Schedule.

Appointments:—

Dowerin; Peter Ronald Melvin, Basil William Underwood.

Revocations:—

Dowerin; Keith Harris, George Alfred Couper.

Land Act, 1933-1977.

ORDER IN COUNCIL.

WHEREAS by section 33 of the Land Act, 1933, it is, *inter alia*, made lawful for the Governor by Order in Council to direct that any land reserved pursuant to the provisions of this Act shall be granted in fee simple to any person (as defined in the said section) subject to the condition that the person shall not lease or mortgage the whole or

any part of the land without the consent of the Governor and subject to such other conditions and limitations as the Governor shall deem necessary to ensure that the land is used for the purpose for which the land is reserved as aforesaid; and whereas it is deemed expedient as follows:—

File No. 836/79.—That Reserve No. 35912 (Bunbury Lot 611) should be granted in fee simple to The Roman Catholic Bishop of Bunbury to be held in trust for the purpose of "Homes for the Frail Aged".

File No. 835/79.—That Reserve No. 35911 (Bunbury Lot 612) should be granted in fee simple to The Roman Catholic Bishop of Bunbury to be held in trust for the purpose of "Homes for the Aged".

Now, therefore, His Excellency the Governor by and with the advice and consent of the Executive Council, does hereby direct that the before-mentioned reserves shall be granted in fee simple to the aforesaid bodies, to be held in trust for the purposes aforesaid subject to the condition that the land shall not be leased or mortgaged in whole or in part without the consent of the Governor.

J. E. A. PRITCHARD,  
Acting Clerk of the Council.

Land Act, 1933-1977.

ORDERS IN COUNCIL.

WHEREAS by section 33 of the Land Act, 1933-1977, it is made lawful for the Governor to direct that any Reserve shall vest in and be held by any person or persons to be named in the Order, in trust for any of the purposes set forth in Section 29 of the said Act, or for the like or other public purposes to be specified in such Order and with power of leasing; and whereas it is deemed expedient, as follows:—

File No. 10579/12.—That Reserve No. 14552 should vest in and be held by the Shire of Albany in trust for the purpose of "Recreation".

- (c) when any claim is made regarding vitamin content a statement as prescribed in subregulation A.10.004, based on a 60 g quantity, in boldface sans serif capital letters of not less than 1.5 mm face depth.

Reg. Q.04  
amended.

5. Regulation Q.04 of the principal regulations is amended—

- (a) by revoking and remaking the heading and subregulation Q.04.001 as follows—

Q.04. BEER, ALE, STOUT AND REDUCED CALORIE BEER.

Q.04.001.

- (a) Beer is a beverage prepared by the yeast fermentation of an aqueous extract, using potable water for the extraction, of hops or preparations from hops, malted or unmalted cereals or a combination of both, with or without other cereal products or other carbohydrates, and the term "beer", where used in this regulation, includes—
  - (i) ale, lager, pilsener, porter, stout, and other products which are generically beer; and
  - (ii) reduced calorie beer.
- (b) Reduced calorie beer is beer as defined in paragraph (a) of this subregulation that does not contain more than—
  - (i) 2.7 g of carbohydrate per 100 g;
  - (ii) 3 g of protein per kg; or
  - (iii) 35 calories per 100 ml, or 1465 kilojoules per litre. ;
- (c) by revoking subregulation Q.04.003;
- (d) by revoking and remaking subregulation Q.04.004 as follows—

Q.04.004.

Beer shall contain—

- (a) in the case of reduced calorie beer—not less than 35 ml of alcohol per litre, at 20°C;
- (b) in any other case—not less than 42 ml of alcohol per litre, at 20°C. ;

- (e) by adding after subregulation Q.04.010, a subregulation and heading as follows—  
Q.04.011.

Labelling.

There shall be written in the label on or attached to every package containing reduced calorie beer—

- (a) the words "REDUCED CALORIE BEER" in boldface sans serif capital letters of not less than 3 mm face depth; and
- (b) a statement of—
- (i) the carbohydrate content;
  - (ii) the protein content; and
  - (iii) the calorific value,
- in boldface sans serif capital letters of not less than 1.5 mm face depth. ; and
- (f) by deleting the passage "ale or stout" where occurring in—
- (i) line four of subregulation Q.04.006;
  - (ii) line one of subregulation Q.04.008;
  - (iii) line one of subregulation Q.04.009;
- and
- (iv) subregulation Q.04.010.

## AVAILABLE FOR LEASING.

Department of Lands and Surveys,  
Perth, 16th March, 1979.

Corres. No. 2624/75, V.2.

APPLICATIONS are invited under section 117 of the Land Act, 1933-1977 for the leasing of the Port Hedland lots listed in the Schedule below for the purpose of Light Industry for a term of 21 years at the respective annual rentals shown in the schedule.

Intending applicants shall submit with their application an outline plan drawn to scale, showing development proposed within 2 years from the date of approval of the application.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development is inadequate or unsuitable.

On completion of substantial development to the satisfaction of the Minister for Lands the lessee may surrender his lease in order that the land may be made available in freehold. In this regard it is advised that the lessee should not anticipate freehold title before providing full details of contemplated development for departmental examination and approval. The price for the land shall be as shown on the schedule and shall remain valid for a period of 3 years from this date.

The Services provided to these lots are water, electricity, drainage and roads and the service premium as shown on the schedule is payable in four (4) quarterly equal instalments payable on January, April, July and October, first instalment due and payable on the first day of the quarter next following the date of approval of the lease.

The land is made available for leasing subject to the following conditions:—

- (1) The land shall not be used for any purpose other than Light Industry without the prior approval in writing of the Minister for Lands.
- (2) The land shall be occupied and used by the lessee for the purpose specified within nine (9) months of the commencement of the lease and thereafter will be continuously used to the satisfaction of the Minister for Lands.
- (3) The lessee shall, within twelve months from commencement of the lease, fence the external boundaries with a security fence to the satisfaction of the Minister for Lands.
- (4) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.
- (5) All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister for Lands.
- (6) The rent shall be subject to reappraisal at the end of the seventh and fourteenth year of the term.
- (7) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage, sublet or part with the possession of the demised land.
- (8) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (9) The Minister for Lands or his representative may enter the land for inspection at any reasonable time.

- (10) The lessee shall indemnify the Minister for Lands against all claims for damage to property or persons arising from the use of the land.
- (11) Compensation will not be payable for damage by flooding of the demised land.

IT is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act, 1928 (as amended) that the Minister for Urban Development and Town Planning approved the Town of Armadale Town Planning Scheme Amendment on the 6th March, 1979,

(b)

1. Subdivision of Special Rural Zone Area No. 6 shall be in accordance with Plan of Subdivision No. 1 Korribinjal Brook as endorsed by the Shire Clerk.

2. (a) The following uses are permitted "p" within Special Rural Zone No. 6—Dwelling Houses.

(b) The following uses are not permitted unless special approval "SP" is granted by the Council—

- Rural Stables
- Home occupation Duplex

(c) All other uses not mentioned in (a) and (b) are not permitted.

3. The Plan of Subdivision No. 1 Korribinjal Brook defines building envelopes for each lot and no building dwelling or out building shall be constructed outside the area defined by the building envelope. The Council may vary the location or boundaries of a building envelope in any particular case if it is of the opinion that the variation is desirable for the purpose of—

- (a) securing or enhancing the amenity of the area; or
- (b) conservation of the natural beauties of the area.

