5. Section 6 of the Act provides that the Commissioners shall—

(a) divide the Metropolitan Area into thirty electoral districts:

(b) divide the Agricultural, Mining and Pastoral Area into twenty-three electoral districts;

and shall, for the purpose of dividing each such Area into electoral districts, fix a quota of electors for the electoral districts for each such Area as follows, namely, the total number of enrolled electors within each Area shall be divided by the number of electoral districts into which the Area is to be divided and the quotient shall be the quota of electors for each electoral district within the Area.

6. The number of electoral districts for the North-West-Murchison-Eyre Area as defined in subparagraph (ii) of paragraph (b) of section 4 of the Act and subsection (2) of section 7, is fixed at four by the statute.

7. In making the division of the Metropolitan Area and the Agricultural, Mining and Pastoral Area into electoral districts, the Act provides that the Commissioners may adopt in respect of the statutory quotas a margin of allowance to be used whenever necessary but not in any case to a greater extent than ten per centum more or less in the case of the division of the Metropolitan Area into electoral districts or to a greater extent than fifteen per centum more or less in the case of the division of the Agricultural, Mining and Pastoral Area into electoral districts. The maximum and minimum of the statutory quotas are as follows:—

Area	Quota	Maximum	Minimum
Metropolitan	16 224	17 846	14 602
Agricultural, Mining and Pastoral	8 583	9 870	7 296

It should be noted that the boundary between the Metropolitan Area and the Agricultural, Mining and Pastoral Area was altered by amendment to the schedule to the Electoral Districts Act 1947-1981, and the electoral populations in the respective areas were required to be adjusted to take such alteration into account. The adjusted electoral populations upon which quotas were determined are

Metropolitan Area	486 725
Agricultural, Mining and Pastoral Area	197 428

8. Full consideration was given to the objections received following the publication of the proposed alterations and as a result some adjustments were made to our preliminary proposals.

9. Metropolitan Area and Agricultural, Mining and Pastoral Area.

Metropolitan Area.

The Metropolitan Area as defined in subparagraph (1) of paragraph (b) of section 4 of the Act shall be divided into thirty electoral districts pursuant to the provisions of section 6 of the Act.

The following are our final recommendations.

- (a) The accompanying annexures show the names of the electoral districts and, as nearly as can be ascertained, the number of electors in each district as at the 18th May, 1981, together with the names of the electoral provinces and the complete and contiguous electoral districts included in each province as recommended by the Commissioners, and the number of electors in each province.
- (b) A description of the boundaries of the proposed electoral districts appears under the heading "Metropolitan Area" in the attached Schedule.
- (c) Maps numbered "1" and "2" are annexed. The boundaries of the thirty electoral districts are delineated thereon together with the boundaries of the seven electoral provinces in the Area.

Agricultural, Mining and Pastoral Area.

The Agricultural, Mining and Pastoral Area as defined in subparagraph (iii) of paragraph (b) of section 4 of the Act shall be divided into twenty-three electoral districts pursuant to the provisions of section 6 of the Act.

The following are our final recommendations.

- (a) The accompanying annexures show the names of the electoral districts and as nearly as can be ascertained, the number of electors in each district as at the 18th May 1981, together with the names of the electoral provinces and the complete and contiguous electoral districts included in each province as recommended by the Commissioners, and the number of electors in each province.
- (b) A description of the boundaries of the proposed electoral districts appears under the heading "Agricultural, Mining and Pastoral Area" in the attached Schedule.
- (c) A map numbered "3" is annexed. The complete boundaries of twenty-one of the twenty-three electoral districts and of six of the eight electoral provinces in this Area are delineated on this map. For want of space the boundaries of the remaining two electoral districts in the Area, those of Esperance-Dundas and Greenough, and of the remaining two electoral provinces in the Area, those of South-East and Upper West, could not be wholly included in map numbered "3", but they are delineated on the annexed map numbered "5", which is primarily intended to depict the electoral province boundaries and is later referred to in paragraph 11.

10. North-West-Murchison-Eyre Area. (For information only.)

(a) This Area as defined in subparagraph (ii) of paragraph (b) of section 4 of the Act and subsection (2) of section 7, prescribes the limits of the four electoral districts of Kimberley, Pilbara, Gascoyne and Murchison-Eyre, and the two electoral provinces in the Area, namely, the North Province consisting of the electoral districts of Kimberley and Pilbara and the Lower North Province consisting of the electoral districts of Gascoyne and Murchison-Eyre.

(b) Whilst stressing that the Commissioners have no power to make any alteration to the districts and provinces above referred to, the Commissioners have, for general information, included in the Schedule to this notice, under the heading "North-West-Murchison-Eyre Area" a description of the boundaries of

each electoral district in that Area. The annexed map numbered "4" shows the delineation of the boundaries of these four districts together with the boundaries of the two provinces in the Area.

11. A sheet of three maps numbered "5" is also annexed for ready reference. The maps on this sheet show the delineation of the boundaries of the electoral provinces in each of the three Areas into which the State is divided, together with the electoral districts included in each province.

The number of electors as nearly as can be ascertained as at the 18th May, 1981, in each electoral district and the number of electors for each electoral province is shown on the sheet of three maps numbered "5".

12. In accordance with the directions contained in section 10 of the Act, we are forwarding this final report and these final recommendations to the Honourable the Chief Secretary, the Minister to whom the administration of the Electoral Act, 1907-1980 is, for the time being, committed.

We have the honour to be,
Your Excellency's obedient servants,

FRANCIS BURT,
Chief Justice of Western Australia,
Chairman.

Surveyor General.
