SHIRE OF DARDANUP.

- (b) Controlling land uses within the dog kennel area.

PART 1.—PRELIMINARY.

1.1 This Town Planning Scheme may be cited as the Shire of Dardanup Town Planning Scheme No. 6 hereinafter called "the Scheme" and shall come into operation on the publication of notice of the Minister's final approval thereof in the *Government Gazette*.

1.2 The Scheme shall apply to the whole of the land within the broken black border set out in the maps forming part of the Scheme.

1.3 The responsible authority for carrying out the Scheme is the Council of the Shire of Dardanup (hereinafter referred to as "the Council").

1.4 Arrangement of Scheme.

The Scheme Text is divided into the following Parts:—

Part 1—Preliminary.

Part 2—Reserved Land.

Part 3—Non conforming uses.

Part 4—General Provisions.

Part 5—Finance and Administration.

The remaining documents of the Scheme are as follows:—

(1) Lands use Map.

(2) Scheme Map.

1.5 Interpretation.

In this Scheme the terms used will have the respective interpretations set out in Appendix "D" of the Town Planning Regulations 1967, unless otherwise specified by this Scheme and as set out hereunder.

Dog Kennels—means land and or buildings the subject of a Kennel licence issued under the Local Government Act for the purpose of keeping, training or breeding dogs.

(b) Except as otherwise provided for in this Part a person shall not carry out any development on land reserved under this Scheme, other than the erection of a boundary fence, without first applying for and obtaining the written approval of the Council.

(c) In giving its approval the Council shall have regard to the ultimate purpose intended for the reserve.

(d) No provision of this Part shall prevent the continued use of land for the use for which it was being lawfully used immediately prior to the scheme having the force of law, or the repair and maintenance, for which the prior consent in writing of the Council has been obtained, of building or works lawfully existing on the land.

PART 3.—NON CONFORMING USE OF LAND.**3.1 No provision of the Scheme shall prevent—**

(a) The continued use of any land or building for the purpose for which it was being lawfully used at the time of coming into force of the Scheme or

(b) The carrying out of any development thereon for which, immediately prior to that time, a permit or permits required under the Town Planning and Development Act, 1928 (as amended) and any other law authorising the development to be carried out have been duly obtained and was current.

3.4 Discontinuance of Non Conforming Use.

(a) Notwithstanding the preceding provisions of this Part, except where a change of non conforming use has been permitted by the Council under Clause 3.3, when a non conforming use of any land or building has been discontinued, such land or building shall not thereafter be used other than in conformity with the provisions of the Scheme.

(b) The Council may effect the discontinuance of a non conforming use by the purchase of the affected property or by the payment of compensation to the owner or the occupier or to both the owner and occupier of that property, and may enter into an agreement with the owner for that purposes.

PART 4.—GENERAL PROVISIONS.**4.1 Subdivision.**

4.1.1 The Scheme Map indicates an acceptable method of subdivision of the Scheme area which will enable the principles and concepts embodied in the design to be fulfilled. The Town Planning Board after consultation with the Council may permit departures from the design shown on the Scheme Map if it considers the proposed changes to be of a similar standard to that shown, provided that no variation to the design will be permitted if in the opinion of the Council it will disadvantage or be detrimental to the orderly development of the Scheme area as a whole.

As construction of the overall scheme progresses, and where feasible, existing drainage which is not part of the overall scheme will be abandoned.

The takeover and improvements to be completed with all structures, apparatus and things connected therewith and will include any land actions arising therefrom. The works are located in the postal districts of Langford, Lynwood and Canning Vale and more particularly within and immediately adjacent to the Canning Vale Industrial Area. In due course the drainage described in paragraphs 1 to 4 above will be constituted as Metropolitan Main Drains under this Board's governing Act.
