Inquiries to be answered before grant issues.
Rule 10 amended by G.G. 20/10/72, p. 4160.

10. (1) The Master shall not allow a grant to issue until all inquiries that he may see fit to make have been answered to his satisfaction.

(2) Where the omission is deemed to be of no consequence the Master may dispense with full compliance with the requirements of rule 8, rule 9 or 9A.

(3) The Master may require proof of the identity of the deceased or of the applicant beyond that contained in the applicant's affidavit.

Grant in additional name.

11. Where it is necessary to describe the deceased in a grant by some name in addition to his true name, the applicant shall depose to the true name of the deceased, and shall also depose that some part of the estate, specifying it, was held in the other name, or as to any other reason that there may be for the inclusion of the other name in the grant.

Marking of will.
Rule 12 amended by G.G. 20/10/72, p. 4160.

12. (1) A will sought to be proved shall be marked by the signatures of the applicant and the person before whom his affidavit is sworn, and shall be exhibited to any affidavit that may be required under these rules as to the validity, terms, condition or date of execution of the will.

(2) Where the Master is satisfied that compliance with this rule might result in the loss of the will, he may allow a photographic copy of the will to be marked or exhibited in lieu of the original document.

(3) The signatures referred to in subrule (1) of this rule and any necessary exhibit note shall be endorsed on the cover of the will or on such other place where the signatures and exhibit note will not appear in any photographic reproduction of the will.

Invalid will to be produced.

13. A document of a testamentary character purporting to be of the deceased, if alleged to be invalid for any reason other than revocation, shall be brought into the Registry with the application, unless production is dispensed with by order of the Master.

Evidence as to due execution of will.

15. (1) Where a will contains no attestation clause or the attestation clause is insufficient or where it appears to him that there is some doubt concerning the due execution of the will, the Master shall, before admitting it to proof, require an affidavit as to due execution from one or more of the attesting witnesses or, if no attesting witness is conveniently available, from any other person who was present at the time the will was executed.

(2) An affidavit of due execution shall be in accordance with Form 1 with such variations as the circumstances may require.

(3) Where an affidavit cannot be obtained in accordance with sub-rule (1) of this rule, the Master may, having regard to the desirability of protecting the interests of any person who may be prejudiced by the will, accept evidence on affidavit from such person as he may think fit to show that the signature on the will is in the handwriting of the deceased, or of any other matter that may raise a presumption in favour of the due execution of the will.

(4) Where the Master, after considering the evidence—

- (a) is satisfied that the will was not duly executed, he shall refuse the application and shall mark the will accordingly;
- (b) is in doubt whether the will was duly executed, he may refer the matter to the Court on motion.

16. Before admitting to proof a will that appears to have been signed by a blind or illiterate testator or by another person by direction of the testator, or which for any other reason gives rise to doubt as to the testator having had knowledge of the contents of the will at the time of its execution, the Master shall satisfy himself that the testator had such knowledge.

Execution of will of blind or illiterate testator.

17. (1) Where there appears in a will any obliteration, interlineation, or other alteration that is not authenticated in the manner prescribed by section 21 of the Wills Act, 1837, or section 10 of the Wills Act, 1970 (whichever is applicable), or by the re-execution of the will or by the execution of a codicil, the Master shall require evidence to show whether the alteration was present at the time the will was executed, and shall give directions as to the form in which the will is to be proved.

Evidence as to terms, condition and date of execution of will.
Rule 17 amended by G.G. 20/10/72, p. 4160.

(2) Subrule (1) of this rule does not apply to an alteration that appears to the Master to be of no practical importance.

(3) Where from a mark on a will it appears to the Master that some other document has been attached to the will, or where a will contains a reference to another document in such terms as to suggest that it ought to be incorporated in the will, the Master may require the document to be produced and may call for evidence in regard to the attachment or incorporation of the document.

(4) Where there is doubt as to the date on which a will was executed, the Master may require such evidence as may be necessary to establish the date.

(5) Where a sheet of a will is not signed by the testator and by the attesting witnesses, affidavit evidence shall be adduced establishing that the sheet formed part of the will as executed by the testator, unless in any particular case this requirement is dispensed with by order of the Master.

18. Any appearance of attempted revocation of a will by burning, tearing or otherwise, and every other circumstance leading to a presumption of revocation by the testator, shall be accounted for to the satisfaction of the Master.

Attempted revocation of will.

Affidavit as to due execution, terms, etc., of will.

19. The Master may require an affidavit from such person as he may think fit for the purpose of satisfying himself as to any of the matters referred to in rules 16, 17 and 18; and in any such affidavit sworn by an attesting witness or other person present at the time of the execution of a will the deponent shall depose to the manner in which the will was executed.

Will not proved under s. 9 of Wills Act, 1837. .
E.g. Act No. 24 of 1964.
Rule 20 amended by G.G. 20/10/72, p. 4160.

20. Nothing in rules 15, 16, 17 or 18 applies to any will that it is sought to establish otherwise than by reference to section 9 of the Wills Act, 1837, as explained by Act 18 Vict. No. 13 or section 8 of the Wills Act, 1970; but the terms and validity of any such will shall be established to the satisfaction of the Master.

Privileged Wills.
Rule 21 substituted by G.G. 20/10/72, p. 4161.

21. Where it appears to the Master that there is a *prima facie* evidence that the will is one to which either of the following provisions apply, namely, section II of the Wills Act, 1837, as amended by the Wills (Soldiers, Sailors and Airmen) Act, 1941, or Part VI of the Wills Act, 1970, the will may be admitted to proof where the Master is satisfied that the will was signed by the testator or, if unsigned, that it is in the testator's handwriting.

Notice of application for administration to be given to next of kin and spouse.
Rule 22 amended by G.G. 20/10/72, p. 4161; G.G. 23/2/73, p.531.

22. (1) Where administration is applied for by one or some only of the persons entitled to administration other than the Public Trustee, there being another or other next of kin equally entitled thereto, or a widower or widow of the deceased, within the jurisdiction, their consent duly verified shall be filed, or evidence shall be adduced of their having been served with notice of the application, or that they cannot be found.

(2) Where the widower or widow of the deceased applies and there are next of kin of full age within the jurisdiction, their consent duly verified shall be filed or evidence shall be adduced of their having been served with notice of the application, or that they cannot be found.

(3) Where administration is applied for, the Master may require notice of the application to be given to any person who is or claims to be an illegitimate child of the deceased or who claims to be entitled in distribution through any such person.

(4) A person cited who is willing to accept or take a grant may apply *ex parte* to the Master for a grant on filing an affidavit showing that he has filed a notification of his intention to be heard and that he has not been served by the citor with notice of any application for a grant to himself.

(5) Where the time limited for filing a notification of intention to be heard has expired and the person cited has not filed a notification, the citor may—

(5) Where the applicant for a grant or for the sealing of a grant does not obtain an order under section 64 of the Act, he shall, within one month, or such extended time as a Judge or the Master may allow after notice of the entry of the caveat, commence contentious proceedings by issuing a writ against the caveator and proceeding in the ordinary manner.

(6) A caveator may, if no step is taken by the executor or applicant for administration within a period of one month after notice of the entry of the caveat, apply to a Judge or the Master for an order directing the executor or applicant to proceed with his application; and the Judge or Master may make an order upon such terms as he thinks fit.
