APPLICATIONS FOR LEASING.

Department of Lands and Surveys,
Perth, 2nd November, 1979.

Corres. 828/73, V.2.

APPLICATIONS are invited for the leasing of the Karratha lots listed on the Schedule under section 117 of the Land Act, 1933-1977, for the purpose of "Service Trades" for a term of 21 years at the annual rentals shown on the schedule.

Uses which may be permitted on a service trades lot include sale yards, showrooms, stores, repair and servicing workshops, display areas, veterinary clinics, taxi depot and the like. Under the provisions of an Agreement with Farmers Stores of W.A. sites for retail purposes can be restricted to new and second hand vehicle sales, motor parts and accessories, building materials and agricultural, mining and industrial machinery. It is also necessary for uses to conform with development standards set for the Town Centre. It is essential, therefore, that applicants note the following special release conditions:—

- (a) Applicants shall submit full details of proposed usage and development with their application. Where development is proposed over more than one lot, a staged development programme is required.
- (b) The Minister for Lands reserves the right to refuse any application on the grounds that development and usage proposals are not compatible with Town Centre Standards or that intended usage conflicts with the Agreement with Farmers Stores of W.A.
- (c) A Land Board (acting as Board of Enquiry) will be appointed to assess all applications received.

On completion of substantial development to the satisfaction of the Minister for Lands the lessee may surrender his lease in order that the land may be made available in freehold. In this regard it is advised that the lessee should not anticipate freehold title before providing full details of completed development for departmental examination and approval. The price for the land shall be as shown on the Schedule and shall remain valid for a period of 3 years from this date.

Service Premiums as scheduled cover the provision of roads, water and power and are payable over a period of twelve months by four quarterly payments.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

In addition the following lease conditions shall apply:—

- (1) The land shall not be used for other than the approved Service Trades Purposes.
- (2) The rent shall be subject to reappraisal at the end of the seventh and fourteenth year of the term.
- (3) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage, sublet or part with the possession of the demised land.
- (4) The lessee shall commence construction within nine (9) months and thereafter continue construction and complete and operate the works within two (2) years from the date of the commencement of the lease.
- (5) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute, by-law or regulation.
- (6) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (7) All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister for Lands.
- (8) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (9) The land shall be filled to levels specified by, and acceptable to the Minister or his nominee and the Shire Council.
- (10) The lessee shall not apply for a licence to sell liquor without the prior written consent of the Minister. In the event of the granting of such a licence the rent shall be subject to immediate reappraisal.
- (11) The lessee shall comply with all conditions imposed by the Department of Transport.

- (12) The lessee shall at his own expense install and maintain fire-fighting and control equipment to the approval of the Minister.
- (13) Compensation will not be payable for damage by flooding of the demised land.
- (14) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (15) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee.
- (16) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.

Applications must be lodged at the Department of Lands and Surveys, Perth, on or before Wednesday, 19th December, 1979, accompanied by the deposit shown on the Schedule together with a completed preference list and the appropriate development details as mentioned above.
