**NOTICE TO SUBSCRIBERS.
NEW YEAR PUBLICATION.**

Closing time for acceptance of notices to be published in the "Government Gazette" on Friday, 4th January, 1980, will be 3.00 p.m. on Wednesday, 2nd January, 1980.

WILLIAM C. BROWN,
Government Printer.

AT a meeting of the Executive Council held in the Executive Council Chambers at Perth this 12th day of December, 1979 the following Orders in Council were authorised to be issued:—

Local Government Act, 1960-1979.

ORDERS IN COUNCIL.

WHEREAS by section 288 of the Local Government Act, 1960-1979, it shall be lawful for the Governor, or request by a Council of a Municipal District, by Order published in the *Government Gazette* to declare any lands reserved or acquired for use by the public or used by the public as a street, way, public place, bridge or thoroughfare, under the care, control, and management of the Council, or lands comprised in a private street, constructed and maintained to the satisfaction of the Council, or lands comprised in a private street of which the public has had uninterrupted use for a period of not less than ten years, as a public street and if the Council thinks fit, that the Governor shall declare the width of carriageway and footpaths of the public street; and whereas the Councils mentioned in the schedule hereto have requested that certain lands named and described in the said schedule, which have been reserved for streets within the said Councils, be declared public streets: Now therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby declare the said lands to be public streets and such land shall, from the date of this Order, be absolutely dedicated to the public as streets within the meaning of any law now or hereafter in force.

R. D. DAVIES,
Clerk of the Council.

Department of Lands and Surveys,
Perth, 28th December, 1979.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Bush Fires Act, 1954-1979 has been pleased to make the regulations set out in the Schedule hereto.

B. L. O'HALLORAN,
Under Secretary for Lands.

Schedule.

REGULATIONS.

- Principal regulations. 1. In these regulations the Bush Fires Act, 1954, Regulations, as reprinted pursuant to the Reprinting of Regulations Act, 1954 and published in the *Government Gazette* on the 11th September, 1978 are referred to as the principal regulations.
- Reg. 38A substituted. 2. Regulation 38A of the principal regulations is revoked and the following regulation substituted—

38A. (1) Where a bush fire control officer is of the opinion that the use or operation of any engines, vehicles, plant or machinery during the prohibited burning times or restricted burning times, or both, is likely to cause a bush fire, or would be conducive to the spread of a bush fire, the bush fire control officer may by notice or direction prohibit or regulate the carrying out of any activity or operation in a specified area either absolutely or except in accordance with conditions specified in the notice or direction or without the consent of the local authority or bush fire control officer.

(2) A notice or direction under subregulation (1) of this regulation—

- (a) may be given by wireless broadcast or in writing;
- (b) shall have effect for such period during the prohibited burning times or restricted burning times, or both, as is specified in the notice or direction;
- (c) may be varied or cancelled by a bush fire control officer by a subsequent notice or direction in the manner set out in that subregulation.

(3) During any period for which a notice or direction under subregulation (1) of this regulation has effect a person shall not, in any area specified in the notice or direction, operate or use any engines, vehicles, plant or machinery contrary to the notice or direction.

(4) A person shall, when required by a local authority, provide a plough or other specified machine, appliance or fire-fighting equipment in or in the vicinity of any land or paddock where harvesting operations are being carried on.

MINIMUM PRICES TO DAIRYMEN:

Minimum price to be paid to dairymen by the Authority at the dairy for market milk containing not less than 11.75 per cent total milk solids as determined by Australian Standard Method 1084-1974, Section 3, in relation to a representative composite sample taken over a testing period; and containing not less than 3.2 per cent milk fat as determined by the Babcock or Milko-Tester methods in relation to the same representative composite sample—

supplied to dairy produce factories outside the metropolitan area, excluding Albany, at the rate of 20.93 cents per litre.

supplied direct to the metropolitan area and to Albany at the rate of 21.20 cents per litre.

Minimum price to be paid to dairymen by the Authority at the dairy for special products milk containing not less than 11.75 per cent total milk solids as determined by Australian Standard Method 1084-1974, Section 3, in relation to a representative composite sample taken over a testing period; and containing not less than 3.2 per cent milk fat as determined by the Babcock or Milko-Tester methods in relation to the same representative composite sample at the rate of 10.39 cents per litre.

