SALARIES AND ALLOWANCES ACT 1975, AS AMENDED  
DETERMINATION OF THE SALARIES AND ALLOWANCES TRIBUNAL

(10 FEBRUARY 1982)

## MEMBERS OF PARLIAMENT

## SALARIES

1. The present basic salary of a Member of the Lower House in each of the Australian Parliaments is as follows:

	Per Annum \$	Operative Date
Queensland	33 690	1/7/81
Federal	33 013	1/7/81
Northern Territory	33 000	1/11/81
Victoria	32 513	1/7/81
New South Wales	32 000	1/1/82
Western Australia	29 032	1/10/81
Tasmania	28 621	1/7/81
South Australia	27 780*	1/1/81

\* currently under review

2. Since our previous Determination on 6 July 1981, the basic salaries of Members of the Queensland, Federal, Northern Territory, Victorian and New South Wales Parliaments have all been increased to the amounts shown in the above table. In the light of these higher rates we have decided to lift the basic salary of a Member of the Western Australian Parliament by 10% to \$31 935 per annum with effect on and from 1 January 1982.

3. The additional salaries payable to Ministers of the Crown, Officers of Parliament and the Parliamentary Secretary of the Cabinet are also to be increased by 10% on and from 1 January 1982.

## ELECTORATE ALLOWANCES

4. Costs incurred by Members in discharging their parliamentary duties continue to rise particularly in the operation, maintenance and replacement of motor vehicles. Local and shorter-distance S.T.D. telephone calls are also to cost more from 25 January 1982. These and other increased costs have been taken into account in determining the allowances which are to apply on and from 1 January 1982.

OFFICERS IN THE SPECIAL DIVISION OF THE PUBLIC SERVICE AND  
PERSONS HOLDING PRESCRIBED OFFICES

5. On 14 January 1982 the Public Service Arbitrator awarded salary increases with effect from 18 December 1981, to persons in the administrative and clerical divisions of the W.A. Public Service. As a result, the salary attached to the top class in these divisions (A-I-11) is now \$5 058 per annum in excess of the rate prescribed by the Tribunal for Class 1 Special Division officers who previously received \$1 812 per annum more in salary than a person classified A-I-11. In this situation we have no option than to "flow-on" salary increases of a similar magnitude, to the public servants and statutory office holders within our jurisdiction.

6. We have also decided to vary the salary structure by reducing the number of classes from seven to five. Annual salary rates which are to apply on and from 1 January 1982 are:

Class	\$
1	49 476
2	52 196
3	54 916
4	57 636
5	60 356

7. The placement of officers in the new salary structure is set out in the Second Schedule to the attached Determination.

8. Expense allowances which now range from \$375 to \$1 500 per annum, have been reviewed in the light of payments in other Australian Public Services and as a result, a new scale ranging from \$750 to \$2 000 per annum as listed in the Second Schedule is to apply on and from 1 January 1982.

DETERMINATION

9. Our attached Determination which is in two Schedules comes into operation on 1 January 1982.

Dated at Perth this 10th day of February 1982.

Chairman.
