(ii) are committed in the furtherance of a common objective; or

(iii) occur during group activity by the students charged or on whom penalties have been imposed, whether or not with other students;

(b) if the Board forms the opinion at any stage before making known its decision that it should in the interests of justice refrain from hearing or desist from proceeding further with any of the charges or appeals, it shall so refrain or desist and another Board shall be constituted to deal with any such charge or appeal.

(3) The Council may appoint a substitute member to take the place of any person excluded from participation under subsection (2) of this section or to fill a casual vacancy.

(4) The Chairman and members of the Committee shall continue in office until the appointment of the next Appeals Committee, except that an Appeals Committee shall continue in office to conclude the hearing of any appeal and to give its decision notwithstanding the appointment of a new Appeals Committee.
