HEALTH ACT 1911 (AS AMENDED).

Shire of Broome.

Health By-laws—Stables.

P.H.D. 741/57, Ex. Co. 0884.

WHEREAS under the provisions of the Health Act 1911, as amended, a local authority may make or adopt by-laws and may alter, amend or repeal any by-laws so made or adopted: Now, therefore, the Shire of Broome, being a local authority within the meaning of the Act doth hereby record having resolved on 16 March 1981 to make the following by-laws:—

1. These by-laws may be cited as the "Shire of Broome Stables By-laws" and shall come into operation on publication in the *Government Gazette* and shall apply and have operation throughout all the townsites within the Shire of Broome.

2. In these by-laws, unless inconsistent with the text or subject matters—

"Act" means the Health Act 1911, and amendments thereto;

"Approved" means approved by the Shire of Broome;

"Council" means the Council of the Shire of Broome;

"Health Surveyor" means any surveyor appointed under the Act for the Shire of Broome;

"Horse" means any stallion, mare, gelding, pony, colt or foal and includes any ass, mule, donkey and any beast of whatever description used for burden or draught or for carrying purposes;

"Paddock" means an area of land in excess of 0.2 ha;

"Person" and words applying to any person, or individual includes a corporation;

"Premises" includes messuages, buildings, lands and hereditaments;

"Stable" means any building capable of being enclosed in which a horse is accommodated or kept, and includes any shed, loose box, stall or shelter used for the keeping, stabling, feeding, watering, grooming, sheltering, shoeing, or veterinary treatment of a Horse;

"Yard" means an area of land not exceeding 108 m² enclosed for the keeping of one Horse.

3. As from and after the date of these by-laws coming into operation—

(1) no Person shall keep any Horse within a townsite in the Shire of Broome except on Premises registered under these by-laws provided that this by-law does not apply to Reserve No. 22648 (Recreation and Racecourse) and Reserve No. 33275 (Horse Stables);

(2) no Person shall keep on any Premises a greater number of Horses than the number for which the Premises are registered.

4. Every Person required by these by-laws to register Premises for the keeping of Horses shall make application to the Council in the form prescribed for that purpose in the schedule hereto, and with every application for original registration shall lodge plans, drawings and particulars in duplicate of the Premises for which registration is required.

5. Upon receipt of such application the Council shall cause such Premises to be inspected by the Health Surveyor and reported upon in respect to the sufficiency of such Premises including the condition thereof as the repair and cleanliness and such other matters as are required by these by-laws.

6. If upon such application and report being submitted to Council it shall appear to the Council that such application for registration should be granted, it shall upon being paid the registration fee hereinafter prescribed, register such Premises subject to such by-laws, orders, regulations, and rules as shall be or become of force during the continuance of such registration, and to issue the applicant a certificate of registration in the form set out in the Schedule hereto.

7. Every certificate of registration shall remain in force from the date of issue until the 31st December next ensuing, and thereafter during the period of every annual renewal and no longer, but may be sooner suspended or cancelled by the Council for breach of any by-laws, orders, regulations or rules which relate to the Premises or the occupier to which the same is subject.

8. Application for the renewal of any registration shall be made annually during the month of November, and the registration certificate then in force shall be lodged with the said application.

9. For every initial registration, there shall be paid to the Council by each applicant a sum of \$10.00 for each Premises. For every renewal of registration there shall be paid to the Council by each applicant a sum of \$10.00 for each Premises.

10. Each Premises in respect of which application is made for registration must fulfil the following requirements—

- (1) a Stable shall be provided which shall comply with the following conditions—
 - (a) it shall not be at a less distance than 9 metres from any dwelling house;
 - (b) it shall have an area of not less than 11 m² and have walls of a number and height approved and such walls shall be constructed of concrete, brick, stone, galvanised iron or similar;
 - (c) it shall have a roof to be constructed of approved impervious materials;
 - (d) there shall be on all sides of the building between the wall and the roof a continuous clear space of at least 230 mm in height apart from necessary roof supports.
 - (e) the upper surface of the floor shall be raised at least 75 mm above the surface of the surrounding ground and shall be constructed of granolithic cement, concrete, or other approved impervious material, it shall be graded with a fall of one in a hundred to an approved drain.
- (2) any Yard used for the keeping of any Horses shall be at least 12 metres from any house or public place and shall have a minimum width of 3.6 metres and a minimum area of 21 sq. m. A Yard is permitted to extend to a street boundary, provided that the boundary is not a frontage and the boundary of the Yard where it abuts on to a street boundary is fenced with a 2 metre fence that will prevent intrusion by any Horses into the street area.
- (3) a Paddock used for the keeping of any Horses shall be in an area where rural or industrial use is permitted in accordance with the Town Planning Scheme of the Shire of Broome and shall be suitably fenced and kept in such a state as to prevent any nuisance arising.
- (4) no Stable Yard or Paddock shall be situated within 18 metres from any food handling premises.

11. The occupier of every registered Premises shall—

- (1) provide on the Premises a receptacle for manure, such receptacle shall be constructed of brick faced with cement or with other approved impervious material; it shall be provided with a tight fitting cover and shall be emptied at least once weekly or more often as directed by the Health Surveyor,
- (2) collect daily and place in the receptacle for manure all manure produced on the Premises,
- (3) maintain the Premises in a clean condition and when so ordered by the Health Surveyor cleanse and disinfect the Premises,
- (4) when directed by the Health Surveyor—
 - (a) cause the manure receptacle to be treated internally with suitable insecticide so as to prevent fly breeding, and
 - (b) cause the surface of any building on the Premises to be sprayed with a residual insecticide.

