4.3 Change of Non-Conforming Use:—

The Council may permit the use of any land to be changed from one non-conforming use to another non-conforming use, provided the proposed use is, in the opinion of the Council, less detrimental to the amenity of the neighbourhood than the existing use, or is in the opinion of the Council closer to the intended uses of the Policy Area.

4.4 Discontinuance of Non-Conforming Use:—

- (a) Notwithstanding the preceding provisions of this Part, except where a change of non-conforming use has been permitted by the Council under clause 4.3, when a non-conforming use of any land or building has been discontinued, such land or building shall not thereafter be used other than in conformity with the provisions of the Scheme.
- (b) The Council may effect the discontinuance of a non-conforming use by the purchase of the affected property, or by the payment of compensation to the owner or the occupier, or to both the owner and the occupier of that property, and may enter into an agreement with the owner for that purpose.
