WHEREAS by the Metropolitan Water Supply, Sewerage, and Drainage Act, 1909-1978, it is provided that, subject to the provisions of the Act, the Metropolitan Water Supply, Sewerage and Drainage Board shall, with the approval of the Governor, have power to construct provide and extend Water Works, Sewerage Works and Metropolitan Main Drainage Works; and whereas the preliminary requirements of the said Act have been complied with and the plan in respect of the works hereinafter mentioned has been submitted to and approved by the Governor in Council: Now therefore His Excellency the Governor by and with the advice and consent of the Executive Council, does hereby

empower the Metropolitan Water Supply, Sewerage and Drainage Board to undertake the construction of the following works under the said Act, namely:—

Shire of Wanneroo—Shire of Swan.

East Mirrabooka Groundwater Scheme.

The construction of a groundwater scheme at Ballajura with a designed daily output of 17 000 cubic metres. This together with the output of the adjacent Mirrabooka Groundwater Scheme will have a total estimated daily output of 74 000 cubic metres. The pumping of water from the wells will not be continuous, but will be regulated having regard to requirements for sound management of the aquifer. Works to be constructed and their localities consist of:—

1. Five shallow groundwater wells to a depth of approximately 40 to 51 metres will be sunk. These wells will be numbered and located as follows:—

Well 50—Within part lot 140 Beechboro Road.

Well 60—Within lot 139 Harrow Street.

Well 150—Within lot 259 Unnamed road reserve formerly known as Warwick Road.

Well 250—Within part Swan Location 2516 Park Street.

Well 350—Within lot 4 Gngangara Road.

One shallow groundwater well to a depth of approximately 100 metres will be sunk. This well will be numbered 262 and be located within Part Swan Location 2516 Park Street.

On shallow artesian well to a depth of approximately 350 metres will be sunk. This well will be numbered 345 and be located within lot 62 Gngangara Road.

The six shallow groundwater wells will be cased with 273 millimetre outside diameter steel casing and be equipped with stainless steel screens. The maximum daily output from each well is anticipated to range between 1 300 and 3 500 cubic metres.

The shallow artesian well will be cased with 340 millimetre outside diameter steel casing and be equipped with stainless steel screens. The maximum daily output from this well is anticipated to be 3 900 cubic metres.

Sites for these wells, averaging about 3 000 square metres in area will be purchased by the Board, and be provided with a stock proof perimeter fence and an inner security fence around the well head installation.

The well head installation will comprise of pumps, motor, switchboard, a section of above and below ground steel pipeline and ancillary valves and fittings.

A brick building of approximately 20 square metres will be constructed, if required, on the sites to house electrical equipment.

2. Raw water rising mains to connect the well-field to the existing Mirrabooka Groundwater Treatment Works in Uganda Road.

These mains will be below ground and be constructed of steel or asbestos cement pipes and be complete with air valves and section valves and all other necessary apparatus connected therewith. Where these mains traverse private property a 10 metre wide reserve will be taken out over the route. An access road and overhead power lines will be constructed within the reserve. The nominal diameter, lengths and localities of these rising mains are:—

2.1 A rising main, 525 millimetre, 600 millimetre and 900 millimetre in diameter about 10 500 metres in length.

Commencing in Gngangara Road at a point opposite lot 4 and Well 350; thence proceeding in a westerly direction along Gngangara Road to Beechboro Road; thence in a southerly direction along Beechboro Road to and across Park Street to the intersection of Beechboro Road and an unnamed road reserve formerly Warwick Road; thence in a westerly direction along the unnamed road reserve to and

across lot 105 adjacent to the boundary of lot 3 to Uganda Road; thence in a southerly direction along Uganda Road to lot 1, the site of the Mirrabooka Groundwater Treatment Works and terminating thereat.

- 2.2 A rising main 600 millimetres in diameter about 2 900 metres in length.

Commencing in Park Street at a point opposite part Swan Location 2516 and Well 262; thence proceeding in a westerly direction along Park Street to Beechboro Road and the rising main described in 2.1 above and terminating thereat.

- 2.3 A rising main 450 millimetres in diameter about 1 500 metres in length.

Commencing in an unnamed road reserve formerly known as Warwick Road at a point opposite lot 259 and Well 150; thence proceeding in a westerly direction along the unnamed road reserve to Beechboro Road and the rising main described in 2.1 above and terminating thereat.

- 2.4 A rising main 450 millimetres in diameter about 1 250 metres in length.

Commencing in Harrow Street at a point opposite lot 139 and Well 60; thence proceeding in a westerly direction along Harrow Street into and across part lot 140 Beechboro Road to Beechboro Road and terminating thereat.

The above works and localities are shown on plan M.W.B. 15166.

This Order in Council shall take effect from the 6th day of October, 1978.

Part III B—Processing Licenses.

F.W. 613/78.

