WHEAT DELIVERY QUOTAS ACT, 1969-1974.

Wheat Delivery 1979-1980 Season.

WHEAT growers are advised the 1979-1980 season has been declared a non-quota season and there is no restriction on the quantity of wheat which may be delivered.

To enable accurate property delivery records to be maintained, wheat growers who intend delivering wheat to Co-operative Bulk Handling during the 1979-1980 season are notified that an application for registration to do so MUST be made on the appropriate form, which is available at all Shire Offices and Department of Agriculture offices in wheat growing areas; also at the Wheat Quota office, 32 Delhi Street, West Perth, 6005. Applications are to be completed and forwarded to the Wheat Quota office by 31st July, 1979.

Wheat Delivery Registration Certificates will be issued in September, 1979, to all those growers who apply. Each delivery title must be registered for each Co-operative Bulk Handling receival point to which delivery of grain is intended, prior to delivery being effected. Failure to do so will cause inconvenience to growers at time of delivery, as under Clause 31 of the Wheat Delivery Quotas Act, 1969-1974, Co-operative Bulk Handling may not accept wheat from a grower who has not registered for the point of delivery.
