(iv) Exceeding 16.76 metres in length	30.00

(3a) A fishing boat license or a renewal of such license shall not be issued under this regulation in respect of any boat unless that boat is licensed under the provisions of Division 1 of Part VIII of the Western Australian Marine Act 1948 (as amended).

(3b) Every license or renewal of a license issued under this regulation is issued subject to such conditions as the Minister has imposed or may from time to time impose in respect of such license or renewal thereof pursuant to the provisions of section 17 of the Act.

(4) Every license or renewal of a license issued under this regulation is issued subject to the condition that there shall be legibly painted and kept so painted on both sides of the hull at the turn of the bow of the boat in respect of which that license or renewal is issued, the letters "L.F.B." followed by the initial letter of the port at which that license or renewal is issued and the distinguishing number allotted in respect of that boat by the licensing officer.

(5) The letters and figures required to be painted on both sides of the hull of a boat pursuant to subregulation (4) of this regulation shall be painted in black on a yellow background and be not less than 300 millimetres in height and not less than fifty millimetres in width, except where the boat is one propelled solely by oars in which case those letters and figures may be less than 150 millimetres but not less than 120 millimetres in height.

(5a) A person shall not—

- (a) use a fishing boat bearing a licensed fishing boat number; or
- (b) permit or suffer a person to use a fishing boat bearing a licensed fishing boat number,

unless a current fishing boat license is issued in respect of that boat.

(6) A person who holds a fishing boat license under this regulation shall not permit or suffer any person aboard the boat so licensed to catch fish or assist in the catching of fish unless that second-mentioned person is the holder of a professional fisherman's license in accordance with regulation 3 of these regulations.

Professional Fisherman's License.

3. (1) A person who catches or attempts to catch, or assists in catching, by any method whatever, fish for sale shall hold a current professional fisherman's license.

Penalty: Five hundred dollars.

(2) A person who catches or assists in catching fish by any method whatever and disposes or attempts to dispose of, or causes to be disposed of, for gain or reward, any fish so caught, shall hold a professional fisherman's license.

Penalty: Five hundred dollars.

(3) A professional fisherman's license referred to in this regulation shall be issued in Form "B" in the Appendix to these regulations, and the fee payable for and on the issue of every such license shall be four dollars.

(5) The fee payable in respect of the issue or renewal of an amateur fisherman's license is two dollars.

(6) An amateur fisherman's license expires on the 30th June next following the day of its issue and is renewable on payment of the fee prescribed by subregulation (5) of this regulation.

(7) An amateur fisherman's license does not entitle the holder thereof to catch any fish mentioned in the schedule to regulation 3AA of these regulations or any marron (*Cherax tenuimanus*) or cherabin (*Macrobrachium* spp.).

(8) Subject to these regulations, an amateur fisherman's license entitles the holder thereof—

(a) to take fish by means of a net, but so that not more than one net is used at one and the same time and the net used—

(i) has a length not exceeding 60 metres;

(ii) has a mesh—

(A) where the net is used in the waters of an estuary, river or inlet or in the entrance of any of those waters, of not less than 57 millimetres; or

(B) where the net is used in any waters other than those referred to in item (A) of this subparagraph, of not less than 51 millimetres; or

(C) where the net is set in the waters of any estuary, river or inlet, or in the entrance of any of those waters, of not less than 63 millimetres; and

(iii) does not have a bag or pocket;

(b) to take rock lobsters—

(i) by means of rock lobster pots, but so that—

(A) not more than two rock lobster pots are used or carried on a boat at one and the same time; and

(B) the rock lobster pots used conform to the requirements of section 23A of the Act and are attached to a surface float that conforms to the requirements of subregulation (1) of regulation 14E of these regulations; or

(ii) by hand, if no other instrument is used; and

(c) to take prawns but so that—

(i) not more than one hand scoop net or one hand dip net, or one hand trawl net for taking prawns is used at one and the same time; and

(ii) not more than any one of the means of taking prawns referred to in subparagraph (i) of this paragraph is employed at one and the same time.