4. The battleaxe accessways shown hatched on the Plan of Subdivision No. 1 Korribinjal Brook shall be constructed to the following standards:

- (a) Single accessway—3 m wide driveway seal.
- (b) Two accessways—one 4 m wide driveway seal.
- (c) Multiple accessways—5 m wide driveway seal.

5. Prior to the occupation of any dwelling house within Special Rural Zone No. 6 Korribinjal Brook it shall either be connected to a water storage tank with a minimum capacity of 92 000 litres or to an alternative source of water that meets Council requirements. Within areas of the site where ground water is unlikely to be obtained each lot shall have access to an alternative water supply source to the Council's satisfaction.

6. No tree or sapling over 3 m high shall be removed from the Korribinjal Brook Special Rural Zone area without the prior written consent of the Council. For trees and saplings which have to be removed to make way for regulation fire breaks, house driveways and housing constructions the written consent of the Council is deemed to have been granted.

7. Prior to the subdivision of the Korribinjal Brook Special Rural Zone area those building envelopes which in the opinion of the Council require screen planting shall be screen planted to the Council's satisfaction.

8. The minimum standard of fencing in the Korribinjal Brook Special Rural Zone area shall be 1.4 m post and 4 strand wires.

9. Prior to the subdivision of the Korribinjal Brook Special Rural Zone area each lot shall be able to be connected to an aerial electricity service.

10. The minimum width of a road reserve within the Korribinjal Brook Special Rural Zone area shall be 20 m and the minimum standard of road construction shall be a 5.5 m wide 2 coat seal on a 7.5 m base with road drainage being to the specification and satisfaction of Council.

#### Repeal.

1.9 Shire of Dardanup Town Planning Scheme No. 1 Zoning Scheme published in the *Government Gazette* of the 28th June, 1968, is hereby revoked.

### PART II.—ZONES.

#### 2.1. Classification.

2.1.1 These are hereby created within the Scheme Area the several Zones listed hereunder:—

Use Type	Zones
1. Residential	1A Single Residential Zone 1B Group Residential Zone 1C Multiple Residential Zone 1D Special Residential Zone 1E Short Stay Zone
2. Licensed Premises	2A Hotel Zone 2B Tavern Zone
3. Business	3A Shop Zone 3B Office Zone 3C Car Park Zone 3D Showroom Warehouse Zone 3E Service Station Zone
4. Industry	4A Light Industry Zone 4B General Industry Zone 4C Noxious and Hazardous Industry Zone
5. Public Utilities	5 Public Utilities Zone
6. Community	6A School Zone 6B Other Community Uses Zone
7. Recreation	7 Recreation Zone
8. Non Urban	8A Intensive Farming Zone 8B General Farming Zone 8C Forestry Zone 8D Small Holding Zone
9. Special	9A Additional Use Zone 9B Restricted Use Zone

Where the Scheme zones are referred to by the Use Type shown above the reference is deemed to include the zones listed opposite the Use Type.

2.1.2 The said Zones or such of them as are now required in the Scheme Area are delineated or coloured or otherwise indicated on the Scheme Map according to the legend thereon.

## 2.2 Zones and Uses.

2.2.1 The Zoning Table contained in Appendix I indicates subject to the provisions of the Scheme, the uses permitted in the various zones shown on the Zoning Table. The uses as permitted are determined by cross reference between the list of Use Classes on the left hand side of the Zoning Table and the list of Zones at the top of the Zoning Table.

2.2.2 The symbols used in the cross references in the Zoning Table have the following meanings:

P = a use that is permitted if it complies with the relevant development standards contained in this Scheme Text and in the Development Table.

PS = a use that is permitted if special approval to it is given by the Council, and if:

(a) it complies with the conditions of the approval (if any) of the Council; and

(b) if it complies with the relevant standards contained in this Scheme Text and in the Development Table.

AP = a use that is permitted if:

(a) approval to it is given by the Council after the proposal has been advertised in accordance with Clause 7.2.2;

(b) it complies with the conditions of the approval (if any) of the Council; and

(c) it complies with the relevant standards contained in this Scheme Text and in the Development Table.

IP = a use that is not permitted unless such use is incidental to the predominant use of the land as determined by the Council.

Where no symbol appears in the relevant column of the Zoning Table the use is prohibited.

2.2.3 Where in the Zoning Table a particular use is mentioned it is deemed to be excluded from any use class which by its more general terms would otherwise include such particular use.

2.2.4 If a particular use or purpose is not mentioned in the list of use classes or is not included in the general terms of any of the use classes in the Zoning Table such use or purpose shall unless it is permitted by the subsequent provisions of the Scheme be deemed to be prohibited.

2.2.5 The provisions of the preceding clause do not prohibit the Council consenting to a use not mentioned in the list of use classes in the Zoning Table and in accordance with the following clause determining the zone in which such use may be carried on nor prohibit the use of land in accordance with the terms of such consent.

2.2.6 In respect of any use that is not expressly provided for in the Zoning Table the Council may on application being made to it determine in which zone or zones if any, the use may be permitted with or without conditions as the Council deems necessary. The application for the Council's consent shall be in accordance with and state the particulars required by Clauses 7.1.1 and 7.1.2.

## PART III.—CONTROL OF DEVELOPMENT AND USE.

### 3.1 Division 1: Development Table.

3.1.1 The Development Table contained in Appendix II states the development standards that apply to the various uses specified in the Table.

3.1.2 Subject to the provisions of the Scheme no person shall erect or use any land or any building or structure thereon for a use or purpose specified in the Development Table otherwise than in accordance with the relevant provisions of that Table and unless such building complies with the requirement of the Development Table.

3.1.3 In the case of a proposed use not specified in the Development Table the Council may in granting its planning consent to commence development impose such conditions as it thinks fit.

3.1.4 The Council may relax the requirements of the Development Table in respect of a new development within a Conservation Area.

3.1.5 The Council may in its discretion in respect of any particular lot or lots within the area of Eaton as delineated on the Scheme Map alter the provisions of the Development Table by increasing the front setback distance for a dwelling house to a distance not exceeding nine metres.

### 3.2 Division 2: Residential Zones.

3.2.1 The provisions of Division 2 shall apply within Residential Zones but subject to the provisions of a guided development scheme or to cases where a proportion of open space has already been provided as part of the subdivisional process.

3.3 Open Space for Recreation and Amenity in Multiple Housing Developments.

3.3.1 In the development of land for multiple housing there shall be provided on the land an amenity open space area being of a size not less than an area calculated on the basis of one hundred and twenty five square metres for every dwelling unit in excess of one.

3.3.2 The Council may accept cash payments in lieu of the provision of the amenity open space required by the preceding clause but subject to the requirements of this clause:—

- (a) the cash-in-lieu payment shall be not less than the value as estimated by the Chief Valuer of the Department of State Taxation of the area of land which would have been required for the amenity open space.
- (b) before the Council agrees to accept a cash payment in lieu of the provision of an area of amenity open space the Council must either have already acquired an area of land suitable for the required amenity open space or must have firm proposals for providing such an area within a period of not more than eighteen months from the time of agreeing to accept the cash payment.
- (c) payments made under this clause shall be paid into a special fund to be used to acquire and improve land to be used for the amenity open space requirement.

