Company itself and shall in addition (to the extent if any to which this provision fails to relieve the Company from the burden or liability in respect of any loss or damage of the kind first referred to herein) indemnify the Company and hold it harmless in respect of and against all such burden or liability PROVIDED THAT this condition shall not apply to loss or damage suffered by the Hirer and caused by or arising from want of reasonable care on the part of the Company to make the tug seaworthy for its navigation whilst towing or rendering any service as aforesaid (the burden of proving such want of care being upon the Hirer).

4. The Hirer shall not bear or be liable for any loss or damage of any description done by or to the tug otherwise than whilst towing or for loss of life or injury to the crew of the tug. Nevertheless nothing contained herein shall prejudice any claim the Company may have in Admiralty or at Common Law against the Hirer.

5. The Company may substitute one tug for another and may sub-let the work, wholly or in part, to other Tugowners, who shall also have the benefit of and be bound by these Conditions.

6. Notwithstanding anything contained in these Conditions the Company shall not be liable for the consequences of war, strikes, lockouts, riots, civil commotions, disputes or labour disturbances (whether they be parties thereto or not) or anything done in contemplation thereof and shall not be liable for any loss or damage caused by or arising out of any failure or refusal to supply a tug or any delay whether due to the negligence of the Company its servants or agents or any other cause whatsoever.
