Governor. } Distinguished Service Order, Officer of the Most
[L.S.] } Excellent Order of the British Empire, Dis-
 } tinguished Flying Cross, Governor in and over the
 } State of Western Australia and its Dependencies
 } in the Commonwealth of Australia.

WHEREAS under the provisions of the Constitution Act, 1889-1963, it is made lawful for the Governor to fix the time and place for holding the first and every other session of the Legislative Council and Legislative Assembly: Now, therefore, I, the Governor, in exercise of the powers conferred by the Act, do by this Proclamation announce and proclaim that the First Session of the Twenty-eighth Parliament shall be held for dispatch of business on Wednesday, the 22nd day of May, 1974, at the hour of eleven o'clock in the forenoon, in the House of Parliament in the City of Perth; and Members of the Legislative Council and Members of the Legislative Assembly are hereby required to give their attendance at that time and place accordingly.

Given under my hand and the Public Seal of the State, at Perth, this 1st day of May, 1974.

By His Excellency's Command,

CHARLES COURT,
Premier.

GOD SAVE THE QUEEN ! ! !

AT a meeting of the Executive Council held in the Executive Council Chamber, at Perth, this 17th day of April, 1974, the following Orders in Council were authorized to be issued:—

Fire Brigades Act, 1942-1972.

ORDER IN COUNCIL.

WHEREAS it is enacted by subsection (1) of section 5 of the Fire Brigades Act, 1942-1972, that, subject to the provisions of subsection (2) of that section, the municipal districts and parts thereof

constituted as fire districts prior to the coming into operation of the Fire Brigades Act Amendment Act, 1971, as set out in the Second Schedule to the Act, are for the purposes of the Act fire districts under the respective names as set out in that Schedule; and whereas a portion of the Municipal District of the Shire of Esperance was constituted a fire district with the name Esperance Fire District; and whereas it is further enacted, *inter alia*, by subsection (2) of that section that for the purposes of the Act the Governor may from time to time, by Order in Council, adjust the boundaries of a fire district: Now, therefore, His Excellency the Governor, acting with the advice and consent of the Executive Council doth hereby adjust the boundaries of the Esperance Fire District in accordance with the description set out in the Schedule to this Order.

W. S. LONNIE,

AT a meeting of the Executive Council held in the Executive Council Chamber at Perth this 1st day of May, 1974, the following Orders in Council were authorised to be issued:—

Parliamentary Salaries and Allowances
Act, 1967-1972.

ORDER IN COUNCIL.

WHEREAS it is enacted by subsection (1) of section 5 of the Parliamentary Salaries and Allowances Act, 1967-1972, that for the purposes of that Act

there shall be a tribunal to be known as the Parliamentary Salaries Tribunal; and whereas it is enacted by subsection (1) of section 9 of that Act that the Governor shall cause the Tribunal to be called together to commence an inquiry for the purposes of section 7 of the Act, in the case of each inquiry subsequent to the first inquiry, not later than three years after the date on which the immediately preceding inquiry commenced; and whereas the last immediately preceding inquiry of the Tribunal commenced on the 14th day of June, 1971: Now, therefore, I, the Governor, acting with the advice and consent of the Executive Council, do hereby call the Parliamentary Salaries Tribunal together to commence an inquiry for the purposes of section 7 of the Parliamentary Salaries and Allowances Act, 1967-1972, on the 10th day of June, 1974.

W. S. LONNIE,
Clerk of the Council.

Local Government Act, 1960-1973.

ORDER IN COUNCIL.

L. and S. Corres. 1509/58 (R.4345).

WHEREAS by section 288 of the Local Government Act, 1960-1973, it shall be lawful for the Governor, on request by a Council of a Municipal District, by Order published in the *Government Gazette* to declare any lands reserved or acquired for use by the public or used by the public as a street, way, public place, bridge or thoroughfare, under the care, control, and management of the Council, or lands comprised in a private street, constructed and maintained to the satisfaction of the Council, or lands comprised in a private street of which the public has had uninterrupted use for a period of not less than ten years, as a public street and if the Council thinks fit, that the Governor shall declare the width of the carriageway and footpaths of the public street; and whereas the City of Stirling has requested that certain lands named and described in the schedule hereunder, which have been reserved for a street within its municipal district be declared a public street: Now, therefore, His Excellency the Governor by and with the advice and consent of the Executive Council, doth hereby declare the said lands to be a public street, and such land shall, from the date of this Order, be absolutely dedicated to the public as a street within the meaning of any law now or hereafter in force.