MAXIMUM PRICES TO AUTHORITY:

Maximum price to be paid to the Authority by dairy produce factories for market milk—

outside the metropolitan area, excluding market milk for pasteurisation at Brunswick Junction and Albany, at the rate of 22.83 cents per litre.

for pasteurisation at Brunswick Junction at the rate of 22.79 cents per litre.

for pasteurisation at Albany at the rate of 23.06 cents per litre.

in the metropolitan area at the rate of 23.10 cents per litre.

Maximum price to be paid to the Authority by dairy produce factories for special products milk at the rate of 20.94 cents per litre.

MAXIMUM TRANSPORT CHARGES (Market Milk only):

Maximum charge for transport of market milk purchased by the Authority from dairy produce factories outside the metropolitan area to dairy produce factories in the metropolitan area at the rate of 1.20 cents per litre.

OTHER CHARGES (Market Milk only):

Maximum charge for treatment, excluding pasteurisation and packing, of market milk at dairy produce factories outside the metropolitan area at the rate of 1.39 cents per litre.

Maximum price to be charged at dairy produce factories in the metropolitan area for market milk received for treatment from dairy produce factories outside the metropolitan area at the rate of 26.67 cents per litre.

ACCEPTANCE AND DISPOSAL OF MILK BY THE AUTHORITY

It is further determined that, where milk delivered by a dairyman—

is found to contain less than 11.75 per cent total milk solids, as determined by the aforementioned Standard Method during any testing period on a second or succeeding occasion after January 1 1980 or a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of that testing period will not be accepted by the Authority as market milk or special products milk.

is found to contain less than 3.2 per cent milk fat, as determined by one of the aforementioned methods during any testing period on a second or succeeding occasion after January 1 1980 or a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of that testing period will not be accepted by the Authority as market milk or special products milk.

is found by the Department of Agriculture of Western Australia on a certain day to contain anti-biotic on a second occasion after January 1 1980 or a second occasion in any subsequent quota year, milk supplied by that dairyman for that one day will not be accepted by the Authority as market milk or special products milk.

is found by the Department of Agriculture of Western Australia on a certain day to contain anti-biotic on a third or succeeding occasion after January 1 1980 or on a third or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of the testing period in which that day occurs will not be accepted by the Authority as market milk or special products milk.

is found by the Department of Agriculture of Western Australia on a certain day to contain added water on the first occasion after January 1 1980 or on the first occasion in any subsequent quota year, milk supplied by that dairyman for that one day will not be accepted by the Authority as market milk or special products milk.

is found by the Department of Agriculture of Western Australia on a certain day to contain added water on a second or succeeding occasion after January 1 1980 or on a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman for the duration of the testing period in which that day occurs will not be accepted by the Authority as market milk or special products milk.

DAIRY INDUSTRY ACT, 1973—*continued.*

is found by the Department of Agriculture of Western Australia on a certain day to contain added solids on the first occasion after January 1 1980 or on the first occasion in any subsequent quota year, milk supplied by that dairyman will not be accepted by the Authority as market milk or special products milk for a minimum of two testing periods.

is found by the Department of Agriculture of Western Australia on a certain day to contain added solids on a second or succeeding occasion after January 1 1980 or a second or succeeding occasion in any subsequent quota year, milk supplied by that dairyman will not be accepted by the Authority as market milk or special products milk for a minimum of four testing periods.

is found by the Department of Agriculture of Western Australia on a certain day to have a freezing point determination above MINUS 0.522°C, milk supplied by that dairyman will not be accepted by the Authority as market milk or special products milk in accordance with the aforementioned conditions applying to added water.

is found by the Department of Agriculture of Western Australia on a certain day to have a bacterial content of over 100 000 bacteria per millilitre 10 to 25 days after an initial examination indicating over 100 000 bacteria per millilitre, milk supplied by that dairyman for that one day will not be accepted by the Authority as market milk or special products milk.

Where milk delivered by a dairyman is acceptable as market milk or special products milk and the abovementioned prices for market milk or special products milk apply—

market milk or special products milk delivered by a dairyman to the Authority is accepted by the Authority at the dairyman's registered dairy produce premises.

market milk or special products milk delivered by a dairyman and accepted by the Authority is disposed of by the Authority to the dairy produce factory at the point of acceptance by the Authority.

PROVIDED THAT nothing in the Dairy Industry Act, 1973, requires the Authority to accept all or any milk delivered to it by any person; and milk delivered to and accepted by the Authority may be disposed of by the Authority to milk vendors or other persons.

The Maximum Prices—

to be charged by milk vendors to milk vendors (vehicle);

to be charged by milk vendors to milk shops;
