L.G. DL-5-1.A.

WHEREAS it is provided, *inter alia*, by subsection (1a) of section 11 of the Country Towns Sewerage Act, 1948-1973 that where a local authority in whose district a sewerage area is situate, undertakes any works in that sewerage area and it appears after inquiry that—

- (a) the maximum general rate that the local authority may impose under the Local Government Act, 1960-1976, will not permit a sufficient amount to be provided for the construction, alteration, repair or maintenance of the works, and for payment of the instalments of capital debt and interest on any of the works with respect to which any debt is owing; and
- (b) the local authority should be permitted to levy a general rate beyond the limits prescribed by the Local Government Act, 1960-1976,

the Governor may, by proclamation, grant to the local authority such permission and may in the proclamation specify new limits of the maximum general rate that the local authority may impose under the Local Government Act, 1960-1976; and whereas the Dalwallinu Sewerage Area constituted under section 4 of the Country Towns Sewerage Act, 1948-1973 by Order in Council published in the *Government Gazette* on 26th September, 1975, is within the district of the municipality of the Shire of Dalwallinu and the Shire has undertaken works within that area; and whereas it appears after inquiry that the maximum general rate that the Council of the Municipality of the Shire of Dalwallinu may impose will not permit a sufficient amount to be provided for the construction, alteration, repair or maintenance of the works, and for payments of the instalments of capital debt and

interest on the works to which any debt is owing and that the Council of the municipality of the Shire of Dalwallinu should be permitted to levy a general rate beyond the limits prescribed by the Local Government Act, 1960-1976; now therefore, I, the Governor, acting with the advice and consent of the Executive Council and in exercise of the powers conferred under subsection (1a) of section 11 of the Country Towns Sewerage Act, 1948-1973, do hereby grant to the Council of the municipality of the Shire of Dalwallinu permission to levy a general rate not exceeding forty cents (40 cents) for each dollar of the annual value of the rateable property in any year in its district that is within the Dalwallinu Sewerage Area aforesaid.
