3. (1) A person shall not plant a garden in a street, except pursuant to a permit issued by the Council and then only in conformity with this by-law.

(2) The Council shall not issue a permit for the planting of a garden in any portion of a street, except on the application of the owner or occupier of the land that abuts on that portion of the street.

(3) A person requiring a permit to plant a garden in a street shall submit to the Council a sketch plan setting out details of the proposed garden and the positions of the proposed garden beds and any trees or shrubs proposed to be planted in relation to the frontage of the carriageway.

(4) The owner or occupier of land that abuts on portion of a street may plant a lawn in that portion of the street without obtaining a permit to do so unless the lawn is part of a garden in that portion of the street.

6. A person shall not water a street lawn or garden in such a manner as will, or may, occasion inconvenience to persons using the adjoining carriageway or footpath.

7. (1) A person shall not plant or keep any tree or shrub in a garden in a street if that tree or shrub is of a height exceeding 0.75 metres, or is of a variety likely to grow to a height exceeding 0.75 metres, if that tree or shrub is within 6 metres of a junction or intersection.

(2) Nothing in this by-law authorises a person to place or erect any fence, enclosure or other obstruction on, or about, a lawn or garden in a street.

8. (1) The Council may at any time by notice in writing to the owner or occupier of land that abuts on portion of a street in which a lawn or garden is planted require that owner or occupier to remove any tree, shrub, water piping or fitting from that lawn or garden and the owner or occupier shall comply with that notice within the time stipulated for compliance therewith in the notice.

(2) If an owner or occupier upon whom a notice has been served pursuant to subclause (1) of this clause fails to comply with that notice within the stipulated time the Council may remove the tree, shrub, water piping or fitting from that lawn or garden referred to in the notice at the expense of the owner or occupier and any expense incurred by the Council in so doing may be recovered from that owner or occupier in a court of competent jurisdiction.

9. (1) The Council may, without being liable to compensate any person therefor, dig up all or any part of a lawn or garden in a street, for the purpose of carrying out any authorised works.

(2) A person employed by the Council acting pursuant to this clause shall not disturb a lawn or garden or damage any pipes laid under that lawn or garden to any greater extent than is reasonably necessary for the purpose of carrying out any authorised works and shall, upon the completion of the works, reinstate the lawn or garden, as far as is reasonably practicable.

10. (1) Where the Council for the purpose of carrying out authorised works is of the opinion that the carrying out of those works may be impeded by the existence of piping, under a lawn or garden in a street, it may give notice to the owner or occupier of the land abutting on the lawn or garden to remove the piping, until the completion of the works. Where the owner or occupier does not comply with the notice within the time stipulated in the notice for compliance therewith the Council may remove the piping at the expense of the owner or occupier, and any expense incurred by the Council pursuant to this clause may be recovered in any court of competent jurisdiction.

(2) The Council shall not be liable for damage to piping under a lawn or garden in a street, occasioned either in the course of the removal of the piping under the provisions of subclause (1) of this clause or in the course of carrying out authorised works.

11. (1) Except as provided by this by-law, a person shall not wilfully damage a lawn or garden in a street.

(2) Except as provided in this by-law, a person other than the owner or occupier of land that abuts upon portion of a street in which a garden is planted or a person authorised by that owner or occupier shall not remove any flower, plant, or shrub from that garden.

12. The Council shall not be liable for any damage sustained by a person by reason of, or arising out of, the planting, or existence, of a lawn or garden in a street.