(9) The holder of an amateur fisherman's license shall not take or attempt to take any fish referred to in this regulation by any means other than the means authorised by these regulations in respect of any species of fish.

Priority Among Netters.

13. The rights of priority for hauling nets, as between fishermen netting in the same ground, are hereby determined as follows:—

Reg. 13.
Substituted
by G.G.
10/4/53,
p. 618-9.
Amended by
G.G. 5/10/73,
p. 3661.

(1) Where netting operations include the use of a beach—

- (a) the first turn shall belong to the licensed fisherman who first arrives on the ground with a *bona fide* crew of licensed fishermen, with a licensed fishing boat marked in accordance with regulation 2, with a lawful net ready for shooting and hauling;
- (b) the next turn shall belong to the licensed fisherman who next arrives as above, and so on;
- (c) a turn shall come to an end when a licensed fisherman has shot and hauled his net and it shall in no case last more than 24 hours as against any other licensed fisherman who is on the ground waiting for a haul;
- (d) during his turn a licensed fisherman shall have exclusive right to the ground where he remains with his crew on portion of the ground in readiness to "shoot" with one end of his hauling line ashore;
- (e) no licensed fisherman shall have a second turn until all the other licensed fishermen on the ground have had their first turn;
- (f) no unlicensed fisherman or licensed fisherman in an unlicensed boat shall have any claim to a ground as against a licensed fisherman and crew in a licensed boat, marked in accordance with regulation 2.

For the purpose of this paragraph "ground" means any portion of a beach not longer than 800 metres and includes the adjacent water to a distance of 800 metres measured rectangularly from the beach.

(2) Where netting operations do not include the use of a beach—

- (a) the first turn shall belong to the licensed fisherman who first arrives on the ground with a *bona fide* crew of licensed fishermen in a licensed fishing boat marked in accordance with regulation 2, with a lawful net ready for shooting and hauling;
- (b) the next turn shall belong to the licensed fisherman who next arrives as above, and so on;
- (c) a turn shall come to an end when a licensed fisherman has shot and hauled and the turn shall in no case last more than 12 hours;
- (d) during his turn a licensed fisherman shall have exclusive right to the ground where he remains with his crew on portion of the ground in readiness to "shoot";
- (e) no licensed fisherman shall have a second turn until all the other licensed fisherman on the ground have had their first turn;

- (f) no unlicensed fisherman or licensed fisherman in an unlicensed boat shall have any claim to a ground as against a licensed fisherman and crew in a licensed boat, marked in accordance with regulation 2.

For the purpose of this paragraph "ground" means that area of water to be fished within the limits of 400 metres by 400 metres.

- (3) Where netting operations are by means of set nets—
- (a) the first turn shall belong to the licensed fisherman who first arrives on the ground with a *bona fide* crew of licensed fishermen in a licensed fishing boat marked in accordance with regulation 2, with a lawful net ready for setting;
 - (b) the next turn shall belong to the licensed fisherman who next arrives as above, and so on;
 - (c) a turn shall come to an end when a licensed fisherman has hauled his net and the turn shall in no case last more than 24 hours;
 - (d) no licensed fisherman shall have a second turn until all the other licensed fishermen on the ground have had their first turn;
 - (e) no unlicensed fisherman or licensed fisherman in an unlicensed boat shall have any claim to set a net as against a licensed fisherman and crew in a licensed boat, marked in accordance with regulation 2.

For the purpose of this paragraph "set" means to place a net in the water with the cork line at or beneath the surface. "Ground" means that area of water to be fished within the limits of an area 91.5 metres by the length of a lawful net.

- (4) It shall be unlawful to wilfully disturb or frighten fish on or in the vicinity of a haul, or in any manner to obstruct a licensed fisherman during his turn.
- (5) When a licensed fisherman is lawfully in possession of a haul, no person shall impede him by the process known as "blocking" whereby another person sets or places his net as to prevent or attempt to prevent fish getting to the haul.
- (6) Any licensed fisherman who suffers any loss from a breach of this regulation may be authorised by the Minister to take legal proceedings at his own expense.