W. S. LONNIE,
Clerk of the Council.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Health Act, 1911-1973, has been pleased to make the regulations set forth in the Schedule hereunder.

W. S. DAVIDSON,
Commissioner of Public Health.

Schedule.
Regulations.

1. (1) These regulations may be cited as the Derby Leprosarium Regulations Amendment Regulations, 1974.

(2) In these regulations the Derby Leprosarium Regulations published in the *Government Gazette* on the 11th June, 1954, are referred to as the principal regulations.

(3) The principal regulations as amended by these regulations may be cited as the Derby Leprosarium Regulations, 1974.

2. Regulation 4 of the principal regulations is amended—

(a) by inserting after the regulation designation "4." the subregulation designation "(1)"; and

(b) by adding two new subregulations as follows—

(2) The medical officer for the time being in charge of the institution or the Superintendent of the institution may take such steps as he considers necessary, with such necessary force as the case may require, to prevent a patient of the institution being unlawfully removed or persuaded to abscond from the custody of the institution.

(3) A person who persuades or causes a patient of the institution to abscond from the custody of the institution, or who harbours any such absconding patient, commits a breach of these regulations.

3. Regulation 7 of the principal regulations is amended by deleting the words "mental patient" and substituting the words "patient suffering from a mental disorder".

4. Regulation 9 of the principal regulations is amended by inserting immediately prior to the word "officer" the word "medical".

5. Regulation 11 of the principal regulations is amended by inserting immediately prior to the word "officer" the word "medical".

6. Regulation 12 of the principal regulations is revoked.

7. The principal regulations are amended by adding after regulation 11 seven new regulations as follows—

12. A person who unlawfully—

(a) enters within the boundaries of the institution; or

(b) communicates, consorts or improperly interferes with any patient in the institution,

may be removed from the institution with such necessary force as the case may require.

13. A member of the police force shall render such assistance as is required to give effect to an order for the removal to and detention in the institution of any person, and in the enforcement of these regulations.

14. (1) No patient of the institution shall make physical contact or consort with any person, other than a patient or a member of the staff of the institution, without the prior consent of the medical officer for the time being in charge of the institution.

(2) No person, other than a patient or a member of the staff of the institution, shall make physical contact or consort with any patient of the institution without the prior consent of the medical officer for the time being in charge of the institution.

15. (1) No patient of the institution shall sell, give, lend, supply or otherwise make available any article of clothing to any person other than a patient or a member of the staff of the institution.

(2) No person other than a patient or member of the staff of the institution shall buy, accept, borrow or otherwise receive or obtain any article of clothing from a patient of the institution.

16. Except with the prior consent of the Superintendent of the institution—

(a) no patient of the institution shall buy, obtain, possess, store or consume any beverage containing alcohol; and

(b) no person shall sell, give, supply or otherwise make available to any patient of the institution any beverage containing alcohol.

17. (1) A patient of the institution who is given permission by the medical officer for the time being in charge of the institution to leave the institution temporarily, and any person discharged to surveillance from the institution, shall observe, conform with and obey the conditions or restrictions with regard to the prevention and the checking of the spread of leprosy imposed by the medical officer at the time of such permission or in relation to the discharge to surveillance.

(2) A person discharged to surveillance from the institution shall present himself for surveillance examination at such times and places as the medical officer in charge of surveillance may require.

18. The Superintendent of the institution shall carry out the instructions from time to time given by the medical officer for the time being in charge of the institution relating to the care and custody of patients and the management of the institution.