3.3.3 The owner shall make adequate provisions to the satisfaction of the Council for the improvement and maintenance of the amenity open space areas required by the preceding clauses.

#### 3.4 Minimum Road Reserve Widths.

3.4.1 Subject to the provisions of section 288 of the Local Government Act, 1960, the following are the minimum road widths for subdivisions in the Residential Zones:

- (a) for cul-de-sac serving up to, and including ten dwelling units—16 metres.
- (b) for cul-de-sac serving eleven dwelling units up to and including twenty dwelling units—18 metres.
- (c) for cul-de-sac serving more than twenty dwelling units—20 metres.
- (d) for minor loop roads serving up to and including thirty dwellings—18 metres.
- (e) for minor loop roads serving more than thirty dwelling units—20 metres.
- (f) for service roads—16 metres.
- (g) for all other roads—20 metres.

3.4.2 In calculating the number of dwelling units served by a particular road the Council shall include only those dwelling units that have no other frontage than the cul-de-sac or loop road.

#### 3.5 Parking and Repair of Commercial Vehicles.

3.5.1 No person shall within a Residential Zone:

- (a) park or allow to remain stationary for more than four hours consecutively—
  - (i) more than one commercial vehicle;
  - (ii) a commercial vehicle unless such vehicle so parked is housed in a domestic garage or domestic outbuilding;
  - (iii) any vehicle which due to size or load is not capable of being completely housed within a domestic garage or domestic outbuilding having a maximum floor area of forty five square metres and in which no horizontal dimension is more than fifteen metres;
  - (iv) a vehicle which together with the load thereon exceeds three metres in height.
- (b) repair service or clean a commercial vehicle unless such work is carried out whilst the vehicle is housed in a domestic garage or domestic outbuilding.
- (c) keep or allow to remain or build, repair, paint, service, clean or renovate any boat, launch, yacht, dinghy or other vessel in front of the front setback line for more than eight hours consecutively.

#### 3.6 Lifts in Residential Buildings.

3.6.1 No person shall erect or use a residential building of more than two storeys not fitted with a passenger lift unless the design of the building is such that it is possible to reach the top floor and the bottom floor without ascending or descending stairways of a total height exceeding the height of one storey.

#### 3.7 Service Piping in Residential Buildings.

3.7.1 No person shall erect or use a residential building of more than two storeys unless it be so designed and constructed that all sewerage, water supply and gas pipes are concealed within the building.

#### 3.8 Division 3: Licensed Premises Zones, Business Zones and Industry Zones.

3.8.1 The provisions of Division 3 shall apply within the Licensed Premises Zones, Business Zones and in Industry Zones but the Council may relax the provisions of clauses 3.9.2 to 3.10.4 within a Conservation Area.

#### 3.9 Landscaping and Use of Land Between the Setback Line and Street Alignment.

3.9.1 In all new developments on land exceeding four thousand square metres in area within an Industry Zone at least one quarter of the area shall be set aside and used for landscaping and at least one half of the landscaped area shall be on the margins of the site.

3.9.2 On land not exceeding four thousand square metres in any of the zones mentioned in clause 3.8.1 the area of the land between the setback line and the street alignment may be developed and used in accordance with and for the purposes shown on one or other of the diagrams shown in Appendix III or in such other manner as shall be approved by the Council.

### 3.10 Access for Loading and Unloading of Vehicles.

3.10.1 No person shall in any of the said zones use a building for business or industry or for any purpose for which a licence has been granted under the Liquor Act, 1970, unless there is provided a paved access-way for vehicles from a street to the side or rear of the building for the purpose of loading and unloading and of a nature mentioned hereunder.

3.10.2 The access-way shall be so constructed that vehicles using it may return to a street in forward gear.

3.10.3 If there exists a right-of-way to the side or rear of the lot, an area shall be paved on the lot so that vehicles when loading or unloading shall not remain in the right-of-way and the area shall be of such a size that if no alternative route exists vehicles may manoeuvre so as to return to a street in forward gear.

3.10.4 Except as hereinafter mentioned the access-way shall be not less than four and one half metres in width; if the size of the lot makes the provision of a four and one half metres wide access-way impracticable or unreasonable the Council may permit an access-way of a narrower width but in no case less than three metres in width.

3.10.5. The Council may vary the requirement of Clauses 3.10.1 to 3.10.4 if all buildings are set twenty metres back from the street frontage in accordance with Appendix III.

### 3.11 Factory Tenement Buildings and Factoryettes.

3.11.1 No person shall occupy or use or permit to be occupied or used a factory tenement building or any part thereof unless the following requirements are complied with:—

- (a) No factoryette shall have a floor area of less than ninety square metres nor shall it be so constructed that either its width or its length is less than six metres.
- (b) There shall be an open yard appurtenant to each factoryette. The open yard shall not be smaller than the floor area of the factory. The open yard shall be used for storage and service purposes and shall contain facilities for storm water and effluent drainage.
- (c) There shall be situated in the open yard of each factoryette a bin area for rubbish. The bin area shall be of not less than nine square metres and shall be in such a position that vehicles have direct access to it by a paved internal service road.
- (d) Each open yard shall be screened from public roads and adjoining factoryettes by a close fence or wall of not less than two metres in height; provided that the Council may relax this requirement in cases where it considers the requirement unnecessary.
- (e) Factoryettes shall be separated from each other by an internal wall or walls constructed of brick, stone or concrete.
- (f) There shall be front or side access and rear access to each factoryette. The access shall be to a street or paved service road. If the service road is situated between buildings or between a building and a side boundary of the lot it shall not be less than five and one half metres in width; if the service road is situated between open yards or an open yard and a building it shall be not less than four and one half metres in width; if the service road is situated adjacent to the rear boundary of the lot it shall not be less than three metres in width.
- (g) There shall not be any advertising signs or sign boards unless erected and maintained in accordance with the Scheme and with the by-laws of the Council relating to signs.
- (h) Adequate provision shall be made for the disposal of all trade waste.
- (i) Each factoryette shall have incorporated in its structure one privy and one washbasin. It shall also be provided with one additional privy and one additional washbasin for every forty five square metres of floor area by which the total floor area exceeds ninety square metres. If both males and females are employed in the factoryette there shall be provided separate privies and washbasins for the separate use of males and females in accordance with the requirements of this paragraph; provided that depending on the number of persons employed in the factoryette the Council may relax the requirements of this paragraph.

3.11.2 The owner of the land on which a factory tenement building is situated shall:—

- (a) ensure that the rubbish from the bin area provided for each factoryette is cleared away at least once in every week;
- (b) keep all parts of the premises not the subject of separate occupancies in a clean and tidy condition; and
- (c) prohibit and prevent the erection or display of advertising signs or a signboard unless in accordance with the Scheme and with the by-laws of the Council relating to signs.

3.11.3 On the parcel of land on which a factory tenement building is situated there may be displayed, either on the portion planted with lawns and gardens or on the portion behind the setback distance a signboard not exceeding two square metres in area on which is marked the names and occupations of the occupiers of the factoryettes.

