WHEAT DELIVERY QUOTAS ACT, 1969-1974.

Wheat Delivery 1976/77 Season.

WHEAT growers are advised the 1976/77 season has been declared a non-quota season and there is no restriction on the quantity of wheat which may be delivered.

To enable accurate property delivery records to be maintained, wheat growers who intend delivering wheat to Co-operative Bulk Handling during the 1976/77 season are notified that an application for registration to do so must be made on the appropriate form, which will be available in May at all Shire offices and Department of Agriculture offices in wheat growing areas; also at the Wheat Quota office, 32 Delhi Street, West Perth. Applications are to be completed and forwarded to the Wheat Quota office by 31st July, 1976.

Wheat Delivery Registration Certificates will be issued by 1st October, 1976 and must be registered at Co-operative Bulk Handling Ltd. receival points prior to delivery being effected. Failure to do so will cause inconvenience to growers at time of delivery, as under clause 31 of the Wheat Delivery Quotas Act, 1969-1974, Co-operative Bulk Handling Ltd. may not accept wheat from a grower who has not registered at point of delivery.
