Town Planning and Development Act 1928
(As Amended).

Town of Armadale Town Planning Scheme No. 1—
Amendment No. 176.

THE Armadale Town Council under and by virtue of the powers conferred upon it in that behalf by the Town Planning and Development Act 1928 (as amended), and the Metropolitan Region Town Planning Scheme Act 1959 (as amended), hereby amends the above Town Planning Scheme by:—

- (A) Modifying Clause 4.11 within Part IV of the Scheme Text to read:

- 4.11 Cash payment or transfer of land in lieu of Parking Spaces: The Council may accept a cash payment or transfer of land or both in lieu of the provision of car parking spaces, but subject to the requirements of this Clause.
- 4.11.1 A cash-in-lieu payment shall be not less than the estimated cost to the owner of providing and constructing the parking spaces required by this Scheme, plus the value, as estimated by the Council, of that area of his land which would have been occupied by the parking spaces.
- 4.11.2 Before the Council agrees to accept a cash payment in lieu of the provision of parking spaces, the Council must either have already provided a public parking station nearby, or must have firm proposals for providing a public parking station nearby within a period of not more than eighteen months from the time of agreeing to accept the cash payment.
- 4.11.3 Payments made under this Clause shall be paid into a special fund to be used to provide public parking stations and the Council may use this fund to provide public parking stations anywhere in its District.
- 4.11.4 In the case of Council accepting a transfer of land, Council shall only accept such land free of cost, in fee simple and in a location satisfactory to the Council.

- The area of the land concerned shall not be less than the area which would have had to be provided by the developer for car parking purposes.
- 4.11.5 In the case of Council accepting a transfer of land, unless the land transferred exceeds the area to be provided by the developer for parking purposes by a sufficient margin to reflect the cost of constructing the parking, Council shall require payment of cash-in-lieu of the cost of constructing the parking in addition to the transfer of land.
- 4.11.6 Where Council accepts land under the provisions of 4.11.4, notwithstanding the provisions of Zoning Table No. 1, public car parking shall be a permitted use on such land.
- 4.11.7 In the interest of accommodating growth and a flexible approach to expanding business or industrial areas, nothing in this Scheme shall prevent the Council from seeking rezoning classification and sale of the lands referred to in 4.11.4, provided that the originally required car parking provision is elsewhere re-located.
- (B) Including a new Clause within Part IV of the Scheme Text to read:
- 4.42 Town Centre Policy.
- 4.42.1 In this Clause the expression "Town Centre" means an area depicted as such upon a map or plan, and to a policy adopted by the Council.

- 4.42.3 Policies adopted by the Council—

 - (b) are not binding on the Council; and

- 4.42.4 The Council may implement its policies by imposing conditions upon its approval to commence development or to a use.
- 4.42.5 The Council may make a policy pursuant to this Clause or amend a policy previously made by adding to or altering it or may revoke it and substitute another policy therefor if the following procedure is followed—

- 4.42.5A If there is any conflict between a policy adopted by the Council pursuant to this Clause and the provisions of the Scheme the latter prevails.
- 4.42.6 In this Clause the expression "absolute majority" has the meaning given to it in and for the purposes of the Local Government Act 1960, as amended.
- (C) Rezoning of all those lots coloured pale blue with a dark blue border on the accompanying zoning plan to Zone 6 "Commercial" and all those lots coloured pale blue with a dark blue border and cross hatching to Zone 7 "Restricted Business—Office".