Testing the Length, Depth, or Mesh of Nets.

Reg. 14.
Amended by
G.G. 5/10/73,
p. 3661.

14. For the purpose of testing the length of any fishing net, such net shall be measured along the cork line upon which the net is hung. The depth of any net shall be ascertained by counting the number of meshes situated between opposite points upon the cork and lead lines. The size of the mesh shall be determined by measuring from knot to knot on the inside of the mesh when wetted ready for use and stretched so that the opposite knots on the alternate corners are in contact. In case of dispute a 225 gram weight shall be slung or attached to one knot of the mesh to be measured and the space between that and the opposite knot shall be measured. In the event of the net being dry, the part to be measured shall be soaked either in fresh or salt water for not less than ten minutes, and the dimensions of a mesh or meshes of the portion so soaked shall thereupon be determined.

Processing of Crayfish at Sea.

14A. (1) No person shall remove the crayfish tail from any crayfish, or cut up or otherwise process any crayfish, except in an export establishment registered in pursuance of the Exports (Fish) Regulations (Statutory Rules, 1949, No. 54 and amendments thereto) made under the provisions of the Customs Act 1901 and its amendments and the Commerce (Trade Descriptions) Act 1905 and its amendments, of the Parliament of the Commonwealth.

(2) No person shall bring ashore from any boat any crayfish tail or any severed portion of any crayfish unless that boat is an export establishment registered as mentioned in subregulation (1) of this regulation and such tail was removed from the carapace of the crayfish, or the crayfish was cut up or otherwise processed in that boat.

(3) (a) No person shall bring into Western Australian Waters, or on to land, any portion of any crayfish that has been taken in the Abrolhos Islands area.

(b) For the purposes of this subregulation the term, "Abrolhos Islands area" means all that area bounded by lines starting at the intersection of 27 degrees 30 minutes south latitude and 113 degrees 37 minutes east longitude and extending south-easterly to the intersection of 29 degrees 30 minutes south latitude and 114 degrees 30 minutes east longitude; thence west to 113 degrees east longitude; thence north to 27 degrees 30 minutes south latitude aforesaid; and thence east to the starting point.

(4) No person in charge of an export establishment registered as mentioned in subregulation (1) of this regulation shall receive any crayfish tail or any severed portion of any crayfish.

(5) No person shall in any vehicle or boat or otherwise carry any crayfish tail or any severed portion of any crayfish unless such tail was removed from the carapace of the crayfish, or the crayfish was cut up or otherwise processed, in an export establishment registered as mentioned in subregulation (1) of this regulation.

(6) Any person who contravenes any of the provisions of this regulation commits an offence against these regulations and is liable upon conviction to a penalty not exceeding two hundred dollars and all crayfish tails or severed portions of crayfish received or carried in breach of this regulation shall be forfeited to the use of Her Majesty and any inspector may seize the same.

(7) For the purposes of section 24A of the Act, the weight of a crayfish tail shall be not less than 140 grams.

Conveyance of Live Crayfish.

14B. No person shall convey live crayfish in any bag which measures when empty more than one metre in depth and 600 millimetres in width.

Taking of Crayfish in the Waters Surrounding Rottnest Island.

14C. A person who is not the holder of an amateur fisherman's license, shall not take or attempt to take rock lobsters—

(a) at any time in either of the areas described in Schedule A and Schedule B to this regulation; or

(b) during the period commencing on the 16th day of January and ending on the 14th day of November in any year, in the area described in Schedule C to this regulation.

14E. (1) A person shall not use a rock lobster pot for taking or attempting to take rock lobster unless the rock lobster pot conforms to the requirement of section 23A of the Act and the rock lobster pot is attached to a surface float that—

- (a) has a diameter of not less than 150 millimetres; and
- (b) is marked by branding or stamping with legible characters not less than 6 centimetres high and not less than 1 centimetre wide showing—
 - (i) in the case of a pot used by a person who is the holder of a professional fisherman's license, the initial letter and the distinguishing number allotted in respect of the licensed fishing boat under subregulation (4) of regulation 2 of these regulations that is used to set or lift the rock lobster pots; or
 - (ii) in the case of a pot used by a person who is the holder of an amateur fisherman's license, the number of the amateur fisherman's license issued to him; and
- (c) is marked with only one of the numbers referred to in paragraph (b) of this subregulation.