3.11.4 In cases where a factory is established on a lot and the owner proposes to convert the factory into factoryettes or extend the building for use as factoryettes, this will be permitted provided that the changes to be made to the premises comply with all respects with the requirements of the Scheme for factory tenement buildings and factoryettes, and the plans are approved by the Council.

3.11.5 Notwithstanding the requirements of the preceding clause where a factory owned and occupied by one person or company is established on a lot exceeding eight thousand square metres in area and an area of not less than four thousand square metres is vacant and is not being used or is not required for the provision of parking areas to the Scheme requirements in connection with the established factory, the Council may, if due to the position of the factory, subdivision of the lot is not feasible, permit the owner to use the vacant land for the development of factoryettes without complying with the requirements of the Scheme for factoryettes in respect to the established factory provided that:—

- (a) an unrestricted access-way of not less than ten metres in width or two unrestricted accessways totalling ten metres in width with one not less than four and a half metres in width can be set aside leading from a street to the area to be developed with factoryettes.
- (b) the access-way or ways and the area to be used for factoryette development is clearly marked on a site plan as such.
- (c) the factoryette development meets the requirements of the Scheme in all other respects, as if the land used as such were in fact a separate lot.

3.11.6 No person shall without the consent of the Council remove or alter any internal wall or partition within a factoryette.

### 3.12 Motor Vehicle Wrecking.

3.12.1 A person shall not in any of the zones to which this Division applies store, or permit to be stored or to remain on any land owned or occupied by him any disused motor vehicles, old motor vehicles, or old machinery or any parts thereof:—

- (a) over an area of land exceeding one hectare;
- (b) in any number exceeding one thousand five hundred per hectare where the vehicles have been reduced by pressure or other process to a volume of two cubic metres or less, or exceeding two hundred per hectare where they have not been so reduced; or
- (c) unless they are placed in neat rows not exceeding two metres in height.

### 3.13 Non Urban Zones.

3.13.1 In considering applications for planning consent to commence development, subdivision and rezoning of land in a Non Urban Zone the Council shall have regard to:—

- (a) the need to protect the economic viability of the rural land use generally.
- (b) the need to preserve the rural character and rural appearance of the area.
- (c) the need to ensure that the existing standard of road, water and electricity supply and other services is sufficient for the additional demands that the proposed development would create.
- (d) the need to ensure that in general all buildings are at least twenty metres from any lot boundary adjoining a street and the Council may require an additional setback in order to preserve the rural character of the area.

### 3.14 Small Holding Zones.

3.14.1 The following provisions shall apply within Small Holding Zones:—

- (a) So far as is practicable the rural character of the area shall be maintained and native trees shall be retained.
- (b) Not more than one dwelling house shall be constructed on any lot.
- (c) No duplex house, group housing or multiple housing shall be permitted except that on lots of an area exceeding two hectares a duplex house or two dwelling units may be constructed.
- (d) No dwelling house shall be constructed unless it is connected to the water mains but the Council may relax this requirement if it is satisfied that there is a supply of potable water available on the site either in the form of a rain water storage tank of not less than 90 000 litres or a bore from which an adequate quantity of potable water can be obtained.
- (e) No dwelling house or out-building shall be constructed within twenty metres of the front lot boundary provided that where it can be established to the satisfaction of the Council that due to the topography the shape of the lot or the existing vegetation this requirement is unreasonable or undesirable the Council may at its discretion vary the requirement, provided such variation does not permit a setback of less than ten metres.

- (f) No building shall be constructed in such manner or of such materials that it would in the opinion of the Council destroy the local amenity.
- (g) Pig farming, commercial poultry farming and feed lot farming shall not be permitted.
- (h) After the initial subdivision of the land within the Small Holding Zone the Council will not recommend further subdivision of the lots created.
- (i) No person shall display or permit to be displayed a sign hoarding or billboard other than one not exceeding 0.2 m<sup>2</sup> in area advertising the activity conducted on the site.
- (j) Where lots below eight thousand square metres in area are to be used for the keeping of a horse or horses then that use shall be limited to the keeping of horses for the personal use and enjoyment of the lot owner.
- (k) If there exists a building envelope for a lot no person shall construct a building outside the building envelope.
- (l) The erection of second hand buildings or the use of used building materials for external walls and roofs shall not be permitted without the special approval of the Council.
- (m) No person shall allow derelict out-buildings, car bodies or other accumulations of rubbish to remain on a lot.
- (n) The use of barbed wire as fencing material shall not be permitted.
- (o) The position of the crossover between the road and the lot and the driveway to the house shall require the approval of the Council.
- (p) The entry gate on the road frontage of the lot shall be of a standard approved by the Council.

3.14.2 The additional requirements and modifications to the provisions contained in the preceding clause and to the Zoning and Development Tables are specified in Appendix VIII and apply to the areas set against those requirements and modification in that Appendix.

### 3.15 Division 5: Special Zones.

#### Additional Use Zones.

3.15.1 Those portions of the Scheme Area which are specified in the Appendix IV are classified as Additional Use Zones.

3.15.2 Notwithstanding that a parcel of land described in Appendix IV is within another zone the land or any building or structure thereon may be used for the purpose set against that parcel of land in Appendix IV in addition to the other uses permitted in the Zone in which the land is situated.

#### Restricted Use Zones.

3.15.3 Those portions of the Scheme Area which are specified in Appendix V are classified as Restricted Use Zones for the uses or purposes set against such lands respectively in Appendix V.

3.15.4 No person shall use any land any building or any structure thereon in a Restricted Use Zone except for the use or purpose set against such land in Appendix V.

### 3.16 Division 6: Development Areas.

#### Special Development Area.

3.16.1 Development Areas are those shown as such on the Scheme Map according to the legend thereon.

3.16.2 It is intended that land and buildings in a Special Development Area be the subject of a re-development town planning scheme or schemes in order to improve the planning, the development and the general amenity, of the area. Subject to Clause 3.17.1 no development of land within a Special Development Area shall take place except in accordance with the said Town Planning Scheme.

#### Residential Development Area.

3.16.3 It is intended that the land in a Residential Development Area be progressively developed for residential purposes and such other business and public uses as are normally associated with residential development.

#### Industrial Development Area.

3.16.4 It is intended that the land in an Industrial Development Area be progressively developed for industrial purposes and such other uses as are normally associated with industrial activity.

#### Small Holding Development Area.

3.16.5 It is intended that land in a Small Holding Development Area be developed for rural homes and for rural pursuits.

3.16.6 It is intended that no area of land shall in future be included in a Small Holding Development Area if:—

- (a) the area is likely to be required for urban purposes in the foreseeable future.
- (b) the area is devoid of vegetation in excess of three metres in height.
- (c) the topography of the area is not undulating and varied.
- (d) the area is of value for intensive agricultural purposes.
- (e) services essential to the development cannot be provided economically.
- (f) the area is within a Conservation Area or a Landscape Protection Area.

## Guided Development Town Planning Scheme.

3.16.7 The Council may require that before subdivision or development of land is permitted within a Residential Development Area an Industrial Development Area or a Small Holding Development Area a Guided Development Town Planning Scheme be prepared either by the Council at the cost of the persons desiring to carry out the subdivision or development or enabled so to do by the Scheme or if the Council so agrees by the owners involved. The Scheme shall comprise a Land Use Map a Scheme Map a Report and a Scheme Text and such other documents as are appropriate to the Scheme and shall show the proposed uses for the land within the area. The Scheme shall be for the whole of the particular Development Area or for such portion thereof as shall be approved by the Council.