19. A person who—

- (a) fails to observe, conform with or obey any condition or restriction imposed pursuant to these regulations within the time or in the manner thereby provided; or
- (b) contravenes or fails to comply with any provision of these regulations,

commits an offence and is liable on conviction to a penalty not exceeding two hundred dollars.

Corres. No. 1474/73.

APPLICATIONS are invited under section 116 of the Land Act, 1933-1972, for the leasing of King Location 428 for the purpose of an "Oil Seed Mill" for a term of 21 years at a rental of \$500.00 per annum, subject to the following conditions:—

- (1) The land shall not be used for any purpose other than Oil Seed Mill without the prior approval in writing of the Minister for Lands.
- (2) The rent shall be subject to reappraisal at the end of the seventh and fourteenth year of the term.
- (3) The lessee shall pay cost of survey when called upon.
- (4) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage sublet or part with the possession of the demised land.
- (5) The land shall be occupied and used by the lessee for the purpose specified within nine (9) months of the commencement of the lease and thereafter will be continuously so used to the satisfaction of the Minister.
- (6) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.

- (7) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (8) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (9) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove and carry away any buildings, structures, improvements and plant the property of the lessee.
- (10) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.
- (11) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (12) Intending applicants shall submit with their application, an outline plan, drawn to scale, showing proposed developments within two years of occupying the leased land.
- (13) The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development is inadequate or unsuitable.
- (14) The lessee shall commence construction within nine (9) months and complete within two (2) years from the commencement of the lease, the approved two year development programme referred to in condition 12.

Applications must be lodged at the Department of Lands and Surveys, Perth on or before Wednesday May 22nd, 1974 accompanied by a deposit of \$252.50.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the location, the application to be granted will be decided by the Land Board.

3. Part 5—General Provisions:

Table 5—Site and Car Parking Requirements (uses generally of an Industrial Nature): Requires the addition of the following information:—

Table No. 5 shall also be modified so as to include Special Industrial as follows:—

1. Use	Special Industry.
2. Minimum Lot Area	50 Perches.
3. Minimum frontage	125 Links.
4. Minimum set backs from boundaries:	
Front	*50 feet.
Sides	10 feet.
Rear	10 feet.
5. Number of Parking Spaces or Garages to be provided	One space for each two employees, plus 25% for customer parking; or one-third of the site in addition to set back areas; whichever provides the greater number of spaces; where sales are not made from the premises, then 25% referred to above may be reduced to 10% where a showroom is attached to the premises; additional spaces at the rate of 1 space per 100 sq. ft of gross floor area shall be provided.
6. Maximum Plot Ratio	—
7. Maximum Site Coverage	—
8. Other requirements and variations	*See Clause 5.31 for corner lots. Parking requirements may be reduced for lots less than $\frac{1}{2}$ acre in area. For other requirements see 5.31.

4. By the addition of subsection 5.32 which is to read as follows:—

5.32 Special Industrial Zone: Areas designated under this zone may be used only for such business, professional service, trade or light industrial purposes as in the opinion of Council:—

- (a) provides a needed amenity or service to the local community;
- (b) does not cause injury to, or prejudicially affect the amenity of the neighbourhood, including the adjoining residential area;
- (c) does not require the provision of any essential service main of a greater capacity than normally required in the residential zone;
- (d) is restricted in advertisement to a sign 4 ft x 2 ft in area;
- (e) except as hereinafter provided no person shall erect or cause to be erected a building or any portion of a building nearer to a street alignment than fifty feet;
- (f) where a lot has a frontage to more than one street, Council may at its discretion permit the construction of buildings nearer to the street alignment of the other street or streets nominated by Council not nearer than thirty feet from the street alignment of such other street or streets;
- (g) whereby reason of this size or shape of a lot it would be in the opinion of Council to be unreasonable to insist on a setback of fifty feet from a street alignment, the Council may reduce the setback to a distance specified by it;
- (h) no person shall use or permit to be used the land within fifteen feet from the street alignment except for one or more of the following purposes:
 - (i) a means of access or egress;
 - (ii) lawns, gardens or the planting of trees and shrubs;
 - (iii) if permission of the Council shall be given thereto: trade display;
- (i) no person shall use or permit to be used the land between fifteen feet from the street alignment and the building line except for any of the following purposes:
 - (i) parking of vehicles used by employees or customers;
 - (ii) the loading or unloading of vehicles;
- (j) the occupier of the land shall within twelve months from the issue of a building licence to construct a building upon such land—
 - (i) plant and hereinafter maintain lawns and trees or shrubs, or gardens on the fifteen feet from the street alignment, except that part set aside or used as a means of access or egress;
 - (ii) plant and thereafter maintain lawn, or gardens, trees or shrubs on such areas as Council may require up to one-sixth of the remainder of the site;
- (k) the occupier of land on which there is stored, stacked or allowed to remain any rusty materials, or any materials which by their unsightliness detract from the amenity of the area or are untidy shall completely screen the said area from adjoining properties, and from street or streets by means of a wall, fence, hedge or shrubs not less than six feet in height;
- (l) every effort is to be made to retain areas and shrubs including those on street verges and public open space. Where trees are removed Council, as a condition of subdivision or development may require suitable mature trees to be planted to replace them. The cost of replacement to be borne by the subdivider or developer;