12. Any Person who makes a false statement in connection with any application under these by-laws shall be guilty of an offence.

13. Any Person doing any act forbidden to be done, or failing to do any act directed to be done by these by-laws shall be liable to a penalty of not more than one hundred dollars, and in the case of a continuing offence, a further daily penalty of not more than ten dollars per day.

FISHERIES ACT 1905-1979.

Part IIIB—Processing Licenses.

F & W 260/82.

THE Public is hereby notified that I have issued a permit to Edward Gilbert Riggs of 8 Gregson Street, Jurien, to establish a processing establishment to process fish in pursuance of the provisions of section 35C of the Fisheries Act 1905-1979 on board licensed fishing boat "Grumps", registered number LFB F823, subject to the following conditions:

That the processing establishment:—

- (1) Shall comply with the requirements of the Fisheries Act 1905-1979 and all Regulations, Orders in Council, and Notices and Ministerial Directions issued thereunder.
- (2) Shall not be used for the processing of rock lobster or prawns.
- (3) Shall comply with the requirements of the Health Act 1911 (amended).
- (4) Shall be registered as an export establishment pursuant to the provisions of the Export (Fish) Regulations made under the provisions of the Customs Act 1901 (amended) and the Commercial (Trade Descriptions) Act 1905 (amended) of the Parliament of the Commonwealth should it be used to process fish for export.
- (5) Shall not be used for the processing of marron (*Cherax tenuimanus*) unless a licence is held under section 39C of the Fisheries Act 1905.
- (6) Shall not be used for the processing of fish or crustacea caught by any other vessel.

In accordance with the provisions of section 35K, any person aggrieved by this decision, may within 14 days after publication of this notice, appeal against the decision or order by serving on the Minister for Fisheries and Wildlife, a statement in writing of the grounds of their appeal.

B. K. BOWEN,

(Public Plan—Broome 29 : 15.)

These lots are sold subject to the following conditions:

- (A) The purchaser shall erect on the lot purchased a residence to comply with Local Authority by-laws within two years from the due date of the first instalment. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid. However, freehold title to the land may be applied for when a residence has been erected to "top plate height" stage, and is not less than 50% completed to the satisfaction of the Minister for Lands.

On payment of the first instalment of purchase money a Licence will be available, upon which a mortgage can be registered. A Crown Grant (freehold) will not issue until the purchaser has complied with the building condition. A holder of a Licence may apply to the Minister for Lands for permission to transfer a Licence.

- (B) Purchases by Agents will need to be ratified by the Principals.

- (C) Subject to Examination of Survey.

- (D) The purchaser shall erect on the lot purchased Business Premises to comply with Local Authority by-laws within two years from the due date of the first instalment. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid.

On payment of the first instalment of purchase money a Licence will be available, upon which a mortgage can be registered. APPLICATION FOR LEASING.

Department of Lands and Surveys,
Perth, 2 April 1982.

Corres. 575/70, V.2.

APPLICATIONS are invited under section 117 of the Land Act 1933, for the leasing of the Broome Lots situated in Hunter Street and shown in the schedule for the purpose of "Light Industry" for a term of 21 years at the annual rental shown in the said schedule.

Intending applicants shall submit with their applications, details of intended utilisation and proposed development indicating size and type of intended structures, cost estimates, source of funds and programme for construction whether staged or not.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed utilisation, development and/or development programme is inadequate or unsuitable or that the applicant has failed to show adequate capacity to fund the development.

The services provided to these lots are Water, Electricity, Drainage and Roads and the Service Premium as shown in the schedule is payable in four (4) equal quarterly instalments in January, April, July and October. The first instalment is due and payable on the first day of the quarter next following the date of approval of the lease.

The survey fees shown in the schedule are payable in cash within 30 days of acceptance of application.

Where the in-going lessee indicates that he anticipates a requirement for freehold during the currency of the lease, the Hon. Minister shall signify the extent of development (which may be additional to that required as the basis for leasing the site) that will be necessary to enable the issue of a Crown Grant.

Subject to agreement between the lessee and the Minister, the foregoing development, obligations, and other conditions set out herein may be varied or added to from time to time.

At any time during the currency of the lease, subject to the agreed development, obligations and other conditions having been met to the satisfaction of the Hon. Minister, the lessee may surrender his lease to the intent that he may apply for purchase of the said land.

In the event of the lessee surrendering his lease and becoming the successful applicant for purchase of the said land, a purchase price in accordance with the schedule shall apply for a period of three years from the date of approval of his lease (following which period the price shall be subject to review) and fees associated with the issue of a Crown Grant shall be payable.

The land is made available for leasing subject to the following conditions:—

- (1) The land shall not be used for any purpose other than "Light Industry" without the prior approval in writing of the Minister for Lands.
- (2) The rent shall be subject to reappraisal at the end of the third year and each successive three year period thereafter.
- (3) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage, sublet or part with the possession of the demised land.

- (4) The land shall be occupied and used by the lessee for the purpose specified within nine (9) months of the commencement of the lease and thereafter will be continuously so used to the satisfaction of the Minister.
- (5) The lessee shall commence construction within nine (9) months and thereafter continue construction and complete and operate the works within two (2) years from the date of the commencement of the lease.
- (6) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute, by-law or regulation.
- (7) The lessee shall, within 12 months from commencement of the lease, fence the external boundaries with Industrial Fencing to the satisfaction of the Minister.
- (8) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (9) All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister for Lands.
- (10) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (11) The Minister or his representative may enter the land for inspection at any reasonable time.
- (12) The land shall be filled to levels specified by, and acceptable to the Minister or his nominee and the Shire Council.
- (13) Compensation will not be payable for damage by flooding of the demised land.
- (14) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (15) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove and carry away any buildings, structures, improvements and plant the property of the lessee.
- (16) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term on the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Lands and Surveys, Perth on or before Wednesday, 19 May 1982 accompanied by the deposit shown in the schedule together with the required development details and completed Land Board Questionnaire.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for any lot, the application to be granted will be decided by the Land Board.