3.16.8 In the case of a Town Planning Scheme for a Small Holding Development Area the Scheme Map shall show the proposed building envelopes and shall where practicable be subject to the following requirements:—

- (a) each lot shall have at least fifty per cent natural vegetation.
- (b) lot sizes shall relate to topographic features.
- (c) all waterways, lakes, swamps and hill tops shall be shown as public recreation and shall become vested in the Crown or in the Council.
- (d) the building envelopes shall be so located as not be on the skyline and such that permitted buildings will at least be partially screened by vegetation when viewed from a road.

3.16.9 It is intended that the lot sizes shown on the Scheme Map for a Small Holding Development Area shall be fixed and the Council will endeavour to ensure that no further subdivision is permitted except for boundary adjustments and the provision of public utilities.

3.16.10 The Council shall consider the Guided Development Scheme at a meeting held not later than two calendar months after the receipt thereof. If the Council shall approve the proposals in principal it shall submit the Scheme to the Town Planning Board with its comments.

## 3.17 Interim Approval to Development.

3.17.1 The Council may pending the preparation and approval of a Town Planning Scheme in respect of land within a Development Area, permit land to be developed and inform the Town Planning Board of its agreement to a subdivision if:—

- (a) full details of the proposed subdivision and development are submitted to the Council and the Town Planning Board.
- (b) the Council and the Town Planning Board are satisfied that the subdivision and development is in accord with the intended land use and design for the area and will not prejudice further development or the amenity of the area; and
- (c) the subdivider, developer or the owner or all or any of them as required by the Council enters into an agreement with the Council to:
  - (i) subdivide or to develop the land;
  - (ii) abide by such terms and conditions as the Council deems necessary and as are specified in the agreement; and
  - (iii) comply with the provisions of the Town Planning Scheme when it is approved;
- (d) the land is if necessary rezoned to the appropriate zone.

## PART IV.—MISCELLANEOUS.

## 4.1 Car Parking.

4.1.1 A person shall not develop land unless the car parking requirements set out in the Development Table for the proposed land use shown therein are complied with. In addition the following general requirements shall apply.

4.1.2 The parking space required under the provisions of the Scheme, shall measure not less than the dimensions shown in Appendix VI for the type of parking layout adopted.

4.1.3 All car parking spaces, and all necessary access ways shall unless the Council agrees otherwise and except as hereinafter provided be paved.

4.1.4 Where the maximum dimension of any open car parking area exceeds twenty metres in length or width, one car parking space in every ten shall be used for garden and tree planting to provide visual relief and so long as the garden and tree planting areas shall be maintained in good order, those car parking spaces shall be included in calculations as car parking and not as landscaping.

4.1.5 Where the owner can demonstrate to the satisfaction of the Council that there is not the demand for the number of parking spaces specified in the Development Table landscaping may be provided in lieu of car parking spaces not constructed and the said landscaping shall be included in calculations as car parking but not as landscaping; provided that the Council may from time to time require that the additional parking spaces be provided.

4.1.6 In Business Zones where a developer can satisfy the Council that the minimum car parking requirements cannot be provided on the site the Council may accept a cash payment in lieu of the provision of car parking spaces but subject to the requirements of this clause:—

- (a) A cash-in-lieu payment shall be not less than the estimated cost to the owner of providing and constructing the parking spaces required by the Scheme, plus the value, as estimated by the Chief Valuer of the Department of State Taxation, of that area of his land which would have been occupied by the parking spaces.
- (b) Before the Council agrees to accept a cash payment in lieu of the provision of parking spaces, the Council must either have already provided a public car park nearby, or must have firm proposals for providing a public car park area nearby within a period of not more than eighteen months from the time of agreeing to accept the cash payment.
- (c) Payments made under this clause shall be paid into a special fund to be used to provide public car parks and the Council may use this fund to provide public car parks.

4.1.7 When considering an application to commence development the Council shall have regard to and may impose conditions in respect of the location and design of the required car parking spaces, natural planting and pedestrian spaces on the lot. In particular, the Council shall take into account and may impose conditions concerning:—

- (a) the proportion of car spaces to be roofed or covered;
- (b) the proportion of car spaces to be below natural ground level;
- (c) the means of access to each car space and the adequacy of any vehicular manoeuvring area;
- (d) the location of the car spaces on the site and their effect on the amenity of adjoining development, including the potential effect if those spaces should later be roofed or covered;
- (e) the extent to which car spaces are located within required building setback areas;
- (f) the locations of proposed public footpaths, vehicular crossings, or private footpaths within the lot, and the effect on both pedestrian and vehicular traffic movement and safety;
- (g) the suitability and adequacy of elevated structural decks for development and service as a proportion of the required area for natural planting and pedestrian space.

#### 4.2 Landscaping.

4.2.1 The landscaping requirement shown in the Development Table or referred to in the Scheme means an open area designed, developed and maintained as garden planting and areas for pedestrian use and at the discretion of the Council it may include natural bushland, swimming pools and areas under covered ways; garbage collection and handling spaces, and other open storage areas shall not be included.

4.2.2 Access driveways between a street alignment and any buildings may be included in the landscaping requirement but otherwise car parking areas and driveways shall not be included.

4.2.3 The Council may in a landscaped area restrict the use of concrete, gravel, pebble and similar hard materials and require the planting of lawns, trees or shrubs in lieu thereof.

4.2.4 Where a proposed development utilizes less than fifty per cent of the allowable plot ratio, the Council may reduce the landscaping requirement, provided that the landscaping requirement shall be required proportionately as subsequent development occurs.

4.2.5 A requirement of the landscaping is that one tree capable of growing to a height of three metres or more shall be planted for every ten square metres of landscape area but the Council may relax this requirement in the case of residential land uses.

4.2.6 No person shall unless the Council otherwise approves occupy any buildings forming part of an approved development until the required landscaping has been constructed and planted.

#### 4.3 Battle-axe Lots.

4.3.1 In the application of the Development Table to battle-axe lots and in the creation of battle-axe lots the following standards shall apply:—

- (a) The access strip shall be excluded in calculating the area of the lot.
- (b) The width of the access strip serving one battle-axe lot shall not be less than four metres.
- (c) The width of the access strip serving more than one battle-axe lot shall not be less than five metres.
- (d) The requirements of plot ratio and site coverage and other site requirements shall be applied to the area as calculated in paragraph (a).
- (e) The setback requirements of the Development Table shall be applied according to the direction in which the dwelling-house faces or in such other direction as shall be agreed upon by the Council and the owner.
- (f) All stormwater from the access strip shall be disposed of within the limits of the lot.

- (g) The access strip shall be paved to the satisfaction of the Council for a width of not less than three metres.

4.3.2 In considering plans containing proposed battle-axe lots the Council shall have regard to:—

- (a) the possibility of alternative forms of subdivision;
- (b) the possible effect on approved road patterns;
- (c) the proximity of the land to regional or local open space;
- (d) the topography contours and vegetation of the area;
- (e) the view from the land and to the land;
- (f) whether the privacy of adjoining lots will be prejudiced by such subdivision and the subsequent development of the lot.

