Land Release.

Department of Lands and Surveys,
Perth, 16th May, 1980.

File No. 1298/57 and 4404/69.

HIS Excellency the Governor in Executive Council has been pleased to approve under section 45A of the Land Act, 1933-1977, of the Ledge Point lots listed in the Schedule below as being made available for sale in fee simple for "Residence and Storage Purposes associated with the Fishing Industry" at the purchase prices of four thousand dollars (\$4 000) per lot and subject to the following conditions:—

- (a) The purchaser shall erect on the lot purchased a residence to comply with Local Authority by-laws within four (4) years from the due date of the first instalment. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid. However, freehold title to the land may be applied for when a residence has been erected to "top plate height" stage, and is not less than 50 per cent completed to the satisfaction of the Minister for Lands.

On payment of the first instalment of purchase money a licence will be available, upon which a mortgage can be registered. A Crown Grant (freehold) will not issue until the purchaser has complied with the building condition. A holder of a licence may apply to the Minister for Lands for permission to transfer a licence.

- (b) A deposit of 10 per cent of the purchase price is payable on application and the balance of purchase money shall be paid within twenty-four months of the date of approval of application by eight (8) equal quarterly instalments on the first days of January, April, July and October in each year. The first instalment of purchase money shall become due and payable on the first day of the quarter next following the date of approval of application, the Crown Grant fee being payable with the last instalment of purchase money; Provided that amounts paid during the twelve months commencing on the first day of the quarter next following the date of approval of application shall be interest free but all moneys outstanding after that period shall be subject to interest at a rate of 10 per cent per annum calculated at quarterly rests on the balance outstanding at the end of the previous quarter. Such interest shall be due and payable with the prescribed instalment. Nothing shall prevent the balance of purchase money and fees being paid at an earlier date should the purchaser so desire but a Crown Grant shall not issue until the conditions under which the lots were made available for sale have been fulfilled.
- (c) A limit of one lot per person shall apply and for the purpose of this condition husband and wife shall be deemed as one.
- (d) Applications are restricted to *bona fide* fishermen who are the holders of current professional fishermen's licences.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications, accompanied by a deposit as listed in the Schedule, together with a copy of the Licence must be lodged at the Department of Lands and Surveys, Perth, on or before Wednesday, 11th June, 1980.

All applications lodged on or before the closing date will be treated as having been received on that
