- (i) The position required is not accessible or suitable by reason of the adverse nature of the terrain; or
- (ii) It is in the interests of district bushfire protection generally that a particular holding should have breaks in alternative positions as decided by the Bushfire Brigade in that area.

In relation to any alternative firebreak the following guidelines and conditions shall apply:—

- (a) For reason (i) above an alternative break shall be cleared as near as practicable to the position required by this notice, and such position shall be approved by either the Bush Fire Control Officer or Captain of the Bush Fire Brigade in the area concerned and forwarded in writing by the 1st November, 1981, by the owner or occupier to Shire Council for confirmation, enclosing a map of the alternative positions endorsed by the said Fire Control Officer or Captain.

- (c) Any alternative submitted has no effect until approved by the Council after which notification in writing will be given.
- (d) All alternative breaks approved may be reviewed by the Council at any time after the expiry of 1 year.
- (e) Cultivation of roadsides will be allowed on road reserves only with the written permission of the Council, and for the purpose of protection of fencing only, and not as an alternative to a firebreak.