#### 4.4 Granny Flats.

4.4.1 In this clause the term "Granny Flat" means separate living accommodation attached to or within the curtilage of a dwelling-house constructed to provide separate accommodation for an elderly close relative of the owner or of his or her spouse.

4.4.2 The Council may permit that construction of a Granny Flat upon the following conditions:—

- (a) The Granny Flat shall not be occupied without a permit to do so being granted by the Council.
- (b) The permit to occupy shall be for one year but may be renewed annually.
- (c) Upon the death of the elderly relative for whom the Granny Flat was constructed or upon the said relative ceasing to use the Granny Flat as his or her permanent residence the building shall be altered so that the Granny Flat cannot thereafter be used for separate living accommodation.
- (d) No person other than a close relative of the owner or his or her spouse shall without the written approval of the Council occupy the Granny Flat.
- (e) The owner and if required the occupier of the land on which the Granny Flat is constructed shall enter into a written agreement to comply with the foregoing conditions and such other conditions as may be imposed by the Council.

4.4.3 The Council shall not grant its permission to the construction of a Granny Flat unless the additional accommodation is:—

- (a) added to the existing building with direct internal access between the Granny Flat and the original building; or
- (b) joined to the existing building by a fully enclosed access way; and
- (c) the Granny Flat and the access ways are less than a total of forty square metres in area.

4.4.4 A person who shall commit a breach of any of the conditions on which permission to construct a Granny Flat has been given commits an offence.

#### 4.5 Signs.

4.5.1 The maximum size of signs notices and advertising devices is set down in the Development Table for each land use shown therein. The provisions apply in addition to by-laws made by the Council under the Local Government Act relating to signs and hoardings.

#### 4.6 Stables, Dog Kennels and Animals.

4.6.1 No person shall without the permission of the Council in any part of a General Farming Zone that is shown as a Residential Development Area on the Scheme Map:—

- (a) erect a stable or use a building or part thereof as a stable or keep a horse; or
- (b) erect dog kennels or use a building or part thereof as dog kennels or keep more than two dogs

on a lot of less than four thousand square metres.

4.6.2 No person shall within a Residential Zone:—

- (a) on land of less than two thousand square metres in area keep a horse, cow, donkey, mule, goat or camel.
- (b) on land of two thousand square metres or more in area keep a horse, cow, donkey, mule, goat or camel without the permission of the Council.

4.6.3 Permission may be given pursuant to the preceding Clauses for a limited period and unless renewed shall be deemed have lapsed after the expiration of that period.

#### 4.7 Protection of Shores.

4.7.1 Notwithstanding any provisions of the Scheme no person shall carry out any development within one hundred metres of the winter flood line of a lake swamp or of a water course unless with the special approval of the Council in accordance with Clauses 7.2.1 and 7.2.2.

4.7.2 In the event of a dispute as to the position of the winter flood line the decision of the Council acting on the advice of the Under Secretary for Works shall be final.

#### 4.8 Development of Lots With More Than One Street Frontage.

4.8.1 Where development is proposed on a lot which has more than one street frontage, the Council shall decide which street shall be the street frontage for the purposes of the Development Table and the other provisions of the Scheme the minimum setback to the other street frontages shall be four metres.

#### 4.9 General Appearance of Buildings.

4.9.1 No person shall without the written approval of the Council erect a building which by virtue of colour or type of materials, architectural style, height or bulk, ornamental or general appearance, has an exterior design which is out of harmony with existing buildings or the landscape character of the area.

4.9.2 No person shall without the written approval of the Council adorn any building with flags, bunting and such devices designed to attract the attention of passers by.

### PART V.—PRESERVATION AND CONSERVATION OF PLACES OF NATURAL BEAUTY AND HISTORIC BUILDING AND OBJECTS OF HISTORICAL OR SCIENTIFIC INTEREST.

#### 5.1 Division I: Preservation Resolutions.

5.1.1 The Council may resolve that it will consider whether a place of natural beauty specified in the resolution should be conserved.

5.1.2 The Council may resolve that it will consider whether an historic building or an object of historical or scientific interest should be preserved.

5.1.3 If the Council shall pass one of the resolutions mentioned in the clauses immediate preceding (hereinafter called "the preliminary resolution") it shall forthwith give written notice of the resolution to:—

- (a) the owner of the land on which the object of natural beauty or the historical building or the object of historic or scientific interest is situated;
- (b) the occupier of such land if he is not the owner;
- (c) all other persons whose names appear on the Certificate of Title to the said land as having an interest therein;
- (d) the Environmental Protection Authority;
- (e) The Heritage Council of Western Australia;
- (f) The National Trust of Australia (W.A.);
- (g) such other organizations or persons which or persons who in the opinion of the Council could give to it information which would assist the Council in arriving at a decision on the proposal.

5.1.4 The said notice shall inform the person to whom it is directed that the matter will be reconsidered by the Council after the expiration of two calendar months from the date of the passing of the said resolution and that any submissions made in writing to the Council before that time will be considered. The notice shall also contain a copy of this Division of Part V of the Scheme.

5.1.5 The Council shall cause a copy of the preliminary resolution to be published in a newspaper circulating in the Scheme Area and in the State of Western Australia asking that submissions from the public on the proposal be made to the Council before a date specified not being earlier than one calendar month after the date of the last advertisement.

5.1.6 The Council shall within two calendar months after the date specified in the preceding clause reconsider the preliminary resolution.

5.1.7 The Council shall consider all written submissions made to it and may resolve that the place of natural beauty or the historic building or object of historical or scientific interest should be conserved or preserved as the case may be. If the Council shall pass the said resolution (hereinafter called "the preservation resolution") it shall give written notice thereof to all persons mentioned in Clause 5.1.3 hereof.

5.1.8 If the Council shall not within a period of six months from the passing of the preliminary resolution pass the preservation resolution the Council shall be deemed to have abandoned the proposal contained in the preliminary resolution and shall not pass a preservation resolution unless and until the procedure mentioned in this Part of the Scheme shall have again been followed.

5.1.9 The Council may purchase or subject to the Act resume the parcel of land on which the place of natural beauty or the historic building or object of historical or scientific interest mentioned in the preservation resolution passed by the Council is situated or so much thereof as is in the opinion of the Council necessary for the preservation of the said object or building.

#### 5.1.10 The Council may:—

- (a) enter into agreements with the owners or occupiers of land on which a place of natural beauty or historic building or object of historical or scientific interest is situated, for the preservation or conservation of such building or object whether a preservation resolution has been passed or not;

- (b) enter into agreements with any of the organisations named in paragraphs (d), (e) or (f) of Clause 5.1.3 hereof or with any other person for the preservation or conservation of any building or object mentioned in a preservation resolution passed by the Council; or if the owner thereof so agrees, notwithstanding that no preservation resolution has been passed;
- (c) enter into agreements relating to the determination and settling of compensation.

5.1.11 Any person who is injuriously affected by the passing of a preservation resolution may within six months from the passing of the said resolution claim compensation from the Council.

