**SALARIES AND ALLOWANCES TRIBUNAL ACT,
1975.**

**DETERMINATION OF THE SALARIES AND
ALLOWANCES TRIBUNAL.**

(15th October, 1975.)

1. In our Determination of 8th August, 1975, we did not provide for any automatic adjustment of salaries to give effect to future judgments of the

Australian Conciliation and Arbitration Commission in National Wage Cases but indicated that we would determine any appropriate adjustment in the light of decisions taken by the Commission.

2. We have studied the Commission's Judgment of 18th September, 1975, and see no reason why the salaries of Members of Parliament, Stipendiary Magistrates, Special Division Officers of the Public Service and persons holding Prescribed Offices should not be increased by 3.5 per cent which is equivalent to the increase in the Consumer Price Index in the June, 1975 quarter.

3. Indeed, an anomaly would be created if the increase of 3.5 per cent were not passed on to the salary earners within the Tribunal's jurisdiction having regard to the fact that it has already been granted to others in the State Government sector on equivalent salaries.

4. Our attached determination which is in two Schedules comes into operation on 19th September, 1975.

Dated at Perth this 15th day of October, 1975.