APPLICATION FOR LEASING.

Department of Lands and Surveys,
Perth, 2 April 1982.

Corres. 3529/76.

APPLICATIONS are invited under section 116 of the Land Act 1933, for the leasing of the Fitzroy Locations shown in the Schedule for the purpose of "Agriculture" for a term of 21 years at the annual rentals shown in the said Schedule.

Intending applicants shall submit with their application an outline plan drawn to scale showing proposed development in concept form, together with a preliminary development programme and budget.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development is inadequate or unsuitable.

The services provided to the locations are Roads and Power and the service premiums shown in the Schedule are payable in cash within 30 days of acceptance of application.

The successful applicants will be required to provide their own water supply. In this regard it is advised that the Public Works Department has proven the water potential of the area by the drilling of a test bore on Location 108.

The survey fees shown in the Schedule are payable in cash within 30 days of acceptance of applications.

The locations are made available subject to examination of survey.

At any time during the currency of the lease, subject to the completion of the following improvements, the lessee may surrender his lease in order that the land may be made available in freehold. The price for the land shall be as shown in the Schedule and shall remain valid for a period of three years from the date of this notice.

- (a) At least two thirds (2/3) of the area must be developed and adequately watered commensurate with the lease purpose, to the satisfaction of the Minister.
- (b) The boundaries of the land must be securely enclosed with a fence to the satisfaction of the Minister for Lands.
- (c) A residence complying with minimum Local Authority building by-laws must be erected to "top plate height" stage and 50% completed to the satisfaction of the Minister.

The locations, which are situated about 5 kilometres southeast of Derby Townsite off the Derby-Gibb River Road are made available for leasing subject to the following conditions:—

- (1) The land shall not be used for any purpose other than "Agriculture" without the prior approval in writing of the Minister for Lands.
- (2) The rent shall be subject to reappraisal at the end of the third year and each successive three year period thereafter.
- (3) The lessee shall not without the previous consent in writing of the Minister for Lands assign, transfer, mortgage, sublet or part with the possession of the demised land.

- (4) The land shall be occupied and used by the lessee for the purpose specified within nine (9) months of the commencement of the lease and thereafter will be continuously so used to the satisfaction of the Minister.
- (5) The lessee shall within two (2) years from commencement of the lease:—
 - (i) develop not less than one third of the area consistent with the purpose of the lease to the satisfaction of the Minister for Lands;
 - (ii) establish a potable water supply.
- (6) Pumping licences will be required from the Public Works Department for bores established on the demised land.
- (7) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute, by-law or regulation.
- (8) The lessee shall, within twelve months from commencement of the lease, fence the external boundaries with a stock-proof fence to the satisfaction of the Minister.
- (9) The lessee shall maintain existing and future improvements to the satisfaction of the Minister for Lands.
- (10) The only residence permitted will be that of the Lessee or a Manager or Manager/Caretaker.
- (11) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (12) The Minister or his representative may enter the land for inspection at any reasonable time.
- (13) Compensation will not be payable for damage by flooding of the demised land.
- (14) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (15) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove and carry away any buildings, structures, improvements and plant the property of the lessee.
- (16) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister for Lands and shall remove any or all waste matter as required by the Minister.
- (17) Power is reserved to the Minister for Lands to direct that the number of stock depasturing on the demised land shall be reduced if the Minister is of the opinion that the demised land is overstocked to an extent sufficient or likely to cause permanent damage to the land; failure to comply with any such direction will result in the forfeiture of the lease.
- (18) Neither the Government nor the Local Authority will be responsible for the provision of additional services to the locations.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Lands and Surveys, Perth, on or before Wednesday, 19 May 1982, accompanied by the deposits shown in the Schedule, together with the required development details and completed Land Board Questionnaire.

All applications lodged on or before that date will be treated as having been received on the closing date and, if there are more applications than one for any location, the application to be granted will be decided by the Land Board.

Part 9.—Car Parking.

General.

9.1 (1) No person shall use or develop any land or alter any building unless provision is made for a parking area to accommodate the number of car bays required for the type of use as specified in Table No. 6.

(2) When considering any development application, the Council will have regard to, and may impose conditions on, the design and location of the parking area on the lot. In particular, the Council will take into account, and may impose conditions concerning:—

- the means of access to each car bay and the adequacy of any vehicular manoeuvring area;
- the location of the parking area on the lot and the effect on the amenity of adjoining development, including the potential effect, if car bays should later be roofed or covered;
- the extent to which car bays are located within required building line setbacks;
- the locations of vehicular crossings, public footpaths, or private footpaths within the lot, and the effect on both pedestrian and vehicular traffic movement and safety; and
- the suitability and adequacy of landscaping.

Design.

9.2 (1) The rectangular dimensions of every car bay shall be not less than 2.5 metres in width and 5.5 metres in length, excluding all access drives; all end bays shall be not less than 2.75 metres in width; and aisle bays shall be not less than 3.0 metres in width and 6.7 metres in length.