5.1.12 No person shall without the written consent of the Council:—

- (a) within six months from the passing of a preliminary resolution; or
- (b) after the passing of a preservation resolution, make any alteration or addition to, damage, deface, demolish or remove any object of natural beauty, historic building or object of historical or scientific interest referred to in any such resolution.

5.2 Division 2: Landscape Protection Areas.

5.2.1 Landscape Protection Areas are those lands shown as such on the Scheme Map according to the legend thereon.

5.2.2 In a Landscape Protection Area no person shall without the consent of the Council:—

- (a) carry out any development;
- (b) clear or excavate land;
- (c) erect or construct any building outbuilding farm building or shed.

5.2.3 In considering applications for planning consent to commence development on or subdivision or rezoning of any land within a Landscape Protection Area or to do any of the other things mentioned in the preceding clause the Council shall have regard to the following:—

- (a) The areas included within Landscape Protection Areas are considered to be areas of significant landscape beauty.
- (b) Buildings and associated services should be regarded as being secondary to the natural features of the area and should not usually be permitted in visually exposed areas.
- (c) Buildings should be set back at least one hundred metres from public roads except where the natural vegetation is such that buildings sited closer to a road will be screened by natural vegetation or dense planting of native vegetation.
- (d) Farm outbuildings should where possible be clustered with the farm house and other outbuildings.
- (e) Subdivision proposals should reflect the high quality rural landscape of the area and lots less than four hectares in area and with less than a one hundred metre frontage to a road should not be permitted.
- (f) Subdivision necessitating new road construction of a nature that would involve cut and fill earthworks or the removal of trees should not be permitted.
- (g) Small holding subdivision and development should not be permitted.
- (h) Where subdivision is not only a minor boundary adjustment, important landscape features such as watercourses, wetlands, hilltops and areas on which tree-lines are situated, and major rock outcrops should be vested in the Crown as a condition of subdivision.

5.2.4 Any person who is injuriously affected by a decision of the Council refusing an application for consent to do any of the things mentioned in Clause 5.2.2 or granting its consent subject to conditions not acceptable to the applicant may if such refusal or conditions relate to the protection of the landscape and if the claim is made within six months of the decision of the Council claim compensation from the Council.

5.3 Division 3: Conservation Areas.

5.3.1 Conservation Areas are those lands shown as such on the Scheme Map according to the legend thereon.

5.3.2 In a Conservation Area no person shall without the consent of the Council:—

- (a) carry out any development.
- (b) fell lop or damage any tree.
- (c) clear or excavate land.
- (d) plant any vegetation.
- (e) erect or construct any building, outbuilding, farm building, shed, object or sign.
- (f) demolish alter or make an addition or remove any building, object or sign.

5.3.3 Upon receipt of an application for planning consent to commence development of any land within a Conservation Area or for consent to do any of the things mentioned in the preceding clause the Council shall appoint an Advisory Panel to consider and report on the proposal and shall at the cost of the applicant:—

- (a) Cause a notice containing a summary of the proposal to be published at one weeks interval for two successive weeks in a newspaper circulating in the Scheme Area and in the State of Western Australia, asking that submissions from the public on the proposal be made to the Council before a date specified by the Council not being earlier than one calendar month after the date of the last advertisement.

- (b) Cause a notice containing details of the proposal to be sent to:—
- (i) The Town Planning Department.
  - (ii) The Department of Conservation and Environment.
  - (iii) The Heritage Council of Western Australia.
  - (iv) The National Trust of Australia (W.A.).
  - (v) Such other organisations or persons which or who in the opinion of the Council could give information which would assist the Council in arriving at a decision.

requesting that submissions on the proposal to be given to the Council before the date to be specified by the Council pursuant to paragraph (a) hereof the Council shall make available to the Advisory Panel all submissions received.

5.3.4 The Council shall within two calendar months after the date specified pursuant to paragraph (a) of the preceding clause consider the proposal and the submissions received and shall make its decision thereon.

5.3.5 In considering applications for planning consent to commence development or for consent to do any of the things mentioned in Clause 5.3.2 the Council shall have regard to the fact that the Conservation Area is considered to contain sites places and buildings of significant historic scenic scientific or ecological value that should be retained in their present state or restored either to an original state or to a state acceptable to Council.

5.3.6 In making a decision, the Council may:—

- (a) approve or refuse the application; or
- (b) approve the application subject to such conditions it deems necessary to achieve the conservation of the sites or buildings within the area.

5.3.7 Any person who is injuriously affected by a decision of the Council refusing an application for consent to do any of the things mentioned in Clause 5.3.2 or granting its consent subject to conditions not acceptable to the applicant may if such refusal or conditions relate to the conservation of the site or of buildings thereon and if the claim is made within six months of the decision of the Council claim compensation from the Council.

#### PART VI.—NON-CONFORMING USES OF LAND.

6.1 If at the gazettal date any land building or structure is being lawfully used for a purpose or in a manner not permitted by the Scheme (hereinafter called "a non-conforming use") the non-conforming use may continue subject to the following restrictions:—

- (a) The non-conforming use shall not be extended beyond the boundaries of the lot or lots upon which it was carried on at the gazettal date;
- (b) If the buildings in which the non-conforming use is carried on are wholly within one lot only then such buildings shall not be extended beyond the limits of that lot;
- (c) If the building or buildings in which the non-conforming use is carried on are constructed on more than one lot such non-conforming use shall be restricted to the land on which the building stands or the buildings stand and such land which is adjacent to the building or buildings and not being used for any other purpose authorised by the Scheme as is reasonably required for the purpose for which the building or buildings is or are being used;
- (d) No building which is subject to any of the provisions in Part III shall be altered or extended unless it conforms to the relevant provisions of Parts III and IV or unless with the approval of the Council.

6.2 If a non-conforming use shall after the gazettal date be discontinued or changed no person shall subject to the following clause thereafter use the land or any building or structure thereon on which the non-conforming use was carried on for any purpose not permitted by the Scheme.

6.3 The Council may upon such conditions as it thinks fit permit the change of a non-conforming use to another non-conforming use if its opinion the latter use is less prejudicial to the amenity of the area.

6.4 The Council may for the purpose of discontinuing any particular non-conforming use acquire the land and buildings (if any) on or in which the use is or is permitted to be carried on or make agreements relating to the payment of compensation or moneys to persons willing to discontinue a non-conforming use.

6.5 If a non-conforming use shall be changed to another use all the requirements of the Scheme relating to a new use and to the buildings used in respect thereof shall be complied with by the owner and by the occupier of the land on which the use is carried on.

6.6 Any person carrying on a non-conforming use shall when required by the Council give to the Council in writing full information of the nature and extent of the non-conforming use.

#### PART VII.—ADMINISTRATION.

7.1 Application for Planning Consent to Commence Development.

7.1.1 Any person who desires to commence development of land for any purpose shall make application to the Council for Planning consent to commence development before applying for a Building Licence. The application shall be in the form and contain the particulars referred to in the form in Appendix VII.