- (m) the owner of a parcel of land on which a building is erected shall on that parcel of land—
- (i) provide an area of not less than 140 sq. ft per employee in such a position and with all necessary access ways as to permit its use for the parking of a motor car;
 - (ii) provide or set aside such additional areas for the purpose of parking spaces and necessary access ways as Council may require to be provided for the purpose of customer parking, or future parking needs.
 - (iii) if there is a showroom attached to a workshop on the parcel of land there shall be in addition to the requirements of paragraph (i) hereof be provided one parking space for every 100 sq. ft of showroom floor space.
- (n) where in the opinion of Council it would be unreasonable to insist on the requirements of these parking standards Council may relax these requirements in a manner specified by it;
- (o) each parcel of land within "Special Industrial Zone" shall have:
- (i) a minimum frontage of 125 links;
 - (ii) a minimum area of 50 perches;
- (p) where land zoned for business, professional, service, industry or light industrial use has a common boundary with the land zoned for residential use, there shall be no vehicular access between the two zones;
- (q) where the said land is in separate ownership a substantial fence or wall shall be provided along the rear boundary, and a strip of garden not less than 6 ft in depth shall be planted and maintained in such fashion as to provide a visual barrier between the two zones.

THE Fremantle Port Authority acting pursuant to the provisions of the Fremantle Port Authority Act, 1902-1969, hereby makes the regulations set forth in the schedule hereunder.

W. E. WILLIS,
Secretary.

Schedule.

Regulations.