(2) Access drives shall be not less than the widths shown in Figure 1 for one-way access; two-way access drives shall be not less than 6.0 metres in width.

Construction and Maintenance.

9.3 (1) Parking areas shall be constructed and marked in accordance with the approved plan and thereafter maintained to the satisfaction of the Council.

(2) The pavement shall be marked with messages and arrows in accordance with Australian Standard 1742, Part 1-1975 (as amended).

(3) All car bays shall be marked by unbroken lines not less than 75 mm wide painted on the pavement in a manner similar to that shown in Figure 2.

Cash Payment in Lieu of Providing a Parking Area.

9.4 (1) The Council may accept a cash payment in lieu of the provision of a parking area, subject to the following:—

- a cash payment shall be not less than the estimated cost to the owner of providing and constructing the parking area required by the Scheme plus the value, as estimated by the Council, of that area of his land which would have been occupied by the parking area;
- before the Council agrees to accept a cash payment, the Council must either have already provided a public car park nearby, or must have firm proposals for providing a public car park nearby within a period of not more than eighteen months from the time of agreeing to accept the cash payment; and
- any such cash payment shall be paid into a special fund to be used to provide public car parks and the Council may use this fund to provide public car parks anywhere in its district.

1947-1981.

West Pilbara Water Supply.

Harding Dam.

Preliminaries to Construction.

Notice of Intention.

P.W.W.S. 2389/81.

NOTICE is hereby given of the intention of the Minister for Water Resources to undertake the construction of the water works hereinafter described by virtue of the powers contained under the provisions of the Country Areas Water Supply Act 1947-1981.

A description of the proposed water works:

The proposed water works, with all necessary valves and appurtenances, will consist of:

- (a) a dam,
- (b) a pump station,
- (c) supply mains each 2.5 km in length,
- (d) a tank.

The localities in the country water area in which they will be constructed:

Items (a) and (b) will be located on the Harding River as shown on Plan PWD WA 53760-1-1.

Item (c) will connect the pump station to the existing Harding River Supply Main.

Item (d) will be located 5.8 km from the Cape Lambert Extension adjacent to the existing Harding River Supply Main.

All the water works are within the Shire of Roebourne and the West Pilbara Country Water Area and are shown on Plan PWD WA 53760-1-1.

The purposes for which they are to be constructed:

The purpose is to augment the existing West Pilbara Water Supply.

The times when and the places at which the plans may be inspected:

Inspection may be made at the office of the Minister for Water Resources, Room 847, Dumas House, 2 Havelock Street, West Perth; at the Water Supply Office of the Public Works Department, Welcome Road, Karratha; and at the office of the Shire of Roebourne, Welcome Road, Karratha on and for one month after 5 April 1982 between the hours of 10.00 a.m. and 3.30 p.m.

ANDREW MENSAROS,
Minister for Water Resources.

NOTE.

1. Section 17 of the Country Areas Water Supply Act 1947-1981, provides that:—

1.1 Any local authority or person interested may object in writing to the construction of the proposed water works.

1.2 Every objection shall be lodged with the Minister within one month from the date of the publication of the advertisement in the *Government Gazette*.

2. Section 63 of the Country Areas Water Supply Act 1947-1981, empowers the Minister to make and levy water rates on land whether actually occupied or not and whether actually supplied with water or not where such land is within the prescribed distance of any water main laid in pursuance of the advertisement.

3. The timing of construction of the water works shown on the plan is subject to funding.

4. The construction of the works is subject to approval of the Environmental Review and Management Proposal.

*Division 2—Seismic Activity***Interpretation**

30.2 In this Division—

“timber framing connector” means a manufactured connector system for timber joints formed from 1.2 mm galvanised steel and pre-punched to take nails;

“Zone” means a Seismic Zone defined in the Fifth Schedule.

Standard to be Applied

30.3 A building in Zone A, Zone 1 or Zone 2 shall be designed and constructed in accordance with Australian Standard 2121 being item 61 of the First Schedule unless under clause 1.1.2 of that standard the building is excluded from the application of that standard.

Construction of Certain Residential Buildings in Zone A*Application of this By-law.*

30.4 (1) This by-law applies to—

- (a) buildings of Class I; and
- (b) buildings of Class IA, II or III in which the building elements separating the different occupancy units are vertical and not horizontal,

that are more than two storeys in height and are constructed in Zone A.

Engineer to Design

(2) The structural elements of a building to which this by-law applies shall be designed by a practising structural engineer in accordance with Australian Standard 2121 being item 61 of the First Schedule.

Construction of Certain Residential Buildings in Zone 1*Application of this By-law*

30.5 (1) This by-law applies to—

- (a) buildings of Class I; and
- (b) buildings of Class IA, II or III in which the building elements separating the different occupancy units are vertical and not horizontal,

that are constructed in Zone 1.

Prohibited Construction

(2) In a building to which this by-law applies the following are prohibited—

- (a) unreinforced masonry except as described in sub-bylaw (5);
- (b) overhanging ornamentation, parapets, and free standing masonry chimneys.

Engineer to Design in Certain Cases

(3) Where a building to which this by-law applies—

- (a) has a roof of concrete or terra cotta tiles; or
- (b) is more than one storey in height,

the structural elements of the building shall be designed by a practising structural engineer in accordance with Australian Standard 2121 being item 61 of the First Schedule.