15

(2) An inspector may seize a rock lobster pot and all floats and ropes if—

- (a) the rock lobster pot is not attached to a surface float; or
- (b) the surface float to which the rock lobster pot is attached is not marked in the manner prescribed by subregulation (1) of this regulation.

Ova-bearing Crayfish.

15. No person shall at any period of the year remove or attempt to remove from the abdominal appendages of the fish known as or called the "crayfish" any ova or "spawn" attached thereto.

Crabs.

15A. (1) A person shall not take or have in his possession any female crabs having eggs or spawn attached to the body.

(2) A person shall not take any female crabs from any Western Australian waters during the months of January, February and March in every year.

(3) Subject to subregulation (2) of this regulation, a person, other than a person who is the holder of a professional fisherman's license, shall not take or attempt to take crabs unless the taking is carried out by means of drop nets or hand scoop nets or wire hooks held in the hand.

(3a) A person, other than a person who is the holder of a professional fisherman's license, does not commit an offence against subregulation (3) of this regulation if he takes or attempts to take crabs by means of crab pots in the portion of Western Australian waters described in the schedule to this subregulation.

SCHEDULE.

The waters of the Indian Ocean and Warnbro Sound lying east of a line starting at the Western extremity of Becher Point and extending in a northerly direction to the western extremity of Mersey Point.

(3b) A person, other than a person who is the holder of a professional fisherman's license, shall not take crabs by means of a drop net that has a diameter exceeding 1.5 metres.

(4) A person shall not use or permit to be carried in any boat, whatever the number of persons in that boat, more than ten drop nets in any one day.

15B. No person shall, for the purpose of taking crabs, use or cause to be used or permit to be used in the waters of the Swan River or the Canning River or their tributaries any net exceeding sixty-four metres in length or more than eight (8) nets at any one time. No net used for the taking of crabs shall be set within a distance less than forty-five metres of any other crab net.

15C. (1) A person shall not in the waters of Leschenault Inlet—

- (a) use a boat to carry, or cause to permit a boat to be used to carry, more than six crab nets; or
- (b) set, use or leave a crab net during the period commencing one and one-half hours after sunrise and ending one and one-half hours before sunset.

(2) For the purpose of this regulation "crab net" does not include a drop net with a diameter not exceeding 1.5 metres.

Exclusive Licenses.

20. Every application to the Governor for the grant of an Exclusive License under section 30¹ of the Act shall be in accordance with Form C in the Appendix to these regulations, shall be signed by the Applicant, and be lodged with or sent to the Director of Fisheries at the Department of Fisheries and Wildlife, Perth.

Reg. 20. Amended by G.G. 17/12/69, pp. 4107-8.

21. Upon receipt of an application for an Exclusive License made in accordance with regulation 20 hereof, the Director shall furnish to the Governor in writing a report thereon concerning all matters which in his opinion are material to the consideration of the application, and in such report shall state whether or not there is more than the one applicant for an exclusive license in respect of the same marine animal life or product of the sea for the same area. In such report the Director of Fisheries may make to the Governor, in relation to the application to which his report relates, any recommendations which in his opinion may assist the Governor in his decision, whether the application shall be granted or refused.

Reg. 21. Amended by G.G. 17/12/69, p. 4108.

22. An exclusive License shall be in accordance with Form D in the Appendix to these regulations, with such variations as may be required by the circumstances of the case.

23. When an Exclusive License is granted the name of the licensee, with the material particulars of the license, shall be published in the *Government Gazette*.