- Principal regulations. 1. In these regulations, the Fremantle Port Authority Regulations, 1971, published in the *Government Gazette* on the 10th day of December, 1971, as amended from time to time by notices so published, are referred to as the principal regulations.
- Reg. 351 amended. 2. Regulation 351 of the principal regulations is amended—
- (a) by substituting for the interpretation "authorised person" the following interpretation—
"authorised person" means a Beach Patrol Officer or Beach Inspector appointed by the Port Authority or any member of a life saving patrol who is in charge of that patrol and any Government Officer or other person acting for or on behalf of the Port Authority; and
- (b) by substituting for the interpretation "motor boat" the following interpretation—
"motor boat" means a vessel propelled by any means other than oars or sail and includes a speed boat and a sailing vessel which is equipped with propelling machinery and propelled by mechanical power; and
- (c) by adding after the interpretation "motor boat" the following interpretation—
"protected waters" means the waters contained in any river or estuary, or by any breakwater.
- Regs. 367, 368, and 369 substituted. 3. The principal regulations are amended by substituting for regulations 367, 368 and 369 the following regulations:—
- Interpretation. 367. (1) Subject to the provisions of regulation 351 of these regulations, a reference in this Section of this Part of these regulations to a motor boat is a reference to a motor boat that is a vessel, within the meaning of section 205 of the Western Australian Marine Act, 1948; and the word "owner" has the meaning provided by that section and the word "ownership" shall be construed accordingly.
- (2) In this Section of this Part of these regulations—
"trick water ski-ing" means the sport or exercise of being towed over the water by a motor boat, without being continuously supported on the surface;
"water ski-ing" means the sport or exercise of being towed over water by a motor boat, so as to be supported on the surface by a ski or skis, an aquaplane or the feet; and "water skier" means a person engaging in water ski-ing or in trick water ski-ing.
- Limits on use of motor boat for water ski-ing. 367A. Subject to regulation 367B of these regulations, a person shall not, within the boundaries of the Port, drive, a motor boat at a speed exceeding eight knots, or water ski—
- (a) without the approval of the Port Authority—
- (i) in any water having a depth of less than 10 feet;
(ii) within 150 feet of a river bank or low water mark;
- (b) in or through a mooring area;
- (c) within 50 feet of a vessel under weigh;
- (d) within 150 feet of—
- (i) a moored vessel;
(ii) a person in the water;
(iii) a jetty or wharf; or
- (e) through an arch of a bridge.
- Areas for water ski-ing. 367B. (1) The Port Authority may, by notice published in the *Government Gazette*—
- (a) limit the speed of any specified class or classes of motorboat, within the boundaries of the Port or within any specified area of the Port therein defined;
- (b) define and set aside any area within the boundaries of the Port for the purpose of racing by speed boats of which the owners have been granted permission to race by the Port Authority;
- (c) define and set aside, and impose conditions on the use of, any area within the boundaries of the Port for the purposes of water ski-ing and may, subject to such conditions as it sees fit to impose, permit the use of any waters mentioned in regulation 367A of these regulations, for that purpose; and

- (d) define and set aside any area within the boundaries of the Port for the purpose of swimming only.
- (2) A person shall not race a motor boat, or drive a motor boat towing a water skier within the boundaries of the Port, except in an area defined and set aside by the Port Authority for the purpose and where the Port Authority has imposed any conditions on the racing of speed boats, or on water ski-ing, in any such defined area, a person failing to comply with those conditions commits an offence.
- (3) Where, under the provisions of this regulation, the Port Authority defines and sets aside any area within the boundaries of the Port for a specified purpose, it may, at the same time or any other time order that those waters be not used for any but the specified purpose; and a person shall not, thereupon, use those waters for any but the specified purpose.
- Age limit for driver of motor boat in water ski-ing. 367C. (1) A person shall not drive a speed boat towing a water skier unless he is at least 17 years of age and is accompanied, in the boat, by a person of at least 14 years of age.
- (2) A person driving a speed boat towing a water skier shall maintain a constant lookout ahead and the person accompanying him, in the boat, shall maintain a constant watch over the skier or skiers being towed by that boat.
- Age limit of driver of motor boat. 367D. A person shall not drive or operate a speed boat—
- (a) if under the age of 14 years; or
- (b) if under the age of 17 years, unless accompanied, in the boat, by a person of the age of 21 years,
- and a person being the owner of, or having the control of, a speed boat shall not knowingly permit or suffer any of those things to be done.
- Dangerous and negligent driving of motor boat. 367E. Every person who—
- (a) drives or operates a vessel; or
- (b) water skis,
- in a dangerous or negligent manner, is guilty of an offence.
- Limits on motor boat in "diver below" area. 368. (1) A person shall not drive a motor boat towing a water skier or carry out any water ski-ing within the boundaries of the Port within 150 feet of any vessel or buoy displaying a flag indicating "diver below".
- (2) A person shall not drive a motor boat at a speed exceeding eight knots within the boundaries of the Port within 150 feet of any vessel or buoy displaying a flag indicating "diver below".
- Driving motor boat near water skier. 368A. A person shall not drive a speed boat directly behind a water skier or another boat under weigh so as to approach within 150 feet of such water skier or other boat.
- Priority in take-off area. 368B. A person driving a boat about to take-off shall yield right of way to a speed boat coming in to land a water skier.
- Rope handles to be held by water skier. 368C. A person shall not permit a ski rope to trail within 100 feet of the shore of any area set aside for water ski-ing, unless the rope handles are held by a skier.
- Trick ski-ing not to be within 300 feet of landing area. 368D. A person shall not drive a speed boat towing a person or persons engaged in the exercise of trick water ski-ing so as to approach within 300 feet of any landing or take-off area.
- Ski-ing not to be within 100 feet of landing area. 368E. Except as otherwise provided by any notice published under the provisions of regulation 367B of these regulations, a person shall not drive a speed boat towing water skiers within 100 feet of the shore of any landing or take-off area, except for the purpose of landing or taking off water skiers.
- Duty of motor boat driver on landing skier. 368F. After landing a water skier, the driver of a speed boat that towed the skier shall continue to a distance of not less than 200 feet from the point of dropping such skier, where he shall stop and retrieve the ski line and if coming to shore he shall then drive the boat at a speed not exceeding eight knots and in a manner so as not to interfere with, or obstruct, any other boat towing a water skier.
- Motor boat not to approach landing area. 368G. The driver of a speed boat landing a water skier shall not approach within 75 feet of the shore where the skier is to be landed.
- Driver not to ride gunwale. 368H. A person shall not, while driving a speed boat, sit on the gunwale or on the back of the driving seat.
- Ski to be retrieved. 368I. A water skier shall, immediately upon losing or intentionally discarding a ski, retrieve or cause to be retrieved such ski.

