(b) On giving to the Clerk not less than four hours notice, a Councillor shall be entitled to have laid on the Council table for the duration of a meeting, any document or record of the Council, and the Clerk, on receiving that notice shall lay the document on the Council table at the commencement of the meeting with respect to which the production of that document or record has been requested.

Demand for Withdrawal.

(50) If any Councillor commits a breach of Clause 47 or 48, the Mayor may require him unreservedly to withdraw any offending comment and to make a satisfactory apology. If the Councillor declines or neglects to do so, the Mayor may direct such Councillor to cease speaking and resume his seat and may call on the next speaker.

Rulings by Mayor.

(56) When the Mayor has given a decision on a point of order or practice, argument or comment shall not be permitted thereon and that decision shall be final, in that particular case, unless a majority of the Councillors then present shall, upon motion made forthwith and without discussion, dissent therefrom.

(57) Whenever the Mayor has decided that any motion, amendment or other matter before the Council is out of order, it shall be rejected, and whenever anything said or done in the Council, by any Councillor, is similarly decided to be out of order, that Councillor shall be called upon by the Mayor to make such explanation, retraction or apology, as the case may require.

Continued Breach of Order.

(58) Where a Councillor persists in any conduct which the Mayor decides is out of order or refuses to make any explanation, retraction or apology required by the Mayor under Clause 57, the Mayor may direct that Councillor to refrain from taking any further part in the then meeting of the Council, other than by recording his vote and the Councillor shall comply with that direction.

Serious Disorder.

(59) (a) If at a meeting of the Council the Mayor is of opinion that by reason of disorder or otherwise the business of the Council cannot be effectively continued, he may adjourn the meeting for a period of fifteen minutes. At the end of that period Council shall re-assemble and decide whether business is to be proceeded with and that question shall be decided forthwith and without debate.

(b) Where Council has decided to proceed under Subclause (a) of this Clause and the Mayor is again of opinion that the business of the Council cannot be effectively continued, the Mayor may close the meeting.

All Councillors to Vote.

(60) (a) At every meeting of the Council, save where the Act otherwise provides, every Councillor present shall vote, and if any Councillor who is entitled to vote fails to vote, the Mayor shall call upon him to vote.

(b) Where there is any equal division of votes upon any question, the Mayor has and may exercise a casting vote.

Permissible Motions During Debate.

On any such motion, the mover may speak for not more than five minutes, the seconder shall not speak other than formally to second the motion, and the Chairman of the Committee concerned, or in his absence a member thereof, may speak for not more than five minutes to the motion, but no other debate shall be allowed.

(62) Every amendment shall be relevant to the motion on which it is moved.

(63) Every amendment shall be read before being moved.

One Amendment at a Time.

(64) (a) Only one amendment shall be discussed at a time, but as often as an amendment is lost, another amendment may be moved before the original motion is put to the vote. When one amendment to a motion is carried, only one further amendment to the original motion, as amended, and no more, may be moved.

(b) In speaking to an amendment a Councillor may give notice of his intention to move a further amendment.

(65) Where an amendment is carried, the original motion as amended shall, for all purposes of subsequent debate and subject only to Clause 64 be treated as an original motion.

"That Council Adjourn".

(66) (a) A Councillor may, at the conclusion of the speech of any other Councillor or on the conclusion of any business, move without notice that the Council do now adjourn and that motion shall state the time and date to which the adjournment is to be made or that the adjournment is to be to a date and time to be fixed. (b) On a motion to adjourn, the mover may speak for not more than five minutes, the seconder shall not speak other than formally to second the motion and the mover of the motion (if any) which was then under debate may speak for not more than five minutes, but no other debate shall be allowed.

(68) (a) A Councillor who has spoken on the question then before the Council shall not move the adjournment of the Council.

(b) A Councillor shall not, at the same sitting of the Council, be the mover or seconder of more than one motion for the adjournment of the Council.

(69) On a motion for the adjournment of the Council being carried, the debate on the question (if any) under debate when that motion was moved shall be continued immediately upon the Council resuming after the adjournment.

(70) On a motion for the adjournment of the Council being carried, a record shall be taken of all those who have spoken on the subject under consideration at the time of the adjournment and they shall not be permitted to speak on any subsequent consideration of the same subject, but this Clause does not deprive a mover of the right of reply.

(74) On a motion for the adjournment of a debate being carried, a record shall be taken of all those who have spoken on the subject under debate and they shall not be permitted to speak on any resumption of the debate on that subject, but this clause does not deprive the mover of his right of reply.

(75) Where the debate on any motion, moved and seconded, is interrupted by the lack of a quorum, that debate may, on motion with notice, be resumed at the next meeting, at the point where it was so interrupted.

"That Question be now Put".

(76) A Councillor may, at the conclusion of the speech of any other Councillor, move, without notice and without comment, that the question under consideration be now put, and upon that motion being formally seconded, that motion shall be immediately put, without debate.

(77) A motion that the question under consideration be put shall not be moved by a Councillor who has already spoken on the question.

(78) When it is decided by the Council that the question under consideration be put, the mover of the question under consideration shall, if debate has ensued and if otherwise entitled to do so, be permitted to speak in reply for not more than five minutes before the question is put, but subject thereto, the question shall at once be put.

(79) Whenever it is decided by the Council that the question be put, any amendment to the question then being debated by the Council shall be put and then the main question shall be put.

(85) Any Councillor moving the suspension of a Standing Order shall state the object of the motion, but discussion shall not otherwise take place thereon.

Method of Taking Vote.

(86) The Mayor, shall in taking the vote on any motion or amendment, put the question, first in the affirmative and then in the negative, and he may do so as often as is necessary to enable him to form and declare his opinion as to whether the affirmative or the negative has the majority by a show of hands or on the voices.

(87) (a) The Council shall vote on the count of raised hands but the result may be determined on the voices unless a Councillor calls for a show of hands. Any Councillor may call for a division on any question taken on a vote by a show of hands or on the voices.