24. Every Exclusive License shall be granted and shall be held by the licensee upon and subject to the conditions hereinafter mentioned and also to such other special conditions which the Governor may think fit to impose, that is to say:—

Reg. 24. Amended by G.G. 17/12/69, p. 4108; G.G. 5/10/73, p. 3661.

- (a) The rent reserved by the license shall be payable by the licensee at the Department of Fisheries and Wildlife in Perth in equal half-yearly instalments on the first day of January and the first day of July in each and every year, or within twenty-one days after the said dates respectively: Provided that the first instalment of rent shall be paid on or before the issue of the license, and that such instalment and also the last instalment of rent shall be apportioned if necessary to the date of the commencement and of the termination of the license.
- (b) The royalty (if any) payable by the licensee under the license shall be paid at the Department of Fisheries and Wildlife in Perth in such manner in such instalments or in such amounts as are specifically provided for in the license.
- (c) A licensee shall not transfer or assign his license or grant any sub-license without the express consent in writing of the Minister first had and obtained.
- (d) A licensee shall during the term of his license keep continuously employed in collecting or removing the marine animal life or other product of the sea in respect of which his license has been granted from the area of his license or in treating such marine animal life or other product

of the sea aforesaid not less than one man for every 2.5 square kilometres included in the said area, and in any case shall keep so employed not less than two men, and shall furnish the Minister, when so required by him, with evidence to his satisfaction that men to the number aforesaid have been and are being so employed.

- (e) If any rent or royalty payable by the licensee is unpaid for twenty-one days after the same has become due, or if there is any breach, non-observance, or non-performance by the licensee of any of these conditions or of any other conditions to which the licensee is subject, or if for any public work or in the public interest it is, in the opinion of the Governor, necessary or desirable so to do, the Governor may revoke the license, and upon publication in the *Government Gazette* of notice of such revocation, all the interest of the licensee and any person claiming under him in such license shall cease and determine, and the production of the *Government Gazette* containing a notice as aforesaid shall be conclusive evidence of a cause sufficient to authorise such revocation, and that all the interests in the license of the licensee or any person claiming under him have been lawfully determined.
- (f) Neither the Governor nor the Minister shall be under any responsibility to any licensee, or any person claiming under the licensee, in the event of any difference or dispute arising between the licensee and any other licensee or other person in regard to the boundaries of any area, any encroachment thereon or otherwise howsoever.

Transfer of Exclusive Licenses.

Reg 25.
Amended

p. 4108.

25. (1) Every application for the consent of the Minister to the transfer or assignment of an Exclusive License granted under section 30¹ of the Act, or to the grant of a sublicense by the licensee of such license, shall be in writing, in accordance with Form E in the Appendix to these regulations, shall be signed both by the licensee and the proposed transferee, assignee, or sublicensee, as the case may require, and shall be lodged with or sent to the Director of Fisheries at the Department of Fisheries and Wildlife, Perth, together with the license and a fee of one dollar, and the instrument of transfer, assignment, or sublicense duly executed by the parties thereto.

(2) Upon receipt of such application, the Director of Fisheries shall submit the same to the Minister, together with such report and recommendations in writing which, in the opinion of the Director, are material to the consideration of the application by the Minister.

(3) The Minister may grant or refuse such application in his discretion, but if the application is refused the fee of one dollar which accompanied the application shall be refunded to the licensee.

(4) An instrument of transfer or assignment may be in accordance with Form F in the Appendix to these regulations.

26. When pursuant to an application made in accordance with regulation 25 hereof, the Minister grants the consent applied for, such consent in accordance with Form G in the Appendix to these regulations shall be indorsed upon and signed by the Minister on the instrument of transfer, or of assignment, or of sublicense submitted with the application; a memorandum of the transfer or assignment or sub-license in accordance with Form H in the Appendix to these regulations shall be endorsed upon the license and be signed by the Minister, and in the case of a transfer or assignment the instrument of transfer or of assignment, together with the license, shall be delivered to the transferee or assignee, and in the case of a sublicense, the license shall be delivered to the licensee and the sublicense shall be delivered to the sublicensee.
