For each election the certified roll of persons eligible to vote at that election shall be the roll as at 4.00 p.m. on the day on which nominations for that election close, provided that up to 5.00 p.m. on the day prior to the day appointed for the election, the Returning Officer may add to the roll the name of any person otherwise qualified to vote whose name has been inadvertently omitted from the roll.

4. Any member of the academic staff, the other staff and the Alumni is eligible to—

- (a) nominate a candidate;
- (b) be nominated as a candidate;
- (c) vote;

in respect of elections to the appropriate category of Council membership.

5. The Returning Officer for elections is the Administrative Secretary.

6. The Returning Officer shall send to each elector notice of an election not more than ten (10) weeks and not less than six (6) weeks before the expiry of the term of office of an elected member and shall include in the notice the conditions of nomination pursuant to section 7.

7. (1) Nominations shall be in writing, signed by the proposer and the nominee and dated and lodged with the Returning Officer by the date specified for the close of nominations.

(2) A proposer shall not nominate a number of nominees greater than the number of vacancies to be filled.

(3) Nominations shall remain open for a period of at least seven (7) days.

11. Where a ballot is required, the Returning Officer shall not later than seven (7) days after the last day for receiving nominations, send to each elector—

- (1) Ballot papers shall be marked by placing the numeral 1 beside the name of the candidate for whom the voter wishes to vote. If a voter wishes to express a second or any subsequent preference he shall place the numeral 1 beside the candidate of his first preference and the numerals 2, 3, 4 and so on in numerical order beside the name or names of any candidate or candidates for whom he wishes to express a second or any subsequent preference. In an election to fill two or more vacancies, a voter shall express a preference for at least the same number of candidates as there are vacancies to be filled, but subject thereto, a ballot paper shall not be invalid merely because the voter has not expressed a preference for all of the candidates.
- (2) As soon as practicable after the close of the ballot the Returning Officer shall, with the assistance of such other officers as he may appoint, scrutinise the ballot papers and eliminate any invalid votes. He shall then count and record the number of votes (other than second or subsequent preferences) expressed for each candidate.

Schedule—*continued.*

- (3) In the case of an election at which only one vacancy is to be filled, the Returning Officer shall declare elected the candidate (if any) who has an absolute majority of votes. If no candidate has an absolute majority on the first count, the Returning Officer shall eliminate the candidate with the lowest number of votes and shall distribute these votes amongst the remaining candidates according to the next preferences (if any) expressed on the ballot paper.

This procedure shall be repeated until one candidate has an absolute majority whereupon that candidate shall be declared elected.

- (4) In the case of an election at which two or more vacancies are to be filled, the candidates receiving the lowest number of votes shall be progressively eliminated and their next available preference distributed until there remain only such number of candidates as there are vacancies to be filled.

18. Within the period of two days after the result of an election is known, the Returning Officer shall declare each successful candidate elected by giving notice to that effect in writing to the Director and posting a copy of the notice on the notice board which the Institute shall provide outside the main entrance to the Institute Administration building.

19. Statute No. 5—Election of Academic Staff to Council—adopted on 19 March 1969 and amended on 20 October 1971 is hereby repealed.