Foundations and Footings

(4) In a building to which this by-law applies—

- (a) stumps supporting framed structures shall be of steel or timber and stumps with an out of the ground length exceeding 650 mm shall be braced;
- (b) floor beams shall be fixed to the top of stumps by bolts, or timber framing connectors nailed with a minimum of three 2.8 mm dia. x 30 mm long nails to each fixing plate of the connector;
- (c) corner stumps shall be braced in two directions and where the building dimension exceeds 10 m in length or width intermediate bracing shall be used at 10 m maximum centres;
- (d) the bottom plates of framed structures shall be fixed to a concrete raft or strip footing with M10 bolts or masonry anchors at 1 800 mm maximum centres;
- (e) concrete strip footings shall be continuously reinforced with two layers of reinforcement comprising two C12 bars per layer and tied with R6 ligatures at centres not exceeding 2.5 times the depth of the footing.

Framed Wall Construction

(5) In a building to which this by-law applies—

- (a) where metal framing is used—
 - (i) the framing shall conform to Australian Standard 1538, being item 27 of the First Schedule, or Australian Standard 1664, being item 55 of the First Schedule, and shall be braced and nogged and shall be fixed together using welding or the equivalent in strength using self tapping screws or bolts;
 - (ii) wall plates shall be continuous between cross walls or spliced so that no loss of strength occurs; and
 - (iii) material used in walls shall not be less than 1.2 mm in thickness;
- (b) where timber framing is used—
 - (i) the framing shall be fixed together by the use of timber framing connectors nailed with a minimum of three 2.8 mm dia. x 30 mm long nails to each fixing plate of the connector or if of seasoned timber, may be alternatively fixed with two 2.8 mm diameter nails, machine nailed through the top or bottom plate into the stud; and
 - (ii) wall plates shall be continuous between cross walls or spliced so that no loss of strength occurs.

Masonry Construction

(6) Where masonry construction is used in a building to which this by-law applies—

- (a) no internal or external wall shall exceed 4 m in length unless stiffened by means of cross walls or by columns or bracing designed by a practising structural engineer;
- (b) cross walls shall be tied to the internal leaf of cavity walls by fully bonding or by metal ties, complying with by-law 36.6, at every second course;
- (c) mortar shall be at least as strong as a 1:1:6 mortar and the masonry units shall have good mortar adherence properties and bricks shall be laid on a full bed of mortar with cross joints properly filled;
- (d) both leaves of all external masonry walls shall be reinforced with two R6 reinforcing bars in the course immediately under window sills and over door and window heads;
- (e) reinforcement shall extend a minimum of 300 mm beyond the supporting cross walls or columns and reinforcement to the external leaf shall be galvanised;
- (f) a continuous reinforced brick bond beam, comprising two R6 reinforcing bars in each of the top three bed joints shall be constructed on the internal leaf of perimeter walls and all cross walls;
- (g) cross wall reinforcement shall be turned and lapped 300 mm into the perimeter walls;
- (h) splices in reinforcement shall be not less than 300 mm; and
- (i) the top two courses of the internal leaf of the external wall and of every internal wall shall be constructed of bricks that contain no perforations.

Veneer on Construction

(7) Where veneer on framed construction is used on a building to which this by-law applies—

- (a) only veneers comprising an external skin of masonry and internal partitions of timber or metal framing shall be used; and
- (b) the veneer shall be fixed in accordance with Part 42.

Roof Construction

(8) In a building to which this by-law applies—

- (a) where metal sheeting, metal tiles, asbestos-cement sheeting or asbestos shingles are used as roof cover material—
 - (i) the roof structure shall be braced so that all horizontal loads are transferred directly to the cross walls; and
 - (ii) the roof framing shall be fixed to the wall top plate by the use of timber framing connectors nailed with a minimum of three 2.8 mm dia. x 30 mm long nails to each fixing plate of the connector; and
- (b) where the walls are of masonry construction all top plates shall be connected to the masonry with a minimum of M10 masonry anchors at a maximum of 1 800 mm centres, and every such anchor shall be fixed into the second top course.

Construction of Certain Residential Buildings in Zone 2*Application of this By-law*

30.6 (1) This by-law applies to—

- (a) buildings of Class I; and
- (b) buildings of Class IA, II or III in which the building elements separating the different occupancy units are vertical and not horizontal,

that are constructed in Zone 2.

Prohibited Construction

(2) In a building to which this by-law applies the following are prohibited—

- (a) unreinforced masonry construction;
- (b) overhanging ornamentation, parapets and free standing masonry chimneys.

Engineer to Design in Certain Cases

(3) Where a building to which this by-law applies—

- (a) is of masonry construction or veneer on framed construction;
- (b) has a roof of concrete or terra cotta tiles; or
- (c) is more than one storey in height,

the structural elements of the building shall be designed by a practising structural engineer in accordance with Australian Standard 2121 being item 61 of the First Schedule.

Foundations and Footings

(4) In a building to which this by-law applies—

- (a) stumps supporting framed structures shall be of steel or timber and stumps with an out of the ground length exceeding 500 mm shall be braced;
- (a) floor beams shall be fixed to the top of stumps by bolts, or timber framing connectors nailed with a minimum of three 2.8 mm dia. x 30 mm long nails to each fixing plate of the connector;
- (c) corner stumps shall be braced in two directions and where a building dimension exceeds 8 m in length or width intermediate bracing shall be provided at 8 m maximum centres;
- (d) the bottom plate of framed structures shall be fixed to a concrete raft or strip footing with M10 bolts or masonry anchors at 1 200 mm maximum centres;
- (e) concrete strip footings shall be continuously reinforced with two layers of reinforcement comprising two C12 bars per layer and tied with R6 ligatures at centres not exceeding 2.5 times the depth of the footing.

