Notice to all Owners and/or Occupiers of Land in the Shire of Busselton.

WITH reference to section 33 of the Bush Fires Act, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this order.

If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice. If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

Special Notice to Land Owners and Occupiers: The Council forwards a copy of this Firebreak Order with rate assessments each year. The notice is also published in the *Busselton-Margaret Times*.

The aim of the Council is to eliminate destructive bush fires and to this aim, some areas of the Shire are subject to a District Fire Protection Plan where large-scale hazard removal and roadside burning is carried out by the Shire's Bush Fire Brigades and Council workforce.

The requirements of this order are considered to be the minimum standard of fire prevention work required to protect not only individual properties but the district generally. In addition to the requirements of this Order, Council may issue separate special orders on owners or occupiers if hazard removal is considered necessary in some specific areas.
