For the purpose of this clause water is to be potable water as defined in the provisions of the Town of Kwinana Town Planning Scheme No. 1.

11. The land is to be managed in such a manner as to avoid the land being laid bare to vegetation resulting in loose, wind erodable conditions. For the said vegetation that has to be removed to make way for housing, fences, firebreaks, outbuildings and access ways construction, the Council's approval shall be deemed as Council's written consent to remove that vegetation.

12. The Council may specify that groups or clumps of trees are required to retain the rural character of the locality. No person shall remove without the prior written consent of Council any of those groups or clumps of trees.