THE Public is hereby notified that I have issued a permit to D. W. Shannon of 1 Bertie Street, Geraldton, to establish a processing establishment to process fish in pursuance of the provisions of section 35C of the Fisheries Act, 1905-1975, on board the fishing vessel "Eva Rea" LFB G287, subject to the following conditions:—

That the processing establishment:—

- (1) Shall comply with the requirements of the Fisheries Act, 1905-1975, and all Regulations, Orders in Council, and Notices and Ministerial Directions issued thereunder.
- (2) Shall not be used for the processing of rock lobsters.
- (3) Shall comply with the requirements of the Health Act, 1911 (amended).
- (4) Shall be registered as an export establishment pursuant to the provision of the Export (Fish) Regulations made under the provisions of the Customs Act, 1901 (amended) and the Commercial (Trade Descriptions) Act, 1905 (amended) of the Parliament of the Commonwealth should it be used to process fish for export.
- (5) Shall not be used for the processing of Marron (*Cherax tenuimanus*) unless a license is held under section 39C of the Fisheries Act, 1905-1975.
- (6) Shall not be used for the processing of fish or crustacea caught by any other vessel.

In accordance with the provisions of section 35K, any person aggrieved by this decision may, within fourteen days after publication of this notice, appeal against the same by lodging with the nearest Clerk of Court of Petty Sessions a notice of appeal containing a written statement of the grounds of his appeal; and also such person shall serve or cause to be served a copy of the notice of his appeal on the Director of Fisheries, within seven days after lodging the notice with the Clerk of Court of Petty Sessions.

**OPEN FOR PASTORAL LEASING.**

Under Part VI of the Land Act, 1933-1977.

Kimberley Division—Pardu District.

Department of Lands and Surveys,  
Perth, 6th October, 1978.

Corres. No. 585/59.

IT is notified for general information that the area of 908.0412 hectares as described in the Schedule below, has been made available for Pastoral Leasing as from Wednesday 22nd November, 1978, subject to the condition that a Pastoral Lease of this land, may only be granted to a lessee of land in the same locality.

Lessees are required to stock the land and as a guide to minimum development lessees are required to expend, each year, in effecting improvements an amount not less than two and one half times the annual rental.

In accordance with the provisions of the Land Act, this land is made available for pastoral leasing at an interim rental of \$1.00 per thousand acres. The final rent will be fixed by the Minister on the advice of the Pastoral Appraisal Board.

Full disclosure of company structure, shareholding and trusteeship will be required from corporate bodies applying for this land.

Applications, accompanied by a deposit of \$5.50 must be lodged at the Department of Lands and Surveys, Perth, not later than Wednesday November 2, 1978.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the area, the application to be granted will be decided by the Land Board.

APPLICATIONS FOR LEASING.

Department of Lands and Surveys,  
Perth, 6th October, 1978.

Corres. No. 3168/74.

APPLICATIONS are invited under section 117 of the Land Act, 1933-1977, for the leasing of Wundowie Lot 407 containing an area of 2 800 square metres for the purpose of "Light Industry" for a term of 21 years at a rental of \$50 per annum.

Intending applicants shall submit with their application an outline plan drawn to scale, showing development proposals.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development is inadequate or unsuitable.

On completion of substantial development to the satisfaction of the Minister for Lands the lessee may surrender his lease in order that the land may be made available in freehold. In this regard it is advised that the lessee should not anticipate freehold title before providing full details of contemplated development for departmental examination and approval. The price for the land shall be \$600 and shall remain valid for a period of 3 years from this date.

The land is made available for leasing subject to the following conditions:—

- (1) The land shall not be used for any purpose other than "Light Industry" without the prior approval in writing of the Minister for Lands.
- (2) The lessee shall commence construction within nine (9) months and thereafter continue construction and complete and operate the works within two (2) years from the date of the commencement of the lease.
- (3) The lessee shall, within twelve months from commencement of the lease, fence the external boundaries with a fence to the satisfaction of the Minister.

- (4) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.
- (5) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (6) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage sublet or part with the possession of the demised land.
- (7) The rent shall be subject to reappraisal at the end of the seventh and fourteenth year of the term.
- (8) The only residence permitted will be that of the Lessee or a Manager or Manager/Caretaker.
- (9) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (10) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (11) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee.
- (12) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Lands and Surveys Perth on or before Wednesday November 8, 1978 accompanied by a deposit of \$28.50.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the lot, the application to be granted will be decided by the Land Board.

PURSUANT to the powers contained in section 33 of the above Act, you are hereby required on or before the 14th day of December, 1978, or within fourteen days of the date of your becoming owner or occupier should this be after the 14th day of December, 1978, to remove from the land owned or occupied by you, all inflammable materials or to clear firebreaks in accordance with the following and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 14th day of February, 1979.

- (1) Where the area of the land is 0.202 ha or less, all inflammable material on the land shall be removed from the whole of the land;
- (2) where the land exceeds 0.202 ha in area, firebreaks at least 3 metres wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land as required by this notice, you may apply to the Council or its duly authorised officer, not later than the 15th November, 1978, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council or its duly authorised officer, you are to comply with the requirements of this notice.

Inflammable material is defined for the purpose of this notice to include bush, timber, boxes, cartons, paper, and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees, or growing bushes and plants in gardens or lawns.

The penalty for failing to comply with this notice is a fine of up to \$400, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council,  
N. G. LEACH,  
Town Clerk.