Framed Wall Construction

(5) In a building to which this by-law applies—

- (a) where metal framing is used—
 - (i) the framing shall conform to AS 1538, being item 27 of the First Schedule, or Australian Standard 1664, being item 55 of the First Schedule, and shall be braced, nogged and fixed together using welding or the equivalent in strength using self tapping screws or bolts;
 - (ii) wall plates shall be continuous between cross walls or spliced so that no loss of strength occurs; and
 - (iii) material used in walls shall be not less than 1.2 mm thick;
- (b) where timber framing is used—
 - (i) the framing shall be fixed together by the use of timber framing connectors nailed with a minimum of three 2.8 mm dia. x 30 mm long nails to each fixing plate of the connector or if of seasoned timber, may be alternatively fixed with two 2.8 mm diameter nails, machine nailed through the top or bottom plate into the stud; and
 - (ii) wall plates shall be continuous between cross walls or spliced so that no loss of strength occurs.

Masonry Construction

(6) Masonry construction used in a building to which this by-law applies shall be reinforced and shall be designed by a practising structural engineer in accordance with Australian Standards 2121 and 1640 being items 61 and 20 of the First Schedule respectively.

Roof Construction

(7) Where metal sheeting, metal tiles, asbestos cement sheeting, or asbestos shingles are used as roof cover material in a building to which this by-law applies—

- (a) the roof structure shall be braced so that all horizontal loads are transferred directly to the cross walls; and

- (b) the roof framing shall be fixed to the wall top plate by the use of timber framing connectors nailed with a minimum of three 2.8 mm dia. x 30 mm long nails to each fixing plate of the connector.

Free Standing Masonry Walls

Clerk of the Council.

LOCAL GOVERNMENT ACT 1960-1981.

The Municipality of the City of Gosnells.

By-laws Relating to Fencing and Obstructions at Intersections.

IN pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it, the Council of the City of Gosnells hereby records having resolved on 26 January 1982 to revoke the By-laws relating to Fencing and Obstructions at Intersections published in the *Government Gazette* dated 1 October 1976 and to make and submit for confirmation by the Governor the following By-laws:—

1. In these By-laws unless the context otherwise requires—

“Council” means the Council of the City of Gosnells.

“District” means the municipal district of the City of Gosnells.

“Dangerous Fence” means a fence declared by a Building Surveyor to be in a dangerous condition by reason of any one or more of the following namely: faulty design, location, construction, deterioration of materials, damage by termites, decay, damage by collision, changes in ground levels, or any other cause or causes.

“Fence” means a fence abutting a road, way or street or a fence on or near the boundary line of a lot and includes any free standing wall and any retaining wall.

“Industrial and Commercial Zone” means any portion of the District that is pursuant to the Town Planning Scheme zoned for these purposes.

“Residential Zone” means any portion of the District that is pursuant to the Town Planning Scheme zoned as either Residential “A” or Residential “B”.

“Rural Zone” means any portion of the District that is pursuant to the Town Planning Scheme zoned Rural.

“Building Surveyor” means a building surveyor appointed by the City of Gosnells.

“Dividing Fence” means a fence that separates the land of different owners whether the fence is on the common boundary of the adjoining land or on a line other than the common boundary.

“Town Planning Scheme” means the Town Planning Scheme of the City of Gosnells for the time being in force under the provisions of the Town Planning and Development Act 1928 (as amended).

2. Subject to By-law 3:—

(a) A Fence within a Residential Zone constructed in accordance with the specifications set out in the first schedule hereto is hereby prescribed as a “sufficient fence” for the purpose of the Dividing Fences Act 1961 (as amended).

(b) A Fence within an Industrial and Commercial Zone constructed in accordance with the specifications set out in the second schedule hereto is hereby prescribed as a “sufficient fence” for the purposes of the Dividing Fences Act 1961 (as amended).

(c) A Fence within a Rural Zone constructed in accordance with the specifications set out in the third schedule hereto is hereby prescribed as a “sufficient fence” for the purposes of the Dividing Fences Act 1961 (as amended).

3. (a) Where a Fence is erected on the boundary between land in a Residential Zone and land in some other zone then a “sufficient fence” for the purposes of the Dividing Fences Act 1961 (as amended) shall be that prescribed as a “sufficient fence” for a Residential Zone.

(b) Where a Fence is erected on a boundary line between land in differing zones neither of which is a Residential Zone the Council shall determine which schedule shall apply for the purposes of prescribing a “sufficient fence” for the purpose of the Dividing Fences Act 1961 (as amended).

4. (a) No person shall construct a Fence with sheet metal or second hand material without the written consent of the Council which consent the Council in its absolute discretion may refuse to grant or may grant upon such terms and conditions as it deems fit.

(b) No application to erect a Fence with sheet metal will be considered by the Council unless the plans and specifications accompanying the application show clearly that the Fence to be erected is to be adequately capped.

(c) No person shall erect an electric Fence upon or near the boundary of any land abutting upon a road, way or street within the District or electrify any such existing Fence without the written consent of the Council first had and obtained which consent shall in any event only be given where a separate boundary Fence exists or is to be erected and the electric Fence or the Fence proposed to be electrified is not less than 3 000 mm inside the boundary Fence.

5. (a) Within a Residential Zone, subject to By-law 7 a front boundary Fence not exceeding 1 200 mm in height may be constructed along the full width of the frontage of a lot.

