Car parking areas, out-buildings, and open domestic storage and drying areas will, where possible, be confined to positions which are inconspicuous to view.

- 2.3 Inserting in section C, General Provisions, a new Clause 29A to read:—

3. The minimum effective frontage to be not less than 18 metres.
4. The maximum plot ratio to be 0.40.
5. The minimum front setback to be 9 m and all other standards to be determined as per the Uniform Building By-Laws.

5. No person shall, except with the written permission of Council, engage in building or any other form of operation or work on any land or contract or arrange with any person to carry out any works or to deliver any material onto any land if by so doing a vehicle will cross a road kerb or the paving of a footpath except at a specially constructed crossing place.

6. Any person who:—