Drunken driving of speed boats prohibited.

- 368J. A person shall not—
- (a) have control of any vessel;
 - (b) attempt to operate any vessel; or
 - (c) operate any vessel,

within the boundaries of the Port whilst under the influence of alcohol or drugs to such an extent as to be incapable of having proper control of the vessel.

Ski-jumping.

368K. A person shall not use any area within the boundaries of the Port for the purpose of—

- (a) a slalom course or ski-jump unless prior approval in writing has been obtained from the Port Authority;
- (b) a slalom course or ski-jump unless a safety zone surrounding such slalom course or ski-jump is defined by red marker buoys, each having a diameter of 8 inches and fitted with a 12 inch high orange triangular pennant;
- (c) slalom ski-ing unless that person is wearing an approved buoyancy vest and in the event of attempting a ski-jump that person is wearing an approved vest and wet suit rubber pants; and
- (d) slalom ski-ing or ski-jumping unless that person is permitted to use the slalom course or ski-jump by the person or club having the approval of the Port Authority to use the water for that purpose.

Silencer to be fitted on motor boat.

368L. A person shall not use a motor boat unless it is fitted with an efficient silencer approved by the Harbour and Light Department.

Motor boat driver not to cause nuisance.

368M. A person shall not within the boundaries of the Port—

- (a) drive a boat at such a speed or in such a manner as to cause nuisance or damage to any person or to any other vessel or to any bank or property;
- (b) navigate a boat in such a manner as to obstruct, impede or otherwise interfere with or endanger the safety of other vessels or persons;
- (c) except in the case of an emergency, cause or permit a motor boat to emit smoke or vapour to such an extent as to cause danger, nuisance or annoyance to the public; or
- (d) drive a motor boat through or under a bridge with more than one vessel in tow.

Advertisements prohibited.

368N. Except with the permission in writing of the Port Authority, a person shall not cause or permit any advertisement or sign to be carried by, or displayed on, a motor boat.

Fire extinguishers.

369. Every motor boat other than a motor boat propelled by an outboard motor of 18 horsepower or less shall be equipped with a fire extinguisher that is fitted so as to be readily accessible at all times, and that—

- (a) if of the dry powder type, has a minimum capacity of 1 lb.; or
- (b) if of the liquid type, has a minimum capacity of 30 oz.

Life Jackets.

369A. Every vessel shall, when proceeding outside protected waters, be equipped with a life jacket for each person on board, that—

- (a) conforms to standard AS 1512/1973 for Life Jackets of the Standards Association of Australia; or
- (b) has been approved by the Marine Board of Victoria or the Department of Transport of the Commonwealth, as a life jacket.

Flares.

369B. Every vessel shall, when proceeding outside protected waters, be equipped with not less than one waterproof red hand flare and not less than one waterproof orange smoke flare.