(b) A Fence within a Residential Zone in excess of 1 200 mm and not exceeding 2 000 mm in height may be constructed along the front boundary of a lot provided—

- (i) the length of the Fence on the boundary line does not exceed 75% of the total length of that boundary and the remaining 25% of the Fence is set back a minimum of 450 mm from that boundary;
- (ii) the Fence is on both sides of every driveway angled into the lot for a distance of not less than 1 500 mm along the frontage to a distance of not less than 2 000 mm from the frontage to provide splayed lines of sight; and
- (iii) By-law 7 is complied with.

(c) The Council at its discretion may upon written application approve a front boundary Fence other than those permitted by these By-laws.

6. No person shall erect any structure in front of the building line in an Industrial, Commercial or Residential Zone other than a Fence permitted by these By-laws without having first made written application to and obtained the written approval of the Council.

7. No person shall erect or have or permit to be erected or permit to exist on any land belonging to him any Fence, wall, or other obstruction greater than 750 mm in height (not being a building authorised under the Uniform Building By-laws) within 12 000 mm of the corner of any road, way or street.

8. No person shall erect a Dividing Fence greater than 2 000 mm in height in a Residential Zone without having first made application to and obtained the written approval of the Council.

9. (a) No person shall commence to erect or proceed with the erection of a retaining wall which is on a boundary line unless and until he has lodged with the Council two (2) copies of a plan and specification thereof and in the case of a retaining wall exceeding 1 000 mm in height when required by the Council, engineering calculations in respect thereof and the Council has approved a copy of the plan and specification and (where applicable) the calculations.

(b) No Dividing Fence shall act as a retaining wall without Council permission.

10. A Fence wholly or partly of barbed wire complying with these By-laws may only be erected:—

- (i) in a Rural Zone;
- (ii) in an Industrial and Commercial Zone if no barbed wire is used below a height of 1 800 mm from the ground; or
- (iii) in any other part of the City of Gosnells with the written approval of the Council which shall in any event only be given if no barbed wire is to be used below a height of 1 800 mm from the ground.

11. No person shall erect a dangerous Fence on or within three metres of the boundary of a public place.

12. The use of iron spikes, broken glass or any other potentially dangerous material in or on any Fence in the District is expressly prohibited.

13. The owner or Occupier of land on which a Fence is erected shall maintain the Fence in good condition and in such a manner as to prevent it from becoming a Dangerous Fence falling into a bad state of repair or becoming dilapidated, unsightly or prejudicial to property in or to the inhabitants of the neighbourhood.

14. The Council may give notice in writing to the Owner or Occupier of any land upon which there is a Dangerous Fence or a Fence which is in the opinion of the Building Surveyor in bad condition or repair, dilapidated, unsightly or prejudicial to property in or to the inhabitants of the neighbourhood or is contrary to the provisions of these By-laws requiring such Owner or Occupier to pull down, remove, repair, paint or maintain such Fence within the time stipulated in the notice.

15. Where the Owner or Occupier of land fails to comply with a written notice given by the Council in accordance with By-law 14 of these By-laws the Council may enter upon such land and carry out the works specified in the written notice and the costs and expenses incurred by the Council in so doing may be recovered from such Owner or Occupier in a Court of Competent Jurisdiction.

DOG ACT 1976-1977.

The Municipality of the Shire of Northam.

By-laws Relating to Dogs.

IN pursuance of the power conferred upon it by the abovementioned Act and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on 4 September 1981 to make and submit for confirmation by the Governor, the following By-laws relating to dogs—

PART I—PRELIMINARY.

1. In these By-laws unless the context otherwise requires “Act” means the Dog Act 1976-1977.

“By-law” means one of these By-laws.

“Clerk” means the Shire Clerk for the time being of the Shire of Northam or the person acting for the time being in that capacity.

“Council” means the Council of the Municipality of the Shire of Northam.

“Schedule” means a schedule to these By-laws.

“Sub-by-law” means a sub-by-law in which the term is used.

Expressions used in these By-laws have the meanings given to them by the Act.

2. These By-laws apply throughout the whole of the District of the Shire of Northam.

PART II—IMPOUNDING OF DOGS.

3. The location of the pound to be used by the Shire of Northam shall be advertised in the *Government Gazette* and a newspaper circulating in the district.

4. If the owner or person apparently acting on behalf of the owner of a dog seized or impounded shall claim such a dog, then upon payment of the fees specified in the first schedule hereto, the dog shall be released to such person.

5. If the Council shall destroy a dog at the request of its owner, whether such dog shall have been seized or impounded or not, the owner shall pay to the Council the fee specified in the first schedule hereto.

6. The owner of a dog shall prevent that dog from entering or being in any of the following places:—

- (a) A public building.
- (b) A house of worship.
- (c) A public swimming pool.
- (d) Northam Airfield.

7. The owner of a dog shall prevent that dog from entering or being in any of the following places unless on a leash held by a person—

- (a) A sports ground.
- (b) A car park.

8. The payment of fees in respect of the seizure, care, detention or destruction of a dog shall not relieve the owner of his liability to a penalty under the Dog Act 1976-1977, or the Dog Act Regulations or this By-law.

9. The offences described in Column 3 of the Second Schedule are prescribed pursuant to section 50 (1) (d) of the Dog Act 1976-1977 as offences in relation to which a modified penalty applies, and the amount appearing in Column 4 of that table directly opposite an offence is the prescribed modified penalty payable in respect of that offence if dealt with pursuant to section 50 (1) (d) of the Dog Act 1976-1977.

10.1 Where an authorised person has reason to believe that a person has committed an offence against these By-laws as are prescribed in By-law 10, he may serve on that person a notice in the form prescribed in the Fourth Schedule hereto (in this By-law called "an infringement notice") informing the person that if he does not wish to have a complaint of the alleged offence heard and determined by a Court, he may pay to the Council within the time therein specified, the amount prescribed as the modified penalty.