7.1.2 The site plan accompanying an application to the Council for planning consent to commence development shall unless specifically exempted by the Council:—

- (a) indicate the position and describe the type of all existing buildings and improvements on the site and indicate those which are to be removed;
- (b) indicate the position and describe the buildings and improvements proposed to be constructed on the land;
- (c) indicate the position and describe the type and height of all existing trees on the site;
- (d) indicate which of such trees are to be retained and those to be removed;
- (e) indicate the areas to be landscaped;
- (f) indicate the layout and location of areas or pedestrian use and the area to be developed by natural planting;
- (g) indicate the type of shrubs trees and other plants to be planted;
- (h) indicate details of any proposed alterations to the natural contour of the area;
- (i) indicate details of the types of screening to be used to screen from public view areas not surrounded by buildings.
- (j) indicate what car parking areas are to be landscaped and held in reserve until required.

## 7.2 Applications for Special Approval.

7.2.1 The Council shall in the case of a use marked AP in the Zoning Table and may in the case of a use marked PS in the Zoning Table or in other cases in which application is made for its special approval require that notice be given to ratepayers likely to be affected by the granting of the special approval. If notice is to be given to ratepayers the Council shall notify the applicant of the names and addresses of all persons who according to the Rate Book are the rateable owners of land within an area to be specified by the Council likely to be affected by the granting of the application.

7.2.2 If the use is marked AP in the Zoning Table or in other cases if so required by the Council the applicant shall:—

- (a) cause to be sent by certified post to the owners whose names and addresses have been given to him by the Council and to all persons having an interest in the land the subject of the application a copy of the application to the Council.
- (b) cause to be published in a newspaper circulating in the Scheme Area and in the State of Western Australia notice of the application setting out in an abbreviated form the information contained in the application and stating that submissions may be made to the Council within one calendar month from the publication of the said notice; and
- (c) cause a copy of the notice referred to in paragraph (b) hereof to be displayed in a conspicuous place on the land for such period as the Council shall nominate.

7.2.3 If the Council resolves to recommend that special approval be granted it shall refer the matter to a subsequent meeting of the Council to be held not less than three weeks nor more than three months after the passing of the resolution recommending approval.

7.2.4 At a subsequent meeting of the Council held, if notices have been given, after the expiration of one calendar month from the publication of the said notice and after the expiration of one calendar month from the posting of the said notices to the owners whichever is the later the Council shall again consider the application and decide whether to grant or refuse its special approval or to grant such approval upon conditions.

7.2.5 In making its decision on applications for its special approval the Council shall take into consideration the following matters:—

- (a) The provisions of this Scheme and of any other Town Planning Scheme affecting the land the subject of the application or affecting land in the vicinity.
- (b) The nature of the proposed development in relation to the development of any land within the vicinity of the said land.
- (c) The size, shape and character of the parcel of land to which the application relates and the nature and siting of the proposed building, the view from the building and the interruption of view likely to be caused by the proposed building.
- (d) Any representations which may be made by any statutory authority.
- (e) The submissions received by the Council.
- (f) The existing and likely future amenity of the neighbourhood, including (but without limiting the generality of the foregoing) the question of whether the proposed development is likely to cause injury to such amenity including injury due to the emission of light, noise, electrical interference, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, grit, oil, liquid wastes or waste products.
- (g) The nature of the roads giving access to the said land.
- (h) What parking facilities are available or proposed and the likely requirements for parking.
- (i) Whether the proposed development will cause a traffic hazard.
- (j) Such other matters as the Council considers relevant.

7.2.6 The Council may enter into an agreement with the applicant whereby the applicant covenants for himself and his transferees to carry out and observe the conditions (if any) imposed by the Council in granting its special consent as aforesaid.

#### 7.3 Council Decisions.

7.3.1 The Council may grant planning consent to commence development or its special approval with or without conditions or may refuse to grant its consent or approval to the application.

7.3.2 If the Council shall have granted its planning consent to commence development or its special approval subject to conditions and any of the conditions shall not be fulfilled or complied with the Council may revoke its consent or approval.

7.3.3 The Council may limit the time for which its approval to commence development or its special approval remains valid.

#### 7.4 Advisory Panel.

7.4.1 The Council may from time to time appoint Advisory Panels to advise the Council on matters as they arise relating to buildings, to the general appearance of buildings, to the design and appearance of buildings in relation to the amenity of the area, and on other matters as may be referred to an Advisory Panel by the Council.

7.4.2 Each panel shall consist of the President or in his absence a Councillor nominated by him and at least three other persons, one of whom shall if practicable be an architect or a town planner, who in the opinion of the Council has the knowledge and experience to give a proper decision on the matters to be considered by the panel. None of the other persons appointed shall be a Councillor or an officer of the Council.

7.4.3 The Council may from time to time revoke the appointment of any member of an advisory panel other than the President or his nominee and may appoint a person in the place of the member of a panel whose appointment has been revoked or who resigns or is unable to act. No person who has any direct or indirect pecuniary interest in a matter before an advisory panel shall act as a member of that panel.

7.4.4. The Council is not bound by a recommendation of an advisory panel but if it does not accept the recommendation it should give reasons for its action.

#### 7.5 Powers of Council.

7.5.1 The Council in the conduct and management of the Scheme shall in addition to all other powers vested in it have the following powers:—

- (a) By its officers, employees, agents or contractors to enter and inspect any land or building within the Scheme Area;
- (b) To enter into agreements and arrangements with any of the owners of land within the Scheme Area; and
- (c) To acquire land or buildings within the Scheme Area.

7.5.2 One calendar month's written notice is hereby prescribed as the notice to be given pursuant to Section 10 of the Act. Any expenses incurred by the Council under the said Section may be recovered from the person in default as a simple contract debt in such Court of Civil Jurisdiction as is competent to deal with the amount of the claim.

7.5.3 The Council may at any time exercise the powers conferred by section 13 of the Act.

#### 7.6 Relaxation of Restrictions.

7.6.1 Notwithstanding anything herein contained but subject to the provisions of the Uniform Building By-laws where applicable the Council may either generally or in any particular case, and on such conditions as it thinks fit, relax the provisions of the Scheme, if the resolution so to do is passed by an absolute majority of the Council, if agreement to the resolution is obtained in writing from the Minister and if the resolution is confirmed within three months by an absolute majority of the Council at a subsequent meeting.

7.6.2 Prior to resolving to relax a provision of the Scheme the Council shall if required by the Minister advertise its intention to consider such action in accordance with clause 7.2.2.

#### 7.7 Important Regional Roads.

7.7.1 The Council shall be under no financial responsibility for the acquisition of the lands shown as Important Regional Roads on the Scheme Map.

#### 7.8 Prohibition.

7.8.1 No person shall use any land or any building or structure thereon contrary to or otherwise than in accordance with the provisions of the Scheme.

7.8.2 If pursuant to the provisions of the Scheme planning consent to commence development or an approval has been granted by the Council upon conditions no person shall commit a breach of any of those conditions.

7.8.3. Any person who fails to comply with any of the provisions of the Scheme is guilty of an offence and without prejudice to any other remedy given herein is liable to such penalties as are prescribed in the Act.

#### 7.9 Claims for Compensation and Betterment.

7.9.1 Except where otherwise provided in the Scheme the time limited for the making of claims for compensation pursuant to section 11 of the Act is six months after the date when notice of the approval of the Scheme is published in manner prescribed by the regulations made under the Act.

7.9.2 Claims made by the Council pursuant to section 11(2) of the Act shall be made within eighteen months of the completion of the work or the section of the work by reason of which the land in respect of which the claim is made, is increased in value.
