## SIR CHARLES GAIRDNER HOSPITAL.

## Orthotron Disposal.

TENDERS are invited for the removal and disposal of the Orthotron Linear Accelerator located at the Sir Charles Gairdner Hospital.

The unit, which is in working order, is offered on an "as it stands" basis subject to the proviso that some parts will be removed from the unit for use by the hospital. It is imperative that prospective tenderers inspect the unit before submitting a tender. Inspection can be arranged during the period 7th to 11th January by telephoning Mr. J. Poller (380 1122, Extension 2088).

Tenderers must be prepared to remove all parts of the unit without modification of, or damage to,

the building within which the unit is housed. Oxy-cutting of assemblies may be necessary. Tenderers shall enter into an agreement to make good any damage to the building to the satisfaction of the hospital's Administrator.

A period of four weeks from 18th February, 1980, will be allowed for the removal of this equipment.

A memorandum giving a description of the equipment is available on request.

Tenders, which must be in sealed envelopes marked "Orthotron Tender" are to be deposited in the Tender Box in the Administrator's office no later than 4 p.m. on 21st January, 1980.

A. J. SMITH,  
Administrator.

## DAIRY INDUSTRY ACT, 1973 (AS AMENDED).

## Directions under Section 30.

I, RICHARD CHARLES OLD, Minister for Agriculture, being the Minister for the time being administering the Dairy Industry Act, 1973 (as amended), acting under section 30 of that Act and after considering a statement submitted to me under subsection (1) of that section by the Dairy Industry Authority of Western Australia established under that Act (referred to in these directions as "the Authority") hereby direct the Authority that:—

1. Where an application is made under paragraph (a) of subsection (4) of section 30 of the Act—

(a) the Authority shall refuse the application if approval to the application would result in the proposed transferee holding a market milk quota or market milk quotas exceeding in the aggregate 1 100 litres on a daily basis;

(b) subject to paragraph (a) and paragraph (d) of this clause, the Authority shall not refuse the application if the applicant who proposes to transfer the quota is also transferring to the proposed transferee of the quota the entire interest of the applicant in the premises on which milk is produced pursuant to the market milk quota concerned;

(c) subject to paragraph (a), the Authority shall not refuse the application by reason only that the proposed transfer is of a kind to which paragraph (b) does not apply where the application relates to a transfer between members of a family, being spouses, parents, or children of that family, and the application is otherwise approved by the authority; and

(d) the Authority shall refuse the application if the application relates to a transfer to which paragraph (b) applies but the applicant received the quota concerned within the period of three years preceding the application as a result of a transfer of the kind referred to in paragraph (c), unless—

(i) the circumstances are such that refusal of the application would cause undue hardship;

or

(ii) the Authority is satisfied that approval to the application would not be inconsistent with the bases or principles submitted under subsection (1) of section 30 of the Act.

2. Where an application is made under paragraph (b) of subsection (4) of section 30 of the Act—

(a) the Authority shall refuse the application if the proposed surrender is subject to payment by the Authority of an amount of compensation exceeding 63 dollars per litre of market milk quota on a daily basis;

(b) the Authority shall refuse the application if the proposed surrender would result in the applicant retaining a market milk quota of less than 245 litres on a daily basis;

(c) subject to paragraph (d) of this clause, the Authority shall refuse the application if the applicant proposes to surrender less than 45 litres of market milk quota, on a daily basis; and

(d) the Authority shall not refuse the application by reason only of paragraph (c) of this clause if the proposed surrender is for the purpose of ensuring that the applicant will not hold a market milk quota or market milk quotas exceeding in the aggregate 1 100 litres on a daily basis.

3. The bases or principles set out in the directions made under section 30 of the Act on the 19th June, 1978 and published in the *Government Gazette* on the 23rd June, 1978 at page 2066 shall be of no further effect after the day on which these directions are made.

Dated this 21st day of December, 1979.

R. C. OLD,  
Minister for Agriculture.