10.2 An infringement notice may be served on an alleged offender personally or by posting it to his address as ascertained from him, at the time of or immediately following the occurrence giving rise to the allegation of the offence, or as recorded by Council pursuant to the Act.

10.3 Where a person who receives an infringement notice fails to pay the prescribed penalty within the time specified in the notice, or within such further time as may in any particular case be allowed, he is deemed to have declined to have the allegation dealt with by way of a modified penalty.

10.4 An alleged offender on whom an infringement notice has been served may, within the time specified in that notice or such further time as may in any particular case be allowed, send or deliver to the Council the amount of the prescribed penalty, with or without a reply as to the circumstances giving rise to the allegation, and the Council may thereupon:

- (a) appropriate that amount in satisfaction of the penalty and issue an acknowledgement; or
- (b) withdraw the infringement notice and refund the amount so paid.

10.5 An infringement notice may, whether or not the prescribed penalty has been paid, be withdrawn by the Council by sending of a notice in the form prescribed in the Fourth Schedule, to these By-laws to the alleged offender at the address specified in the notice or his last known place of residence or business and in that event any amount received by way of modified penalty shall be refunded and any acknowledgement of the receipt of that amount shall for the purposes of any proceedings in respect of the alleged offence be deemed not to have been issued.

PART III—KEEPING OF DOGS.

11. The occupier of premises shall not, unless the premises are licensed as an approved kennel establishment or have been granted exemption pursuant to section 26 (3) of the Act, keep or permit to be kept on those premises, more than two dogs over the age of three months and the young of those dogs under that age.

12. The occupier of the premises on which a dog is kept shall—

- (a) cause the premises or portion thereof on which the dog is kept to be fenced in a manner capable of confining the dog;
- (b) maintain the fence and all gates and doors in good order and condition.

13. (1) An application for a licence to keep an approved kennel establishment shall be in writing and shall be in or substantially in the form contained in the Third Schedule and shall be supported by evidence that due notice of the proposed use of the land has been given to persons in the locality.

(2) Unless the Council otherwise decides an applicant for a licence shall give notice of the proposed use of the land by—

- (a) not less than one advertisement in a newspaper circulating in the district; and
- (b) giving written notice to the owners and occupiers of all adjoining properties, at least thirty days before the application is made to the Council.

14. The fee payable for the issue or renewal of a licence to keep an approved kennel establishment is that specified in the First Schedule.

15. A person shall not erect a kennel unless it complies with the provisions of these By-laws and until plans and specifications and a location plan showing the proposed site for the kennel and of the yard appurtenant thereto have been approved by the Council and the fee for a licence prescribed in the First Schedule has been paid.

16. The owner or occupier of premises for which an approved kennel establishment licence has been granted shall provide and maintain kennels and yards in accordance with the following specifications—

- (a) each kennel shall have a yard appurtenant thereto;
- (b) each kennel and each yard and every part thereof shall not be at any less distance than 18 metres from the boundaries of the land in the occupation of the occupier;

- (c) each kennel and each yard and every part thereof shall not be at any less distance than 24 metres from any road or street provided, however, that in the case of a corner allotment, each kennel and each yard or part thereof shall not be at any less distance than 24 metres from the front boundary of the allotment and shall not be any less distance than 18 metres from the side boundary of the allotment;
 - (d) each kennel and each yard and every part thereof shall not be at any less distance than 18 metres from any dwelling house, church, schoolroom, hall or factory;
 - (e) the walls shall be rigid, impervious and structurally sound;
 - (f) the roof shall be constructed of impervious material approved by the Council;
 - (g) all untreated external surfaces of material shall be painted and kept painted with good quality paint;
 - (h) the lowest internal height shall be at least 1.8 metres from the floor, but the height can be reduced to 1.2 metres for a single kennel of floor area of not more than 2.0 square metres;
 - (i) each yard shall be securely fenced and kept securely fenced with a fence not less than 2 metres in height constructed of galvanised iron, wood, galvanised link mesh or netting;
 - (j) all gates shall be provided with proper catches or means of fastening;
 - (k) the upper surface of the floor of each kennel shall be set at least 100 mm above the surface of the surrounding ground and shall be constructed of granolithic cement finished to a smooth surface, and shall have a fall of not less than 1 in 100; the entire yard shall be surrounded by a drain which shall be properly laid, ventilated and trapped; all floor washings shall pass through this drain and shall be disposed of in accordance with the health requirements of the Council;
 - (l) the floor of a yard shall be constructed in the same manner as the floor of a kennel;
 - (m) for each dog kept therein, every kennel shall have not less than 2 m² of floor space and every yard not less than 2.5 m².
17. A person who keeps or permits dogs to be kept in an approved kennel establishment shall—
- (a) keep dogs in kennels and yards appropriate to the breed or kind in question, sited and maintained in accordance with the requirements of public health and sufficiently secured;
 - (b) not permit any dog to escape from the kennel or yard in which it is kept;
 - (c) maintain all kennels and yards and all feeding and drinking vessels used by dogs therein in a clean condition and cleanse and disinfect them when required so to do by an authorised person.

18. A right of appeal to a local court is conferred by section 27 of the Act where the Council refuses the grant of a licence or gives notice of intention to cancel a licence in respect of an approved kennel establishment.

PART IV—GENERAL.

19. A person who fails to comply with or contravenes any of the provisions of these By-laws commits an offence and is liable on conviction to a maximum penalty of \$100.