Anchor and line.

369C. Every vessel, when proceeding outside protected waters, shall be equipped with an efficient anchor and line.

Unseaworthy vessels.

369D. When under the circumstances for the time being prevailing, a vessel is unseaworthy, overloaded or insufficiently equipped or is in an unsafe position or locality, the person in charge of the vessel shall forthwith obey any demand or instruction given to him by an authorised person, relating to the removal of the vessel, to reducing the load thereof or to providing any additional equipment required therefor.

Fuel in motor boats.

369E. The following provisions apply to the storage and use of fuel in all motor boats, namely—

- (a) fuel shall be carried in containers soundly constructed of metal or any other materials approved by the Harbour and Light Department and shall not, in any event be carried in plastic containers;

- (b) subject to paragraph (c) of this regulation, the pipes leading from the fuel tank to the engine shall be of steel or copper, having all joints brazed and union faces ground and made of metal;
- (c) a short length of flexible piping of some other material may be used with the approval of the Harbour and Light Department; and
- (d) an efficient valve shall be fitted against the fuel tank outlet.
- Ventilation of engine compartments. 369F. Any engine compartment of a motor boat shall be adequately ventilated.
- Lights. 369G. (1) Every vessel solely propelled by oars, every sailing vessel of not more than 14 feet in length and every motor boat of not more than 14 feet in length, shall, while operating between sunset and sunrise, be equipped with an all round white light which shall be kept lighted and shall be displayed whenever the vessel approaches, or is being approached by, any other vessel in sufficient time to warn that other vessel so as to avoid the possibility of any collision.
- (2) In this regulation, an all round white light means a white light visible all round the horizon at a distance of at least one mile.
- Priority on approaching jetty. 369H. Where two motor boats approach the same jetty in the same direction under such circumstances that if they were to proceed on their courses a dangerous situation would arise the motor boat on the outer course shall give way to the motor boat on the inner course.
- Reg. 370 amended. 4. Regulation 370 of the principal regulations is amended as follows:—
- (a) by adding before the article "A" in line one the expression "(1)";
- (b) by deleting the word "regulation" in line six and substituting the word "subregulation";
- (c) by adding the following subregulations:—
- (2) A person shall not navigate a vessel in such a manner or in such a position as to obstruct, impede or otherwise interfere with, or endanger the safety of boats or persons assembled or competing in events on the occasion of any form of aquatic sport, boat race, swimming carnival, regatta or other assembly for the purpose of entertainment within the boundaries of the Port.
- (3) The person in control of a vessel shall on the occasion of any event mentioned in subregulation (2) of this regulation immediately obey any instruction regarding navigation given to him by an authorised person.
- Regs. 370A and 370B added. 5. The principal regulations are amended by adding after regulation 370 the following regulations:—
- Power to enter and inspect. 370A. An authorised person may at any hour of the day or night enter upon and inspect any boat within the boundaries of the Port and the equipment, machinery and gear in or about the boat.
- Offences. 370B. Every person who by act or omission contravenes the provisions of any regulation in this Section of this Part, or the provisions of any notice published under, and by virtue of, this Section of this Part, commits an offence and is liable on conviction to a penalty not exceeding forty dollars.

LOCAL GOVERNMENT ACT, 1960-1973.
Municipality of the Shire of Harvey.
Valuations.

IN pursuance of the powers conferred upon it by the abovementioned Act and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 23rd day of April, 1974, to request the Governor to make an Order authorising the use of the Annual Value system of valuation for use in rating all rateable property in the townsites of Yarloop, Harvey, Wokalup, Benger, Brunswick, Roelands and Australind.

The intention of the resolution is to extend Annual Value rating to rateable property on the east side of the South West Highway in the Harvey Townsite and to the entire Australind Townsite.

The Unimproved Value system of valuation will be applied to remaining rateable property in the district.

If, after the expiration of 35 days from the last publication of this notice, no demand has been received that the question, of whether or not the Council should make the request to the Governor for the making of the Order, be submitted to a poll of ratepayers of the district, the request shall be forwarded.
